Financial instruments measured at amortised cost

Debt instruments that meet the following criteria are measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. The principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

Debt instruments that are subsequently measured at amortised cost are subject to impairment.

Financial instruments measured at fair value through other comprehensive income ("FVTOCI")

Debt instruments that meet the following criteria are measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in Statement of profit and loss for FVTOCI debt instruments. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income. When the asset is disposed of, the cumulative gain or loss previously accumulated in reserve is transferred to Statement of Profit and Loss.

Financial instruments measured at fair value through Profit and Loss ("FVTPL")

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the

Sharp & Tannan Associates Chartered Accountants ICAI Regn. No. 109983W
MAJED & DOSS CHARTERED ACCOUNTANTS 400 069.
IIFL FINANCE LIMITED

acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the Statement of Profit and Loss. The gain or loss on disposal is recognised in the Statement of Profit and Loss.

Interest income is recognised in the Statement of Profit and Loss for FVTPL debt instruments. Dividend on financial assets at FVTPL is recognised when the Company's right to receive dividend is established.

Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments. Dividends from these investments are recognised in the Statement of Profit and Loss when the Company's right to receive dividends is established.

Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. Changes in contractual cash flows are considered under the accounting policy on modification and derecognition of financial assets described below.

Impairment of financial assets

Company recognizes loss allowances using the Expected Credit Loss ("ECL") model for the financial assets which are not fair valued through profit and loss. ECL is calculated using a model which captures portfolio performance over a period of time. ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original EIR. Vintage loss curve model is used for ECL computation of retail portfolio which involves assessment of performance of segmented portfolio over a time period. The model tracks month-wise losses during the loan tenor. Vintage loss rate models provide a simple, reasonable model for both one-year and lifetime expected credit loss forecasts. For wholesale portfolio, ECL computation is done for each loan account based on CRISIL default study and International Review Board ("IRB") guidelines. Additionally, forecasts of future macro situations and economic conditions are considered as part of forward economic guidance (FEG) model. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

ECL is measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original EIR, regardless of whether it is measured on an individual basis or a collective basis.

Key elements of ECL computation are outlined below:

- Probability of default ("PD") is an estimate of the likelihood that customer will default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously de-recognised and is still in the portfolio.
- Loss given default ("LGD") estimates the normalised loss which Company incurs post customer default. It is usually expressed as a percentage of the Exposure at default ("EAD").
- Effective interest rate ("EIR") is the rate that discounts estimated future cash flows through the expected life of financial instrument. For calculating EIR any upfront fees needs to be excluded from the loans and advance amount.

Credit impaired financial assets

A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default ("PD") which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Default considered for computation of ECL computation is as per the applicable prudential regulatory norms.

Significant increase in credit risk

The Company monitors all financial assets, issued loan commitments and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. The Company's accounting policy is not to use the practical expedient that financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Company's expert credit assessment.

Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/ or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan would constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Company renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. Loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified, the Company assesses whether this modification results in derecognition. In accordance with the Company's policy, a modification results in derecognition when it gives rise to substantially different terms. To determine if the modified terms are substantially different from the original contractual terms the Company considers the following:

Qualitative factors, such as contractual cash flows after modification are no longer SPPI, change in currency or change of counterparty, the extent of change in interest rates, maturity, covenants. If these do not clearly indicate a substantial modification, then a quantitative assessment is performed to compare the present value of the remaining contractual cash flows under the original terms with the contractual cash flows under the revised terms, both amounts discounted at the original effective interest.

In the case where the financial asset is derecognised, the loss allowance for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance

measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised par amount because there remains a high risk of default which has not been reduced by the modification. The Company monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Company determines if the financial asset's credit risk has increased significantly since initial recognition.

For financial assets modified, where modification did not result in derecognition, the estimate of PD reflects the Company's ability to collect the modified cash flows taking into account the Company's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Where a modification does not lead to derecognition the Company calculates the modification gain/ loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Company measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

Derecognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in the Statement of Profit and Loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to the Statement of Profit and Loss.

Write-off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off.

Recoveries resulting from the Company's enforcement activities will result in impairment gains.

Financial liabilities and equity Instruments

Debt and equity instruments that are issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Compound instruments

The component parts of compound instruments (e.g. convertible notes) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments.

A conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently re-measured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. Where the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain/ loss is recognised in Statement of Profit and Loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the life of the convertible notes using the effective interest rate method.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously

(l) Investment in subsidiaries

Investment in subsidiaries is recognised at cost and is not adjusted to fair value at the end of each reporting period as allowed by Ind AS 27 'Separate financial statement'. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(m) Cash and bank balances

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

(n) Goods and service tax input credit

Goods and service tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/ utilising the credits.

(o) Borrowing costs

Borrowing costs include interest expense calculated using the EIR method.

(p) Foreign currencies

In preparing the financial statements, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are

measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

(q) Segment reporting

The Company's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Company revolve around the main business. The risk and returns of the business of the Company is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments.

(r) Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

- an entity has a present obligation (legal or constructive) as a result of a past event; and
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- a present obligation arising from past events, when no reliable estimate is possible.

Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the financial statements.

(s) Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- changes during the period in operating receivables and payables transactions of a non-cash nature;
- non-cash items such as depreciation, provisions, deferred taxes and unrealised foreign currency gains and losses.
- all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of balance sheet.

(t) Derivative financial instruments and hedging

The company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures relating to foreign currency borrowings. Embedded derivatives are separated from the host contract and accounted for separately if certain criteria are met.

The company designates only the change in fair value of the spot element of the forward exchange contract as the hedging instrument in cash flow hedging relationships. The effective portion of changes in fair value of hedging instruments is accumulated in a cash flow hedge reserve as a separate component of equity.

The forward cost are separately accounted for as a cost of hedging and are recognised in OCI and accumulated in a cost of hedging reserve as a separate component within equity.

Cash flow hedges

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognised in OCI and accumulated under the heading of Cash Flow Hedge Reserve. Any ineffective portion of changes in the fair value of the derivative is recognised immediately in profit or loss, and is included in the other Income line item.

The amount accumulated in equity is retained in OCI and reclassified to profit or loss in the same period or periods during which the hedged forecast cash flows affect profit or loss or the hedged item affects profit or loss.

If the forecast transaction is no longer expected to occur, the hedge no longer meets the criteria for hedge accounting, the hedging instrument expires or is sold, terminated or exercised, or the designation is revoked, then hedge accounting is discontinued prospectively. If the forecast transaction is no longer expected to occur, then the amount accumulated in equity is reclassified to profit or loss.

(u) Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company considers whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

As a lessee

The Company ecognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of

the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Company has elected not to ecognize right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company ecognizes the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

Critical accounting estimate and judgement

1. **Determination of lease term**

Ind AS 116 Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

2. **Discount rate**

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

The Company as a lessee

As a lessee, the Company leases assets which includes gold loan branches/office premises and vehicles to employees. The Company previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Company. Under Ind AS 116, the Company recognises right-to-use assets and lease liabilities for these leases.

6.1 Hedging activities and derivatives

The Company is exposed to certain risks relating to its ongoing business operations. The primary risks managed using derivative instruments are interest rate and currency risk.

6.1.1 Derivatives designated as hedging instruments

The foreign currency and interest rate risk on borrowings have been actively hedged through a combination of forward contracts and interest rate swaps.

The Company is exposed to interest rate risk arising from its foreign currency borrowings. Interest on the borrowing is payable at a floating rate linked to the Benchmark plus Margin. The Company hedges the interest rate risk arising from the debt with a 'receive floating - pay fixed' interest rate swap.

The Company uses Cross Currency Swap Contracts and Forward Exchange Contracts to hedge its risks associated with interest rate and currency risk arising from the foreign currency loans. The Company designates such contracts in a cash flow hedging relationship by applying the hedge accounting principles as per IND AS - 109 (refer note 38.C.2). These contracts are stated at fair value of the spot element of the forward exchange contracts at each reporting date. Changes in the fair value of these contracts that are designated as effective hedge of future cash flows are recognised directly in the "Cash Flow Hedge Reserve" under Other Comprehensive Income and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Hedge accounting is discontinued when the hedged instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

There is an economic relationship between the hedged item and the hedging instrument as the terms of the Forward contracts/Interest Rate Swaps match that of the foreign currency borrowings (notional amount, interest payment dates, principal repayment date, etc.). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the Forward contracts/interest rate swaps are identical to the hedged risk components.

(₹ in crores)

Note 12.1: Management had acquired possession of these properties in satisfaction of the debts and intends to dispose them in due course, subject to conducive market conditions. These properties have been valued taking into consideration various factors such as location, facilities & amenities, quality of construction, percentage of completion of construction (as for some properties the construction is currently on hold), residual life of building, business potential, supply & demand, local nearby enquiry, market feedback of investigation and ready recknor published by government. These valuations has been performed by an independent registered valuer registered under Rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The fair values are based on market values, being the estimated amount for which a property could be exchanged in an arm's length transaction. These properties are not depreciated as they have not been ready to use.

(iii) Rights attached to equity shares

The Company has issued only one class of equity shares having a par value of ₹ 2.00/- per share. Each holder of the equity share is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. During the year ended March 31, 2024, equity shareholders were paid an interim dividend of ₹ 4.00/- (P.Y ₹ 4.00/-) per share. The same is considered as final.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. However, no such preferential amount exists currently. The distribution will be in proportion to the number of equity shares held by the shareholders.

Maturity analysis of the benefit payments: From the Fund	FY 2023-24	FY 2022-23
Projected benefits payable in future years from the date of reporting		
1st following year	3.23	2.67
2nd following year	0.55	0.47
3rd following year	0.62	0.51
4th following year	0.92	0.56
5th following year	0.80	0.82
Sum of years 6 To 10	5.46	4.37
Sum of years 11 and above	80.38	64.24

(₹ in crores)

Sensitivity analysis	FY 2023-24	FY 2022-23
Defined Benefit Obligation on Current Assumptions	26.29	20.49
Delta effect of +1% change in rate of discounting	(3.47)	(2.66)
Delta effect of -1% change in rate of discounting	3.81	2.87
Delta effect of +1% change in rate of salary increase	4.12	3.10
Delta effect of -1% change in rate of salary increase	(3.40)	(2.55)
Delta effect of +1% change in rate of employee turnover	0.36	0.37
Delta effect of -1% change in rate of employee turnover	(0.45)	(0.46)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Actuarial gains/losses are recognised in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are in line with the industry practice considering promotion and demand and supply of the employees.

Maturity analysis of benefit payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Expected Rate of Return taken same as discount rate as described in Indian Accounting Standard 19.

Expected Contribution in the next year is considered as the sum of net liability/assets at the end of the current year and current service cost for next year, subject to maximum allowable contribution to the Plan Assets over the next year as per the Income Tax Rules.

Value of asset is considered as fair value of plan asset for the period of reporting.

Qualitative disclosures
Characteristics of defined benefit plan The Company has a defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. During the year, there were no plan amendments, curtailments and settlements. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. The trust is guided by rule 103 of Income Tax Rules, 1962.
Risks associated with defined benefit plan Gratuity is a defined benefit plan and company is exposed to the following risks: **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset. **Salary risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability. **Investment risk:** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments. **Asset liability matching risk:** The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk. **Mortality risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk. **Concentration Risk:** Plan is having a concentration risk as all the assets are invested with the insurance entity and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

Note 38. Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk.

Risk management is integral to Company's strategy. The comprehensive understanding of risk management throughout the various levels of an organization aids in driving key decisions related to risk-return balance, capital allocation and product pricing. The Company operates under the guidance of the Board approved risk appetite statement that covers business composition, guidance around gross stage 3 assets and net stage 3 assets, leverage, funding and liquidity, etc.

Additionally, it is also ensured that appropriate focus is on managing risk proactively by ensuring business operations are in accordance with laid-down risk. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed, to ensure minimal impact on the Company's growth and performance.

Risk Management Structure

The Company has established multi-level risk governance for monitoring and control of product and entity level risks. The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles. The Board has constituted the Risk Management Committee ("RMC") which is responsible for monitoring the overall risk process within the Company. The RMC is empowered to develop an independent risk strategy comprising of principles, frameworks, policies and limits and ensuring its effective implementation. Independent function of Risk management is in place headed by the Chief Risk Officer ("CRO") who reports to the Chairman and independently to RMC of the Board. The Risk department primarily operationalises risk management framework approved by RMC.

The Company has a well defined risk framework constituting various lines of defence – the first line of defence, consisting of management, is responsible for seamless integration of risk principles across all businesses. Additionally, it ensures adequate managerial and supervisory controls to ensure compliance and highlight inadequate processes and unexpected events. The Company has well-defined internal control measures in every process.

Independent risk and policy team constitutes second line of defence which is responsible for identification and assessment of entity-wide risks. Post its identification, it aims to mitigate risks either through portfolio trigger and caps (Credit risk) or through ongoing risk control and self assessment (Operational risk).

Internal Audit function is the third line of defence that independently reviews activities of the first two lines of defence and reports to the Audit Committee of the Board.

Risk Management Practices

The Company has developed the necessary competency to identify early stress signals and has also defined processes, including corrective and remedial actions as regards people and processes, for mitigation to ensure minimum damage. A stress testing mechanism is put in place to carry out the event based sensitivity analysis and identify the accounts under stress due to expected market movement. In event of susceptibility to external triggers, appropriate risk mitigation would be undertaken and thereby minimize the losses to the company.

It has initiated a detailed portfolio quality review mechanism which enables analysis of portfolio along various behavioural, demographic and financial parameters. Additionally, through tie-ups with external bureaus, an analysis of collection performance coupled with continuous credit assessment for various key segments is undertaken. The practices aid in proactive course correction thereby modifying credit or sourcing mechanisms, if required. Additionally, application scorecard has been developed enabling the Company to standardise credit underwriting and improve sourcing quality in the long run.

The Company's policy is to measure and monitor the overall risk-bearing capacity in relation to the aggregate risk exposure across all risk types and activities. Information pertaining to different type of risks are identified, analysed and tested on timely basis. The same is presented to RMC at periodic intervals.

In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as cross currency interest rate swaps are entered to hedge certain foreign currency risk exposures and variable interest rate exposures.

The Company's central Treasury department identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity. The Company's Treasury is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Company.

Note: 38A.1. Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Credit risk arises primarily from financial assets such as loans, trade receivables, investments, derivative financial instruments, and other receivables.

Credit Quality Analysis

The following tables sets out information about the credit quality of financial assets measured at amortised cost. Unless specifically indicated, for financial assets, the amounts in the table represent gross carrying amounts.

(₹ in crores)

Particulars	As at March 31, 2024				
	Financial Assets where loss allowance measured at 12-month ECL	Financial assets for which credit risk has increased significantly and credit not impaired	Financial assets for which credit risk has increased significantly and credit impaired	Financial Assets where loss allowance measured using simplified approach/ cost	Total
Cash and cash equivalents	-	-	-	863.92	863.92

CHHAJED & DOSHI MUMBAI 400 009. CHARTERED ACCOUNTANTS

Sharp & Tannan Associates Chartered Accountants ICAI Regn. No. 109983W

IIFL FINANCE LIMITED

Financial Assets Measured Using Simplified Approach

The Company follows 'simplified approach' for recognition of impairment loss allowance on cash and cash equivalents, bank balances, trade receivables, other receivables and other financial assets. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

38A.2. Collateral Held

The Company holds collateral and other credit enhancements against certain of its credit exposures. The loans are collateralised against equitable mortgage of property, pledge of shares, hypothecation of assets, company personal guarantees, physical gold, undertaking to create security.

38A.3. Loss Allowance and Exposure At Default

The following table shows movement of the loss allowance on loans and advances:

(₹ in crores)

Reconciliation of loss allowance	Financial Assets where loss allowance measured at 12-month ECL		Financial assets for which credit risk has increased significantly and credit not impaired		Financial assets for which credit risk has increased significantly and credit impaired		Total *	
	Principal	Others	Principal	Others	Principal	Others	Principal	Others
Opening ECL Mar-23	**331.14**	**43.02**	**16.30**	**2.15**	**91.64**	-	**439.08**	**45.17**

38A.4. Write Off

Contractual amount outstanding on financial assets that were written off (net of recovery) during the reporting period is ₹ 279.32 crore (P.Y ₹ 355.15 crore)

38A.5. Modified Financial Instruments

For financial assets, such as a loan to a customer, when the terms and conditions have been renegotiated to the extent that the modification does not result in cash flows that are substantially different (thereby not resulting into derecognition), the Company has disclosed carrying amount of modification gain/ loss based on discounted cash flow basis in the below table:

(₹ in crores)

Particulars	As at March 31, 2024	As at March 31, 2023
Gross carrying amount of modification (gain)/ loss as on date for the modified financial assets	3.77	5.66

38A.6. Credit Risk Grading of Loans

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties.
The Company ensures effective monitoring of credit facilities through a portfolio quality review framework. As per this process, an asset is reviewed at a frequency determined based on the risk it carries at the review date.
For effective risk management, the company monitors its portfolio, based on product, underlying security and credit risk characteristics.
The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective actions. An independent risk and policy team reviews adherence to policies and processes on a periodic basis.
Additionally, the Company evaluates risk based on staging as defined in Ind AS, details of which are mentioned below:

(₹ in crores)

Credit Grading Details

Period	Stage 1	Stage 2	Stage 3	Total EAD
March 31, 2024	17,010.01	1,297.90	653.22	18,961.13
March 31, 2023	13,689.92	728.12	181.32	14,599.36

38A.7. Concentration of Credit Risk

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.
In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on spreading its lending portfolio across various products/states/customer base with a cap on maximum limit of exposure for an individual/Group. Accordingly, the Company does not have concentration risk.

IIFL FINANCE LIMITED

38B Liquidity Risk

Liquidity risk refers to the risk that the Company may not be able to meet its short-term financial obligations. The Company manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of credit lines. Further, the Company has well defined Asset Liability Management (ALM) framework with an appropriate organizational structure to regularly monitor and manage maturity profiles of financial assets and financial liabilities including debt financing plans, cash and cash equivalent instruments to ensure liquidity. The Company seeks to maintain flexibility in funding mix by way of sourcing the funds through money markets, debt markets and banks to meet its business and liquidity requirements.

(₹ in crores)

IIFL FINANCE LIMITED

38C Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument.

38C.1 Interest Rate Risk

The exposure of the Company's borrowing and loans to interest rate changes at the end of the reporting period are as follows:

(₹ in crores)

Particulars	As at March 31, 2024	As at March 31, 2023
Floating rate borrowings	8,951.69	5,815.93
Fixed rate borrowings	10,871.05	11,369.25
Total borrowings	**19,822.74**	**17,185.18**

The Company had the following floating rate borrowings and cross currency interest rate swap contracts outstanding:

(₹ in crores)

Particulars	As at March 31, 2024			As at March 31, 2023		
	Weighted average interest rate (%)	Balance	% of total borrowings	Weighted average interest rate (%)	Balance	% of total borrowings
Bank overdrafts, bank loans	9.43%	8,951.69	45.16%	9.19%	5,815.93	33.84%
Net exposure to cash flow interest rate risk		**8,951.69**			**5,815.93**	

Sensitivity

(i) Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates (assuming other variables constant):

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
Interest rates – increase by 50 basis points	(33.49)	(21.76)	-	-
Interest rates – decrease by 50 basis points	33.49	21.76	-	-

(ii) The Company does not have any outstanding variable rate loans given and hence there is no impact on Profit & loss account due to any such change.

38C.2. Exposure to Currency Risks

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign currency rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings taken from Financial Institutions, External Commercial Borrowings (ECB) and foreign bond markets.

(i) The Company has hedged its foreign currency exposure through Forwards/ Future and / or Cross Currency Interest Rate Swaps in such a manner that it has fixed determinate outflows in its functional currency and as such there would be no significant impact of movement in foreign currency rates on the Company's profitability. However for the unhedged foreign currency exposure(s) there would be an impact on Company's profitability.

As at March 31, 2024

(₹ in crores)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign currency assets (in INR)	157.69	-	-	-	-	-
Foreign currency liabilities (in INR)	10.93	-	-	19.99	-	-
Net Assets/(Liabilities)	**146.76**	-	-	**(19.99)**	-	-

As at March 31, 2023

(₹ in crores)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign currency assets (in INR)	172.37	-	-	-	-	-
Foreign currency liabilities (in INR)	33.14	-	-	-	-	-
Net Assets/(Liabilities)	**139.23**	-	-	-	-	-

(ii) Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
USD sensitivity*				
INR/ USD - increase by 5%	(15.41)	-	(143.79)	(182.45)
INR/ USD - decrease by 5%	15.41	-	143.79	182.45

* Holding all other variables constant,the sensitivity on profit and loss is due to the timing differences of the maturity of the forward exchange contract. On the date of maturity of the forward exchange contract, the sensitivity of profit and loss to changes in the exchange rates will be nil.

38C.3. Price Risk

(i) Exposure

The Company's exposure to assets having price risk is as under (Net)

(₹ in crores)

Particulars	Equity Shares (Other than Subsidiary)	Preference share	Mutual Funds / Alternate investment funds/ Others	Bonds/ Govt. Securities	Security Receipts	Total
Market value as on March 31, 2024	24.13	40.16	13.68	59.77	2,911.03	**3,048.76**
Market value as on March 31, 2023	-	38.17	971.24	143.13	719.33	**1,871.87**

To manage its price risk arising from investments in equity shares/ other assets, the Company diversifies its portfolio.

(ii) Sensitivity

The table below summarises the impact of increases/ decreases of the index on the Company's equity/ other assets and profit for the period. The analysis is based on the assumption that the instrument index has increased/ decreased by 5% with all other variables held constant.

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
Increase 5%	114.07	70.04	-	-
Decrease 5%	(114.07)	(70.04)	-	-

38D.Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company monitors capital using capital adequacy ratio as prescribed by the Reserve Bank Of India.

38E. 1. Financial Instruments Measured At Fair Value – Fair Value Hierarchy

The following table analyses financial instruments measured at fair value at the reporting date, by the level in the fair value hierarchy into which the fair value measurement is categorised. The amounts are based on the values recognised in the statement of financial position.

38E.2. Valuation Methodologies Of Financial Instruments Measured At Fair Value

- Quoted equity/ debt instruments are measured based on the closing price in the recognised stock exchange and are classified as level 1.
- Quoted Mutual Funds are measured based on the published net asset value (NAV) by AMFI and are classified as level 1.
- Alternate Investment Funds and unquoted Mutual Funds are measured based on the latest NAV provided by the fund house and are classified as level 3.
- Equity instruments in non-listed entities are initially recognised at transaction price and re-measured (to the extent information is available) and valued by external independent valuer and classified as Level 3.
- Government Securities are valued based on the closing price published by FBIL and are classified as level 2.
- Unquoted debt securities are measured based on average of security level prices received from AMFI appointed/designated agencies viz: CRISIL and ICRA and are classified as level 2.
- Fair value of loans measured at FVOCI approximates its carrying value and are classified as level 3.
- Fair value of forward foreign exchange contracts is determined by computing present value of payoff between contractual rate (Strike) and forward exchange rates at the testing date and are classified as Level 2.
- Security receipts are measured as Level 3 basis rating given by independent Rating agencies to the Asset Reconstruction Companies on this secuity receipts.

38E.3. Valuation Methodologies Of Financial Instruments Not Measured At Fair Value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

Short-Term Financial Assets And Liabilities

For financial assets and financial liabilities that have a short-term nature, the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and bank balances, Trade receivables, other receivables, balances other than cash and cash equivalents,other financial assets and other financial liabilities and trade payables.

Loans, Debts, Borrowings And Subordinated Debts

The fair values of these instruments are estimated by determining the price of the instrument taking into consideration the origination date, maturity date, coupon rate, actual or approximation of frequency of interest payments and incorporating the actual or estimated/proxy yields of identitical or similar instruments through the discounting factor. For instruments, having contractual residual maturity or original maturity less than one year, the carrying value has been considered as fair value. Fair values of Loans and advances are presented net of provisions for impairment.

(₹ in crores)

Assets and liabilities which are measured at amortised cost for which fair values are disclosed	Total Fair value	Carrying value	Valuation hierarchy
As at March 31, 2024

Unrealised gain/ losses related to balances held at the end of financial year	-	148.21	(21.91)

38F. Transferred Financial Assets That Are Derecognised In Their Entirety

During the year, the Company sold loans measured at FVTOCI through assignment deals. The Company derognised the assets as per IND AS 109 as all the risks and rewards relating to assets were transferred to the buyer.

The table below summarises the carrying amount of the derecognised financial assets measured at FVTOCI and the gain/ (loss) on derecognition, per type of asset.

(₹ in crores)

Particulars	FY 2023-24	FY 2022-23
Financial assets derecognised during the year	9,029.31	10,063.15
Net gain/ (loss) on derecognition of financial instruments under FVTOCI category	(166.77)	348.06

38G. Transferred Financial Assets That Are Recognised In Their Entirety:

The Company uses securitisation as a source of finance. Such transaction resulted in the transfer of contractual cash flows from portfolios of financial assets to holders of issued debt securities. Such deals resulted in continued recognition of the securitised assets since the Company retains substantial risks and rewards. The table below outlines the carrying amounts and fair values of all financial assets transferred that are not derecognised in their entirety and associated liabilities.

(₹ in crores)

Particulars	As at March 31, 2024	As at March 31, 2023
Carrying amount of transferred assets measured at amortised cost	135.45	564.26
Carrying amount of associated liabilities	135.45	564.26
Fair value of assets	135.45	564.26
Fair value of associated liabilities	135.45	564.26
Net position at Fair value	0.00	(0.00)

Exercised during the year	1,42,925	82.02- 271.40	174.85	-
Outstanding as on March 31, 2023	**9,36,947**	**82.02-350.00**	**274.97**	**5.44**
Exercisable as on March 31, 2023	**75,788**	**252.00-271.40**	**288.15**	**4.54**

Fair Value Methodology:

The fair value of the shares are measured using Black scholes formulae. Measurement inputs include share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, dividend yield, expected volatility .

Key Assumptions used in Black-Scholes model for calculating fair value as on the date of grant are as follows:

Particulars	ESOP 2008			
	05-Jan-24	04-Aug-23	15-Oct-22	26-Aug-22
Stock price (₹)	641.65	575.5	350.00	341.65
Volatility	10.00%	52.22%	10.00%	10.00%
Risk-free Rate	7.00%	7.04%	7.37%	7.02%
Exercise price (₹)	625.00	10.00	350.00	341.65
Time to Maturity (Years)	5.00	4.00	5.00	5.00
Dividend yield	3.00%	1.43%	3.00%	3.00%
Weight Average Value (₹)	89.05	535.83	45.31	42.15

Particulars	ESOP 2008			
	22-Dec-21	20-Aug-21	06-May-21	29-Apr-17
Stock price (₹)	271.40	252.00	252.00	218.71
Volatility	10.00%	10.00%	10.00%	10.00%
Risk-free Rate	5.81%	5.77%	5.66%	6.66%
Exercise price (₹)	271.40	252.00	252.00	218.71
Time to Maturity (Years)	5.00	5.00	5.00	5.00
Dividend yield	3.00%	3.00%	3.00%	3.00%
Weight Average Value (₹)	35.40	35.40	34.72	201.65

Particulars	ESOP 2008
	08-Mar-16
Stock price (₹)	82.02
Volatility	10.00%
Risk-free Rate	7.47%
Exercise price (₹)	82.02
Time to Maturity (Years)	5.00
Dividend yield	3.00%
Weight Average Value (₹)	76.59

Stock Price: The closing market price on NSE one day prior to the date of grant has been considered for the purpose of Option valuation.

Volatility: The daily volatility of the stock prices on BSE, over a period prior to the date of grant, corresponding with the expected life of the Options has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

The Company has granted Employee Stock Options under IIFL Finance Employee Stock Option Plan 2020 – Merger Scheme pursuant to aforesaid Composite Scheme of Arrangement.

a) The details of various Employee Stock Option Schemes are as under:

Particulars	As at March 2024 ESOP 2020	As at March 2023 ESOP 2020
Number of Option outstanding	16,71,891	27,05,444
Method of accounting	Fair Value	Fair Value
Vesting Plan	Options granted would vest over a period of five years subject to a minimum period of one year from the date of grant of options.	
Exercise Period	Seven years from the date of grant	
Grant Date	08-Feb-2017, 02-May-2018, 21-Nov-2018 and 18-Jan-2019	08-Feb-2017, 02-May-2018, 21-Nov-2018 and 18-Jan-2019
Grant Price (₹ Per Share)	₹ 106.67, ₹ 142.22, ₹ 177.04, ₹ 182.22	₹ 106.67, ₹ 142.22, ₹ 177.04, ₹ 182.22

(b) (i) Movement of options during the year ended March 31, 2024

Particulars	Option Outstanding	Range of exercise price (in ₹)	Weight average exercise price (in ₹)	Weight average remaining contractual life (Years)

Fair Value Methodology:

The fair value of the shares are measured using Black scholes formulae. Measurement inputs include share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, dividend yield, expected volatility .

Key Assumptions used in Black-Scholes model for calculating fair value as on the date of grant are as follows:

Particulars	ESOP 2020			
	18-Jan-19	18-Jan-19	21-Nov-18	02-May-18
Stock price (₹)	179.63	179.63	179.63	179.63
Volatility	59.00%	59.00%	59.00%	59.00%
Risk-free Rate	7.28% - 7.49%	7.28% - 7.49%	7.21% - 7.40%	7.13% - 7.40%
Exercise price (₹)	182.22	182.22	177.04	142.22
Time to Maturity (Years)	5.80	5.55	5.39	5.09
Dividend yield	1.00%	1.00%	1.00%	1.00%
Weight Average Value (₹)	161.25	102.16	102.29	106.78

Particulars	ESOP 2020	
	02-May-18	08-Feb-17
Stock price (₹)	179.63	179.63
Volatility	59.00%	59.00%
Risk-free Rate	7.13% - 7.34%	6.94% - 7.21%
Exercise price (₹)	142.22	106.67
Time to Maturity (Years)	4.84	3.87
Dividend yield	1.00%	1.00%
Weight Average Value (₹)	106.90	110.78

Stock Price: The fair value of stock as on Appointed Date, i.e., April 1, 2018 ("the Effective date" or the "Date of Modification") has been used to value the outstanding grants based on Mercahnt Banker's Report.

Volatility: The daily volatility of the stock prices on BSE, based on post demerger traded prices, has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered based on equity swap ratio of the Composite Scheme of Arrangement.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

Capital to risk-weighted assets ratio (CRAR)	18.85%	20.38%
Tier I CRAR	12.56%	12.85%
Tier II CRAR	6.29%	7.53%
Liquidity Coverage Ratio for the quarter ended March 31	192.47%	193.50%

Note 42. Action by the Reserve Bank of India (RBI) against the Company:

On March 04, 2024, the Reserve Bank of India (RBI), under Section 45L(1)(b) of the Reserve Bank of India Act, 1934, imposed supervisory restrictions on the Company. This followed an RBI inspection of the Company's financial position as of March 31, 2023, which identified significant concerns in our gold loan portfolio. These include:

- Disbursals and collections of loan amounts in cash exceeding statutory limits.
- Non-compliance with the standard auction process.
- Deviations in assaying and certifying the purity and net weight of gold at both the time of loan sanction and auction upon default.
- Breaches in the Loan-to-Value ratio.
- Lack of transparency in charges levied on customer accounts.

Consequently, the RBI directed the Company to cease the sanctioning or disbursing of new gold loans and the assignment, securitization, or sale of existing gold loans with immediate effect. However, the Company is permitted to continue servicing its existing gold loan portfolio, including loan collections and recoveries, and to maintain its other business operations as usual.

The RBI has initiated a special audit by an independent professional agency, which commenced on April 23, 2024, and has since concluded. The Company has taken necessary measures to address the identified concerns and prevent their recurrence. The Board has thoroughly reviewed these deviations and non-compliances, forming a team to implement corrective actions and revise policies and procedures as needed. Management is confident that these actions will resolve all issues raised by the RBI. The Company remains committed to adhering to the highest standards of compliance with RBI regulations, in both letter and spirit.

Note 43. Impact of RBI's Action on the Company's Operations:

The RBI's order, effective March 05, 2024, placed an embargo on the Company's gold loan business. While the Gold Loan Business is a major segment of the standalone Company, its consolidated operations benefit significantly from other businesses operating in the standalone company and its subsidiaries. To mitigate any risks to the Company's status as a going concern, the following steps have been taken:

1.Capital infusion: Raised ₹ 1,271.83 crore through an equity rights issue in May 2024.
2.Funding: Secured ₹ 500.00 crore via Non-Convertible Debentures from long-term investors.
3.Cost control: Implemented cost control measures, including the reduction of major discretionary expenditures.

These actions ensure that the Company's projected cash flows over the next three years will meet its financial obligations, maintaining robust capital adequacy. Management is confident in resolving all issues raised by the RBI and has prepared the financial statements on a going concern basis.

- Forward Rate agreements	-	-
Total	-	-
Notional principal amount of exchange traded IR derivatives outstanding and not "highly effective"	-	-
Mark to market value of exchange traded IR derivative outstanding and not "highly effective"	-	-

(c) Disclosures on Risk Exposure in Derivatives:

(I) Qualitative disclosure:

a) Structure and organization for management of risk in derivatives trading:

The Board of Directors, the Asset Liability Management Committee (ALCO) and the Risk Management Committee (RMC) are entrusted with the management of risks in derivatives.

The philosophy and framework for the derivative business is laid out in the Board approved policies including limits. It also reviews the market risk exposures of derivatives against the limits. The Risk Management Committee reviews all risks on a consolidated basis and also reviews stress testing.

The monitoring and measurement of risk in derivatives is carried out by the Risk Department. The Risk Department is independent of the Treasury Front office, back office and directly reports into the Chief Risk Officer.

b) Scope and nature of risk measurement, risk reporting and risk monitoring systems:

All significant risks of the derivative portfolio are monitored and measured daily. The Risk Department measures and reports Market Risk metrics like VaR, PV01, Option Greeks like Delta, Gamma, Vega, Theta, Rho, etc. The Credit Risk from the derivatives portfolio is also measured daily.

The Risk Department monitors these exposures against the set limits and also reviews profitability on a daily basis. MIS is sent to relevant teams on a periodic basis. Exception reports are also sent so that emerging risks are reviewed and managed on a timely basis. Stress testing is also performed on the Derivative portfolio.

c) Policies for hedging and / or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

The Board Approved 'Hedging Policy' details the hedging strategies, hedging processes, accounting treatment, documentation requirements and effectiveness testing for hedges.

Hedges are monitored for effectiveness periodically, in accordance with the Board Approved Policy.

d) Accounting policy for recording hedge and non-hedge transactions; recognition of income, premiums and discounts; valuation of outstanding contracts; provisioning, collateral and credit risk mitigation:

Initial and additional margin paid over and above initial margin for entering into contracts for Equity Index/Stock Futures/Currency Futures/Interest Rate Futures and/or Equity Index/Stock Options/ Currency Options as the case may be ("Derivatives Portfolio") which are released on final settlement/squaring-up of underlying contracts are disclosed under the head "Other Current Assets".

Equity Index/Stock Option/Currency Option Premium Account represents premium paid or received for buying or selling the Options, respectively which is amortised over the period of contract.

On final settlement or squaring up of contracts for Derivatives Portfolio, the realized profit or loss after adjusting the unrealized loss already accounted, if any, is recognized in the Statement of Profit and Loss. On settlement or squaring up of Derivatives Portfolio before expiry, the premium, prevailing in "Equity Index/Stock Option/Currency Option Premium Account" on that date is recognized in the Statement of Profit and Loss.

As at the Balance Sheet date, the Mark to Market/Unrealised Profit/(Loss) on all outstanding Derivative portfolio comprising of Securities and Equity/Currency Derivatives positions is determined on scrip basis with net unrealized losses on scrip basis being recognized in the Other Comprehensive Income.

49. Unhedged Foreign Currency Exposure:

The unhedged foreign currency exposure as on March 31, 2024 is 1.87 crore (P.Y Nil).

50. Gold Loan Portfolio

As on March 31, 2024 the gold loan portfolio comprises 34.83 % (P.Y. 34.59 %) of the total assets of the Company.

51. Segment Reporting

The Company's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Company revolve around the main business. The risk and returns of the business of the Company is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments as per the IND AS 108 on 'Segment Reporting'.

52. Shared services

The Company operates from and uses the premises, infrastructure and other facilities and services as provided to it by its Holding Company/group companies, which are termed as 'Shared Services'. Hitherto, such shared services consisting of administrative and other revenue expenses paid for by the Company were identified and recovered/recoverable from them based on reasonable management estimates, which are constantly refined in the light of additional knowledge gained relevant to such estimation. These expenses are recovered on an actual basis and the estimates are used only where actual were difficult to determine.

53. Fraud

During the year under review, the Company had come across frauds totaling to ₹ 6.66 Crores (P.Y. ₹ 4.24 Crores) in respect of its lending operations. Out of the above, frauds amounting to ₹ 0.20 Crores (P.Y. ₹ 0.27 Crores) has already been recovered. Suitable action has been taken by the Company to recover the balance amounts.

54. Disclosure of Loan and advances pursuant to Regulation 53(f) of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015:

55. Public disclosure on liquidity risk:

(i) Funding Concentration based on significant counterparty (both deposits and borrowings): (₹ in crores)

Number of Significant Counterparties	Amount*	% of Total Deposits	% of Total Liabilities
19	15,059.15	NA	68.47%
(14)	(9,760.63)	NA	(51.46%)

Note : Total Liabilities represent Total Liabilities as per Balance Sheet less Total Equity

(ii) Top 20 large deposits N.A (N.A)

(iii) Top 10 borrowings:

Particulars	Amount *	% of Total Borrowings
Top 10 Borrowings (₹ in crores)	11,634.99	58.14%
	(8,797.40)	(50.62%)

* The above table excludes details of benefeciary holders of the secured medium term note bonds

(iv) Funding Concentration based on significant instrument/product:

(₹ in crores)

Name of the instrument/product	Amount	% of Total Liabilities
Non Convertible Debentures	6,456.15	29.36%
	(6,853.60)	(36.13%)
Term Loans	10,498.79	47.74%
	(9,346.05)	(49.27%)
Securitisation	133.90	0.61%
	(560.10)	(2.95%)
Commercial Paper	839.02	0.04
	-	-
Cash Credit / Overdraft Facilties	2,083.04	9.47%
	(620.75)	(3.27%)

Note : Total Liabilities represent Total Liabilities as per Balance Sheet less Total Equity

(v) Stock Ratios:

Particulars	As at March 31, 2024	As at March 31, 2023
Commercial papers as a % of total liabilities	3.87%	Nil
Commercial papers as a % of total assets	3.08%	Nil
Commercial papers as a % of total public funds	4.25%	Nil
Non-convertible debentures (original maturity of less than one year) as a % of total liabilities	Nil	Nil
Non-convertible debentures (original maturity of less than one year) as a % of total assets	Nil	Nil
Non-convertible debentures (original maturity of less than one year) as a % of total public funds	Nil	Nil
Other short-term liabilities* as a % of total liabilities	7.40%	6.86%
Other short-term liabilities* as a % of total assets	5.90%	5.40%
*Other short-term liabilities as a % of total public funds	8.14%	7.49%

* Short Term liabilities means total of current liabilities as per note 46.1 & 46.2 to the financial statements as reduced by current portion of Debt Securities,Borrowings (other than debt securities) and Subordinated Liabilities.

(vi) Institutional set-up for Liquidity Risk Management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business.

The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk.

The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company.

Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk return perspective and within the risk appetite and guard-rails approved by the Board.

The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset-liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board.

ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO board meetings are held once in a quarter or more frequently as warranted from time to time.

Note: Figures in bracket represent previous year's figures.

Qualitative Disclosure

Liquidity Coverage Ratio (LCR) aims to ensure that NBFC's maintains an adequate level of unencumbered High Quality Liquidity Asset (HQLAs) that can be converted into cash to meet liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario.

The Company has robust liquidity risk management framework in place that ensures sufficient liquidity including a cushion of unencumbered, high quality liquid assets, to withstand a range of stress events,including those involving the loss or impairment of both unsecured and secured funding sources. The Company has implemented the LCR framework and has maintained LCR well above the regulatory threshold.

HQLA comprises of unencumbered Bank Balances, Cash in Hand and Liquid Investments after appropriate haircut. The Company maintains sufficient balance of Cash and Bank Balance and liquid investments which can be easily liquidated in times of stress.

Liquidity Coverage Ratio results drive by inflow of next 30 days receivable on loans and advances and corresponding outflow over the next 30 days towards borrowings and other liabilities.

INDEPENDENT AUDITOR'S REPORT

To the Members of IIFL Finance Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of IIFL Finance Limited (hereinafter referred to as the 'Holding Company") its subsidiary companies (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31st March 2023, the consolidated Statement of Profit and Loss, consolidated Statement of Changes in Equity (including Other Comprehensive Income) and the consolidated Cash Flows statement for the year then ended, and notes to the consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2023, of consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditors' responsibilities for the audit of the Consolidated Financial Statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

V. SANKAR AIYAR & CO. MUMBAI CHARTERED ACCOUNTANTS

CHHAJED & DOSHI MUMBAI 400 069. CHARTERED ACCOUNTANTS

A. **Key audit matters of the Holding Company**

Sr.no	Key Audit Matter	Response to Key Audit Matter
1	**Information technology (IT) systems used in financial reporting process.** The company's operational and financial processes are dependent on IT systems due to large volume of transactions that are processed daily. We therefore identified IT systems and controls over financial reporting as a key audit matter for the Company.	We obtained an understanding of the Company's IT control environment relevant to the audit. We tested the design, implementation and operating effectiveness of the Company's General IT controls over the key IT systems which are critical to financial reporting. We also tested key automated and manual controls and logic for system generated reports relevant to the audit that would materially impact the financial statements. In addition to above, we have also relied on the work of the internal auditors and system auditors.
2	**Impairment of Financial Assets held at amortised cost:** Since the loans and advances form a major portion of the Company's assets, and due to the significance of the judgments used in classifying loans and advances into various stages as stipulated in Indian Accounting Standard (IND AS) 109 and the management estimation of the related impairment provisions, this is considered to be a key audit matter. The Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors. The most significant areas are: - Segmentation of loan book - Determination of exposure at default - Loan staging criteria - Calculation of probability of default / Loss given default - Consideration of probability weighted scenarios and forward looking macro-economic factors The application of ECL model requires several data inputs. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. **(Refer Note 37A.3 to the Standalone Financial Statements.).**	We evaluated appropriateness of the impairment principles used by management based on the requirements of Ind AS 109 and our understanding of the business. We assessed the design and implementation of key Internal financial controls over loan impairment process used to calculate the impairment charge. We evaluated management's controls over collation of relevant information used for determining estimates for management overlays. We tested review controls over measurement of impairment allowances and disclosures in financial statements.

B. **Key audit matters of Subsidiary Company – IIFL Home Finance Ltd**

Sr.no	Key Audit Matter	Response to Key Audit Matter
1	**Expected Credit Loss – Impairment of carrying value of loans and advances** Under Ind AS 109, Expected Credit Loss (ECL) is required to be determined for recognising impairment loss on financial assets which are stated at amortised cost or carried at fair value through other comprehensive income. The Company exercises significant judgement using assumptions over both when and how much to record as impairment for loans and advances and estimation of the amount of the impairment provision for loans and advances. The calculation of impairment loss or ECL is based on significant management estimates and judgements, which are as under: • Judgements about credit risk characteristics for collective evaluation of impairment under various stages of ECL • Loan staging criteria • Calculation of Probability of Default (PD) and Loss Given Default (LGD) • Consideration of probability scenarios and forward looking macro-economic factors • Considering time value of money for delays in receipt of funds • Inputs and Judgements used in determination of management overlay at various asset stages considering the current uncertain economic environment with the range of possible effects unknown to the country arising out of the COVID 19 pandemic, certain restructured cases, interest rate increase resulting in increased EMI which may cause stress, introduction of new product and specific identification of certain construction finance cases etc. ECL requires a large variety of data as an input to the model. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. In view of the criticality of the item to the Standalone Financial Statements, complex nature of assumptions & judgements exercised by the management and loans forming a major portion of the Company's assets and impairment charge for the year	We performed audit procedures set out below: • Read the Company's Board approved Ind-AS 109 based impairment provisioning policy • Understood and assessed the Company's process and controls on measurement and recognition of impairment in the loan portfolio • Test checked loans in stage 1, 2 and 3 to ascertain that they were allocated to the appropriate stage • Test checked PD and LGD calculation workings performed by management, including testing data used in assessment and evaluation of whether the results support appropriateness of the PDs at portfolio level • Test checked the calculations of determining Exposure at Default (EAD) • Test checked the manner of determining significant increase in credit risk and the resultant basis for classification of exposures into various stages • Performed an assessment of the ECL provision levels at each stage including management's assessment on COVID 19 impact to determine if they were reasonable considering the Company's portfolio, risk profile, credit risk management practices and the macroeconomic environment. • Relied on the management note and representation regarding determination of management overlay due to various additional factors.

CHHAJED & DOSHI * CHARTERED ACCOUNTANTS * MUMBAI 400 069.
V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS

	being material to the net profit for the year, in our opinion this is considered as a Key Audit Matter.	
2	**IT Systems and controls** The Company financial accounting and reporting systems are highly dependent on the effective working of the operating and accounting system. The Company has separate software applications for management of its loan portfolio from origination to servicing and closure and for the routine accounting. Transfer of data from / to this software are critical for accurate compilation of financial information. Due to extensive volumes, variety and complexity of transactions the operating system is functioning, consistently and accurately, specifically with respect to following: •Interest, Fee income and other charges collected on Loans •Bifurcation of the Loan Portfolio based on maturity pattern and Assets Classification based on ageing of default We have identified 'IT systems and controls' as key audit matter because of significant use of IT system and the scale and complexity of the IT architecture. Our audit outcome is dependent on the effective functioning of such operating and accounting system.	We performed audit procedures set out below: • We obtained an understanding of the Company's business IT environment and key changes, if any during the audit period that may be relevant to the audit. • Our audit procedures included verifying, testing and reviewing the design and operating effectiveness of the key automated and manual business cycle controls and logic for system generated reports relevant to the audit by verifying the reports/returns and other financial and non-financial information generated from the system on a test check basis • We have tested and reviewed the reconciliations between the loan origination/ servicing application and the accounting software to mitigate the risk of incorrect data flow to/from separate application software. • We have also obtained management representations wherever considered necessary.

C. Key audit matters of Subsidiary Company – IIFL Samasta Finance Ltd

Sr.no	Key Audit Matter	Response to Key Audit Matter
1	**Expected Credit Loss**	
	As at 31 March 2023, the Company has total gross loan assets of Rs. 7,998.53 crores (2022: Rs. 5,772.72 crores) against which an Expected Credit Loss ('ECL') of Rs. 257.22 crores (2022 Rs. 254.80 crores) has been accrued. The ECL approach as required under Ind AS 109, Financial instruments, involves high degree of complexity and requires significant judgement of the management. The Management is required to determine the ECL that may occur over either a 12-month period or the remaining life of an asset,	Our audit focused on assessing the appropriateness of management's judgment and estimates used in the impairment analysis through procedures that included, but were not limited to, the following: • Evaluated the Company's accounting policies for estimation of expected credit loss on loan assets in accordance with the requirements of Ind AS 109, Financial Instruments. • Obtained an understanding of the modelling techniques adopted by the Company including the key inputs and

	depending on the categorization of the individual asset. The key areas of judgment include: 1. Categorization of loans in Stage 1, 2 and 3 based on identification of: a) exposures with Significant Increase in Credit Risk (SICR) since their origination and b) Individually impaired / default exposures. 2. Techniques used to determine Loss Given Default ('LGD') and Probability of Default ('PD') to calculate an ECL are based on past experience. 3. The impact of different future macroeconomic conditions in the determination of ECL. These parameters are derived from the Company's internally developed statistical models, historical data and macro-economic factors and a change in such models or assumptions could have a material impact on the accompanying financial statements. These factors required the models to be reassessed based on the available information including the additional risk profiling due to the impact of COVID-19 Pandemic, geographical, political and economic risk to measure the ECL. Management has made a number of interpretations and assumptions when designing and implementing models that are compliant with the standard. The accuracy of data flows and the implementation of related controls is critical for the integrity of the estimated impairment provisions. Considering the significance of the above matter to the financial statements and the significant auditor attention required to test such complex accounting estimates, we have identified this as a key audit matter for current year audit.	assumptions. Since modelling assumptions and parameters are based on historical data, we assessed whether historical experience was representative of current circumstances and was relevant in view of the recent impairment losses incurred within the portfolios. • Assessed the design and implementation, and tested the operating effectiveness of controls over the modelling process including governance over monitoring of the model and approval of key assumptions. • Evaluated the appropriateness of the Company's process of determination of significant increase in credit risk in accordance with the applicable accounting standard and the basis for classification of exposures into various stages. • Assessed the key judgments and assumptions relating to the macro-economic scenarios including the impact of COVID 19 Pandemic, RBI guidelines/notification and the associated probability weights. • Obtained the approved policy of board of directors to understand the relief measures sanctioned to various class of borrowers in accordance with the directions given by the RBI and tested, on sample basis, the compliance with respect to asset classification and provisioning norms as per such directions. • Tested management's computation of ECL by performing following procedures: • Evaluated management's groupings of borrowers on the basis of different product lines and customer segments with different risk characteristics. • Tested classification of loans into various categories based on their past due status and other loss indicators. On a sample basis, inspected the repayment schedule from the underlying borrower agreements and collection made on due dates; • Performed test of details of the input information used in ECL computation on a sample basis. • Tested the arithmetical accuracy of the computation. • Performed analytical procedures by determining various ratios or percentage-based measures to review overall reasonableness of the estimate determined by the management.

2	Identification and Measurement of NPA:	
	As per RBI's circular dated November 12, 2021 read with earlier circular dated October 1, 2021 on "Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, Automation of NPA and provisioning is required to be implemented by all lending Institutions. The NPA provisioning as per ECL methodology followed by the Company are not fully automated in Software Applications used by the Company for Loans Management and are performed manually through excel spreadsheets. Further, marking of linked accounts at borrower level as NPAs are done manually. These may have impact on the accuracy and completeness of the provision accrued for NPAs. Considering the significance, we have identified this as a key audit matter for current year audit.	Performed other substantive procedures, included but not limited to the following: • Assessed the appropriateness of asset classification and adequacy of related provisioning by performing procedures such as computation of overdue ageing, assessment of borrower level NPA identification and verification of applicable provision rates as per ECL policy of the Company on test check basis; • Selected samples of performing loan accounts to assess, independently, whether such loan accounts should be classified as NPA; • Recompilation of the amount of ECL provisioning on the total advances base considering the stage wise categories of advances, LGD (Loss given default) and PD (Probability of default) arrived by the Company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's report and Management Discussion and Analysis report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective company's to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the respective company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the respective company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The financial statements of four subsidiary companies have been audited by other auditors. The financial statements of the said subsidiary companies reflect total assets of Rs. 30,850.31 crs as at March 31, 2023, Group's share of total revenue of Rs. 4,371.23 crs, Group's share of total net profit of Rs. 933.45 crs and Group's share of total comprehensive income of Rs. 944.81 crs and net cash inflows Rs. 16.55 crs for the year ended on the date as considered in the consolidated financial statements. The reports of auditors of the said subsidiary companies have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary companies and our report in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary companies is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph, to the extent applicable, that:

   a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

   b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of other auditors.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated statement of changes in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid by the Holding Company to its directors is in accordance with the provisions of section 197 of the Act. In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries, the managerial remuneration for the year ended March 31, 2023 has been paid by the subsidiaries incorporated in India to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and associates, as noted in the 'Other matter' paragraph:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group in its consolidated financials statements– Refer Note 38 to the consolidated financial statements.

ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

iv. (a) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of

such subsidiaries ('Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, no funds have been received by the respective Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

v. The Interim dividend declared and paid during the year by the Holding Company and its subsidiaries is in compliance with section 123 of the Companies Act, 2013.

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023 to the Company and its subsidiaries, which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

2. With respect to the matters specified in paragraphs 3 (xxi) and 4 of the Companies (Auditor's Report Order, 2020 (the "Order"/ "CARO") issued by Central Government in terms of Section 143(11) of the Act, to be included in the Auditors report, according to the information and explanation given to us, and based on the CARO report issued by us for the Holding Company and by the statutory auditors of the four subsidiary companies which are companies incorporated in India, included in the consolidated financial statement of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports except for those as stated below:

Sr. no	Name	CIN	Holding Company/subsidiary/ Associate/ Joint Venture	Clause number of the CARO report which is qualified or adverse

Annexure to the Independent Auditor's Report

Annexure referred to in our report of even date to the members of IIFL Finance Limited on the consolidated accounts for the year ended 31st March 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIFL Finance Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies (hereinafter collectively referred to as "the Group") as of March 31st, 2023, which are Companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary companies which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies which are incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary companies which are incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other matters paragraph below , the Holding Company and subsidiary companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the subsidiary companies incorporated in India, is based solely on the corresponding report of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

CONSOLIDATED FINANCIAL STATEMENTS OF IIFL FINANCE LIMITED
CONSOLIDATED STATEMENT OF CHANGES IN EQUITY FOR THE YEAR ENDED MARCH 31, 2023

Notes:

1. **Share application money pending allotment**: Money received for share application for which allotment is pending.
2. **Capital Reserves:** Capital reserve is created on account of Composite Scheme of Arrangement.
3. **Securities Premium Reserve**: The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve (including debenture premium). Total additions to Securities Premium is after netting of share issue expenses.
4. **General Reserve**: The reserve can be distributed/utilised by the Group, in accordance with the Companies Act, 2013
5. **Special Reserve**: Pursuant to section 45-IC of the Reserve Bank of India Act 1934, being 20% of the profit after tax for the year of IIFL Finance Limited and Samasta Microfinance Limited has been transferred from Retained Earnings to Special Reserve.
6. **Special Reserve:** Pursuant to section 29C of the National Housing Bank Act, 1987 the Housing Finance Company ("HFC") is required to transfer atleast 20% of its net profit every year to a reserve before any dividend is declared.
7. **Capital Redemption Reserve**: This reserve has been created on redemption of preference shares capital as per section 55 of the Companies Act, 2013.
8. **Debenture Redemption Reserve**: Pursuant to Section 71 of the Companies Act, 2013 read with Rule 18 of the Companies (Share Capital and Debentures) Rules, 2014, Non Banking Finance Company ("NBFC") and Housing Finance Company ("HFC") are required to create Debenture Redemption Reserve of a value equivalent to 25% of the debentures offered through public issue. Pursuant to Ministry of Corporate Affairs circular dated August 16, 2019, reserve is not required to be created for the Non Convertible Debentures going forward.
9. **Retained Earnings**: These are the profits that the Group has earned till date, less any transfers to Statutory Reserve, Debenture Redemption Reserve, General Reserve, Dividend distribution and capital redemption reserve.
10. **Stock Compensation Reserve**: The employee stock options reserve represents reserve in respect of equity settled share options granted to the employees of the Company and its Group in pursuance of employee stock options plan.
11. **Effective portion of Cash Flow Hedges**: This reserve refers to changes in the fair value of Derivative Financial Contracts which are designated as effective Cash Flow Hedge.
12. **Remeasurements of defined benefit**: This reserve refers to remeasurement of gains and losses arising from experience adjustments, changes in actuarial assumptions and return on plan assets of the defined benefit plan.

Note 1. CORPORATE INFORMATION

Company overview

IIFL Finance Limited (the "Company/ Parent/ Holding Company") is a Systemically Important Non-Banking Financial Company not accepting public deposits ("NBFC-ND-SI") registered with the Reserve Bank of India ("the RBI") under section 45-IA of the Reserve Bank of India Act, 1934 and primarily engaged in financing and related activities. The Company had received the certificate of registration from RBI on Mar 12, 2020, enabling the Company to carry on business as a Non-Banking Financial Company. The Company offers a broad suite of financial products such as mortgage loan, gold loan, loan against securities loans to small & medium enterprise ("SME"), Micro finance loans ("MFI") and digital finance loans.

Note 2. Basis of consolidation

i. Basis of preparation of financial statements

The consolidated financial statements relate to IIFL Finance Limited (the "Company") and its subsidiary/group companies (together hereinafter referred to as "Group"). The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

Control is achieved when the Company has:

- Power over the investee,
- Is exposed or has rights to variable returns from its involvement with the investee, and
- Has the ability to use its power over investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Holding Company has less than a majority of the voting or similar rights of an investee, the Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee.
- Rights arising from other contractual arrangements.
- The Holding Company's voting rights and potential voting rights.
- The size of the Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained below, the relevant provisions of the Companies Act, 2013 (the "Act") and the guidelines issued by the Reserve Bank of India ("RBI") and National Housing Bank ("NHB") to the extent applicable.

ii. Principles of consolidation:

a) The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") on the historical cost basis except for certain financial

instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below and the relevant provisions of The Companies Act, 2013 ("Act").

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1, (that are not traded in active market) that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

b) The effects of all inter-Group transactions and balances have been eliminated on consolidation. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year by the Group.

c) The consolidated financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Group, March 31, 2023.

d) The consolidated financial statements of the Group have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.

e) Business combinations: Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and

includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognised in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits, respectively. Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired, and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies.

f) Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognised. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS 103 – Business Combinations.

Goodwill is considered to have indefinite useful life and hence is not subject to amortisation but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment.

Any impairment loss on goodwill is recognised in the Statement of Profit and Loss. An impairment loss recognised on goodwill is not reversed in subsequent periods.

For the purpose of impairment testing, goodwill acquired in a business combination, is from the acquisition date.

The excess of cost to the Group of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements. Goodwill/ Capital reserve has been netted off and disclosed in the consolidated financial statements. Goodwill arising on consolidation is not amortised but tested for impairment.

g) Non-controlling Interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit and loss/ other comprehensive income ("OCI") for the year of the subsidiaries attributable to non-controlling interest is identified and adjusted against the profit after tax/ other comprehensive income ("OCI") of the Group in order to arrive at the income attributable to shareholders of the Group.

h) Profit or loss and each component of other comprehensive income ("OCI") are attributed to the equity holders of the Holding Company and to the non-controlling interests, if any.

iii. List of subsidiaries consolidated

The individual Balance Sheet as at March 31, 2023, Statement of Profit and Loss and cash flow statement for the year ended March 31, 2023 of following subsidiaries are included in consolidation:

Name of the entity	Relationship	Country of Incorporation	% of holding and voting power either directly or indirectly through subsidiary		
			As at March 31, 2023	As at March 31, 2022	As at March 31, 2021
IIFL Home Finance Limited (HFC)	Direct Subsidiary	India	100%	100%	100%
IIFL Samasta Microfinance Limited (Formerly Samasta Microfinance Limited) (Samasta)	Direct Subsidiary	India	99.51%	99.41%	99.09%
IIHFL Sales Limited	Step down Subsidiary	India	100%	100%	100%
IFL Open Fintech Private Limited	Direct Subsidiary	India	51.02%	NA	NA

iv. Use of estimates and judgments

The preparation of the consolidated financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgments, and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

v. Statement of compliance

The consolidated financial statements of the Group have been prepared in accordance with the provisions of the Act and the Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013 along with the applicable guidelines issued by Reserve Bank of India ("RBI") and National Housing Bank ("NHB"). In addition, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India ("ICAI") are also applied except where compliance with other statutory promulgations require a different treatment.

vi. Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Act applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the consolidated Financial Statements along with the other notes required to be disclosed under the notified Accounting Standards and regulations issued by the RBI and NHB.

Note 3. SIGNIFICANT ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

i. Interest income and dividend income

Interest income on financial instruments at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ("EIR") applicable.

Interest income on Direct assignment pool is recognised on time proportion basis net off amount payable to assignees.

Interest on financial instruments measured at fair value is included within the fair value movement during the period.

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The future cash flows are estimated considering all the behavioural pattern and contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the Statement of Profit and Loss at initial recognition.

Penal Interest are recognised as income only when revenue is virtually certain which generally coincides with receipts.

Dividend on equity shares, preference shares and on mutual fund units is recognised as income when the right to receive the dividend is established.

ii. Fees and charges

Fees and charges include fees other than those that are an integral part of EIR. The fees included in this part of the Group's Statement of Profit and Loss include, among other things, fees charged for servicing a loan. Fees and charges are recognised as income only when revenue is virtually certain which generally coincides with receipts.

Cheque bounce charges, late payment charges and foreclosure charges are recognised on a point- in-time basis and are recorded when realised.

Fee and commission expenses with regards to services are accounted for as and when the services are delivered.

iii. Income from financial instruments at FVTPL

Income from financial instruments at FVTPL includes all gains and losses from changes in the fair value of financial assets and financial liabilities at FVTPL.

iv. Assignment transactions

In accordance with Ind AS 109, in case of assignment transactions with complete transfer of risks and rewards without any retention of residual interest, gain arising on such assignment transactions is recorded upfront in the Statement of Profit and Loss and the corresponding asset is derecognised from the Balance Sheet immediately upon execution of such transaction. Further, the transfer of financial assets qualifies for derecognition in its entirety, the whole of the interest spread at its present value (discounted over the life of the asset) is recognised on the date of derecognition itself as interest only strip receivable (interest strip on assignment) and correspondingly recognised as profit on derecognition of financial asset.

v. Securitisation transactions

In accordance with Ind AS 109, in case of securitisation transactions, the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and recognises a collateralised borrowing for the proceeds received.

vi. Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

(b) Property, plant and equipment ("PPE")

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. PPE is stated at original cost net of tax, if any, less accumulated depreciation. Cost includes professional fees related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy.

Subsequent expenditure related to an item of PPE is added to its book value only if they

increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Depreciation is charged using the straight-line method, based on the useful life of PPE as estimated by the Management, as specified below. Depreciation is charged from the month in which new assets are put to use. No depreciation is charged from the month in which assets are sold. In case of transfer of used PPE from group companies, depreciation is charged over the remaining useful life of the asset. Individual assets / group of similar assets costing up to ₹ 5,000 have been depreciated in full in the year of purchase. Leasehold land is depreciated on a straight-line basis over the leasehold period.

The estimated useful life of assets is as under:

Class of assets	Useful life
Buildings	20 years
Computers	3 years
Office equipment	5 years
Plant and Equipment	5 years
Furniture and fixtures	5 years
Vehicles	5 years

For above class of assets, based on internal assessment and independent technical evaluation carried out by external valuers, the Management believes that the useful lives as given above best represent the period over which Management expects to use these assets.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount net of accumulated depreciation of the asset and is recognised in the Statement of Profit and Loss.

Capital work in progress

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest and are disclosed as "capital work-in-progress".

(c) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax, less accumulated amortisation and cumulative impairment.

Intangible assets i.e., Software are amortised on straight-line basis over the estimated useful life of 3 years. Amortisation on impaired assets is provided by adjusting the amortisation charge in the remaining periods so as to allocate the assets revised carrying amount over its remaining useful life.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount net of accumulated depreciation of the asset are recognised in the Statement of Profit and Loss when the asset is

derecognised.

(d) Investment property

Investment properties are properties held to earn rentals and/ or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost, net of accumulated depreciation and accumulated impairment loss, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount net of accumulated depreciation of the asset) is included in Statement of Profit and Loss in the period in which the Investment property is derecognised.

Freehold land and properties under construction are not depreciated.

(e) Non-current Assets held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

(f) Impairment of assets

As at the end of each accounting year, the Group reviews the carrying amounts of its PPE, intangible assets and investment property assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, intangible assets and investment property are tested for impairment so as to determine the impairment loss, if any.

Recoverable amount is the higher of fair value less costs of disposal and value in use. If recoverable amount of an asset is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset is reduced to its recoverable amount.

When an impairment loss is subsequently reverse, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, to the extent that it does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

(g) Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of equity instruments

that will eventually vest, with a corresponding increase in equity.

Securities premium includes:

- The difference between the face value of the equity shares and the consideration received in respect of shares issued pursuant to Stock Option Scheme.
- The fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Stock Options Scheme

(h) Employee benefits

Defined contribution plans

The Group's contribution towards Provident Fund and Family Pension Fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees and are accounted for on an accrual basis and recognised in the Statement of Profit and loss.

Defined benefit plans

Short term employee benefits: Employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service. These benefits include performance incentive and compensated absences.
Post employment benefits: The employees' gratuity fund scheme represents defined benefit plan. The present value of the obligation under defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to the Statement of Profit and Loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Group recognises related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

Long term employee benefits: The obligation recognised in respect of long-term benefits such as long term compensated absences, is measured at present value of estimated future cash flows expected to be made by the Group and is recognised in a similar manner as in the case of defined benefit plan above.

(i) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e., average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

(j) Taxes on income

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Group's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax is not recognized for:
- Temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss
- Temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans and the reversal of temporary differences.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. For this purpose, the carrying amount of investment property measured at fair value is presumed to be recovered through sale, and the company has not rebutted this

presumption.

For transactions and other events recognised in profit or loss, any related tax effects are also recognised in profit or loss. For transactions and other events recognised outside profit or loss (either in other comprehensive income or directly in equity), any related tax effects are also recognised outside profit or loss (either in other comprehensive income or directly in equity, respectively).

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off assets against liabilities, representing current tax and where the deferred tax assets and deferred tax liabilities relates to taxes on income levied by the same governing taxation laws.

Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(k) Financial instruments

Financial assets and financial liabilities are recognised in the Group's Balance Sheet when the Group becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of Profit and Loss.

Financial assets

Classification and measurement

The Group classifies its financial assets into the following measurement categories: amortised cost; fair value through other comprehensive income; and fair value through profit or loss.

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Financial instruments measured at amortised cost

Debt instruments that meet the following criteria are measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. The principal amount may change over the life of the financial asset (e.g., if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk

associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Group determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Group's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

Debt instruments that are subsequently measured at amortised cost are subject to impairment.

Financial instruments measured at fair value through other comprehensive income ("FVTOCI")

Debt instruments that meet the following criteria are measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in Statement of profit and loss for FVTOCI debt instruments. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income. When the asset is disposed of, the cumulative gain or loss previously accumulated in reserve is transferred to Statement of Profit and Loss.

Financial instruments measured at fair value through Profit and Loss ("FVTPL")

All financial assets are recognized initially at fair value plus transaction cost attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the Statement of Profit and Loss. The gain or loss on disposal is recognised in the Statement of Profit and Loss.

Interest income is recognised in the Statement of Profit and Loss for FVTPL debt instruments.

Dividend on financial assets at FVTPL is recognised when the Group's right to receive dividend is established.

Investments in equity instruments at FVTOCI

On initial recognition, the Group makes an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments. Dividends from these investments are recognised in the Statement of Profit and Loss when the Group's right to receive dividends is established.

Reclassifications

If the business model under which the Group holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Group's financial assets. Changes in contractual cash flows are considered under the accounting policy on modification and derecognition of financial assets described below.

Impairment of financial assets

Group recognizes loss allowances using the Expected Credit Loss ("ECL") model for the financial assets which are not fair valued through profit and loss. ECL is calculated using a model which captures portfolio performance over a period of time. ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original EIR. Vintage loss curve model is used for ECL computation of retail portfolio which involves assessment of performance of segmented portfolio over a time period. The model tracks month-wise losses during the loan tenor. Vintage loss rate models provide a simple, reasonable model for both one-year and lifetime expected credit loss forecasts. For wholesale portfolio, ECL computation is done for each loan account based on CRISIL default study and International Review Board ("IRB") guidelines.

ECL is measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e., ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date (referred to as Stage 1); or
- full lifetime ECL, i.e., lifetime ECL that result from all possible default events over the life of the financial instrument (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Group measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original EIR, regardless of whether it is measured on an individual basis or a collective basis.

Key elements of ECL computation are outlined below:

- Probability of default ("PD") is an estimate of the likelihood that customer will default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously de-recognised and is still in the portfolio.

- Loss given default ("LGD") estimates the normalised loss which Group incurs post customer default. It is usually expressed as a percentage of the Exposure at default ("EAD").
- Effective interest rate ("EIR") is the rate that discounts estimated future cash flows through the expected life of financial instrument. For calculating EIR any upfront fees need to be excluded from the loans and advance amount.

Credit impaired financial assets

A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer,
- a breach of contract such as a default or past due event,
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider,
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default ("PD") which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Default considered for computation of ECL computation is as per the applicable prudential regulatory norms.

Significant increase in credit risk

The Group monitors all financial assets, issued loan commitments and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. The Group's accounting policy is not to use the practical expedient that financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Group's expert credit assessment.

Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/ or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan would constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g., a change to the increase in the interest rate that arises when covenants are breached).

The Group renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. Loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified, the Group considers the following:

Qualitative factors, such as contractual cash flows after modification are no longer SPPI, change in currency or change of counterparty, the extent of change in interest rates, maturity, covenants. If these do not clearly indicate a substantial modification, then a quantitative assessment is performed to compare the present value of the remaining contractual cash flows under the original terms with the contractual cash flows under the revised terms, both amounts discounted at the original effective interest.

In the case where the financial asset is derecognised, the loss allowance for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised par amount because there remains a high risk of default which has not been reduced by the modification. The Group monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Group determines if the financial asset's credit risk has increased significantly since initial recognition.

For financial assets modified, where modification did not result in derecognition, the estimate of PD reflects the Group's ability to collect the modified cash flows taking into account the Group's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous

significant increase in credit risk.

Where a modification does not lead to derecognition the Group calculates the modification gain/ loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Group measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in the Statement of Profit and Loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to the Statement of Profit and Loss.

Write-off

Loans and debt securities are written off when the Group has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Group may apply enforcement activities to financial assets written off. Recoveries resulting from the Group's enforcement activities will result in impairment gains.

Financial liabilities and equity Instruments

Debt and equity instruments that are issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.
Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Compound instruments

The component parts of compound instruments (e.g., convertible notes) issued by the Group are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial

asset for a fixed number of the Group's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments.

A conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently re-measured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. Where the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain/ loss is recognised in Statement of Profit and Loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the life of the convertible notes using the effective interest rate method.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method.
Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments
Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

(I) Cash and bank balances

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to

insignificant risk of changes in value. Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

(m) Goods and service tax input credit

Goods and service tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/ utilising the credits.

(n) Borrowing costs

Borrowing costs include interest expense calculated using the EIR method.

(o) Foreign currencies

In preparing the consolidated financial statements of, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

(p) Segment reporting

The Group's primary business segments are reflected based on the principal business carried out i.e., financing. All other activities of the Group revolve around the main business. The risk and returns of the business of the Group is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments.

(q) Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

- an entity has a present obligation (legal or constructive) as a result of a past event; and
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

V. SANKAR AIYAR & CO. MUMBAI CHARTERED ACCOUNTANTS

CHHAJED & DOSHI MUMBAI 400 069. CHARTERED ACCOUNTANTS

IIFL FINANCE LIMITED

Onerous contracts

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Group has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

Contingent liability is disclosed in case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- a present obligation arising from past events when no reliable estimate is possible.

Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the consolidated financial statements.

(r) Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account and not provided for,

b) Funding related commitment to associate and joint venture companies; and

c) Other non-cancellable commitments, if any.

(s) Statement of cash flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- changes during the period in operating receivables and payables transactions of a non-cash nature,
- non-cash items such as depreciation, provisions, deferred taxes and unrealised foreign currency gains and losses.
- all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of balance sheet.

(t) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

(u) Derivative financial instruments and hedging

The Group enters into derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 069.

IIFL FINANCE LIMITED

recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

Hedge accounting

The Group designates certain hedging instruments, which include derivatives in respect of foreign currency risk, as cash flow hedge.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Group documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedge reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss and is included in the 'Other income' line item.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) and included in the initial measurement of the cost of the non-financial asset or non-financial liability. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

(v) Leases

The Group assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group considers whether (i) the contract involves the use of identified asset; (ii) the Group has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Group has right to direct the use of the asset.

As a lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably

certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.
Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Group is reasonably certain to exercise, lease payments in an optional renewal period if the Group is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Group has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Group recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

As a lessor
Leases for which the Group is a lessor is classified as finance or operating leases. When the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of use asset arising from the head lease.

Critical accounting estimate and judgement

1. **Determination of lease term**

Ind AS 116 Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the

contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Group's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

2. **Discount rate**

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

The Group as a lessee

As a lessee, the Group leases assets which includes gold loan branches/office premises and vehicles to employees. The Group previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Group. Under Ind AS 116, the Group recognises right-of-use assets and lease liabilities for these leases.

(w) Recent Accounting Pronouncements

On March 31, 2023, Ministry of Corporate Affairs ("MCA") has amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

IND AS 1 – Presentation of Financial Statements:

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual period beginning on or after April 1, 2023. The company has evaluated the amendment the impact of the amendment is insignificant in the standalone financial statements.

IND AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors:

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual period beginning on or after April 1,2023. The company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements there is no impact on its standalone financial statements.

IND AS 12 – Income Taxes:

This amendment has narrowed the scope of initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual period beginning on or after April 1,2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI MUMBAI 490069 CHARTERED ACCOUNTANTS

IIFL FINANCE LIMITED

6.1 Hedging activities and derivatives

The Group is exposed to certain risks relating to its ongoing business operations. The primary risks managed using derivative instruments are interest rate and currency risk.

6.1.1 Derivatives designated as hedging instruments

The foreign currency and interest rate risk on borrowings have been actively hedged through a combination of forward contracts and cross currency interest rate swaps.

The Group is exposed to interest rate risk arising from its foreign currency borrowings. Interest on the borrowing is payable at a floating rate linked to the Benchmark Plus Margin. The Group economically hedged the interest rate risk arising from the debt with a 'receive floating pay fixed' cross currency interest rate swap.

The Group uses Cross Currency Interest Rate Swaps (IRS) Contracts (Floating to Fixed) and Forward Exchange Contracts to hedge its risks associated with interest rate and currency fluctuations relating interest rate and currency risk arising from foreign currency loans / external commercial borrowings. The Group designates such contracts in a cash flow hedging relationship by applying the hedge accounting principles as per IND AS standards. These contracts are stated at fair value of the Spot element of the forward exchange contracts at each reporting date. Changes in the fair value of these contracts that are designated and effective as hedges of future cash flows are recognised directly in "Cash Flow Hedge Reserve" under Other Equity and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

There is an economic relationship between the hedged item and the hedging instrument as the terms of the Forward contracts/Cross Currency Interest Rate Swaps match that of the foreign currency borrowings (notional amount, interest payment dates, principal repayment date, etc.). The Group has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the Forward contracts/Cross currency interest rate swaps are identical to the hedged risk components.

*Distress value of above flats is ₹ 157.90 crores.

12.1: Management has acquired possession of these properties in satisfaction of the debts and intends to dispose them in due course, subject to conducive market conditions. These properties have been valued taking into consideration various factors such as location, facilities & amenities, quality of construction, percentage of completion of construction (as for some properties the construction is currently on hold), residual life of building, business potential, supply & demand, local nearby enquiry, market feedback of investigation and ready recknor published by government. These valuations has been performed by an independent registered valuer registered under rule 2 of Companies (Registered Valuers and Valuation) Rules,2017. The fair values are based on market values, being the estimated amount for which a property could be exchanged in an arm's length transaction. These properties are not depreciated as they have not been put to use.

Note 18.1 Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006

The following disclosure is made as per the requirement under The Micro, Small and Medium Enterprises Development Act, 2016 ("MSMED Act") on the basis of confirmations sought from suppliers on registration with the specified authorities under MSMED:

Particulars	2022-2023	2021-2022
(a) Principal amount remaining unpaid to any supplier at the year end	3.02	-
(b) Interest due thereon remaining unpaid to any supplier at the year end	-	-
(c) Amount of interest paid and payments made to the supplier beyond the appointed day during the year	0.00	-
(d) Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Act	-	-
(e) Amount of interest accrued and remaining unpaid at the year end	-	-
(f) Amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under section 23 of the Act	-	-

The aforementioned is based on the responses received by the Group to its inquiries with suppliers with regard to applicability under the said Act. This has been relied upon by the auditors.

No interest has been paid/is payable by the Group during the year to the suppliers registered under this Act.

Maturity Analysis of the Benefit Payments: From the Fund	FY 2022-23	FY 2021-22
Projected Benefits Payable in Future Years From the Date of Reporting		
1st Following Year	3.92	0.69
2nd Following Year	1.31	0.93
3rd Following Year	1.39	1.07
4th Following Year	1.51	1.13
5th Following Year	1.86	1.21
Sum of Years 6 To 10	9.50	7.41
Sum of Years 11 and above	118.37	100.48

Sensitivity Analysis	FY 2022-23	FY 2021-22
Projected Benefit Obligation on Current Assumptions	40.69	32.77
Delta Effect of +1% Change in Rate of Discounting	(5.02)	(4.44)
Delta Effect of -1% Change in Rate of Discounting	5.54	5.46
Delta Effect of +1% Change in Rate of Salary Increase	5.34	4.77
Delta Effect of -1% Change in Rate of Salary Increase	(4.53)	(4.06)
Delta Effect of +1% Change in Rate of Employee Turnover	0.16	(0.21)
Delta Effect of -1% Change in Rate of Employee Turnover	(0.24)	0.21

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Actuarial gains/losses are recognised in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are in line with the industry practice considering promotion and demand and supply of the employees.

Maturity analysis of benefit payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Value of asset is considered as fair value of plan asset for the period of reporting.

Qualitative disclosures
Characteristics of defined benefit plan The Company has a defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. **Risks associated with defined benefit plan** Gratuity is a defined benefit plan and company is exposed to the following risks: **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset. **Salary risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability. **Investment risk:** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments. **Asset liability matching risk:** The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk. **Mortality risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk. **Characteristics of defined benefit plans** During the year, there were no plan amendments, curtailments and settlements.
A separate trust fund is created to manage the Gratuity plan.
Note: The above information is as provided by the Actuary, which has been relied upon by the auditors.

Note 37. Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk.

Risk management is integral to the Group's strategy. An enterprise wide risk management framework is in place to govern the Group's risk management processes. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed to ensure minimal impact on the Group's growth and performance.
The Group has developed the necessary competency to identify early stress signals and has also defined processes, including corrective and remedial actions as regards people and processes, for mitigation to ensure minimum damage.

A stress testing mechanism is put in place to carry out the event based sensitivity analysis and identify the accounts under stress due to expected market movement.
The Group's central treasury department identifies, evaluates and hedges financial risks in close co- operation with the Group's operating units. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity. The Group's Treasury is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Group.

Risk management is integral to Group's strategy. The comprehensive understanding of risk management throughout the various levels of an organization aids in driving key decisions related to risk-return balance, capital allocation and product pricing. The Group operates under the guidance of the Board approved risk appetite statement that covers business composition, guidance around gross non-performing assets and net non-performing assets, leverage, funding and liquidity, etc.
Additionally, it is also ensured that appropriate focus is on managing risk proactively by ensuring business operations are in accordance with laid-down risk. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed, to ensure minimal impact on the Group's growth and performance.

Risk Management Structure

The Group has established multi-level risk governance for monitoring & control of product and entity level risks. The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles. The Board has constituted the Risk Management Committee ("RMC") which is responsible for monitoring the overall risk process within the Group. The RMC is empowered to develop an independent risk strategy comprising of principles, frameworks, policies and limits and ensuring its effective implementation. Independent function of Risk management is in place headed by the Chief Risk Officer ("CRO") who reports to the Chief Executive Officer ("CEO") with oversight of RMC of the Board. The Risk department primarily operationalises risk management framework approved by RMC.

The group has a well –defined risk framework constituting various lines of defence – the first line of defence, consisting of management, is responsible for seamless integration of risk principles across all businesses. Additionally, it ensures adequate managerial and supervisory controls to ensure compliance and highlight inadequate processes and unexpected events. The Group has well-defined internal control measures in every process.
Independent risk and policy team constitutes second line of defence which is responsible for identification and assessment of entity-wide risks. Post its identification, it aims to mitigate risks either through portfolio trigger and caps (Credit risk) or through ongoing risk control and self assessment (Operational risk)
Internal Audit function is the third line of defence that independently reviews activities of the first two lines of defence and reports to the Audit Committee of the Board.

Risk Management Practices

The Group has developed the necessary competency to identify early stress signals and has also defined processes, including corrective and remedial actions as regards people and processes, for mitigation to ensure minimum damage. A stress testing mechanism is put in place to carry out the event based sensitivity analysis and identify the accounts under stress due to expected market movement. In event of susceptibility to external triggers, appropriate risk mitigation would be undertaken and thereby minimize the losses to the Group.
It has initiated a detailed portfolio quality review mechanism which enables analysis of portfolio along various behavioural, demographic and financial parameters. Additionally, through tie-ups with external bureaus, an analysis of collection performance coupled with continuous credit assessment for various key segments is undertaken. The practices aid in proactive course correction thereby modifying credit or sourcing mechanisms, if required. Additionally, application scorecard has been developed enabling the Group to standardize credit underwriting & improve sourcing quality in the long run.
The Group's policy is to measure and monitor the overall risk-bearing capacity in relation to the aggregate risk exposure across all risk types and activities. Information pertaining to different type of risks are identified, analysed and tested on timely basis. The same is presented to Risk Management Committee at periodic intervals.

In order to minimise any adverse effects on the financial performance of the Group, derivative financial instruments, such as cross currency interest rate swaps are entered to hedge certain foreign currency risk exposures and variable interest rate exposures.

The Group's central treasury department identifies, evaluates and hedges financial risks in close co- operation with the Group's operating units. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity. The Group's Treasury is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Group.

37A.1. Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group.
Credit risk arises primarily from financial assets such as trade receivables, investments, derivative financial instruments, other balances with banks, loans and other receivables.

Credit quality analysis

The following tables sets out information about the credit quality of financial assets measured at amortised cost. Unless specifically indicated, for financial assets, the amounts in the table represent gross carrying amounts.

(₹ in crores)

Particulars	As at March 31, 2023				
	Financial Assets where loss allowance measured at 12-month ECL	Financial assets for which credit risk has increased significantly and credit not impaired	Financial assets for which credit risk has increased significantly and credit impaired	Financial Assets where loss allowance measured using simplified approach	Total
Cash and cash equivalents	-	-	-	3,630.67	**3,630.67**
Bank Balance other than above	-	-	-	2,208.36	**2,208.36**

Other Financial assets	-	-	-	951.80	**951.80**

* Loans comprises of outstanding principal, interest accrued but not due and principal and interest overdue.

Financial Assets measured using simplified approach:

The Group follows 'simplified approach' for recognition of impairment loss allowance on Cash and Cash Equivalents, Bank Balances, Trade Receivables, other receivables and Other Financial Assets. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

37A.2. Collateral held

The Group holds collateral and other credit enhancements against certain of its credit exposures. The loans are collateralised against equitable mortgage of property, pledge of shares, hypothecation of assets, company personal guarantees, physical gold, undertaking to create security.

37A.3. Loss allowance and Exposure at default

The following tables show reconciliations from the opening to the closing balance of the loss allowance by class of financial instrument.

37A.6. Credit Risk Grading of loans

Credit Risk Grading is an important tool for credit risk management as it helps in understanding and evaluating risks for different credit transactions.

The Group has established overall credit limits at the level of individual borrowers and counterparties, and groups of connected counterparties. It manages and controls credit risk by confining the amount of risk it is willing to accept for individual counterparties, for geographical concentrations, and by closely monitoring such exposures.

The Group has a Credit Risk Policy which is board approved and shared with all credit approving authorities. All customers will be evaluated on a set of pre-defined parameters as detailed below and accordingly classified into any of the following categories:

1. Low Risk
2. Medium Risk
3. High Risk – This category of customers will not be actively sourced by the Group. Any customer, identified as High Risk, can be funded by the Group basis exceptional comfort and availability of justifying mitigates. The extent and nature of due diligence will be the highest for this category.

The assessment of a customer being classified into high, medium or low is based on various parameters at the time of on-boarding which are captured in the Credit Approval Memorandum by the credit manager and validated by the relevant approving authority. The parameters are as follows:

1. Customer Profile
2. Financial health
3. Business vintage
4. Credit history
5. Industry feedback
6. Other qualitative/ quantitative factors as mentioned in the policy

Every customer once being stamped into a risk category on a periodic basis would further be subjected to change of his risk profile depending on the repayment history and DPDs through an independent credit quality review process. This process aims to allow the Group to assess the potential loss as a result of the risks to which it is exposed and take corrective actions.

Credit Grading details : (₹ in crores)

Period	Stage 1	Stage 2	Stage 3	Total EAD
March 31, 2023	39,694.04	2,090.11	813.14	42,597.30
March 31, 2022	33,735.61	2,176.95	972.19	36,884.75

37A.7. Concentration of Credit Risk

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.
In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on spreading its lending portfolio across various products/states/customer base with a cap on maximum limit of exposure for an individual/Group. Accordingly, the Group does not have concentration risk.

37B Liquidity Risk

Liquidity risk refers to the risk that the Group may not be able to meet its short-term financial obligations. The Group manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of credit lines. Further, the Group has well defined Asset Liability Management (ALM) framework with an appropriate organizational structure to regularly monitor and manage maturity profiles of financial assets and financial liabilities including debt financing plans, cash and cash equivalent instruments to ensure liquidity. The Group seeks to maintain flexibility in funding mix by way of sourcing the funds through money markets, debt markets and banks to meet its business and liquidity requirements.

* The amount represent undiscounted cash flows

Note 1: Borrowings includes cash credit facilities, has been slotted in "over 6 months to 1 year" and "over 1 year to 3 years" in the ratio of 40% and 60% respectively.

Note 2: In computing the above information with respect to cash credit and overdraft facilities with Banks, the Management has made certain estimates and assumptions which have been relied upon by the auditors.

(ii) Financing arrangements

The Group had access to the following undrawn borrowing facilities at the end of the reporting period: (₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Floating rate		
- Expiring within one year (bank overdraft and other facilities)	1,053.65	1,779.87
- Expiring beyond one year (bank loans)	-	-

37C Market Risk

Market Risk is the risk that the value of on and off-balance sheet positions of a financial institution will be adversely affected by movements in market rates or prices such as interest rates, foreign exchange rates, equity prices, credit spreads and/or commodity prices resulting in a loss to earnings and capital.

Financial institutions may be exposed to Market Risk in variety of ways. Market risk exposure may be explicit in portfolios of securities / equities and instruments that are actively traded. Conversely it may be implicit such as interest rate risk due to mismatch of loans and deposits. Besides, market risk may also arise from activities categorized as off-balance sheet item. Therefore market risk is potential for loss resulting from adverse movement in market risk factors such as interest rates, forex rates, equity and commodity prices.

The Group's exposure to market risk is primarily on account of interest rate risk and Foreign exchange risk.

37C.1 Interest rate risk

(a) The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows: (₹ in crores)

	As at March 31, 2023	As at March 31, 2022
Variable rate borrowings	18,292.19	14,287.54
Fixed rate borrowings	20,910.42	21,071.24
Total borrowings	**39,202.60**	**35,358.78**

The Group had the following variable rate borrowings outstanding and cross currency interest rate swap contracts outstanding: (₹ in crores)

	As at March 31, 2023			As at March 31, 2022		
	Weighted average interest rate (%)	Balance	% of total borrowings	Weighted average interest rate (%)	Balance	% of total borrowings
Bank overdrafts, bank loans	9.28%	16,944.64	43.22%	8.63%	13,501.49	38.18%
External Commercial borrowings	8.44%	1,232.55	3.14%	8.62%	757.93	2.14%
Non convertible debentures	8.25%	115.00	0.29%	7.51%	28.13	0.08%
Net exposure to cash flow interest rate risk		**18,292.19**			**14,287.54**	
Currency Interest Rate Swaps	8.97%	**1,394.53**	3.56%	9.36%	**387.64**	1.10%

An analysis by maturities is provided in note 37(B)(i) above. The percentage of total loans shows the proportion of loans that are currently at floating rates in relation to the total amount of borrowings.

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 069.

IIFL FINANCE LIMITED

The Group had the following variable rate loans outstanding:

(₹ in crores)

	As at March 31, 2023			As at March 31, 2022		
	Weighted average interest rate (%)	Balance	% of total loans	Weighted average interest rate (%)	Balance	% of total loans
Floating rate loans	12.93%	18,283.62	44.25%	11.44%	15,862.96	45.17%

(b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates (assuming other variable constant)

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Interest rates – increase by 30 basis points	(41.07)	(32.07)	-	-
Interest rates – decrease by 30 basis points	41.07	32.07	-	-

Profit or loss is sensitive to higher/lower interest income from loans as a result of changes in interest rates (assuming other variable constant)

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Interest rates – increase by 30 basis points	41.05	35.61	-	-
Interest rates – decrease by 30 basis points	(41.05)	(35.61)	-	-

37C.2. Exposure to currency risks

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign currency rates. The Group's exposure to the risk of changes in foreign exchange rates relates primary to the foreign currency borrowings taken from banks and External Commercial Borrowings (ECB).

The Group follows a conservative policy of hedging its foreign currency exposure through Forwards and / or Cross Currency Interest Rate Swaps (CCRIS) in such a manner that it has fixed determinate outflows in its functional currency and as such there would be no significant impact of movement in foreign currency rates on the Group's profit before tax (PBT) and equity.

The Group's currency position is as under

(₹ in crores)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign Currency Assets (in INR)*	189.91	-	-	-	-	-
Foreign Currency Liabilities (in INR)*	33.15	-	-	-	-	-
Net Gap as at 31.03.2023	**156.76**	-	-	-	-	-

(₹ in crores)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign Currency Assets (in INR)*	45.85	-	-	-	-	-
Foreign Currency Liabilities (in INR)*	154.52	-	-	-	-	-
Net Gap as at 31.03.2022	**(108.67)**	-	-	-	-	-

* It is fully hedged by forward contract and CCIRS

Sensitivity :

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
USD sensitivity				
INR/USD -Increase by 5%	-	-	(182.45)	(134.33)
INR/USD -Decrease by 5%	-	-	182.45	134.33

The sensitivity on profit and loss is due to the timing difference of the maturity of the Cross currency interest rate swap. On the date of maturity of the Cross currency interest rate swap, the sensitivity of profit and loss to changes in the exchange rates will be Nil.

37C.3. Price Risk

(a) Exposure

The Group's exposure to assets having price risk is as under

(₹ in crores)

Particulars	Equity Share	Mutual Funds /Alternate investment funds/ others	Bonds	Security Receipts	Total
Market Value as on March 31, 2023	0.05	2,284.73	346.52	879.70	3,511.00
Market Value as on March 31, 2022	0.05	1,108.81	-	83.30	1,192.16

To manage its price risk arising from investments in equity securities/other assets, the Group diversifies its portfolio.

(b) Sensitivity

The table below summarises the impact of increases/decreases of the index on the Group's equity/other assets and profit for the period. The analysis is based on the assumption that the instrument index has increased by 5% or decreased by 5% with all other variables held constant.

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Increase 5%	131.37	44.61	-	-
Decrease 5%	(131.37)	(44.61)	-	-

IIFL FINANCE LIMITED

37D.Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value. The Group monitors capital in accordance with the capital adequacy ratio prescribed by the Reserve Bank of India ("RBI")/ National Housing Bank ("NHB") as applicable.

37E. Fair values of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer an liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using a valuation technique.In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

The following table shows an analysis of financial instruments recorded at Fair Value hierarchy:

(₹ in crores)

Particulars	As at March 31, 2023		
	Fair Value through profit or loss	Fair value through Other Comprehensive Income	Amortised cost / Cost
Financial assets			
Cash and cash equivalents	-	-	3,630.67

37E. 1. Financial instruments measured at fair value – Fair value hierarchy

The following table analyses financial instruments measured at fair value at the reporting date, by the level in the fair value hierarchy into which the fair value measurement is categorised. The amounts are based on the values recognised in the statement of financial position.

37E.2. Valuation methodologies of financial instruments measured at fair value

(i) Quoted equity/instruments are measured based on the last traded price in the exchange and are classified as level 1.
(ii) Mutual Funds are measured based on the published net asset value (NAV) by AMFI and are classified as level 1.
(iii) Alternate investment Funds are measured based on the latest NAV provided by the fund house and are classified as level 3.
(iv) Equity instruments in non-listed entities are initially recognised at transaction price and re-measured (to the extent information is available) and valued by external independent valuer and classified as Level 3.
(v) Equity instruments in listed entities that are quoted market prices (unadjusted) in active markets for identical instruments are classified at level 1.
(vi) Government Securities are valued based on the closing price published by CCIL/ FIMMOA for March 2020 respectively and are classified as level 2.
(vii) Unquoted debt securities are measured based on average of security level prices received from AMFI appointed/designated agencies viz: CRISIL and ICRA and are classified as level 2.
(viii) The fair value of interest rate swaps is calculated as the present value of the net of Pay and Receive side estimated future cash flows based on observable appropriate yield curve inputs.
(ix) Fair value of loans measured at FVOCI approximates its carrying value and are classified as level 3.
(x) Fair value of forward foreign exchange contracts is determined by computing present value of payoff between contractual rate (Strike) and forward exchange rates at the testing date and are classified as Level 2.
(xi) The fair value principal swap is calculated as the present value of the net of Pay and Receive side estimated future cash flows based on observable appropriate yield curve inputs and spot exchange rate as of the testing date and are classified as Level 2.

37E.3. Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Group's financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term nature, the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and bank balances, Trade receivables, other receivables, balances other than cash and cash equivalents and trade payables.

Loans, Debts, Borrowings and Subordinated Debts

The fair values of these instruments are estimated by determining the price of the instrument taking into consideration the origination date, maturity date, coupon rate, actual or approximation of frequency of interest payments, and incorporating the actual or estimated/proxy yields of identical or similar instruments through the discounting factor. For instruments, having contractual residual maturity less than one year, the carrying value has been considered as fair value. Loans and advances are presented net of provisions for impairment.

(₹ in crores)

Assets and liabilities which are measured at amortised cost for which fair values are disclosed As at March 31, 2023	Total fair value	Carrying Value	Valuation Hierarchy

37 F. Transferred financial assets that are derecognised in their entirety

During the year ended March 31, 2022, the Group has sold some loans and advances measured at FVTOCI as per assignment deals, as a source of finance. As per the terms of deal, since the derecognition criteria as per IND AS 109, including transfer of substantially all the risks and rewards relating to assets being transferred to the buyer being met, the assets have been derecognised. The management has evaluated the impact of the assignment transactions done during the year for its business model. Based on the future business plans, the Group's business model remains to hold the assets for collecting contractual cash flows.

The following table provide a summary of the amount of the derecognised financial assets during the year and the gain/(loss) on derecognition, which qualify for derecognition:

(₹ in crores)

Particulars	FY 2022-23	FY 2021-22
Financial assets derecognised during the year	12,110.48	11,177.65
Gain from derecognition	543.87	515.27

37 G. Transferred financial assets that are recognised in their entirety:

The Group uses securitisations as a source of finance. Such transaction resulted in the transfer of contractual cash flows from portfolios of financial assets to holders of issued debt securities. Such deals resulted in continued recognition of the securitised assets since the Group retains substantial risks and rewards. The table below outlines the carrying amounts and fair values of all financial assets transferred that are not derecognised in their entirety and associated liabilities.

(₹ in crores)

Securitisations	As at March 31, 2023	As at March 31, 2022
Carrying amount of transferred assets measured at amortised cost	743.94	2,406.51
Carrying amount of associated liabilities	743.94	2,406.51
Fair value of assets	743.81	2,405.76
Fair value of associated liabilities	743.94	2,406.10

Exercised during the year	95,060	82.02-82.73	82.04	-
Outstanding as on March 31, 2022	**11,47,105**	**82.02-271.40**	**222.89**	**5.44**
Exercisable as on March 31, 2022	**1,77,105**	**82.02-271.40**	**92.54**	**1.14**

Fair Value Methodology:

The fair value of the shares are measured using Black scholes formulae. Measurement inputs include share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, dividend yield, expected volatility .

Key Assumptions used in Black-Scholes model for calculating fair value as on the date of grant are as follows:

Particulars	ESOP 2008			
	15-Oct-22	26-Aug-22	22-Dec-21	19-Aug-21
Stock price (₹)	350.00	341.65	271.40	252.00
Volatility	10.00%	10.00%	10.00%	10.00%
Risk-free Rate	7.37%	7.02%	5.81%	5.77%
Exercise price (₹)	350.00	341.65	271.40	252.00
Time to Maturity (Years)	5.00	5.00	5.00	5.00
Dividend yield	3.00%	3.00%	3.00%	3.00%
Weight Average Value (₹)	45.31	42.15	35.40	35.40

Particulars	ESOP 2008			
	06-May-21	04-Sep-20	29-Apr-17	08-Mar-16
Stock price (₹)	252.00	87.85	218.71	82.02
Volatility	10.00%	10.00%	10.00%	10.00%
Risk-free Rate	5.66%	6.56%	6.66%	7.47%
Exercise price (₹)	252.00	126.64	218.71	82.02
Time to Maturity (Years)	5.00	5.00	5.00	5.00
Dividend yield	3.00%	3.00%	3.00%	3.00%
Weight Average Value (₹)	34.72	21.10	201.65	76.59

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 069

IIFL FINANCE LIMITED

Stock Price: The closing market price on NSE one day prior to the date of grant has been considered for the purpose of Option valuation.

Volatility: The daily volatility of the stock prices on BSE, over a period prior to the date of grant, corresponding with the expected life of the Options has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

The Company has granted Employee Stock Options under IIFL Finance Employee Stock Option Plan 2020 – Merger Scheme pursuant to aforesaid Composite Scheme of Arrangement.

a) The details of various Employee Stock Option Schemes are as under:

Weight Average Value (₹)	161.25	102.16	102.29	106.78

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 028

IIFL FINANCE LIMITED

Particulars	ESOP 2020		
	02-May-18	08-Feb-17	02-Dec-15
Stock price (₹)	179.63	179.63	179.63
Volatility	59.00%	59.00%	59.00%
Risk-free Rate	7.13% - 7.34%	6.94% - 7.21%	6.82%
Exercise price (₹)	142.22	106.67	61.48
Time to Maturity (Years)	4.84	3.87	2.33
Dividend yield	1.00%	1.00%	1.00%
Weight Average Value (₹)	106.90	110.78	37.90

Stock Price: The fair value of stock as on Appointed Date, i.e., April 1, 2018 ("the Effective date" or the "Date of Modification") has been used to value the outstanding grants based on Mercahnt Banker's Report.

Volatility: The daily volatility of the stock prices on BSE, based on post demerger traded prices, has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered based on equity swap ratio of the Composite Scheme of Arrangement.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

Note 45. Segment Reporting

The Group's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Group revolve around the main business. The risk and returns of the business of the Group is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments as per the Indian Accounting Standard 108 on 'Segment Reporting'.

Note 46. Shared services

The Group operates from and uses the premises, infrastructure and other facilities and services as provided to it by its group companies, which are termed as 'Shared Services'. Hitherto, such shared services consisting of administrative and other revenue expenses paid for by the Group were identified and recovered/recoverable from them based on reasonable management estimates, which are constantly refined in the light of additional knowledge gained relevant to such estimation. These expenses are recovered on an actual basis and the estimates are used only where actual were difficult to determine.

Note 47. Previous year's figures are regrouped, reclassified and rearranged wherever considered necessary to confirm to current year's presentation.

INDEPENDENT AUDITOR'S REPORT

To the Members of IIFL Finance Limited

Report on the Audit of the Standalone Ind AS financial statements

Opinion

We have audited the standalone Ind AS financial statements of IIFL Finance Limited, which comprise Balance Sheet as at 31st March 2023, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.no	Key Audit Matter	Response to Key Audit Matter
1	**Information technology (IT) systems used in financial reporting process.** The company's operational and financial processes are dependent on IT systems due	We obtained an understanding of the Company's IT control environment relevant to the audit. We tested the design, implementation and operating effectiveness of the Company's

Sr.no	Key Audit Matter	Response to Key Audit Matter
	to large volume of transactions that are processed daily. We therefore identified IT systems and controls over financial reporting as a key audit matter for the Company.	General IT controls over the key IT systems which are critical to financial reporting. We also tested key automated and manual controls and logic for system generated reports relevant to the audit that would materially impact the financial statements. In addition to above, we have also relied on the work of the internal auditors and system auditors.
2	**Impairment of Financial Assets held at amortised cost:** Since the loans and advances form a major portion of the Company's assets, and due to the significance of the judgments used in classifying loans and advances into various stages as stipulated in Indian Accounting Standard (IND AS) 109 and the management estimation of the related impairment provisions, this is considered to be a key audit matter. The Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors. The most significant areas are: - Segmentation of loan book - Determination of exposure at default - Loan staging criteria - Calculation of probability of default / Loss given default - Consideration of probability weighted scenarios and forward looking macro-economic factors The application of ECL model requires several data inputs. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. Refer Note 37A.3 to the Financial Statements.	We evaluated appropriateness of the impairment principles used by management based on the requirements of Ind AS 109 and our understanding of the business. We assessed the design and implementation of key Internal financial controls over loan impairment process used to calculate the impairment charge. We evaluated management's controls over collation of relevant information used for determining estimates for management overlays. We tested review controls over measurement of impairment allowances and disclosures in financial statements.

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 069

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion and Analysis report but does not include the financial statements and our auditor's report thereon. The Director's report and Management Discussion and Analysis report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report and Management Discussion and Analysis report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards specified under Sec 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

V. SANKAR AIYAR & CO. MUMBAI CHARTERED ACCOUNTANTS

CHHAJED & DOSHI MUMBAI 400 069. CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 069.

2. As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the financial statements.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose or preparation of the financial statements.

d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on 31st March 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023, from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements- Refer Note No 38 of the financial statements.

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

iii. There has not been any delay in transferring amounts which requires to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether

recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) In our opinion and based on the audit procedures, we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Companies Act, 2013.

vi. Proviso to Rule 3(1) of Companies (Accounts) Rule, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March 2023.

Annexure A to the Independent Auditor's Report

Annexure referred to in our report of even date to the members of IIFL Finance Limited on the accounts for the year ended 31st March 2023.

3(i)(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a program of verification of Property, Plant and Equipment to cover all the items at major locations in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Based on the information and explanation given to us and on verification of the records of the Company, the physical verification was conducted during the financial year 2020-21 and no material discrepancies were observed on such verification.

(c) According to the information and explanations given to us and based on verification of records provided to us, we report that, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.

(d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) As per the information and explanation provided to us no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

3(ii) (a) The company does not have any inventory and hence reporting under clause 3(ii)(a) of the order is not applicable.

(b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions on the basis of security of current assets namely financial asset. Based on our verification, the quarterly statements filed by the company with such banks and financial institutions are in agreement with the books of account of the Company.

3(iii)(a) The company being a Non-Banking Finance Company, the provisions of clause 3(iii)(a) are not applicable to the company.

(b) According to the information and explanations given to us and based on the verification of the records and in our opinion the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in nature of loans and guarantees provided are not prejudicial to the company's interest.

(c) The company being a Non-banking Finance company is in the business of granting loans and advances which are in the nature of loans. The schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts are regular except accounts which are overdue are classified as special mention accounts or non-performing assets as per RBI norms.

(d) The total amount overdue for more than ninety days is Rs. 43.78 crores with respect to 61,207 borrowers. Based on the information and explanations given to us and in our opinion reasonable steps have been taken by the company for recovery of principal and interest.

V. SANKAR AIYAR & CO. MUMBAI CHARTERED ACCOUNTANTS

CHHAJED & DOSHI MUMBAI 400 069. CHARTERED ACCOUNTANTS

(e) The company being a Non-Banking Finance Company, the provisions of clause 3(iii)(e) are not applicable to the company.

(f) As per the information and explanation made available to us and in our opinion the company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.

3(iv) The Company is a registered Non-Banking Finance Company to which the provisions of Sections 185 and 186 of the Companies Act, 2013, are not applicable, and hence reporting under clause (iv) of CARO 2020 is not applicable.

3(v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.

3(vi) The maintenance of cost records has not been specified by Central Government under Section 148(1) of the Companies Act,2013 for the company.

3(vii) (a) According to the information and explanations given to us the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, service tax, sales tax, value added tax, goods and services tax, cess and other statutory dues as applicable to the Company with the appropriate authorities. We are informed that the provisions of Sales Tax, Customs Duty and Excise Duty are not applicable to the Company.

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Services Tax, cess and other material statutory dues in arrears as at 31st March 2023, for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and records of the Company examined by us, there are no cases of non-deposit of disputed dues of sales tax or duty of customs or duty of excise. According to the information and explanations given to us, the following dues of income tax, service tax and Goods and service tax have not been deposited by the Company on account of dispute as at 31st March, 2023.

3(viii) As per the information and explanation provided to us and as represented to us, there were no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

3(ix)(a) According to the information and explanation given to us and based on our audit procedures, the Company has not defaulted in repayment of loans or borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanations provided to us, the company has not been declared as wilful defaulter by any bank or financial institution or other lender.

(c) According to the information and explanations and records provided to us the term loans were applied for the purpose for which the loans were obtained.

(d) According to the information and explanations provided to us, in our opinion the funds raised on short term basis have not been utilised for long term purposes.

(e) According to the information and explanations provided to us and on examination of records, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) According to the information and explanations given to us, the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

3(x) (a) According to the information and explanations given to us and in our opinion, money raised by way of initial public offer or further public offer (including debt instruments) have been applied by the Company during the year for the purposes for which they were raised.

(b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally convertible) during the year and hence reporting under clause (xiv) of CARO 2020 is not applicable to the Company. In case of shares issued to the employees under Employee Option scheme the requirements of section 62 or the companies act have been complied with and the funds raised have been used for the purposes for which funds were raised.

3(xi)(a) During the course of our examination of the books and records of the company carried out in accordance with generally accepted auditing practices in India and according to the information and explanations given to us, there have been instances of fraud on the company, during the course of business operation amounting to Rs.4.24 crores. No fraud by the company has been noticed or reported during the year. We have not been informed of any such case by the management.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year, while determining the nature, timing, and extent of our audit procedures.

3(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

3(xiii) According to the information and explanations given to us and in our opinion, all the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

3(xiv)(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

3(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding or subsidiary companies or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable.

3(xvi)(a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and it has obtained the registration.

V. SANKAR AIYAR & CO. MUMBAI CHARTERED ACCOUNTANTS

CHHAJED & DOSHI MUMBAI 400 069. CHARTERED ACCOUNTANTS

(b) The company has carried on the business of Non- Banking Financial activities with valid Certificate of Registration (CoR) obtained from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

(c) The company is a not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and accordingly reporting under clause 3(xvi)(c) of the Order is not applicable.

(d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

3(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

3(xviii) There has been no resignation of the statutory auditors of the Company during the year.

3(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

3(xx) According to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Act pursuant to any project. Accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.

Annexure referred to in our report of even date to the members of IIFL Finance Limited on the standalone accounts for the year ended 31st March 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIFL Finance Limited ("the Company") as of 31st March 2023, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

V. SANKAR AIYAR & CO. MUMBAI CHARTERED ACCOUNTANTS

CHHAJED & DOSHI MUMBAI 109 069. CHARTERED ACCOUNTANTS

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI MUMBAI 400 069. CHARTERED ACCOUNTANTS

STANDALONE FINANCIAL STATEMENTS OF IIFL FINANCE LIMITED
STATEMENT OF CHANGES IN EQUITY FOR THE YEAR ENDED MARCH 31, 2023

Notes:

1. **Share application money pending allotment:** Money received for share application for which allotment is pending.
2. **Capital Reserves:** Capital reserve is created on account of Composite Scheme of Arrangement.
3. **Securities Premium Reserve:** The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve.
4. **General Reserve:** The reserve can be distributed/ utilised by the Company, in accordance with The Companies Act, 2013.
5. **Special Reserve:** Pursuant to section 45-IC of the Reserve Bank of India Act, 1934, 20% of the profit after tax for the year has been transferred from Retained Earnings to Special Reserve.
6. **Capital Redemption Reserve:** This reserve has been created on redemption of preference shares capital as per section 55 of The Companies Act, 2013.
7. **Debenture Redemption Reserve:** Pursuant to Section 71 of The Companies Act, 2013 read with Rule 18 of the Companies (Share Capital and Debentures) Rules, 2014 the Company being an NBFC is required to create Debenture Redemption Reserve of a value equivalent to 25% of the debentures offered through public issue. Pursuant to Ministry of Corporate Affairs circular dated August 16, 2019, reserve is not required to be created for the Non Convertible Debentures going forward.
8. **Retained Earnings:** These are the profits that the Company has earned till date, less any transfers to Statutory Reserve, Debenture Redemption Reserve, General Reserve, Dividend distribution and Capital Redemption Reserve.
9. **Stock Compensation Reserve:** The employee stock options reserve represents reserve in respect of equity settled share options granted to the employees of the Company and its Group in pursuance of employee stock options plan.
10. **Effective portion of Cash Flow Hedges**:These reserve refers to changes in the fair value of Derivative Financial Contracts which are designated as effective Cash Flow Hedge.
11. **Remeasurements of defined benefit:** This reserve refers to remeasurement of gains and losses arising from experience adjustments, changes in actuarial assumptions and return on plan assets of the defined benefit plan.

Note 1. CORPORATE INFORMATION:

Company overview

IIFL Finance Limited (the "Company") is a Systemically Important Non-Banking Financial Company not accepting public deposits ("NBFC-ND-SI") registered with the Reserve Bank of India ("the RBI") under section 45-IA of the Reserve Bank of India Act, 1934 and primarily engaged in financing and related activities. The Company had received the certificate of registration from RBI on March 12, 2020, enabling the Company to carry on business as a Non-Banking Financial Company. The Company offers a broad suite of financial products such as gold loan, loans to Micro, small & medium enterprise ("MSME"), loan against securities and digital finance loans.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On April 26, 2023, Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its Annual General Meeting

Note 2. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS:

The financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below and the relevant provisions of The Companies Act, 2013 ("Act").

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1,(that are not traded in active market) that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

(a) Use of estimates and judgments

The preparation of the financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(b) Statement of compliance

The standalone financial statements of the Company have been prepared in accordance with the provisions of the Act and Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013 along with the applicable guidelines issued by Reserve Bank of India ("RBI"). In addition, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India ("ICAI") are also applied except where compliance with other statutory promulgations requires a different treatment.

(c) Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to Act applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the Financial Statements along with the other notes required to be disclosed under the notified Accounting Standards and regulations issued by the RBI.

Note 3. SIGNIFICANT ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.
Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

i. Interest income and dividend income:

Interest income on financial instruments at amortised cost is recognised on a time proportion basis taking into account the amount outstanding.

Interest on financial instruments measured at fair value is included within the fair value movement during the period.

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The future cash flows are estimated taking into

account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the Statement of Profit and Loss at initial recognition.

Dividend on equity shares, preference shares and on mutual fund units is recognised as income when the right to receive the dividend is established.

ii. Fees and charges:

Fees and charges include fees other than those that are an integral part of EIR. The fees included in this part of the Company's Statement of Profit and Loss include, among other things, fees charged for servicing a loan.

Cheque bounce charges, late payment charges and foreclosure charges are recognised on a point-in-time basis, and are recorded when realised.

Fee and commission expenses with regards to services are accounted for as and when the services are delivered.

iii. Income from financial instruments at FVTPL:

Income from financial instruments at FVTPL includes all gains and losses from changes in the fair value of financial assets and financial liabilities at FVTPL.

iv. Assignment transactions:

In accordance with Ind AS 109, in case of assignment transactions with complete transfer of risks and rewards without any retention of residual interest, gain arising on such assignment transactions is recorded upfront in the Statement of Profit and Loss and the corresponding asset is derecognised from the Balance Sheet immediately upon execution of such transaction. Further, the transfer of financial assets qualifies for derecognition in its entirety, the whole of the interest spread at its present value (discounted over the life of the asset) is recognised on the date of derecognition itself as interest only strip receivable (interest strip on assignment) and correspondingly recognised as profit on derecognition of financial asset.

v. Securitisation transactions

In accordance with Ind AS 109, in case of securitisation transactions, the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

vi. Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

(b) Property, plant and equipment ("PPE")

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax, if any, less accumulated depreciation. Cost includes professional fees related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

Depreciation is charged using the straight-line method, based on the useful life of fixed assets as estimated by the Management, as specified below. Depreciation is charged from the month in which new assets are put to use. No depreciation is charged from the month in which assets are sold. In case of transfer of used fixed assets from group companies, depreciation is charged over the remaining useful life of the asset. Individual assets / group of similar assets costing up to ₹ 5,000 have been depreciated in full in the year of purchase.

The estimated useful life of assets is as under:

Class of assets	Useful life
Buildings	20 years
Computers	3 years
Office equipment	5 years
Plant and Equipment	5 years
Furniture and fixtures	5 years
Vehicles	5 years

For above class of assets, based on internal assessment and independent technical evaluation carried out by external valuers, the Management believes that the useful lives as given above best represent the period over which Management expects to use these assets.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Capital work in progress

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest and are disclosed as "capital work-in-progress".

(c) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax, less accumulated amortisation and cumulative impairment.

Intangible assets i.e. Software are amortised on straight-line basis over the estimated useful life of 3 years.

V. SANKAR AIYAR & CO. CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI

Amortisation on impaired assets is provided by adjusting the amortisation charge in the remaining periods so as to allocate the assets revised carrying amount over its remaining useful life.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

(d) Investment property

Investment properties are properties held to earn rentals and/ or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost, net of accumulated depreciation and accumulated impairment loss, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in Statement of Profit and Loss in the period in which the Investment property is derecognised.

Freehold land and properties under construction are not depreciated.

(e) Non-current Assets held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification. Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

(f) Impairment of assets

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE, intangible assets and investment property assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, intangible assets and investment property are tested for impairment so as to determine the impairment loss, if any.

Recoverable amount is the higher of fair value less costs of disposal and value in use. If recoverable amount of an asset is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset is reduced to its recoverable amount.

When an impairment loss is subsequently reversed, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, to an extent that it does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

(g) Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

Securities premium includes:

- The difference between the face value of the equity shares and the consideration received in respect of shares issued pursuant to Stock Option Scheme.
- The fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Stock Options Scheme

(h) Employee benefits

Defined contribution plans

The Company's contribution towards Provident Fund and Family Pension Fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees and are accounted for on an accrual basis and recognised in the Statement of Profit and loss.

Defined benefit plans

Short term employee benefits: Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service. These benefits include performance incentive and compensated absences

Post employment benefits: The employees' gratuity fund scheme represents defined benefit plan. The present value of the obligation under defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to the Statement of Profit and Loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognises related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under

the defined benefit plans to recognise the obligation on a net basis.

Long term employee benefits: The obligation recognised in respect of long term benefits being long term compensated absences, is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plan above.

(i) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

(j) Taxes on income

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax is not recognized for:
- Temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss
- Temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans and the reversal of temporary differences.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. For this purpose, the carrying amount of investment property measured at fair value is presumed to be recovered through sale, and the company has not rebutted this presumption.

For transactions and other events recognised in profit or loss, any related tax effects are also recognised in profit or loss. For transactions and other events recognised outside profit or loss (either in other comprehensive income or directly in equity), any related tax effects are also recognised outside profit or loss (either in other comprehensive income or directly in equity, respectively).

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off assets against liabilities, representing current tax and where the deferred tax assets and deferred tax liabilities relates to taxes on income levied by the same governing taxation laws.

Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(k) Financial instruments

Financial assets and financial liabilities are recognised in the Company's Balance Sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of Profit and Loss.

Financial assets
Classification and measurement

The Company classifies its financial assets into the following measurement categories: amortised cost; fair value through other comprehensive income; and fair value through profit or loss.

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Financial instruments measured at amortised cost

Debt instruments that meet the following criteria are measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect

contractual cash flows; and

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. The principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Company determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

Debt instruments that are subsequently measured at amortised cost are subject to impairment.

Financial instruments measured at fair value through other comprehensive income ("FVTOCI")

Debt instruments that meet the following criteria are measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in Statement of profit and loss for FVTOCI debt instruments. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income. When the asset is disposed of, the cumulative gain or loss previously accumulated in reserve is transferred to Statement of Profit and Loss.

Financial instruments measured at fair value through Profit and Loss ("FVTPL")

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the Statement of Profit and Loss. The gain or loss on disposal is recognised in the Statement of Profit and Loss.

Interest income is recognised in the Statement of Profit and Loss for FVTPL debt instruments. Dividend on financial assets at FVTPL is recognised when the Company's right to receive dividend is established.

Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments. Dividends from these investments are recognised in the Statement of Profit and Loss when the Company's right to receive dividends is established.

Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. Changes in contractual cash flows are considered under the accounting poli cy on modification and derecognition of financial assets described below.

Impairment of financial assets

Company recognizes loss allowances using the Expected Credit Loss ("ECL") model for the financial assets which are not fair valued through profit and loss. ECL is calculated using a model which captures portfolio performance over a period of time. ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original EIR. Vintage loss curve model is used for ECL computation of retail portfolio which involves assessment of performance of segmented portfolio over a time period. The model tracks month-wise losses during the loan tenor. Vintage loss rate models provide a simple, reasonable model for both one-year and lifetime expected credit loss forecasts. For wholesale portfolio, ECL computation is done for each loan account based on CRISIL default study and International Review Board ("IRB") guidelines.

ECL is measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original EIR, regardless of whether

it is measured on an individual basis or a collective basis.

Key elements of ECL computation are outlined below:

- Probability of default ("PD") is an estimate of the likelihood that customer will default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously de-recognised and is still in the portfolio.
- Loss given default ("LGD") estimates the normalised loss which Company incurs post customer default. It is usually expressed as a percentage of the Exposure at default ("EAD").
- Effective interest rate ("EIR") is the rate that discounts estimated future cash flows through the expected life of financial instrument. For calculating EIR any upfront fees needs to be excluded from the loans and advance amount.

Credit impaired financial assets

A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default ("PD") which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Default considered for computation of ECL computation is as per the applicable prudential regulatory norms.

Significant increase in credit risk

The Company monitors all financial assets, issued loan commitments and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. The Company's accounting policy is not to use the practical expedient that financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial

instrument was first recognised. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Company's expert credit assessment.

Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/ or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan would constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Company renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. Loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified, the Company assesses whether this modification results in derecognition. In accordance with the Company's policy, a modification results in derecognition when it gives rise to substantially different terms. To determine if the modified terms are substantially different from the original contractual terms the Company considers the following:

Qualitative factors, such as contractual cash flows after modification are no longer SPPI, change in currency or change of counterparty, the extent of change in interest rates, maturity, covenants. If these do not clearly indicate a substantial modification, then a quantitative assessment is performed to compare the present value of the remaining contractual cash flows under the original terms with the contractual cash flows under the revised terms, both amounts discounted at the original effective interest.

In the case where the financial asset is derecognised, the loss allowance for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised par amount because there remains a high risk of default which has not been reduced by the modification. The Company monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Company determines if the financial asset's credit risk has increased significantly since initial recognition.

For financial assets modified, where modification did not result in derecognition, the estimate of PD reflects the Company's ability to collect the modified cash flows taking into account the Company's

previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Where a modification does not lead to derecognition the Company calculates the modification gain/ loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Company measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

Derecognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in the Statement of Profit and Loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to the Statement of Profit and Loss.

Write-off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

Financial liabilities and equity Instruments

Debt and equity instruments that are issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Compound instruments

The component parts of compound instruments (e.g. convertible notes) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments.

A conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently re-measured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. Where the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain/ loss is recognised in Statement of Profit and Loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the life of the convertible notes using the effective interest rate method.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously

(I) Investment in subsidiaries

Investment in subsidiaries is recognised at cost and is not adjusted to fair value at the end of each reporting period as allowed by Ind AS 27 'Separate financial statement'. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(m) Cash and bank balances

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

(n) Goods and service tax input credit

Goods and service tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/ utilising the credits.

(o) Borrowing costs

Borrowing costs include interest expense calculated using the EIR method.

(p) Foreign currencies

In preparing the financial statements, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

(q) Segment reporting

The Company's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Company revolve around the main business. The risk and returns of the business of the Company is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments.

(r) Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

- an entity has a present obligation (legal or constructive) as a result of a past event; and
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- a present obligation arising from past events, when no reliable estimate is possible.

Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the financial statements.

(s) Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- changes during the period in operating receivables and payables transactions of a non-cash nature;
- non-cash items such as depreciation, provisions, deferred taxes and unrealised foreign currency gains and losses.
- all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of balance sheet.

(t) Derivative financial instruments and hedging

The company holds derivative financial instruments to hedge its foreign currency and interest rate risk exposures relating to foreign currency borrowings. Embedded derivatives are separated from the host contract and accounted for separately if certain criteria are met.

The company designates only the change in fair value of the spot element of the forward exchange contract as the hedging instrument in cash flow hedging relationships. The effective portion of changes in fair value of hedging instruments is accumulated in a cash flow hedge reserve as a separate component of equity.

The forward cost are separately accounted for as a cost of hedging and are recognised in OCI and accumulated in a cost of hedging reserve as a separate component within equity.

Cash flow hedges

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in

the fair value of the derivative is recognised in OCI and accumulated under the heading of Cash Flow Hedge Reserve. Any ineffective portion of changes in the fair value of the derivative is recognised immediately in profit or loss, and is included in the other Income line item.

The amount accumulated in equity is retained in OCI and reclassified to profit or loss in the same period or periods during which the hedged forecast cash flows affect profit or loss or the hedged item affects profit or loss.

If the forecast transaction is no longer expected to occur, the hedge no longer meets the criteria for hedge accounting, the hedging instrument expires or is sold, terminated or exercised, or the designation is revoked, then hedge accounting is discontinued prospectively. If the forecast transaction is no longer expected to occur, then the amount accumulated in equity is reclassified to profit or loss.

(u) Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company considers whether (i) the contract involves the use of identified asset; (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Company has right to direct the use of the asset.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or

rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

As a lessor

Leases for which the Company is a lessor is classified as finance or operating leases. When the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of use asset arising from the head lease.

Critical accounting estimate and judgement

1. **Determination of lease term**

Ind AS 116 Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Company's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

2. **Discount rate**

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

The Company as a lessee

As a lessee, the Company leases assets which includes gold loan branches/office premises and vehicles to employees. The Company previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Company. Under Ind AS 116, the Company recognises right-to-use assets and lease liabilities for these leases.

(v) Recent Accounting Pronouncements

On March 31, 2023, Ministry of Corporate Affairs ("MCA") has amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

IND AS 1 – Presentation of Financial Statements:
This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual period beginning on or after April 1,2023. The company has evaluated the amendment the impact of the amendment is insignificant in the standalone financial statements.

IND AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors:
This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual period beginning on or after April 1,2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

IND AS 12 – Income Taxes:
This amendment has narrowed the scope of initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual period beginning on or after April 1,2023. The company has evaluated the amendment and there is no impact on its standalone financial statements.

6.1 Hedging activities and derivatives

The Company is exposed to certain risks relating to its ongoing business operations. The primary risks managed using derivative instruments are interest rate and currency risk.

6.1.1 Derivatives designated as hedging instruments

The foreign currency and interest rate risk on borrowings have been actively hedged through a combination of forward contracts and interest rate swaps.

The Company is exposed to interest rate risk arising from its foreign currency borrowings. Interest on the borrowing is payable at a floating rate linked to the Benchmark plus Margin. The Company has hedged the interest rate risk arising from the debt with a 'receive floating pay fixed' interest rate swap.

The Company uses Cross Currency Swap Contracts and Forward Exchange Contracts to hedge its risks associated with interest rate and currency risk arising from the foreign currency loans. The Company designates such contracts in a cash flow hedging relationship by applying the hedge accounting principles as per IND AS. These contracts are stated at fair value of the spot element of the forward exchange contracts at each reporting date. Changes in the fair value of these contracts that are designated as effective hedge of future cash flows are recognised directly in the "Cash Flow Hedge Reserve" under Other Comprehensive Income and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Hedge accounting is discontinued when the hedged instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

There is an economic relationship between the hedged item and the hedging instrument as the terms of the Forward contracts/Interest Rate Swaps match that of the foreign currency borrowings (notional amount, interest payment dates, principal repayment date, etc.). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the Forward contracts/interest rate swaps are identical to the hedged risk components.

Note 12.1: Management had acquired possession of these properties in satisfaction of the debts and intends to dispose them in due course, subject to conducive market conditions. These properties have been valued taking into consideration various factors such as location, facilities & amenities, quality of construction, percentage of completion of construction (as for some properties the construction is currently on hold), residual life of building, business potential, supply & demand, local nearby enquiry, market feedback of investigation and ready recknor published by government. These valuations has been performed by an independent registered valuer registered under Rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. The fair values are based on market values, being the estimated amount for which a property could be exchanged in an arm's length transaction. These properties are not depreciated as they have not been put to use.

Maturity analysis of the benefit payments: From the Fund	FY 2022-23	FY 2021-22
Projected benefits payable in future years from the date of reporting		
1st following year	2.67	0.35
2nd following year	0.47	0.38
3rd following year	0.51	0.46
4th following year	0.56	0.48
5th following year	0.82	0.52
Sum of years 6 To 10	4.37	3.84
Sum of years 11 and above	64.24	56.95

(₹ in crores)

Sensitivity analysis	FY 2022-23	FY 2021-22
Defined Benefit Obligation on Current Assumptions	20.49	16.71
Delta effect of +1% change in rate of discounting	(2.66)	(2.39)
Delta effect of -1% change in rate of discounting	2.87	2.96
Delta effect of +1% change in rate of salary increase	3.10	2.82
Delta effect of -1% change in rate of salary increase	(2.55)	(2.33)
Delta effect of +1% change in rate of employee turnover	0.37	0.18
Delta effect of -1% change in rate of employee turnover	(0.46)	(0.24)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Actuarial gains/losses are recognised in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are in line with the industry practice considering promotion and demand and supply of the employees.

Maturity analysis of benefit payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Value of asset is considered as fair value of plan asset for the period of reporting.

Qualitative disclosures
Characteristics of defined benefit plan The Company has a defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy.
Risks associated with defined benefit plan Gratuity is a defined benefit plan and company is exposed to the following risks: **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset. **Salary risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability. **Investment risk:** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments. **Asset liability matching risk:** The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk. **Mortality risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.
Characteristics of defined benefit plans During the year, there were no plan amendments, curtailments and settlements.
A separate trust fund is created to manage the Gratuity plan.

Note 37. Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk.

Risk management is integral to Company's strategy. The comprehensive understanding of risk management throughout the various levels of an organization aids in driving key decisions related to risk-return balance, capital allocation and product pricing. The Company operates under the guidance of the Board approved risk appetite statement that covers business composition, guidance around gross stage 3 assets and net stage 3 assets, leverage, funding and liquidity, etc.

Additionally, it is also ensured that appropriate focus is on managing risk proactively by ensuring business operations are in accordance with laid-down risk. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed, to ensure minimal impact on the Company's growth and performance.

Risk Management Structure

The Company has established multi-level risk governance for monitoring and control of product and entity level risks. The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles. The Board has constituted the Risk Management Committee ("RMC") which is responsible for monitoring the overall risk process within the Company. The RMC is empowered to develop an independent risk strategy comprising of principles, frameworks, policies and limits and ensuring its effective implementation. Independent function of Risk management is in place headed by the Chief Risk Officer ("CRO") who reports to the Chairman and independently to RMC of the Board. The Risk department primarily operationalises risk management framework approved by RMC.

The Company has a well defined risk framework constituting various lines of defence – the first line of defence, consisting of management, is responsible for seamless integration of risk principles across all businesses. Additionally, it ensures adequate managerial and supervisory controls to ensure compliance and highlight inadequate processes and unexpected events. The Company has well-defined internal control measures in every process.

Independent risk and policy team constitutes second line of defence which is responsible for identification and assessment of entity-wide risks. Post its identification, it aims to mitigate risks either through portfolio trigger and caps (Credit risk) or through ongoing risk control and self assessment (Operational risk).

Internal Audit function is the third line of defence that independently reviews activities of the first two lines of defence and reports to the Audit Committee of the Board.

Risk Management Practices

The Company has developed the necessary competency to identify early stress signals and has also defined processes, including corrective and remedial actions as regards people and processes, for mitigation to ensure minimum damage. A stress testing mechanism is put in place to carry out the event based sensitivity analysis and identify the accounts under stress due to expected market movement. In event of susceptibility to external triggers, appropriate risk mitigation would be undertaken and thereby minimize the losses to the company.

It has initiated a detailed portfolio quality review mechanism which enables analysis of portfolio along various behavioural, demographic and financial parameters. Additionally, through tie-ups with external bureaus, an analysis of collection performance coupled with continuous credit assessment for various key segments is undertaken. The practices aid in proactive course correction thereby modifying credit or sourcing mechanisms, if required. Additionally, application scorecard has been developed enabling the Company to standardise credit underwriting and improve sourcing quality in the long run.

The Company's policy is to measure and monitor the overall risk-bearing capacity in relation to the aggregate risk exposure across all risk types and activities. Information pertaining to different type of risks are identified, analysed and tested on timely basis. The same is presented to RMC at periodic intervals.

In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as cross currency interest rate swaps are entered to hedge certain foreign currency risk exposures and variable interest rate exposures.

The Company's central Treasury department identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity. The Company's Treasury is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Company.

Note: 37A.1. Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.
Credit risk arises primarily from financial assets such as loans, trade receivables, investments, derivative financial instruments, and other receivables.

Credit Quality Analysis

The following tables sets out information about the credit quality of financial assets measured at amortised cost. Unless specifically indicated, for financial assets, the amounts in the table represent gross carrying amounts.

(₹ in crores)

Particulars	As at March 31, 2023				
	Financial Assets where loss allowance measured at 12-month ECL	Financial assets for which credit risk has increased significantly and credit not impaired	Financial assets for which credit risk has increased significantly and credit impaired	Financial Assets where loss allowance measured using simplified approach/ cost	Total
Cash and cash equivalents	-	-	-	1,762.39	1,762.39
Bank balance other than above	-	-	-	1,407.07	1,407.07
Receivables					
(i) Trade receivables	-	-	0.83	66.51	67.34
(ii) Other receivables	-	-	-	151.96	151.96
Loans*	9,519.40	728.11	202.49	-	10,450.00
Investments**	-	-	-	1,907.81	1,907.81
Other financial assets	-	-	-	897.29	897.29

* Loans comprises of outstanding principal, interest accrued but not due and principal and interest overdue.
**Investments in subsidiaries carried at cost.

(₹ in crores)

Particulars	As at March 31, 2022				
	Financial Assets where loss allowance measured at 12-month ECL	Financial assets for which credit risk has increased significantly and credit not impaired	Financial assets for which credit risk has increased significantly and credit impaired	Financial Assets where loss allowance measured using simplified approach/ cost	Total
Cash and cash equivalents	-	-	-	4,356.94	4,356.94

Other Financial assets	-	-	-	541.15	541.15

* Loans comprises of outstanding principal, interest accrued but not due and principal and interest overdue.
**Investments in subsidiaries carried at cost.

Financial Assets Measured Using Simplified Approach

The Company follows 'simplified approach' for recognition of impairment loss allowance on cash and cash equivalents, bank balances, trade receivables, other receivables and other financial assets. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

37A.2. Collateral Held

The Company holds collateral and other credit enhancements against certain of its credit exposures. The loans are collateralised against equitable mortgage of property, pledge of shares, hypothecation of assets, company personal guarantees, physical gold, undertaking to create security.

37A.3. Loss Allowance and Exposure At Default

The following table shows movement of the loss allowance on loans and advances:

(₹ in crores)

Reconciliation of loss allowance	Financial Assets where loss allowance measured at 12-month ECL		Financial assets for which credit risk has increased significantly and credit not impaired		Financial assets for which credit risk has increased significantly and credit impaired		Total	
	Principal	Others	Principal	Others	Principal	Others	Principal	Others
Opening ECL Mar-22	**300.60**	**51.64**	**48.64**	**3.52**	**160.15**	**39.76**	**509.40**	**94.92**
New loans disbursed during the year	164.50	11.30	5.91	1.41	37.53	7.33	207.94	20.04

Closing EAD Mar-2022	**11,511.13**	**1,287.06**	**747.50**	**56.98**	**366.44**	**39.75**	**12,625.07**	**1,383.79**

37A.4. Write Off

Contractual amount outstanding on financial assets that were written off (net of recovery) during the reporting period is ₹ 355.15 crore (P.Y ₹ 723.83 crore)

37A.5. Modified Financial Instruments

For financial assets, such as a loan to a customer, when the terms and conditions have been renegotiated to the extent that the modification does not result in cash flows that are substantially different (thereby not resulting into derecognition), the Company has disclosed modification gain/ loss based on discounted cash flow basis in the below table:

Particulars	FY 2022-23	FY 2021-22
Value of modified assets at the time of modification	534.05	1,886.36
Value of modified assets outstanding at end of year	528.39	1,881.56
Modification gain/ (loss)	(5.66)	(4.80)

The above modification is in accordance with the provisions defined in the Master Direction Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 Circular No DNBR.PD.008/03.10.119/2016-17 dated September 01, 2016 (updated as on December 29, 2022)

37A.6. Credit Risk Grading of Loans

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties.
The Company ensures effective monitoring of credit facilities through a portfolio quality review framework. As per this process, an asset is reviewed at a frequency determined based on the risk it carries at the review date.
For effective risk management, the company monitors its portfolio, based on product, underlying security and credit risk characteristics.
The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective actions. An independent risk and policy team reviews adherence to policies and processes on a periodic basis.
Additionally, the Company evaluates risk based on staging as defined in Ind AS, details of which are mentioned below:

Credit Grading Details (₹ in crores)

Period	Stage 1	Stage 2	Stage 3	Total EAD
March 31, 2023	13,689.93	728.11	202.49	14,620.53
March 31, 2022	12,798.20	804.48	406.20	14,008.87

37A.7. Concentration of Credit Risk

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.
In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on spreading its lending portfolio across various products/states/customer base with a cap on maximum limit of exposure for an individual/Group. Accordingly, the Company does not have concentration risk.

37B Liquidity Risk

Liquidity risk refers to the risk that the Company may not be able to meet its short-term financial obligations. The Company manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of credit lines. Further, the Company has well defined Asset Liability Management (ALM) framework with an appropriate organizational structure to regularly monitor and manage maturity profiles of financial assets and financial liabilities including debt financing plans, cash and cash equivalent instruments to ensure liquidity. The Company seeks to maintain flexibility in funding mix by way of sourcing the funds through money markets, debt markets and banks to meet its business and liquidity requirements.

(i) Maturities of Financial Liabilities

(₹ in crores)

Contractual maturities of financial liabilities (including financial guarantee) As at March 31, 2023	Total	Upto 3 months	Over 3 months to 6 months	Over 6 months to 1 year	Over 1 year to 3 years	Over 3 to 5 years	Over 5 years
Derivative financial instruments	33.14	28.40	0.96	-	3.78	-	-

Other payables	-	-	-	-	-	-	-
Finance lease obligation*	452.98	26.86	26.34	49.91	149.56	99.18	101.13
Debt securities	5,194.09	2,425.16	11.03	433.91	565.59	628.40	1,130.00
Borrowings (other than debt securities)	10,526.89	1,456.02	801.20	1,562.44	5,548.97	1,158.26	-
Subordinated liabilities	1,659.51	40.40	13.80	4.93	34.18	100.00	1,466.20
Other financial liabilities	894.33	883.24	0.21	7.41	3.47	-	-
Financial guarantee contracts	584.94	584.94	-	-	-	-	-
Total	**19,479.26**	**5,576.71**	**854.01**	**2,059.25**	**6,306.11**	**1,985.85**	**2,697.33**

* The amount represent undiscounted cash flows

(₹ in crores)

Contractual maturities of financial liabilities (including financial guarantee) As at March 31, 2022	Total	Upto 3 months	Over 3 months to 6 months	Over 6 months to 1 year	Over 1 year to 3 years	Over 3 to 5 years	Over 5 years
Derivative financial instruments	149.46	3.06	-	3.17	143.24		-
Trade payables	86.17	83.67	0.19	1.29	0.04	0.98	-
Other payables	9.91	9.91	-	-	-	-	-
Finance lease obligation*	418.16	23.22	22.92	45.58	139.28	102.72	84.44
Debt securities	5,105.28	606.43	28.45	139.47	3,447.11	313.82	570.00
Borrowings (other than debt securities)	9,771.07	578.53	626.64	1,770.25	5,884.02	911.64	-
Subordinated liabilities	1,369.64	30.64	21.43	28.20	10.00	33.40	1,245.97
Other financial liabilities	1,784.73	1,758.71	-	-	-	26.02	-
Financial guarantee contracts	845.50	845.50	-	-	-	-	-
Total	**19,539.92**	**3,939.65**	**699.63**	**1,987.96**	**9,623.68**	**1,388.59**	**1,900.41**

* The amount represent undiscounted cash flows

Note : Borrowings includes cash credit facilities which has been shown in "over 6 months to 1 year" and "over 1 year to 3 years" in the ratio of 40% and 60% respectively.

(ii) Financing Arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Floating rate		
- Expiring within one year (bank overdraft and other facilities)	719.65	1,452.25
- Expiring beyond one year (bank loans)	-	-

37C Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument.

37C.1 Interest Rate Risk

The exposure of the Company's borrowing and loans to interest rate changes at the end of the reporting period are as follows:

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Floating rate borrowings	5,815.92	5,231.46
Fixed rate borrowings	11,369.26	10,842.28
Total borrowings	**17,185.18**	**16,073.74**

The Company had the following floating rate borrowings and cross currency interest rate swap contracts outstanding:

(₹ in crores)

Particulars	As at March 31, 2023			As at March 31, 2022		
	Weighted average interest rate (%)	Balance	% of total borrowings	Weighted average interest rate (%)	Balance	% of total borrowings
Bank overdrafts, bank loans	9.19%	5,815.92	33.84%	8.64%	5,231.46	32.55%
Net exposure to cash flow interest rate risk		**5,815.92**			**5,231.46**	

Sensitivity

(i) Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates (assuming other variables constant):

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Interest rates – increase by 50 basis points	(21.76)	(19.57)	-	-
Interest rates – decrease by 50 basis points	21.76	19.57	-	-

(ii) The Company does not have any outstanding variable rate loans given and hence there is no impact on Profit & loss account due to any such change.

37C.2. Exposure to Currency Risks

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign currency rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings taken from Financial Institutions, External Commercial Borrowings (ECB) and foreign bond markets.

(i) The Company has hedged its foreign currency exposure through Forwards/ Future and / or Cross Currency Interest Rate Swaps in such a manner that it has fixed determinate outflows in its functional currency and as such there would be no significant impact of movement in foreign currency rates on the Company's profit before tax (PBT).

As at March 31, 2023

(₹ in crores)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign currency assets (in INR)*	172.37	-	-	-	-	-
Foreign currency liabilities (in INR)*	33.14	-	-	-	-	-
Net Assets/(Liabilities)	**139.23**	-	-	-	-	-

As at March 31, 2022

(₹ in crores)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign currency assets (in INR)*	64.41	-	-	-	-	-
Foreign currency liabilities (in INR)*	149.46	-	-	-	-	-
Net Assets/(Liabilities)	**(85.05)**	-	-	-	-	-

* Fully hedged by forward contract, future contract and Cross Currency Interest Rate Swaps.

(ii) Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments

(₹ in crores)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
USD sensitivity*				
INR/ USD - increase by 5%	-	-	(182.45)	(134.33)
INR/ USD - decrease by 5%	-	-	182.45	134.33

* Holding all other variables constant,the sensitivity on profit and loss is due to the timing differences of the maturity of the forward exchange contract. On the date of maturity of the forward exchange contract, the sensitivity of profit and loss to changes in the exchange rates will be nil.

37C.3. Price Risk

(i) Exposure

The Company's exposure to assets having price risk is as under (Net)

(₹ in crores)

Particulars	Equity Shares (Other than Subsidiary)	Preference share	Mutual Funds / Alternate investment funds/ Others	Bonds/ Govt. Securities	Security Receipts	Total
Market value as on March 31, 2023	-	38.17	971.24	143.13	719.33	**1,871.87**
Market value as on March 31, 2022	-	-	955.22	-	83.30	**1,038.52**

To manage its price risk arising from investments in equity shares/ other assets, the Company diversifies its portfolio.

(ii) Sensitivity

The table below summarises the impact of increases/ decreases of the index on the Company's equity/ other assets and profit for the period. The analysis is based on the assumption that the instrument index has increased/ decreased by 5% with all other variables held constant.

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Increase 5%	70.04	38.86	-	-
Decrease 5%	(70.04)	(38.86)	-	-

37D.Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company monitors capital using capital adequacy ratio as prescribed by the Reserve Bank Of India.

37E. 1. Financial Instruments Measured At Fair Value – Fair Value Hierarchy

The following table analyses financial instruments measured at fair value at the reporting date, by the level in the fair value hierarchy into which the fair value measurement is categorised. The amounts are based on the values recognised in the statement of financial position.

37E.2. Valuation Methodologies Of Financial Instruments Measured At Fair Value

- Quoted equity/ debt instruments are measured based on the last traded price in the recognised stock exchange and are classified as level 1.
- Quoted Mutual Funds are measured based on the published net asset value (NAV) by AMFI and are classified as level 1.
- Alternate Investment Funds and unquoted Mutual Funds are measured based on the latest NAV provided by the fund house and are classified as level 3.
- Equity instruments in non-listed entities are initially recognised at transaction price and re-measured (to the extent information is available) and valued by external independent valuer and classified as Level 3.
- Government Securities are valued based on the closing price published by FBIL and are classified as level 2.
- Unquoted debt securities are measured based on average of security level prices received from AMFI appointed/designated agencies viz: CRISIL and ICRA and are classified as level 2.
- Fair value of loans measured at FVOCI approximates its carrying value and are classified as level 3.
- Fair value of forward foreign exchange contracts is determined by computing present value of payoff between contractual rate (Strike) and forward exchange rates at the testing date and are classified as Level 2.
- Security receipts are measured as Level 3 basis rating given by independent Rating agencies to the Asset Reconstruction Companies on this secuity receipts.

37E.3. Valuation Methodologies Of Financial Instruments Not Measured At Fair Value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

Short-Term Financial Assets And Liabilities

For financial assets and financial liabilities that have a short-term nature, the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and bank balances, Trade receivables, other receivables, balances other than cash and cash equivalents,other financial assets and other financial liabilities and trade payables.

Loans, Debts, Borrowings And Subordinated Debts

The fair values of these instruments are estimated by determining the price of the instrument taking into consideration the origination date, maturity date, coupon rate, actual or approximation of frequency of interest payments and incorporating the actual or estimated/proxy yields of identitical or similar instruments through the discounting factor. For instruments, having contractual residual maturity or original maturity less than one year, the carrying value has been considered as fair value. Fair values of Loans and advances are presented net of provisions for impairment.

(₹ in crores)

Assets and liabilities which are measured at amortised cost for which fair values are disclosed As at March 31, 2023	Total Fair value	Carrying value	Valuation hierarchy

37F. Transferred Financial Assets That Are Derecognised In Their Entirety

During the year ended March 31, 2022, the Company sold loans measured at FVTOCI through assignment deals. The Company derognised the assets as per IND AS 109 as all the risks and rewards relating to assets were transferred to the buyer.

The table below summarises the carrying amount of the derecognised financial assets measured at FVTOCI and the gain/ (loss) on derecognition, per type of asset.

(₹ in crores)

Particulars	FY 2022-23	FY 2021-22
Financial assets derecognised during the year	10,063.15	8,706.63
Gain from derecognition	471.33	410.71

37G. Transferred Financial Assets That Are Recognised In Their Entirety:

The Company uses securitisation as a source of finance. Such transaction resulted in the transfer of contractual cash flows from portfolios of financial assets to holders of issued debt securities. Such deals resulted in continued recognition of the securitised assets since the Company retains substantial risks and rewards. The table below outlines the carrying amounts and fair values of all financial assets transferred that are not derecognised in their entirety and associated liabilities.

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Carrying amount of transferred assets measured at amortised cost	564.26	1,989.22
Carrying amount of associated liabilities	564.26	1,989.22
Fair value of assets	564.26	1,988.81
Fair value of associated liabilities	564.26	1,988.81
Net position at Fair value	-	-

IIFL FINANCE LIMITED

V. SANKAR AIYAR & CO CHARTERED ACCOUNTANTS MUMBAI

CHHAJED & DOSHI CHARTERED ACCOUNTANTS MUMBAI 400 069.

Note 38. Capital, Other Commitments And Contingent Liabilities At Balance Sheet Date:

Contingent Liabilities:

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
In respect of Income tax demands (refer note (a) and (b))	72.23	66.31
In respect of GST/Service tax demands (including interest accrued and refer note (c))	65.65	83.17
In respect of Profession tax demands (refer note (d))	0.16	0.16
In respect of Bank guarantees given (refer note (e))	584.94	845.50
In respect of Stamp Duty (refer note (f))	16.66	16.66
In respect of Legal cases	0.98	-

(a) The Company has filed appeal against the said demands raised by the Income Tax Department.

(b) Amount paid under protest with respect to income tax demand is 64.06 crores (P.Y ₹ 41.77 crores).

(c) Amount paid under protest with respect to service tax demand ₹ 1.89 crores (P.Y ₹ 1.89 crores) and with respect to GST demand ₹ 0.12 crores (P.Y ₹ 0.02 crores).

(d) Amount paid under protest with respect to profession tax demand ₹ 0.05 crores (P.Y ₹ 0.05 crores).

(e) Guarantee has been given on behalf of subsidiary.

(f) The Company had received demand towards stamp duty on account of the Composite Scheme of Arrangement.The demand had been raised for a sum of ₹ 75.00 crores. As per the scheme document any incidental expenses will be borne by the resulting companies i.e IIFL Finance Limited, IIFL Securities Limited and 360 ONE WAM Limited (Formerly known as IIFL Wealth Management Limited) equally. The Company has appealed against the same and paid ₹ 8.34 crores under protest towards its share of the liability and shown ₹ 16.66 crores as Contingent.The matter is pending before the court.

(g) Apart from the above, Company is subject to legal proceedings and claims which have arisen in the ordinary course of the business. The Company's management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have material and adverse effect on the Company's financial position.

Exercised during the year	95,060	82.02-82.73	82.04	-
Outstanding as on March 31, 2022	**11,47,105**	**82.02-271.40**	**222.89**	**5.44**
Exercisable as on March 31, 2022	**1,77,105**	**82.02-271.40**	**92.54**	**1.14**

Fair Value Methodology:

The fair value of the shares are measured using Black scholes formulae. Measurement inputs include share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, dividend yield, expected volatility .

Key Assumptions used in Black-Scholes model for calculating fair value as on the date of grant are as follows:

Particulars	ESOP 2008			
	15-Oct-22	26-Aug-22	22-Dec-21	19-Aug-21
Stock price (₹)	350.00	341.65	271.40	252.00
Volatility	10.00%	10.00%	10.00%	10.00%
Risk-free Rate	7.37%	7.02%	5.81%	5.77%
Exercise price (₹)	350.00	341.65	271.40	252.00
Time to Maturity (Years)	5.00	5.00	5.00	5.00
Dividend yield	3.00%	3.00%	3.00%	3.00%
Weight Average Value (₹)	45.31	42.15	35.40	35.40

Particulars	ESOP 2008			
	06-May-21	04-Sep-20	29-Apr-17	08-Mar-16
Stock price (₹)	252.00	87.85	218.71	82.02
Volatility	10.00%	10.00%	10.00%	10.00%
Risk-free Rate	5.66%	6.56%	6.66%	7.47%
Exercise price (₹)	252.00	126.64	218.71	82.02
Time to Maturity (Years)	5.00	5.00	5.00	5.00
Dividend yield	3.00%	3.00%	3.00%	3.00%
Weight Average Value (₹)	34.72	21.10	201.65	76.59

Stock Price: The closing market price on NSE one day prior to the date of grant has been considered for the purpose of Option valuation.

Volatility: The daily volatility of the stock prices on BSE, over a period prior to the date of grant, corresponding with the expected life of the Options has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

The Company has granted Employee Stock Options under IIFL Finance Employee Stock Option Plan 2020 – Merger Scheme pursuant to aforesaid Composite Scheme of Arrangement.

a) The details of various Employee Stock Option Schemes are as under:

Particulars	As at March 2023 ESOP 2020	As at March 2022 ESOP 2020
Number of Option outstanding	27,05,444	35,72,033

Risk-free Rate	7.13% - 7.34%	6.94% - 7.21%	6.82%
Exercise price (₹)	142.22	106.67	61.48
Time to Maturity (Years)	4.84	3.87	2.33
Dividend yield	1.00%	1.00%	1.00%
Weight Average Value (₹)	106.90	110.78	37.90

Stock Price: The fair value of stock as on Appointed Date, i.e., April 1, 2018 ("the Effective date" or the "Date of Modification") has been used to value the outstanding grants based on Mercahnt Banker's Report.

Volatility: The daily volatility of the stock prices on BSE, based on post demerger traded prices, has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered based on equity swap ratio of the Composite Scheme of Arrangement.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

Note 40. Additional Dislcoure Requirements

(i) Relationship With Struck off Companies
The Company has not entererd into any transactions with strike off companies.

(ii) Registration of Charges or Satisfaction With Registrar of Companies (ROC)
There are no charges or satisfaction yet to be registered with ROC beyond the statutory period.

Total	-	-
Notional principal amount of exchange traded IR derivatives outstanding and not "highly effective"	-	-
Mark to market value of exchange traded IR derivative outstanding and not highly effective	-	-

(c) Disclosures on Risk Exposure in Derivatives:

(I) Qualitative disclosure:

a) Structure and organization for management of risk in derivatives trading:

The Board of Directors, the Asset Liability Management Committee (ALCO) and the Risk Management Committee (RMC) are entrusted with the management of risks in derivatives.

The philosophy and framework for the derivative business is laid out in the Board approved policies including limits. It also reviews the market risk exposures of derivatives against the limits. The Risk Management Committee reviews all risks on a consolidated basis and also reviews stress testing.

The monitoring and measurement of risk in derivatives is carried out by the Risk Department. The Risk Department is independent of the Treasury Front office, back office and directly reports into the Chief Risk Officer.

b) Scope and nature of risk measurement, risk reporting and risk monitoring systems:

All significant risks of the derivative portfolio are monitored and measured daily. The Risk Department measures and reports Market Risk metrics like VaR, PV01, Option Greeks like Delta, Gamma, Vega, Theta, Rho, etc. The Credit Risk from the derivatives portfolio is also measured daily.

The Risk Department monitors these exposures against the set limits and also reviews profitability on a daily basis. MIS is sent to relevant teams on a periodic basis. Exception reports are also sent so that emerging risks are reviewed and managed on a timely basis. Stress testing is also performed on the Derivative portfolio.

c) Policies for hedging and / or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

The Board Approved 'Hedging Policy' details the hedging strategies, hedging processes, accounting treatment, documentation requirements and effectiveness testing for hedges.

Hedges are monitored for effectiveness periodically, in accordance with the Board Approved Policy.

d) Accounting policy for recording hedge and non-hedge transactions; recognition of income, premiums and discounts; valuation of outstanding contracts; provisioning, collateral and credit risk mitigation:

Initial and additional margin paid over and above initial margin for entering into contracts for Equity Index/Stock Futures/Currency Futures/Interest Rate Futures and/or Equity Index/Stock Options/ Currency Options as the case may be ("Derivatives Portfolio") which are released on final settlement/squaring-up of underlying contracts are disclosed under the head "Other Current Assets".

"Equity Index/Stock Option/Currency Option Premium Account" represents premium paid or received for buying or selling the Options, respectively which is amortised over the period of contract.

On final settlement or squaring up of contracts for Derivatives Portfolio, the realized profit or loss after adjusting the unrealized loss already accounted, if any, is recognized in the Statement of Profit and Loss. On settlement or squaring up of Derivatives Portfolio before expiry, the premium, prevailing in "Equity Index/Stock Option/Currency Option Premium Account" on that date is recognized in the Statement of Profit and Loss.

As at the Balance Sheet date, the Mark to Market/Unrealised Profit/(Loss) on all outstanding Derivative portfolio comprising of Securities and Equity/Currency Derivatives positions is determined on scrip basis with net unrealized losses on scrip basis being recognized in the Other Comprehensive Income.

Mrs. Geeta Mathur	0.26	0.24
Mr. Nilesh Vikamsey	0.25	0.24
Mr. Ramakrishnan Subramanian *(w.e.f September 06, 2021)*	0.25	0.07
Mr. Vibhore Sharma *(w.e.f July 01, 2021) (upto August 31, 2022)*	0.06	0.10
Mr. Vijay Kumar Chopra	0.21	0.25
Total	**1.31**	**1.12**

(xiv) Details of Provisions and Contingencies (₹ in crores)

Particulars	FY 2022-23	FY 2021-22
Provision for depreciation on investment	(32.19)	359.69
Provision towards non performing advances	(68.51)	(48.56)
Other Provision and Contingencies:		
Bad debts written off/(back)	355.15	723.83
Provision for Contingencies/Other financial assets	10.69	9.03
Provision for Standard Assets	(11.80)	(167.40)
Total	**253.34**	**876.59**
Provision made towards Income Tax	237.23	221.89

(xv). Details Of Concentration Of Advances, Exposures & NPA:

a) Concentration of Advances

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Total advances to twenty largest borrowers	2,077.63	2,360.29
Outstanding Advances	14,047.88	12,625.07
Percentage of advances to twenty largest borrowers to total advances	14.79%	18.70%

b) Concentration of Exposures

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Total Exposure to twenty largest borrowers / customers	2,185.30	3,447.50
Percentage of exposure to twenty largest borrowers / customers to total exposure	15.41%	24.40%

c) Concentration of NPAs

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
Total exposure to top four NPA accounts	10.68	124.01

d) Details Of Sectorwise NPA:

(₹ in crores)

Particulars	As at March 31, 2023			As at March 31, 2022		
	Total Exposure (includes on balance sheet and off-balance sheet exposure)	Gross NPAs	% of NPAs to total advances in that sector: Percentage of Gross NPAs to total exposure in that sector	Total Exposure (includes on balance sheet and off-balance sheet exposure)	Gross NPAs	% of NPAs to total advances in that sector: Percentage of Gross NPAs to total exposure in that sector
1. Agriculture & allied activities	-	-	0.00%	-	-	0.00%
2. Industry						
a. Micro & Small - SME **	1,238.39	43.92	3.55%	879.20	129.87	14.77%
3. Services						
a. Commercial & Residential Real Estate	2,009.12	10.44	0.52%	3,497.71	123.11	3.52%
4. Personal Loans						
a. Loans against Gold Jewellery	8,329.51	66.68	0.80%	7,852.15	67.76	0.86%
b. Advances to individuals against share, bonds, etc.	449.52	-	0.00%	551.21	-	0.00%
c. Loan against property	729.88	7.74	1.06%	-	-	0.00%
d. Others	1,142.53	50.75	4.44%	949.08	43.88	4.62%
5. Other loans*	280.79	1.79	0.64%	399.05	1.82	0.46%

* Other loans include all loans that cannot be classified under any of the other sectors.

** Higher GNPA in Micro & Small SME Sector as on 31st March 2022 is mainly due to two factors one being impact of the Covid restructured book which was under stress and second is on account of new RBI guidelines for NPA classification dated 12th November 2021

(xvi). Movement of NPAs:

(₹ in crores)

Particulars	As at March 31, 2023	As at March 31, 2022
(i) Net NPAs to Net Advances (%)	0.64%	1.63%
(ii) Movement of NPAs (Gross)		
(a) Opening balance*	406.21	408.04
(b) Addition during the year	178.25	274.02
(c) Reduction during the year	(381.96)	(275.86)
(d) Closing balance*	202.49	406.21

* Includes Interest of ₹ 21.17 crores (P.Y ₹ 39.76 crores)

(iii) Movement of Net NPAs		
(a) Opening balance	206.30	143.25
(b) Addition during the year	82.61	160.51
(c) Reduction during the year	(199.22)	(97.46)
(d) Closing balance	89.69	206.30
(iv) Movement of provision for NPAs (excluding provision on standard assets)		
(a) Opening balance**	199.91	264.80
(b) Addition during the year	95.64	113.51
(c) Reduction during the year	(182.74)	(178.40)
(d) Closing balance**	112.81	199.91

** Includes Interest of ₹ 21.17 crores (P.Y ₹ 39.76 crores)

Note: The above has been computed basis EAD for credit impaired advances.

(iii) Assets acquired in satisfaction of debt (Fair Value)	164.40	138.43

* Includes Interest of ₹ 21.17 crores (P.Y ₹ 39.76 crores)

(xxi) Particulars as per RBI Directions for auction details (As required in terms of paragraph 27 (4)(d) of Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated September 01, 2016:

Particulars	March 31,2023	March 31,2022
Number of gold loan accounts	82,080	3,09,450
Outstanding amount (₹ crores)	438.35	2,114.90
Amount recovered in auction (₹ crores)	449.16	2,087.52

None of the group companies have participated in the above auctions. The above details have been compiled by the Management and relied upon by the auditors.

45. Unhedged Foreign Currency Exposure:
The unhedged foreign currency exposure as on March 31, 2023 is Nil (P.Y Nil).

46. Gold Loan Portfolio
As on March 31, 2023 the gold loan portfolio comprises 34.59 % (P.Y. 32.61 %) of the total assets of the Company.

47. Segment Reporting
The Company's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Company revolve around the main business. The risk and returns of the business of the Company is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments as per the IND AS 108 on 'Segment Reporting'.

48. Shared services
The Company operates from and uses the premises, infrastructure and other facilities and services as provided to it by its Holding Company/group companies, which are termed as 'Shared Services'. Hitherto, such shared services consisting of administrative and other revenue expenses paid for by the Company were identified and recovered/recoverable from them based on reasonable management estimates, which are constantly refined in the light of additional knowledge gained relevant to such estimation. These expenses are recovered on an actual basis and the estimates are used only where actual were difficult to determine.

49. Fraud
During the year under review, the Company had come across frauds totaling to ₹ 4.24 Crores (P.Y. ₹ 11.88 Crores) in respect of its lending operations. Out of the above, frauds amounting to ₹ 0.27 Crores (P.Y. ₹ 1.39 Crores) has already been recovered. Suitable action has been taken by the Company to recover the balance amounts.

50. Disclosure of Loan and advances pursuant to Regulation 53(f) of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015:

(₹ in crores)

Details of the borrowings	FY 2022-23	FY 2021-22
i. 2 years block period	FY 2022-2023 and FY 2023-2024	FY 2021-2022 and FY 2022-2023
ii. Incremental borrowing done (a)	4,273.11	5,212.99
iii. Mandatory borrowing to be done through issuance of debt securities (b) = (25% of a)	1,068.28	1,303.25
iv. Actual borrowings done through debt securities in FY (c)	1,473.11	1,562.99
v. Shortfall in the mandatory borrowing through debt securities, if any (d) = (b) - (c) (If the calculated value is zero or negative, write "nil")	Nil	Nil
vi. Reasons for short fall, if any, in mandatory borrowings through debt securities	N.A.	N.A

52. Public disclosure on liquidity risk:

(i) Funding Concentration based on significant counterparty (both deposits and borrowings):

(₹ in crores)

Number of Significant Counterparties	Amount*	% of Total Deposits	% of Total Liabilities
14	9,761	NA	51.46%
(16)	(8,006)	(NA)	(42.79%)

Note : Total Liabilities represent Total Liabilities as per Balance Sheet less Total Equity

(ii) Top 20 large deposits N.A (N.A)

(iii) Top 10 borrowings:

Particulars	Amount *	% of Total Borrowings
Top 10 Borrowings (₹ in crores)	8,797.40	50.62%
	(6,515.71)	(40.11%)

* The above table excludes details of beneficiary holders of the secured medium term note bonds

(iv) Funding Concentration based on significant instrument/product:

(₹ in crores)

Name of the instrument/product	Amount	% of Total Liabilities
Non Convertible Debentures	6,853.60	36.13%
	(6,474.92)	(34.61%)
Term Loans	9,346.05	49.27%
	(7,473.55)	(39.95%)
Securitisation	560.10	2.95%
	(1,977.42)	(10.57%)
Commercial Paper	-	-
	0.00	(0.00%)
Cash Credit / Overdraft Facilties	620.75	3.27%
	(320.09)	(1.71%)

Note : Total Liabilities represent Total Liabilities as per Balance Sheet less Total Equity

(v) Stock Ratios:

Particulars	As at March 31, 2023	As at March 31, 2022
Commercial papers as a % of total liabilities	Nil	Nil
Commercial papers as a % of total assets	Nil	Nil
Commercial papers as a % of total public funds	Nil	Nil
Non-convertible debentures (original maturity of less than one year) as a % of total liabilities	Nil	Nil
Non-convertible debentures (original maturity of less than one year) as a % of total assets	Nil	Nil
Non-convertible debentures (original maturity of less than one year) as a % of total public funds	Nil	Nil
Other short-term liabilities* as a % of total liabilities	6.86%	10.83%
Other short-term liabilities* as a % of total assets	5.40%	8.76%
*Other short-term liabilities as a % of total public funds	7.49%	12.47%

* Short Term liabilities means total of current liabilities as per note 44.1 & 44.2 to the financial statements as reduced by current portion of Debt Securities,Borrowings (other than debt securities) and Subordinated Liabilities.

(vi) Institutional set-up for Liquidity Risk Management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business.

The Board approves the governance structure, policies, strategy and the risk limits for the management of liquidity risk.

The Board of Directors approves the constitution of the Risk Management Committee (RMC) for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk, faced by the Company.

Further, the Board of Directors also approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk return perspective and within the risk appetite and guard-rails approved by the Board.

The main objective of ALCO is to assist the Board and RMC in effective discharge of the responsibilities of asset-liability management, market risk management, liquidity and interest rate risk management and also to ensure adherence to risk tolerance/limits set up by the Board.

ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in a month or more frequently as warranted from time to time.

Note: Figures in bracket represent previous year's figures.

Qualitative Disclosure

Liquidity Coverage Ratio (LCR) aims to ensure that NBFC's maintains an adequate level of unencumbered High Quality Liquidity Asset (HQLAs) that can be converted into cash to meet liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario.

The Company has robust liquidity risk management framework in place that ensures sufficient liquidity including a cushion of unencumbered, high quality liquid assets, to withstand a range of stress events,including those involving the loss or impairment of both unsecured and secured funding sources. The Company has implemented the LCR framework and has maintained LCR well above the regulatory threshold.

HQLA comprises of unencumbered Bank Balances and Fixed Deposit,Cash in Hand, Liquid Investments after appropriate haircut. The Company maintains sufficient balance of Cash and Bank Balance and liquid Investments which can be easily liquidated in times of stress.

Liquidity Coverage Ratio results drive by inflow of next 30 days receivable on loans and advances and corresponding outflow over the next 30 days towards borrowings and other liabilities.

INDEPENDENT AUDITOR'S REPORT

To the Members of IIFL Finance Limited
Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of IIFL Finance Limited (hereinafter referred to as the 'Holding Company") its subsidiary companies and trusts with residual beneficial interest (the Holding Company , its subsidiaries and trusts with residual beneficial interest together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31st March 2022, the consolidated Statement of Profit and Loss, consolidated Statement of Changes in Equity (including Other Comprehensive Income) and the consolidated Cash Flows statement for the year then ended, and notes to the consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2022, of consolidated profit, of consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 8.3 to the Consolidated Financial Statements, which fully describes that the Company has recognised impairment on financial assets to reflect the business impact and uncertainties arising from the COVID 19 pandemic. Such estimates are based on current facts and circumstances and may not necessarily reflect the future uncertainties and events arising from the full impact of the COVID 19 pandemic.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined any key audit matters for the Group. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.No	Key Audit Matter	Response to Key Audit Matter
1	**Information technology (IT) systems used in financial reporting process.** The Group's operational and financial processes are dependent on IT systems due to large volume of transactions that are processed daily. We therefore identified IT systems and controls over financial reporting as a key audit matter for the Group.	We obtained an understanding of the Group's IT control environment relevant to the audit. We tested the design, implementation and operating effectiveness of the Group's General IT controls over the key IT systems which are critical to financial reporting. We also tested key automated and manual controls and logic for system generated reports relevant to the audit that would materially impact the financial statements. In addition to above, we have also relied on the work of the internal auditors and system auditors.
2	**Impairment of Financial Assets held at amortised cost:** Since the loans and advances form a major portion of the Group's assets, and due to the significance of the judgments used in classifying loans and advances into various stages as stipulated in Indian Accounting Standard (IND AS) 109 and the management estimation of the related impairment provisions. this is considered to be a key audit matter. The Group's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors The most significant areas are: - Segmentation of loan book - Determination of exposure at default - Loan staging criteria - Calculation of probability of default / Loss given default	We evaluated appropriateness of the impairment principles used by management based on the requirements of Ind AS 109, our business understanding. We assessed the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge. We evaluated management's controls over collation of relevant information used for determining estimates for management overlays. We tested review controls over measurement of impairment allowances and disclosures in financial statements.

Sr.No	Key Audit Matter	Response to Key Audit Matter
	- Consideration of probability weighted scenarios and forward looking macro-economic factors The application of ECL model requires several data inputs. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. Refer note 37A.3 to the Financial Statements.	

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's report and Management Discussion and Analysis report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of

the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The financial statements of 3 wholly owned subsidiary companies have been audited by other auditors. The financial statements of 2 subsidiary trusts have been audited by one of the joint statutory auditors of the Holding company. The financial statements of the said subsidiary companies and trusts reflect total assets of Rs. 244,170.99 million as at March 31, 2022, Group's share of total revenue of Rs. 33,035.96 million, Group's share of total net profit of Rs. 5,178.68 million and Group's share of total comprehensive income of Rs. 5,369.44 million and net cash inflows Rs. 12,927.42 million for the year ended on the date as considered in the consolidated financial statements. The reports of auditors of the said subsidiary companies and trusts have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary companies and trusts, and our report in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary companies is based solely on the reports of the other auditors/ reports of one of the joint statutory auditors of the Holding Company.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

The Consolidated Financial Statements of the company for the previous year ended March 31,2021 were audited by one of the current joint statutory auditors who had expressed unmodified opinion vide their report dated May 06,2021.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

   b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

   c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated statement of changes in equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

   d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.

   e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company and its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.

   f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure.

   g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

      In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding Company and its subsidiary incorporated in India to its managing director during the year is in accordance with the provisions of section 197 of the Act.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 38 to the consolidated financial statements.

ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

iv. (a) The respective Managements of the Holding Company, its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, its subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The respective Managements of the Holding Company, its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds have been received by the Holding Company, its subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, its subsidiaries shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) In our opinion and based on the audit procedures we have considered reasonable and appropriate in the circumstances performed by us on the Holding Company, its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The dividend declared or paid during the year by the Holding Company is in compliance with section 123 of the Companies Act, 2013.

2. With respect to the matters specified in paragraphs 3 (xxi) and 4 of the Companies (Auditor's Report Order, 2020 (the "Order"/ "CARO") issued by Central Government in terms of Section 143(11) of the Act, to be included in the Auditors report, according to the information and explanation given to us, and based on the CARO report issued by us for the Holding Company and by the statutory auditors of the three subsidiary companies which are companies incorporated in India, included in the consolidated financial statement of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure to the Independent Auditor's Report

Annexure referred to in our report of even date to the members of IIFL Finance Limited on the consolidated accounts for the year ended 31st March 2022

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIFL Finance Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies (hereinafter collectively referred to as "the Group") as of March 31st, 2022, which are Companies incorporated in India, as of that date

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary company which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company which are incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiary company which are incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other matters paragraph below , the Holding Company and subsidiary company incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the subsidiary company incorporated in India, is based solely on the corresponding report of the auditor of such company incorporated in India.

Our opinion is not modified in respect of the above matters.

CONSOLIDATED FINANCIAL STATEMENTS OF IIFL FINANCE LIMITED
CONSOLIDATED STATEMENT OF CHANGES IN EQUITY FOR THE YEAR ENDED MARCH 31, 2022

Notes:

1. **Share application money pending allotment:** Money received for share application for which allotment is pending.
2. **Capital Reserves:** Capital reserve is created on account of Composite Scheme of Arrangement.
3. **Securities Premium Reserve:** The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve (including debenture premium). Total additions to Securities Premium is after netting of share issue expenses.
4. **General Reserve:** The reserve can be distributed/utilised by the Group, in accordance with the Companies Act, 2013
5. **Special Reserve:** Pursuant to section 45-IC of the Reserve Bank of India Act 1934, being 20% of the profit after tax for the year of IIFL Finance Limited and Samasta Microfinance Limited has been transferred from Retained Earnings to Special Reserve.
6. **Special Reserve:** Pursuant to section 29C of the National Housing Bank Act, 1987 the Housing Finance Company ("HFC") is required to transfer atleast 20% of its net profit every year to a reserve before any dividend is declared.
7. **Capital Redemption Reserve:** This reserve has been created on redemption of preference shares capital as per section 55 of the Companies Act, 2013.
8. **Debenture Redemption Reserve:** Pursuant to Section 71 of the Companies Act, 2013 read with Rule 18 of the Companies (Share Capital and Debentures) Rules, 2014, Non Banking Finance Company ("NBFC") and Housing Finance Company ("HFC") are required to create Debenture Redemption Reserve of a value equivalent to 25% of the debentures offered through public issue. Pursuant to Ministry of Corporate Affairs circular dated August 16, 2019, reserve is not required to be created for the Non Convertible Debentures going forward.
9. **Retained Earnings:** These are the profits that the Group has earned till date, less any transfers to Statutory Reserve, Debenture Redemption Reserve, General Reserve, Dividend distribution and capital redemption reserve.
10. **Stock Compensation Reserve:** The employee stock options reserve represents reserve in respect of equity settled share options granted to the employees of the Company and its Group in pursuance of employee stock options plan.
11. **Effective portion of Cash Flow Hedges:** This reserve refers to changes in the fair value of Derivative Financial Contracts which are designated as effective Cash Flow Hedge.
12. **Remeasurements of defined benefit:** This reserve refers to remeasurement of gains and losses arising from experience adjustments, changes in actuarial assumptions and return on plan assets of the defined benefit plan.

Note 1. CORPORATE INFORMATION

Company overview

IIFL Finance Limited (the "Company/ Parent/ Holding Company") is a Systemically Important Non-Banking Financial Company not accepting public deposits ("NBFC-ND-SI") registered with the Reserve Bank of India ("the RBI") under section 45-IA of the Reserve Bank of India Act, 1934 and primarily engaged in financing and related activities. The Company had received the certificate of registration from RBI on Mar 12, 2020, enabling the Company to carry on business as a Non-Banking Financial Company. The Company offers a broad suite of financial products such as mortgage loan, gold loan, loan against securities loans to small & medium enterprise ("SME"), Micro finance loans ("MFI")and digital finance loans.

Note 2. Basis of consolidation

i. Basis of preparation of financial statements

The consolidated financial statements relates to IIFL Finance Limited (the "Company") and its subsidiary/group companies (together hereinafter referred to as "Group"). The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

Control is achieved when the Company has:

- Power over the investee
- Is exposed or has rights to variable returns from its involvement with the investee, and
- Has the ability to use its power over investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Holding Company has less than a majority of the voting or similar rights of an investee, the Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Holding Company's voting rights and potential voting rights
- The size of the Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The consolidated financial statements of the Group have been prepared in accordance with the Ind AS as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained below, the relevant provisions of the Companies Act, 2013 (the "Act") and the guidelines issued by the Reserve Bank of India ("RBI") and National Housing Bank ("NHB") to the extent applicable.

ii. Principles of consolidation:

a) The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below and the relevant provisions of The Companies Act, 2013 ("Act").

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1, (that are not traded in active market) that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

b) The effects of all inter-Group transactions and balances have been eliminated on consolidation. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year by the Group.

c) The consolidated financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Group, March 31, 2022.

d) The consolidated financial statements of the Group have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.

e) Business combinations: Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognised in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits, respectively. Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies.

f) Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognised. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS 103 – Business Combinations.

Goodwill is considered to have indefinite useful life and hence is not subject to amortisation but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment.

Any impairment loss on goodwill is recognised in the Statement of Profit and Loss. An impairment loss recognised on goodwill is not reversed in subsequent periods.

For the purpose of impairment testing, goodwill acquired in a business combination, is from the acquisition date.

The excess of cost to the Group of its investments in the subsidiary companies over its share of equity of the subsidiary companies, at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements. Goodwill/ Capital reserve has been netted off and disclosed in the consolidated financial statements. Goodwill arising on consolidation is not amortised but tested for impairment.

g) Non-controlling Interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit and loss/ other comprehensive income ("OCI") for the year of the subsidiaries attributable to non-controlling interest is identified and adjusted against the profit after tax/ other comprehensive income ("OCI") of the Group in order to arrive at the income attributable to shareholders of the Group.

h) Profit or loss and each component of other comprehensive income ("OCI") are attributed to the equity holders of the Holding Company and to the non-controlling interests, if any.

iii. List of subsidiaries consolidated

The individual Balance Sheet as at March 31, 2022, Statement of Profit and Loss and cash flow statement for the year ended March 31, 2022 of following subsidiaries are included in consolidation:

Name of the entity	Relationship	Country of Incorporation	% of holding and voting power either directly or indirectly through subsidiary	
			As at March 31, 2022	As at March 31, 2021
IIFL Home Finance Limited (HFC)	Direct Subsidiary	India	100%	100%
IIFL Samasta Microfinance Limited (Formerly Samasta Microfinance Limited) (Samasta)	Direct Subsidiary	India	99.41%	99.09%
IIHFL Sales Limited	Step down Subsidiary	India	100%	100%
Eminent Trust October 2019	Trust with Residual Beneficial Interest	India	N.A	N.A
Eminent Trust November 2019	Trust with Residual Beneficial Interest	India	N.A	N.A

iv. Use of estimates and judgments

The preparation of the consolidated financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgments and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could

differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

v. Statement of compliance

The consolidated financial statements of the Group have been prepared in accordance with the provisions of the Act and the Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013 along with the applicable guidelines issued by Reserve Bank of India ("RBI") and National Housing Bank ("NHB"). In addition, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India ("ICAI") are also applied except where compliance with other statutory promulgations require a different treatment.

vi. Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Act applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the consolidated Financial Statements along with the other notes required to be disclosed under the notified Accounting Standards and regulations issued by the RBI and NHB.

Note 3. SIGNIFICANT ACCOUNTING POLICIES

(a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

i. Interest income and dividend income

Interest income on financial instruments at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ("EIR") applicable.

Interest on financial instruments measured at fair value is included within the fair value movement during the period.

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The future cash flows are estimated taking into account all the contractual terms of the instrument.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the Statement of Profit and Loss at initial recognition.

Penal Interest are recognised as income only when revenue is virtually certain which generally coincides with receipts.

Dividend on equity shares, preference shares and on mutual fund units is recognised as income when the right to receive the dividend is established.

ii. Fees and charges

Fees and charges include fees other than those that are an integral part of EIR. The fees included in this part of the Group's Statement of Profit and Loss include, among other things, fees charged for servicing a loan.

Cheque bounce charges, late payment charges and foreclosure charges are recognised on a point-in-time basis, and are recorded when realised.

Fee and commission expenses with regards to services are accounted for as and when the services are delivered.

iii. Income from financial instruments at FVTPL

Income from financial instruments at FVTPL includes all gains and losses from changes in the fair value of financial assets and financial liabilities at FVTPL.

iv. Assignment transactions

In accordance with Ind AS 109, in case of assignment transactions with complete transfer of risks and rewards without any retention of residual interest, gain arising on such assignment transactions is recorded upfront in the Statement of Profit and Loss and the corresponding asset is derecognised from the Balance Sheet immediately upon execution of such transaction. Further, the transfer of financial assets qualifies for derecognition in its entirety, the whole of the interest spread at its present value (discounted over the life of the asset) is recognised on the date of derecognition itself as interest only strip receivable (interest strip on assignment) and correspondingly recognised as profit on derecognition of financial asset.

v. Securitisation transactions

In accordance with Ind AS 109, in case of securitisation transactions, the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

vi. Other operational revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

(b) Property, plant and equipment ("PPE")

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. PPE is stated at original cost net of tax, if any, less accumulated depreciation. Cost includes professional fees related to the

acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy.

Depreciation is charged using the straight-line method, based on the useful life of fixed assets as estimated by the Management, as specified below. Depreciation is charged from the month in which new assets are put to use. No depreciation is charged from the month in which assets are sold. In case of transfer of used fixed assets from group companies, depreciation is charged over the remaining useful life of the asset. Individual assets / group of similar assets costing up to ₹ 5,000 have been depreciated in full in the year of purchase. Leasehold land is depreciated on a straight line basis over the leasehold period.

The estimated useful life of assets is as under:

Class of assets	Useful life
Buildings	20 years
Computers	3 years
Office equipment	5 years
Plant and Equipment	5 years
Furniture and fixtures	5 years
Vehicles	5 years

For above class of assets, based on internal assessment and independent technical evaluation carried out by external valuers, the Management believes that the useful lives as given above best represent the period over which Management expects to use these assets.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Capital work in progress

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest and are disclosed as "capital work-in-progress".

(c) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax, less accumulated amortisation and cumulative impairment.

Intangible assets i.e. Software are amortised on straight-line basis over the estimated useful life of 3 years. Amortisation on impaired assets is provided by adjusting the amortisation charge in the remaining periods so as to allocate the assets revised carrying amount over its remaining useful life.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

(d) Investment property

Investment properties are properties held to earn rentals and/ or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost, net of accumulated depreciation and accumulated impairment loss, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in Statement of Profit and Loss in the period in which the Investment property is derecognised.

Freehold land and properties under construction are not depreciated.

(e) Non-current Assets held for Sale

Non-current assets are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

The Group repossess properties or other assets to settle outstanding recoverable and the surplus (if any) post auction is refunded to the obligors. These assets physically acquired by the company under SARFASI Act, 2002 and sale is highly probable has been classified as assets held for sale, as their carrying amounts will be recovered principally through a sale of asset. In accordance with Ind AS 105, the company is committed to sell these assets. Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

(f) Impairment of assets

As at the end of each accounting year, the Group reviews the carrying amounts of its PPE, intangible assets and investment property assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, intangible assets and investment property are tested for impairment so as to determine the impairment loss, if any.

Recoverable amount is the higher of fair value less costs of disposal and value in use. If recoverable amount of an asset is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset is reduced to its recoverable amount.

When an impairment loss is subsequently reverse, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, to the extent that it does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

(g) Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

Securities premium includes:

- The difference between the face value of the equity shares and the consideration received in respect of shares issued pursuant to Stock Option Scheme.
- The fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Stock Options Scheme

(h) Employee benefits

Defined contribution plans

The Group's contribution towards Provident Fund and Family Pension Fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees and are accounted for on an accrual basis and recognised in the Statement of Profit and loss.

Defined benefit plans

Short term employee benefits: Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service. These benefits include performance incentive and compensated absences.
Post employment benefits: The employees' gratuity fund scheme represents defined benefit plan. The present value of the obligation under defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to the Statement of Profit and Loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Group recognises related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

Long term employee benefits: The obligation recognised in respect of long term benefits such as long term compensated absences, is measured at present value of estimated future cash flows expected to be made by the Group and is recognised in a similar manner as in the case of defined benefit plan above.

(i) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

(j) Taxes on income

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Group's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax is not recognized for:
- Temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss
- Temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- Taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans and the reversal of temporary differences.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. For this purpose, the carrying amount of investment property measured at fair value is presumed to be recovered through sale, and the company has not rebutted this presumption.

For transactions and other events recognised in profit or loss, any related tax effects are also recognised in profit or loss. For transactions and other events recognised outside profit or loss (either in other comprehensive income or directly in equity), any related tax effects are also recognised outside profit or loss (either in other comprehensive income or directly in equity, respectively).

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off assets against liabilities, representing current tax and where the deferred tax assets and deferred tax liabilities relates to taxes on income levied by the same governing taxation laws.

Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(k) Financial instruments

Financial assets and financial liabilities are recognised in the Group's Balance Sheet when the Group becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of Profit and Loss.

Financial assets

Classification and measurement

The Group classifies its financial assets into the following measurement categories: amortised cost; fair value through other comprehensive income; and fair value through profit or loss.

All recognised financial assets that are within the scope of Ind AS 109 are required to be subsequently measured at amortised cost or fair value on the basis of the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

Financial instruments measured at amortised cost

Debt instruments that meet the following criteria are measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. The principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated.

Contractual cash flows that are SPPI are consistent with a basic lending arrangement. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI. An originated or an acquired financial asset can be a basic lending arrangement irrespective of whether it is a loan in its legal form.

An assessment of business models for managing financial assets is fundamental to the classification of a financial asset. The Group determines the business models at a level that reflects how financial assets are managed together to achieve a particular business objective. The Group's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

Debt instruments that are subsequently measured at amortised cost are subject to impairment.

Financial instruments measured at fair value through other comprehensive income ("FVTOCI")

Debt instruments that meet the following criteria are measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognised in Statement of profit and loss for FVTOCI debt instruments. Other changes in fair value of FVTOCI financial assets are recognised in other comprehensive income. When the asset is disposed of, the cumulative gain or loss previously accumulated in reserve is transferred to Statement of Profit and Loss.

Financial instruments measured at fair value through Profit and Loss ("FVTPL")

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the Statement of Profit and Loss. The gain or loss on disposal is recognised in the Statement of Profit and Loss.
Interest income is recognised in the Statement of Profit and Loss for FVTPL debt instruments. Dividend on financial assets at FVTPL is recognised when the Group's right to receive dividend is established.

Investments in equity instruments at FVTOCI

On initial recognition, the Group makes an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments. Dividends from these investments are recognised in the Statement of Profit and Loss when the Group's right to receive dividends is established.

Reclassifications

If the business model under which the Group holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Group's financial assets. Changes in contractual cash flows are considered under the accounting policy on modification and derecognition of financial assets described below.

Impairment of financial assets

Group recognizes loss allowances using the Expected Credit Loss ("ECL") model for the financial assets which are not fair valued through profit and loss. ECL is calculated using a model which captures portfolio performance over a period of time. ECL is a probability-weighted estimate of credit losses. A credit loss is the difference between the cash flows that are due to an entity in accordance with the contract and the cash flows that the entity expects to receive discounted at the original EIR. Vintage loss curve model is used for ECL computation of retail portfolio which involves assessment of performance of segmented portfolio over a time period. The model tracks month-wise losses during the loan tenor. Vintage loss rate models provide a simple, reasonable model for both one-year and lifetime expected credit loss forecasts. For wholesale portfolio, ECL computation is done for each loan account based on CRISIL default study and International Review Board ("IRB") guidelines.

ECL is measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date (referred to as Stage 1); or
- full lifetime ECL, i.e. lifetime ECL that result from all possible default events over the life of the financial instrument (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

The Group measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics. The measurement of the loss allowance is based on the present value of the asset's expected cash flows using the asset's original EIR, regardless of whether it is measured on an individual basis or a collective basis.

Key elements of ECL computation are outlined below:

- Probability of default ("PD") is an estimate of the likelihood that customer will default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously de-recognised and is still in the portfolio.
- Loss given default ("LGD") estimates the normalised loss which Group incurs post customer default. It is usually expressed as a percentage of the Exposure at default ("EAD").
- Effective interest rate ("EIR") is the rate that discounts estimated future cash flows through the expected life of financial instrument. For calculating EIR any upfront fees needs to be excluded from the loans and advance amount.

Credit impaired financial assets

A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit-impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default ("PD") which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

Default considered for computation of ECL computation is as per the applicable prudential regulatory norms.

Significant increase in credit risk

The Group monitors all financial assets, issued loan commitments and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. The Group's accounting policy is not to use the practical expedient that financial assets with 'low' credit risk at the reporting date are deemed not to have had a significant increase in credit risk.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Group considers both quantitative

and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based on the Group's expert credit assessment.

Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/ or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan would constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Group renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. Loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified, the Group considers the following:

Qualitative factors, such as contractual cash flows after modification are no longer SPPI, change in currency or change of counterparty, the extent of change in interest rates, maturity, covenants. If these do not clearly indicate a substantial modification, then a quantitative assessment is performed to compare the present value of the remaining contractual cash flows under the original terms with the contractual cash flows under the revised terms, both amounts discounted at the original effective interest.

In the case where the financial asset is derecognised, the loss allowance for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised par amount because there remains a high risk of default which has not been reduced by the modification. The Group monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.

When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Group determines if the financial asset's credit risk has increased significantly since initial recognition.

For financial assets modified, where modification did not result in derecognition, the estimate of PD reflects the Group's ability to collect the modified cash flows taking into account the Group's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will

continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Where a modification does not lead to derecognition the Group calculates the modification gain/ loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Group measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in the Statement of Profit and Loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to the Statement of Profit and Loss.

Write-off

Loans and debt securities are written off when the Group has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Group may apply enforcement activities to financial assets written off. Recoveries resulting from the Group's enforcement activities will result in impairment gains.

Financial liabilities and equity Instruments

Debt and equity instruments that are issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.
Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Compound instruments

The component parts of compound instruments (e.g. convertible notes) issued by the Group are

classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Group's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments.

A conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently re-measured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. Where the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain/ loss is recognised in Statement of Profit and Loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the life of the convertible notes using the effective interest rate method.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method.
Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method.

The effective interest rate method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

(l) Cash and bank balances

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on

repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

(m) Goods and service tax input credit

Goods and service tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/ utilising the credits.

(n) Borrowing costs

Borrowing costs include interest expense calculated using the EIR method.

(o) Foreign currencies

In preparing the consolidated financial statements of, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit and Loss.

Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

(p) Segment reporting

The Group's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Group revolve around the main business. The risk and returns of the business of the Group is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments.

(q) Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

- an entity has a present obligation (legal or constructive) as a result of a past event; and
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Onerous contracts

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Group has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

Contingent liability is disclosed in case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- a present obligation arising from past events, when no reliable estimate is possible.

Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the consolidated financial statements.

(r) Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

a) Estimated amount of contracts remaining to be executed on capital account and not provided for;

b) Funding related commitment to associate and joint venture companies; and

c) Other non-cancellable commitments, if any.

(s) Statement of cash flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- changes during the period in operating receivables and payables transactions of a non-cash nature;
- non-cash items such as depreciation, provisions, deferred taxes and unrealised foreign currency gains and losses.
- all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of balance sheet.

(t) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

(u) Derivative financial instruments and hedging

The Group enters into derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the

recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

Hedge accounting

The Group designates certain hedging instruments, which include derivatives in respect of foreign currency risk, as cash flow hedge.

At the inception of the hedge relationship, the entity documents the relationship between the hedging instrument and the hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Group documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading of cash flow hedge reserve. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, and is included in the 'Other income' line item.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity (but not as a reclassification adjustment) and included in the initial measurement of the cost of the non-financial asset or non-financial liability. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

(v) Leases

The Group assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group considers whether (i) the contract involves the use of identified asset; (ii) the Group has substantially all of the economic benefits from the use of the asset through the period of lease and (iii) the Group has right to direct the use of the asset.

As a lessee

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.
Lease payments included in the measurement of the lease liability comprises of fixed payments, including in-substance fixed payments, amounts expected to be payable under a residual value guarantee and the exercise price under a purchase option that the Group is reasonably certain to exercise, lease payments in an optional renewal period if the Group is reasonably certain to exercise an extension option.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if Group changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease liability and the right of use asset have been separately presented in the balance sheet and lease payments have been classified as financing activities.

The Group has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Group recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

As a lessor
Leases for which the Group is a lessor is classified as finance or operating leases. When the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of use asset arising from the head lease.

Critical accounting estimate and judgement

1. Determination of lease term

Ind AS 116 Leases requires lessee to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes assessment on the expected lease term on lease by lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of lease and the importance of the underlying to the Group's operations taking into account the location of the underlying asset and the availability of the suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

2. Discount rate

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

The Group as a lessee

As a lessee, the Group leases assets which includes gold loan branches/office premises and vehicles to employees. The Group previously classified leases as operating or finance leases based on its assessment of whether the lease transferred significantly all of the risks and rewards incidental to ownership of the underlying asset to the Group. Under Ind AS 116, the Group recognises right-of-use assets and lease liabilities for these leases.

6.1 Hedging activities and derivatives

The Group is exposed to certain risks relating to its ongoing business operations. The primary risks managed using derivative instruments are interest rate and currency risk.

6.1.1 Derivatives designated as hedging instruments

The foreign currency and interest rate risk on borrowings have been actively hedged through a combination of forward contracts and cross currency interest rate swaps.

The Group is exposed to interest rate risk arising from its foreign currency borrowings. Interest on the borrowing is payable at a floating rate linked to the Benchmark Plus Margin. The Group economically hedged the interest rate risk arising from the debt with a 'receive floating pay fixed' cross currency interest rate swap.

The Group uses Cross Currency Interest Rate Swaps (IRS) Contracts (Floating to Fixed) and Forward Exchange Contracts to hedge its risks associated with interest rate and currency fluctuations relating interest rate and currency risk arising from foreign currency loans / external commercial borrowings. The Group designates such contracts in a cash flow hedging relationship by applying the hedge accounting principles as per IND AS standards. These contracts are stated at fair value of the Spot element of the forward exchange contracts at each reporting date. Changes in the fair value of these contracts that are designated and effective as hedges of future cash flows are recognised directly in "Cash Flow Hedge Reserve" under Other Equity and the ineffective portion is recognised immediately in the Statement of Profit and Loss. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

There is an economic relationship between the hedged item and the hedging instrument as the terms of the Forward contracts/Cross Currency Interest Rate Swaps match that of the foreign currency borrowings (notional amount, interest payment dates, principal repayment date, etc.). The Group has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the Forward contracts/Cross currency interest rate swaps are identical to the hedged risk components.

Notes:

8.1 Secured loans are secured by way of equitable mortgage of property, pledge of shares, hypothecation of assets, company personal guarantees, physical gold, undertaking to create security.Loans secured by Government Guarantee are credit facilities provided under the Emergency Credit Line Guarantee Scheme backed by an unconditional and irrevocable guarantee provided by Government of India.

8.2 Secured loans include loans aggregating to ₹ 2,009.43 million (P.Y ₹ 2,677.98 million) in respect of which the creation of security is under process.

8.3 The Group assessment of impairment loss allowance on its loans and other assets is subject to a number of management judgments and estimates. In relation to COVID-19, judgments and assumptions included the extent and duration of the pandemic, the impacts of actions of governments and other authorities, and the responses of businesses and consumers in different industries, along with the associated impact on the global economy. Given the dynamic nature of pandemic situation, the Group's impairment loss allowance estimates are inherently uncertain due to severity and duration of the pandemic and, as a result, actual results may differ from these estimates as on the date of approval of these Consolidated Financial Statements.

8.4 The Group has complied with the RBI circular dated November 12, 2021 - "Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances - Clarifications'. On February 15, 2022, RBI allowed deferment till September 30, 2022 of Para 10 of this circular pertaining to upgrade of non performing accounts. However, the Group has not opted for this deferment.

12.1: Management has acquired possession of these properties in satisfaction of the debts and intends to dispose them in due course, subject to conducive market conditions. These properties have been valued taking into consideration various factors such as location, facilities & amenities, quality of construction, percentage of completion of construction (as for some properties the construction is currently on hold), residual life of building, business potential, supply & demand, local nearby enquiry, market feedback of investigation and ready reckner published by government. These valuations has been performed by an independent registered valuer registered under rule 2 of Companies (Registered Valuers and Valuation) Rules,2017. The fair values are based on market values, being the estimated amount for which a property could be exchanged in an arm's length transaction. These properties are not depreciated as they have not been put to use.

* Includes foreign currency payments amounting to ₹ 90.70 million (P.Y ₹ 90.70 million)

Note 17. Assets Held For Sale

(₹ in millions)

Particulars	As at March 31, 2022	As at March 31, 2021
Assets held for sale	175.51	139.46
Total	175.51	139.46

(i) Assets held for sale includes Group owned property which it intends to sell in the near future.

(ii) The Group follows various collection mechaniams for recovery of dues from the borrowers, which involves initiating SARFAESI, actual/physical repossession of assets after eviction in lieu of the loan outstanding and subsequent sale of repossessed assets via auction process in case of default by the borrowers. The Company's endeavour is to sell the re-possessed assets, in a public auction and realise the sale proceeds to recover the Loan amount outstanding at the earliest. The Group has all opportunity to repay the Loan amount before finalization of sale of the property and take back the possession. Since borrowers may settle the loans and in such cases, the property is handed back to them(in case the property is not yet sold in auction), the Company's management is of the view that acquiring such properties does not change the nature of the assets and that such re-possessed assets continue to be classified as financial assets. Therefore, such re-possessed properties are not classified as Assets Held for Sale as per IND AS 105. Expert Advisory Committee of the Institute of Chartered Accountants of India has been approached by the Company for an opinion in the classification of such repossessed assets as "Non- Current Assets Held For Sale", which is awaited.

Note 18. Payables

(₹ in millions)

Particulars	As at March 31, 2022	As at March 31, 2021
(I) Trade payables

(ii)Total outstanding dues of creditors other than micro enterprises and small enterprises	99.06	-
Total (II)	99.06	-

* including payable to Group Companies (refer note 41.2)

Note 18.1 Disclosure under the Micro, Small and Medium Enterprises Development Act, 2006

The following disclosure is made as per the requirement under The Micro, Small and Medium Enterprises Development Act, 2016 ("MSMED Act") on the basis of confirmations sought from suppliers on registration with the specified authorities under MSMED:

Particulars	2021-2022	2020-2021
(a) Principal amount remaining unpaid to any supplier at the year end	-	-
(b) Interest due thereon remaining unpaid to any supplier at the year end	-	-
(c) Amount of interest paid and payments made to the supplier beyond the appointed day during the year	-	-
(d) Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Act	-	-
(e) Amount of interest accrued and remaining unpaid at the year end	-	-
(f) Amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance of a deductible expenditure under section 23 of the Act	-	-

The aforementioned is based on the responses received by the Group to its inquiries with suppliers with regard to applicability under the said Act. This has been relied upon by the auditors.

No interest has been paid/is payable by the Group during the year to the suppliers registered under this Act.

(iii) Rights attached to equity shares

The Company has issued only one class of equity shares having a par value of ₹ 2/- per share. Each holder of equity share is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. During the year ended March 31, 2022, equity shareholders were paid an interim dividend of ₹ 3.50/- (P.Y ₹ 3.00/-) per share.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. However, no such preferential amount exists currently. The distribution will be in proportion to the number of equity shares held by the shareholders.

Maturity Analysis of the Benefit Payments: From the Fund	FY 2021-22	FY 2020-21
Projected Benefits Payable in Future Years From the Date of Reporting		
1st Following Year	6.89	15.74
2nd Following Year	9.26	5.47
3rd Following Year	10.72	7.24
4th Following Year	11.29	8.29
5th Following Year	12.09	8.68
Sum of Years 6 To 10	74.13	56.07
Sum of Years 11 and above	1,004.79	822.81

(₹ in millions)

Sensitivity Analysis	FY 2021-22	FY 2020-21
Projected Benefit Obligation on Current Assumptions	327.70	281.17
Delta Effect of +1% Change in Rate of Discounting	(44.42)	(38.67)
Delta Effect of -1% Change in Rate of Discounting	54.65	47.85
Delta Effect of +1% Change in Rate of Salary Increase	47.75	42.02
Delta Effect of -1% Change in Rate of Salary Increase	(40.61)	(35.66)
Delta Effect of +1% Change in Rate of Employee Turnover	(2.15)	(3.84)
Delta Effect of -1% Change in Rate of Employee Turnover	2.08	4.17

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Notes

Actuarial gains/losses are recognised in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are in line with the industry practice considering promotion and demand and supply of the employees.

Maturity analysis of benefit payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Value of asset is considered as fair value of plan asset for the period of reporting.

Qualitative disclosures

Characteristics of defined benefit plan

The Company has a defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund.

The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy.

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the following risks:

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset liability matching risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Characteristics of defined benefit plans

During the year, there were no plan amendments, curtailments and settlements.

A separate trust fund is created to manage the Gratuity plan.

Note: The above information is as provided by the Actuary, which has been relied upon by the auditors.

Note 37. Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk.

Risk management is integral to the Group's strategy. An enterprise wide risk management framework is in place to govern the Group's risk management processes. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed to ensure minimal impact on the Group's growth and performance.
The Group has developed the necessary competency to identify early stress signals and has also defined processes, including corrective and remedial actions as regards people and processes, for mitigation to ensure minimum damage.

A stress testing mechanism is put in place to carry out the event based sensitivity analysis and identify the accounts under stress due to expected market movement.
The Group's central treasury department identifies, evaluates and hedges financial risks in close co- operation with the Group's operating units. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity. The Group's Treasury is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Group.

Risk management is integral to Group's strategy. The comprehensive understanding of risk management throughout the various levels of an organization aids in driving key decisions related to risk-return balance, capital allocation and product pricing. The Group operates under the guidance of the Board approved risk appetite statement that covers business composition, guidance around gross non-performing assets and net non-performing assets, leverage, funding and liquidity, etc.
Additionally, it is also ensured that appropriate focus is on managing risk proactively by ensuring business operations are in accordance with laid-down risk. A strong risk management team and an effective credit operations structure ensures that risks are properly identified and timely addressed, to ensure minimal impact on the Group's growth and performance.

Risk Management Structure

The Group has established multi-level risk governance for monitoring & control of product and entity level risks. The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles. The Board has constituted the Risk Management Committee ("RMC") which is responsible for monitoring the overall risk process within the Group. The RMC is empowered to develop an independent risk strategy comprising of principles, frameworks, policies and limits and ensuring its effective implementation. Independent function of Risk management is in place headed by the Chief Risk Officer ("CRO") who reports to the Chief Executive Officer ("CEO") with oversight of RMC of the Board. The Risk department primarily operationalises risk management framework approved by RMC.

The group has a well –defined risk framework constituting various lines of defence – the first line of defence, consisting of management, is responsible for seamless integration of risk principles across all businesses. Additionally, it ensures adequate managerial and supervisory controls to ensure compliance and highlight inadequate processes and unexpected events. The Group has well-defined internal control measures in every process.
Independent risk and policy team constitutes second line of defence which is responsible for identification and assessment of entity-wide risks. Post its identification, it aims to mitigate risks either through portfolio trigger and caps (Credit risk) or through ongoing risk control and self assessment (Operational risk)
Internal Audit function is the third line of defence that independently reviews activities of the first two lines of defence and reports to the Audit Committee of the Board.

Risk Management Practices

The Group has developed the necessary competency to identify early stress signals and has also defined processes, including corrective and remedial actions as regards people and processes, for mitigation to ensure minimum damage. A stress testing mechanism is put in place to carry out the event based sensitivity analysis and identify the accounts under stress due to expected market movement. In event of susceptibility to external triggers, appropriate risk mitigation would be undertaken and thereby minimize the losses to the Group.
It has initiated a detailed portfolio quality review mechanism which enables analysis of portfolio along various behavioural, demographic and financial parameters. Additionally, through tie-ups with external bureaus, an analysis of collection performance coupled with continuous credit assessment for various key segments is undertaken. The practices aid in proactive course correction thereby modifying credit or sourcing mechanisms, if required. Additionally, application scorecard has been developed enabling the Group to standardize credit underwriting & improve sourcing quality in the long run.
The Group's policy is to measure and monitor the overall risk-bearing capacity in relation to the aggregate risk exposure across all risk types and activities. Information pertaining to different type of risks are identified, analysed and tested on timely basis. The same is presented to Risk Management Committee at periodic intervals.

In order to minimise any adverse effects on the financial performance of the Group, derivative financial instruments, such as cross currency interest rate swaps are entered to hedge certain foreign currency risk exposures and variable interest rate exposures.

The Group's central treasury department identifies, evaluates and hedges financial risks in close co- operation with the Group's operating units. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments and investment of excess liquidity. The Group's Treasury is responsible for managing its assets and liabilities and the overall financial structure. It is also primarily responsible for the funding and liquidity risks of the Group.

37A.1. Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group.
Credit risk arises primarily from financial assets such as trade receivables, investments, derivative financial instruments, other balances with banks, loans and other receivables.

Credit quality analysis

The following tables sets out information about the credit quality of financial assets measured at amortised cost. Unless specifically indicated, for financial assets, the amounts in the table represent gross carrying amounts.

(₹ in millions)

Particulars	As at March 31, 2022

* Loans comprises of outstanding principal, interest accrued but not due and principal and interest overdue.

Financial Assets measured using simplified approach:

The Group follows 'simplified approach' for recognition of impairment loss allowance on Cash and Cash Equivalents, Bank Balances, Trade Receivables, other receivables and Other Financial Assets. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

37A.2. Collateral held

The Group holds collateral and other credit enhancements against certain of its credit exposures. The loans are collateralised against equitable mortgage of property, pledge of shares, hypothecation of assets, company personal guarantees, physical gold, undertaking to create security.

37A.3. Loss allowance and Exposure at default

The following tables show reconciliations from the opening to the closing balance of the loss allowance by class of financial instrument.

Closing EAD Mar-2021	295,179.81	23,859.05	33,977.70	2,681.50	6,962.27	1,163.53	336,119.78	27,704.09

37A.4. Write off

Contractual amount outstanding on financial assets that were written off during the reporting period is ₹ 9,042.17 million(P.Y ₹ 6,482.98 million)

37A.5. Modified Financial Instruments

For financial assets, such as a loan to a customer, when the terms and conditions have been renegotiated to the extent that the modification does not result in cash flows that are substantially different (thereby not resulting into derecognition), the Group has recorded a modification gain or loss based on the change in cash flows discounted at the original EIR (Effective Interest Rate).

(₹ in millions)

Particulars	FY 2021-2022	FY 2020-2021
Value of Modified Assets at the time of modification	23,729.08	30,311.96
Value of Modified Assets outstanding at end of year	25,093.50	29,561.57
Modification Gain/ (Loss)	45.41	(294.66)

The above modification is in accordance with the provisions defined in the Master Direction Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 Circular No DNBR.PD.008/03.10.119/2016-17 dated September 01, 2016 (updated as on February 22, 2019) and the "The Housing Finance Companies (NHB) Directions, 2010".

37A.6. Credit Risk Grading of loans

Credit Risk Grading is an important tool for credit risk management as it helps in understanding and evaluating risks for different credit transactions.

The Group has established overall credit limits at the level of individual borrowers and counterparties, and groups of connected counterparties. It manages and controls credit risk by confining the amount of risk it is willing to accept for individual counterparties, for geographical concentrations, and by closely monitoring such exposures.

The Group has a Credit Risk Policy which is board approved and shared with all credit approving authorities. All customers will be evaluated on a set of pre-defined parameters as detailed below and accordingly classified into any of the following categories:

1. Low Risk
2. Medium Risk
3. High Risk – This category of customers will not be actively sourced by the Group. Any customer, identified as High Risk, can be funded by the Group basis exceptional comfort and availability of justifying mitigates. The extent and nature of due diligence will be the highest for this category.

The assessment of a customer being classified into high, medium or low is based on various parameters at the time of on-boarding which are captured in the Credit Approval Memorandum by the credit manager and validated by the relevant approving authority. The parameters are as follows:

1. Customer Profile
2. Financial health
3. Business vintage
4. Credit history
5. Industry feedback
6. Other qualitative/ quantitative factors as mentioned in the policy

Every customer once being stamped into a risk category on a periodic basis would further be subjected to change of his risk profile depending on the repayment history and DPDs through an independent credit quality review process. This process aims to allow the Group to assess the potential loss as a result of the risks to which it is exposed and take corrective actions.

Credit Grading details : **(₹ in millions)**

Period	Stage 1	Stage 2	Stage 3	Total EAD
March 31, 2022	337,358.08	21,769.53	9,721.89	368,849.50
March 31, 2021	319,038.86	36,659.20	8,125.80	363,823.86

37A.7. Concentration of Credit Risk

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.
In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on spreading its lending portfolio across various products/states/customer base with a cap on maximum limit of exposure for an individual/Group. Accordingly, the Group does not have concentration risk.

37B Liquidity Risk

Liquidity risk refers to the risk that the Group may not be able to meet its short-term financial obligations. The Group manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of credit lines. Further, the Group has well defined Asset Liability Management (ALM) framework with an appropriate organizational structure to regularly monitor and manage maturity profiles of financial assets and financial liabilities including debt financing plans, cash and cash equivalent instruments to ensure liquidity. The Group seeks to maintain flexibility in funding mix by way of sourcing the funds through money markets, debt markets and banks to meet its business and liquidity requirements.

(i) Maturities of financial liabilities

(₹ in millions)

Contractual maturities of financial liabilities (including financial guarantee) As at March 31, 2022	Total	Upto 3 months	Over 3 months to 6 months	Over 6 months to 1 year	Over 1 year to 3 years	Over 3 to 5 years	Over 5 years

Financial guarantee contracts	12,255.43	12,255.43	-	-	-	-	-
Total	**356,139.73**	**66,249.98**	**32,200.57**	**53,267.40**	**124,779.32**	**36,330.67**	**43,311.79**

* The amount represent undiscounted cash flows

Note 1: Borrowings includes cash credit facilities, has been slotted in "over 6 months to 1 year" and "over 1 year to 3 years" in the ratio of 40% and 60% respectively.
Note 2: In computing the above information with respect to cash credit and overdraft facilities with Banks, the Management has made certain estimates and assumptions which have been relied upon by the auditors.

(ii) Financing arrangements

The Group had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in millions)

	As at March 31, 2022	As at March 31, 2021
Floating rate		
- Expiring within one year (bank overdraft and other facilities)	17,790.73	6,131.55
- Expiring beyond one year (bank loans)	-	-

37C Market Risk

Market Risk is the risk that the value of on and off-balance sheet positions of a financial institution will be adversely affected by movements in market rates or prices such as interest rates, foreign exchange rates, equity prices, credit spreads and/or commodity prices resulting in a loss to earnings and capital.
Financial institutions may be exposed to Market Risk in variety of ways. Market risk exposure may be explicit in portfolios of securities / equities and instruments that are actively traded. Conversely it may be implicit such as interest rate risk due to mismatch of loans and deposits. Besides, market risk may also arise from activities categorised as off-balance sheet item. Therefore market risk is potential for loss resulting from adverse movement in market risk factors such as interest rates, forex rates, equity and commodity prices.
The Group's exposure to market risk is primarily on account of interest rate risk and Foreign exchange risk.

37C.1 Interest rate risk

(a) The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows:

(₹ in millions)

	As at March 31, 2022	As at March 31, 2021
Variable rate borrowings	184,199.71	143,807.25
Fixed rate borrowings	168,360.03	172,146.41
Total borrowings	**352,559.74**	**315,953.66**

The Group had the following variable rate borrowings outstanding and cross currency interest rate swap contracts outstanding:

(₹ in millions)

	As at March 31, 2022			As at March 31, 2021		
	Weighted average interest rate (%)	Balance	% of total borrowings	Weighted average interest rate (%)	Balance	% of total borrowings
Bank overdrafts, bank loans	8.59%	176,399.21	50.02%	8.63%	139,652.50	42.30%
External Commercial borrowings	8.62%	7,579.25	2.15%	8.62%	7,311.00	2.31%
Non convertible debentures	7.51%	281.25	0.08%	9.15%	2,843.75	0.90%
Net exposure to cash flow interest rate risk		**184,199.71**			**143,807.25**	
Currency Interest Rate Swaps	9.36%	**3,876.44**	1.10%	9.36%	**3,675.23**	1.16%

An analysis by maturities is provided in note 37(B)(i) above. The percentage of total loans shows the proportion of loans that are currently at floating rates in relation to the total amount of borrowings.

The Group had the following variable rate loans outstanding:

(₹ in millions)

	As at March 31, 2022			As at March 31, 2021		
	Weighted average interest rate (%)	Balance	% of total loans	Weighted average interest rate (%)	Balance	% of total loans
Floating rate loans	11.44%	158,629.60	45.17%	11.66%	150,243.89	42.95%

(b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates (assuming other variable constant)

(₹ in millions)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
Interest rates – increase by 30 basis points	(413.52)	(322.84)	-	-
Interest rates – decrease by 30 basis points	413.52	322.84	-	-

Profit or loss is sensitive to higher/lower interest income from loans as a result of changes in interest rates (assuming other variable constant)

(₹ in millions)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
Interest rates – increase by 30 basis points	356.12	337.29	-	-
Interest rates – decrease by 30 basis points	(356.12)	(337.29)	-	-

37C.2. Exposure to currency risks

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign currency rates. The Group's exposure to the risk of changes in foreign exchange rates relates primary to the foreign currency borrowings taken from banks and External Commercial Borrowings (ECB).

The Group follows a conservative policy of hedging its foreign currency exposure through Forwards and / or Cross Currency Interest Rate Swaps (CCIRS) in such a manner that it has fixed determinate outflows in its functional currency and as such there would be no significant impact of movement in foreign currency rates on the Group's profit before tax (PBT) and equity.

The Group's currency position is as under

(₹ in millions)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign Currency Assets (in INR)*	458.52	-	-	-	-	-
Foreign Currency Liabilities (in INR)*	1,545.22	-	-	-	-	-
Net Gap as at 31.03.2022	**(1,086.70)**	-	-	-	-	-

(₹ in millions)

Particulars	USD	EUR	CHF	JPY	SGD	Other Currencies
Foreign Currency Assets (in INR)*	416.88	-	-	-	-	-
Foreign Currency Liabilities (in INR)*	1,478.77	-	-	-	-	-
Net Gap as at 31.03.2021	**(1,061.89)**	-	-	-	-	-

*It is fully hedged by forward contract and CCIRS

Sensitivity :

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments.

(₹ in millions)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
USD sensitivity				
INR/USD -Increase by 5%	-	-	(1,343.34)	(1,323.97)
INR/USD -Decrease by 5%	-	-	1,343.34	1,323.97

The sensitivity on profit and loss is due to the timing difference of the maturity of the Cross currency interest rate swap. On the date of maturity of the Cross currency interest rate swap, the sensitivity of profit and loss to changes in the exchange rates will be Nil.

37C.3. Price Risk

(a) Exposure

The Group's exposure to assets having price risk is as under

(₹ in millions)

Particulars	Equity Share	Mutual Funds /Alternate investment funds/ others	Bonds	Security Receipts	Total
Market Value as on March 31, 2022	0.50	10,992.21	-	839.00	11,825.71
Market Value as on March 31, 2021	0.50	189.24	-	-	189.74

To manage its price risk arising from investments in equity securities/other assets, the Group diversifies its portfolio.

(b) Sensitivity

The table below summarises the impact of increases/decreases of the index on the Group's equity/other assets and profit for the period. The analysis is based on the assumption that the instrument index has increased by 5% or decreased by 5% with all other variables held constant.

(₹ in millions)

Particulars	Impact on profit after tax		Impact on other components of equity	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
Increase 5%	442.47	7.10	-	-
Decrease 5%	(442.47)	(7.10)	-	-

37D.Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value. The Group monitors capital in accordance with the capital adequacy ratio prescribed by the Reserve Bank of India ("RBI")/ National Housing Bank ("NHB") as applicable.

37E. Fair values of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer an liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using a valuation technique.In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

The following table shows an analysis of financial instruments recorded at Fair Value hierarchy:

(₹ in millions)

Particulars	As at March 31, 2022		
	Fair Value through profit or loss	Fair value through Other Comprehensive Income	Amortised cost / Cost
Financial assets			
Cash and cash equivalents	-	-	62,116.40

37E. 1. Financial instruments measured at fair value – Fair value hierarchy

The following table analyses financial instruments measured at fair value at the reporting date, by the level in the fair value hierarchy into which the fair value measurement is categorised. The amounts are based on the values recognised in the statement of financial position.

37E.2. Valuation methodologies of financial instruments measured at fair value

(i) Quoted equity/instruments are measured based on the last traded price in the exchange and are classified as level 1.
(ii) Mutual Funds are measured based on the published net asset value (NAV) by AMFI and are classified as level 1.
(iii) Alternate Investment Funds are measured based on the latest NAV provided by the fund house and are classified as level 3.
(iv) Equity instruments in non-listed entities are initially recognised at transaction price and re-measured (to the extent information is available) and valued by external independent valuer and classified as Level 3.
(v) Equity instruments in listed entities that are quoted market prices (unadjusted) in active markets for identical instruments are classified at level 1.
(vi) Government Securities are valued based on the closing price published by CCIL/ FIMMDA for March 2020 respectively and are classified as level 2.
(vii) Unquoted debt securities are measured based on average of security level prices received from AMFI appointed/designated agencies viz: CRISIL and ICRA and are classified as level 2.
(viii) The fair value of interest rate swaps is calculated as the present value of the net of Pay and Receive side estimated future cash flows based on observable appropriate yield curve inputs.
(ix) Fair value of loans measured at FVOCI approximates its carrying value and are classified as level 3.
(x) Fair value of forward foreign exchange contracts is determined by computing present value of payoff between contractual rate (Strike) and forward exchange rates at the testing date and are classified as Level 2.
(xi) The fair value principal swap is calculated as the present value of the net of Pay and Receive side estimated future cash flows based on observable appropriate yield curve inputs and spot exchange rate as of the testing date and are classified as Level 2.

(₹ in millions)

37E.3. Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Group's financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term nature, the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and bank balances, Trade receivables, other receivables, balances other than cash and cash equivalents and trade payables.

Loans, Debts, Borrowings and Subordinated Debts

The fair values of these instruments are estimated by determining the price of the instrument taking into consideration the origination date, maturity date, coupon rate, actual or approximation of frequency of interest payments and incorporating the actual or estimated/proxy yields of identical or similar instruments through the discounting factor. For instruments, having contractual residual maturity less than one year, the carrying value has been considered as fair value. Loans and advances are presented net of provisions for impairment.

(₹ in millions)

Assets and liabilities which are measured at amortised cost for which fair values are disclosed As at March 31, 2022	Total fair value	Carrying Value	Valuation Hierarchy
Financial assets			
Cash and cash equivalents	62,116.40	62,116.40

37 F. Transferred financial assets that are derecognised in their entirety

During the year ended March 31, 2021, the Group has sold some loans and advances measured at FVTOCI as per assignment deals, as a source of finance. As per the terms of deal, since the derecognition criteria as per IND AS 109, including transfer of substantially all the risks and rewards relating to assets being transferred to the buyer being met, the assets have been derecognised. The management has evaluated the impact of the assignment transactions done during the year for its business model. Based on the future business plans, the Group's business model remains to hold the assets for collecting contractual cash flows.

The following table provide a summary of the amount of the derecognised financial assets during the year and the gain/(loss) on derecognition, which qualify for derecognition:

(₹ in millions)

Particulars	FY 2021-22	FY 2020-21
Financial assets derecognised during the year	111,780.13	75,695.04
Gain from derecognition	5,157.05	2,445.34

37 G. Transferred financial assets that are recognised in their entirety:

The Group uses securitisations as a source of finance. Such transaction resulted in the transfer of contractual cash flows from portfolios of financial assets to holders of issued debt securities. Such deals resulted in continued recognition of the securitised assets since the Group retains substantial risks and rewards. The table below outlines the carrying amounts and fair values of all financial assets transferred that are not derecognised in their entirety and associated liabilities.

(₹ in millions)

Securitisations	As at March 31, 2022	As at March 31, 2021
Carrying amount of transferred assets measured at amortised cost	24,065.08	38,405.62
Carrying amount of associated liabilities	24,065.08	38,494.40
Fair value of assets	24,057.58	38,418.47
Fair value of associated liabilities	24,060.98	38,497.25
Net position at Fair value	-	-

Note 38. Capital, Other Commitments and Contingent Liabilities at Balance Sheet date:

Contingent Liabilities:

(₹ in millions)

Particulars	As at March 31, 2022	As at March 31, 2021
In respect of Income tax demands (refer note a and e)	663.07	486.49
In respect of Service tax demands (including interest accrued and refer note b)	831.66	617.50
In respect of Profession Tax demands (refer note c)	1.55	1.55
In respect of Bank guarantees given (refer note d)	8,454.96	12,255.43
In respect of Corporate guarantees given	233.40	233.40
In respect of legal case/ penalties/others	1.58	1.15
Contingent liability in respect of credit enhancement for securitisation transaction	1,956.72	1,900.56
In respect of Stamp Duty (refer note f)	166.60	-

(a) The Group has filed appeal against the said demands raised by the Income Tax Department.

(b) Amount paid under protest with respect to service tax demand ₹ 18.92 million (P.Y ₹ 18.92 million)

(c) Amount paid under protest with respect to profession tax demand ₹ 0.47 million (P.Y ₹ 0.47 million)

(d) The above guarantee has been given on behalf of subsidiaries/group companies.

(e) Amount paid under protest with respect to income tax demand is ₹ 417.70 million (P.Y ₹ 233.89 million).

(f) The Group has received demand towards stamp duty on account of the Composite Scheme of Arrangement.The demand has been raised for a sum of ₹ 750.00 million. As per the scheme document any incidental expenses will be borne by the resulting companies i.e IIFL Finance Limited, IIFL Securities Limited and IIFL Wealth Management Limited equally. The Company has appealed against the same and paid ₹ 83.40 million under protest towards its share of the liability and shown ₹ 166.60 million as Contingent.

(g) Apart from the above, Group is subject to legal proceedings and claims which have arisen in the ordinary course of the business. The Group's Management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have material and adverse effect on the Group's financial position.

Commitments not provided for:

(₹ in millions)

Particulars	As at March 31, 2022	As at March 31, 2021
Commitments related to loans sanctioned but undrawn	24,831.13	15,670.79
Estimated amount of contracts remaining to be executed on capital and operating account	187.51	325.42
Commitments related to alternate investment funds	205.95	20.16

Note 39. Employee stock option

The Group has implemented Employee Stock Option Scheme 2008 (ESOP Schemes) and has outstanding options granted under the said Schemes. The options vest in graded manner and must be exercised within a specified period as per the terms of the grants made by the Nomination and Remuneration Committee and ESOP Schemes.

a) The details of various Employee Stock Option Schemes are as under:

Particulars	As at March 2022 ESOP 2008	As at March 2021 ESOP 2008
Number of Option outstanding	1,147,105	331,525
Method of accounting	Fair Value	Fair Value
Vesting Plan	Options granted would vest over a period of five years subject to a minimum period of one year from the date of grant of options.	
Exercise Period	Seven years from the date of grant	
Grant Date	05-Aug-2014, 02-Mar-2015, 08-Mar-2016, 29-Apr-2017, 04-Sep-2020, 06-May-2021, 20-Aug-2021 and 22-Dec-2021.	05-Aug-2014, 02-Mar-2015, 08-Mar-2016, 29-Apr-2017 and 04-Sep-2020
Grant Price (₹ Per Share)	₹ 61.40, ₹ 82.73, ₹ 82.02, ₹ 218.71, ₹ 126.64, ₹ 252.00 and ₹ 271.40	₹ 61.40, ₹ 82.73, ₹ 82.02, ₹ 218.71 and ₹ 126.64

(b) (i) Movement of options during the year ended March 31, 2022

Particulars	Option Outstanding	Range of exercise price (in ₹)	Weight average exercise price (in ₹)	Weight average remaining contractual life (Years)
Outstanding as on April 01, 2021	**331,525**	**82.02-218.71**	**93.70**	**2.65**
Granted during the year	925,000	252.00-271.40	252.52	-
Expired/forfeited during the year	14,360	82.02	82.65	-
Exercised during the year	95,060	82.02-82.73	82.04	-
Outstanding as on March 31, 2022	**1,147,105**	**82.02-218.71**	**222.89**	**5.44**
Exercisable as on March 31, 2022	**177,105**	**82.02-218.71**	**92.54**	**1.14**

b) (ii) Movement of options during year ended March 31, 2021

Particulars	Option Outstanding	Range of exercise price (in ₹)	Weight average exercise price (in ₹)	Weight average remaining contractual life (Years)
Outstanding as on April 01, 2020	**434,937**	**61.40-218.71**	**87.76**	**2.89**
Granted during the year	50,000	126.64	126.64	-
Expired/forfeited during the year	27,315	82.02-218.71	132.06	-
Exercised during the year	126,097	61.40-82.73	77.95	-
Outstanding as on March 31, 2021	**331,525**	**82.02-218.71**	**93.70**	**2.65**
Exercisable as on March 31, 2021	**276,725**	**82.02-218.71**	**85.58**	**1.96**

Fair Value Methodology:

The fair value of the shares are measured using Black scholes formulae. Measurement inputs include share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, dividend yield, expected volatility .

Key Assumptions used in Black-Scholes model for calculating fair value as on the date of grant are as follows:

Particulars	ESOP 2008			
	06-May-21	2021-22 19-Aug-21	22-Dec-21	2020-21 04-Sep-20
Stock price (₹)	252.00	252.00	271.40	87.85
Volatility	10.00%	10.00%	10.00%	10.00%
Risk-free Rate	5.66	5.77%	5.81%	6.56%
Exercise price (₹)	252.00	252.00	271.40	126.64
Time to Maturity (Years)	5.00	5.00	5.00	5.00
Dividend yield	3.00%	3.00%	3.00%	3.00%
Weight Average Value (₹)	34.72	35.40	35.40	21.10

Stock Price: The closing market price on NSE one day prior to the date of grant has been considered for the purpose of Option valuation.

Volatility: The daily volatility of the stock prices on BSE, over a period prior to the date of grant, corresponding with the expected life of the Options has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

The Group has granted Employee Stock Options under IIFL Finance Employee Stock Option Plan 2020 – Merger Scheme pursuant to aforesaid Composite Scheme of Arrangement.

a) The details of various Employee Stock Option Schemes are as under:

Particulars	As at March 2022 ESOP 2020	As at March 2021 ESOP 2020
Number of Option outstanding	3,572,033	4,433,233
Method of accounting	Fair Value	Fair Value
Vesting Plan	Options granted would vest over a period of five years subject to a minimum period of one year from the date of grant of options.	
Exercise Period	Seven years from the date of grant	
Grant Date	02-Dec-2015, 09-Mar-2016, 08-Feb-2017, 02-May-2018, 04-Sep-2018, 21-Nov-2018, 18-Jan-2019 and 18-Sep-2019	02-Dec-2015, 09-Mar-2016, 08-Feb-2017, 02-May-2018, 04-Sep-2018, 21-Nov-2018, 18-Jan-2019 and 18-Sep-2019
Grant Price (₹ Per Share)	₹ 61.48, ₹ 61.48, ₹ 106.67, ₹ 142.22, ₹ 177.04, ₹ 177.04, ₹ 182.22, ₹ 129.63	₹ 61.48, ₹ 61.48, ₹ 106.67, ₹ 142.22, ₹ 177.04, ₹ 177.04, ₹ 182.22, ₹ 129.63

Fair Value Methodology:

The fair value of the shares are measured using Black scholes formulae. Measurement inputs include share price on measurement date, exercise date of the instrument, exercise price, expected life, risk free interest rate, dividend yield, expected volatility .

Key Assumptions used in Black-Scholes model for calculating fair value as on the date of grant are as follows:

Particulars	ESOP 2020			
	21-Nov-18	04-Sep-18	02-May-18	02-May-18
Stock price (₹)	179.63	179.63	179.63	179.63
Volatility	59%	59%	59%	59%
Risk-free Rate	7.21% - 7.40%	7.21% - 7.44%	7.13% - 7.40%	7.13% - 7.34%
Exercise price (₹)	177.04	177.04	142.22	142.22
Time to Maturity (Years)	5.39	5.43	5.09	4.84
Dividend yield	1.00%	1.00%	1.00%	1.00%
Weight Average Value (₹)	102.29	102.87	106.78	106.94

Particulars	ESOP 2020		
	18-Sep-19	18-Jan-19	18-Jan-19
Stock price (₹)	179.63	179.63	179.63
Volatility	59%	59%	59%
Risk-free Rate	7.34% - 7.49%	7.28% - 7.49%	7.28% - 7.44%
Exercise price (₹)	129.63	182.22	182.22
Time to Maturity (Years)	6.22	5.80	5.55
Dividend yield	1.00%	1.00%	1.00%
Weight Average Value (₹)	118.06	161.25	102.16

Stock Price: The fair value of stock as on Appointed Date, i.e., April 1, 2018 ("the Effective date" or the "Date of Modification") has been used to value the outstanding grants based on Merchant Banker's Report.

Volatility: The daily volatility of the stock prices on BSE, based on post demerger traded prices, has been considered to calculate the fair value.

Risk-free rate of return: The risk-free rate being considered for the calculation is the India Government Bond Generic Bid Yield with a maturity about equal to the expected life of the options.

Exercise Price: Price of each specific grant has been considered based on equity swap ratio of the Composite Scheme of Arrangement.

Time to Maturity: Time to Maturity / Expected Life of Options is the period for which the Company expects the Options to be live. The minimum life of a stock option is the minimum period before which the Options cannot be exercised and the maximum life is the period after which the Options cannot be exercised.

Expected dividend yield: Expected dividend yield has been calculated as an average of dividend yields for the three financial years preceding the date of the grant. The dividend yield for the year is derived by dividing the dividend per share by the average price per share of the respective period.

Note 40. Additional Disloure requirements

(i) Relationship with Struck off Companies
The Group has not entererd into any transactions with strike off companies

(ii) Registration of charges or satisfaction with Registrar of Companies (ROC)
There are no charges or satisfaction yet to be registered with ROC beyond the statutory period.

(iii) Compliance with number of layers of companies

The clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017 is not applicable to the Group.

(iv) Utilisation of Borrowed funds and share premium

(A) The Group has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall:

(i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or
(ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(B) The Group has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall:-

(i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
(ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(v) Undisclosed income

The Group has disclosed all its income appropriately and in the ongoing Tax Assessments as well there has not been any such undisclosed income recognised by the relavant tax authorities.

(vi) Details of Crypto Currency or Virtual Currency

The Group has not traded or invested in Crypto currency or Virtual Currency during the financial year.

(vii) Disclosure of Benami Property

The Group does not possess any benami property under the Benami Transactions (Prohibition) Act, 1985 and rules made thereunder.

(viii) Disclosure of Borrowings

(a) The quarterly returns and statements of current assets filed by the Group with banks or financial institutions are in agreement with the books of accounts.

(b) The Group has utilised the borrowings from banks and financial institutions for the specific purpose for which it was taken as at March 31, 2022.

(ix) Wilful Defaulter

The Group has not been declared as Wilful Defaulter by any Bank or Financial Institution or other Lender.

Note 45. Segment Reporting

The Group's primary business segments are reflected based on the principal business carried out, i.e. financing. All other activities of the Group revolve around the main business. The risk and returns of the business of the Group is not associated with geographical segmentation, hence there is no secondary segment reporting based on geographical segment. As such, there are no separate reportable segments as per the Indian Accounting Standard 108 on 'Segment Reporting'.

Note 46. Shared services

The Group operates from and uses the premises, infrastructure and other facilities and services as provided to it by its group companies, which are termed as 'Shared Services'. Hitherto, such shared services consisting of administrative and other revenue expenses paid for by the Group were identified and recovered/recoverable from them based on reasonable management estimates, which are constantly refined in the light of additional knowledge gained relevant to such estimation. These expenses are recovered on an actual basis and the estimates are used only where actual were difficult to determine.

Note 47. Previous year's figures are regrouped, reclassified and rearranged wherever considered necessary to confirm to current year's presentation.

[#] *The above facilities are secured through a first ranking pari passu charge in favor of Vistra ITCL Limited through a security trustee arrangement entered into by the company, security Trustee and the lenders.*

The Hongkong and Shanghai Banking Corporation Limited, Gift City Branch*

*****This facility has been downsold to: (i) Export Development Canada; (ii) Canara Bank; and (iii) Union Bank of India.*

Penalty:

(a)The Borrower may, by giving not less than 30 calendar days (or such shorter period as the Majority Lenders may agree) prior written notice to the Lender and subject to receipt of all necessary regulatory approvals (including but not

limited to the approval of the RBI or the Authorised Dealer (as the case may be) under the ECB Guidelines) to the extent required to make the prepayment, prepay the Loan (or part thereof) on the last day of any Interest Period in whole or in part.

(b) Any prepayment under this Clause shall be made together with accrued interest on the amount prepaid and subject to payment of Break Costs and prepayment charges subject to funding penalties at the discretion of the lender in compliance with the ECB guidelines and applicable laws.

Rescheduling: Agreements do not have any provisions for rescheduling.

Event of Default:

a. Non-Payment-The Company does not pay on the due date any amount payable pursuant to a Transaction Document at the place and in the currency in which it is expressed to be payable.

b. Other obligations-Any other breach (other than a payment default) has occurred in the performance of any covenant, condition or undertaking on the part of the company under this Agreement or any other Transaction Documents.

c. Misleading Information and Representations provided by the company.

d. Inadequate Insurance-If the assets of the Company have not been kept insured by the Company or depreciate to such an extent that such depreciation in value could in the opinion of the Lenders, have a Material Adverse Effect.

e. Proceedings Against or Dissolution of the Company.

f. Cessation or Change in Business or Control.

g. Security Not Created or Perfected or in jeopardy.

h. Expropriation Events: Any government (including any political or administrative sub-division thereof), governmental authority, agency, official or entity takes or threatens any action: Nationalize, compulsorily acquire, expropriate, or seize, condemn or confiscate all or its assets (including Secured Assets); for the dissolution of the Company, or any action which deprives or threatens to deprive the Company of certain privileges.

i. Illegality: It is or becomes unlawful for the Company to perform any of their respective obligations under this Agreement or any Transaction Document; The Transaction Document or any provision thereof are required by any law to be amended, waived or repudiated; or Any obligation under this Agreement or any Transaction Document is not or ceases to be a valid and binding obligation of any person party to it or becomes void, illegal, unenforceable or is repudiated by such person.

j. Cross Default: The Company is unable or has admitted in writing its inability to pay any of its Financial Indebtedness as they mature or when due. An event of default in payment of any amount due, occurs under any agreement or document relating to any Financial Indebtedness of the company or if any other lenders of the company including financial institutions or banks with whom the company has entered into agreements for financial assistance have recalled its/their assistance or any part thereof.

k. Insolvency: The Company is or is to be unable or admits inability to pay its debts as they fall due, suspends making payments on any of its debts or, by reason of actual or anticipated financial difficulties. The value of the assets of the Company is less than its liabilities. A moratorium is declared by a government agency in respect of any indebtedness of the Company. Commencement of an insolvency resolution process under the IBC in respect of the Company.

l. Adverse litigation and final judgment: Any judgment or other order of a court of competent jurisdiction is made against the Company which has Material Adverse Effect. Any litigation, arbitration, administrative, governmental, regulatory or other investigations, proceedings, requisition or disputes are commenced or threatened in relation to the Transaction Documents, or the transactions contemplated in the Transaction Documents or against any of the Company or in relation to its assets which has Material Adverse Effect.

m. Material Adverse Effect: One or more events, conditions or circumstances (including any change in law) shall occur or exist which in the opinion of the Lenders, could have a Material Adverse Effect.

n. Environmental compliance: The Company fails to comply in all material respects with all Environmental Law as may be applicable, obtain and maintain any Environmental Permits.

o. Environmental Claims: Company fails to inform the Bank in writing of any Environmental Claims, in each case where such Environmental Claim might reasonably be expected, if determined against the Company, to have a Material Adverse Effect.

p. Breach of financial covenant, information undertaking and other agreed undertaking: Any breach has occurred in the performance of financial covenant as prescribed under this Agreement, information undertaking or any such undertaking on the part of the Company under this Agreement or any other Transaction Documents.

q. Repudiation: The Company repudiates a Transaction Document or evidences an intention to repudiate a Transaction Document.

r. Termination/amendment of material contracts: Revocation of any material contract/commercial agreement, which if terminated and not replaced by the Company to the satisfaction of the Lender and amounts to a Material Adverse Change.

s. Audit Qualification: The auditors of the Company qualify the audited financial statements of the Company for fraud or in the form of a 'disclaimed' balance sheet.

t. Material Adverse Change: Any event or circumstance occurs which the Lender reasonably believes might have a Material Adverse Effect.

u. Moratorium: If any relevant lender/authority declares a general moratorium or "standstill" (or makes or passes any order or regulation having a similar effect) (or any indebtedness which includes Financial Indebtedness) owed by the Company and where such declaration, order or regulation applies to Company and restricts payments required to be made by the Company in accordance with the Facility Documents.

v. Amendment to the Constitutional Document of the Company.

w. Change in Capital Structure: The promoter group ceases to hold or sells such percentage of the paid-up share capital of the Company, which results in Material Adverse Effect.

Deutsche Bank

Prepayment Penalty: Any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

Rescheduling: Agreements do not have any provisions for rescheduling.

Event of Default:

a. Non-payment- The Borrower does not pay on the due date any amount payable pursuant to a Finance Document at the place at and in the currency in which it is expressed to be payable unless:
   1. its failure to pay is caused by:
      i. administrative or technical error; or
      ii. a Disruption Event; and
   2. payment is made within two Business Days of its due date.

b. Financial covenants and other obligations
   1. Any requirement of Clause 21 (*Financial covenants*) is not satisfied.
   2. Any requirement of Clause 22.15 (*Anti-corruption law*) or Clause 22.16 (*Sanctions*).
   3. The Borrower does not comply with any provision of any Security Document.

c. Other obligations
   1. The Borrower does not comply with any provision of the Finance Documents (other than those referred to in Clause 24.1 (*Non-payment*) and Clause 24.2 (*Financial covenants and other obligations*)).
   2. No Event of Default under paragraph (a) above will occur if the failure to comply is capable of remedy and is remedied within 15 days of the earlier of (i) the Agent giving notice to the Borrower and (ii) the Borrower, becoming aware of the failure to comply.

d. Misrepresentation
   1. Any representation or statement made or deemed to be made by the Borrower in the Finance Documents or any other document delivered by or on behalf of the Borrower under or in connection with any Finance Document is or proves to have been incorrect or misleading in any material respect (save that, where such representation or statement is qualified by reference to materiality or Material Adverse Effect, in any respect) when made or deemed to be made.
   2. No Event of Default under paragraph (a) above will occur if the misrepresentation or misstatement is capable of remedy and is remedied within 15 days of the earlier of (i) the Agent giving notice to the Borrower and (ii) the Borrower, becoming aware of the misrepresentation or misstatement.

e. Cross default
   1. Any Financial Indebtedness of any member of the Group is not paid when due nor within any originally applicable grace period.
   2. Any Financial Indebtedness of any member of the Group is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default (however described).
   3. Any commitment for any Financial Indebtedness of any member of the Group is cancelled or suspended by a creditor of any member of the Group as a result of an event of default (however described).
   4. Any creditor of any member of the Group becomes entitled to declare any Financial Indebtedness of any member of the Group due and payable prior to its specified maturity as a result of an event of default (however described).
   5. No Event of Default will occur under this Clause 24.5 if the aggregate amount of Financial Indebtedness or commitment for Financial Indebtedness falling within paragraphs (a) to (d) above is less than US $10,000,000 (or its equivalent in any other currency or currencies).

f. Insolvency
   1. A member of the Group:
      (i) is unable or admits inability or is presumed or deemed to be unable to pay its debts as they fall due.
      (ii) suspends or threatens to suspend making payments on any of its debts; or
      (iii) by reason of actual or anticipated financial difficulties, commences negotiations with one or more of its creditors (excluding any Finance Party in its capacity as such) with a view to rescheduling any of its indebtedness.
   2. The value of the assets of any member of the Group is less than its liabilities (taking into account contingent and prospective liabilities).
   3. A moratorium is declared in respect of any indebtedness of any member of the Group. If a moratorium occurs, the ending of the moratorium will not remedy any Event of Default caused by that moratorium.

g. Insolvency proceedings
   1. Any corporate action, legal proceedings or other procedure or step is taken in relation to:
      (i) the suspension of payments, a moratorium of any indebtedness, winding-up, dissolution, administration, judicial management, provisional supervision or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) of any member of the Group other than a solvent liquidation or reorganisation of any member of the Group which is not the Borrower.
      (ii) a composition, compromise, assignment or arrangement with any creditor of any member of the Group.
      (iii) the appointment of a liquidator (other than in respect of a solvent liquidation of a member of the Group which is not the Borrower), receiver, judicial manager, administrative receiver, administrator, compulsory manager, provisional supervisor or other similar officer in respect of any member of the Group or any of its assets; or
      (iv) enforcement of any Security over any assets of any member of the Group.
      (v) the preparation of a resolution plan or restructuring for the Borrower or a member of the Group pursuant to RBI's Prudential Framework for Resolution of Stressed Assets dated 7 June 2019, as amended or replaced from time to time or any other guidelines or regulations issued or framework set up by the RBI or other competent authorities in relation to resolution of stressed assets or non-performing assets;

(vi) the Borrower or a member of the Group by way of filing of an application by any "appropriate regulator" (as defined under the Insolvency and Bankruptcy Code of India, 2016, its rules and regulations or any other analogous law or regulation) for initiation of an insolvency resolution process under the Insolvency and Bankruptcy Code of India, 2016 or any other analogous law or regulation.
(vii) initiation of an insolvency resolution process under the Insolvency and Bankruptcy Code, 2016 of India in respect of a member of the Group (incorporated in India) (including filing of an insolvency resolution application before any National Company Law Tribunal of India).
or any analogous procedure or step is taken in any jurisdiction.

2. This Clause 24.7 shall not apply to:
(i) any winding-up petition which is frivolous or vexatious and is discharged, stayed or dismissed within 45 days of commencement: or
(ii) any step or procedure contemplated in Clause 22.8.

h. Creditors' process
Any expropriation, attachment, sequestration, distress or execution (or any analogous process in any jurisdiction) affects any asset or assets of a member of the Group having an aggregate value of US $10,000,000 (or its equivalent in any other currency or currencies) and is not discharged within 30 days.

i. Failure to comply with court judgment or arbitral award
1. Any member of the Group fails to comply with or pay by the required time any sum due from it under any final judgment or any final order made or given by a court or arbitral tribunal or other arbitral body, in each case of competent jurisdiction.
2. No Event of Default under paragraph (a) above will occur if the aggregate liability under that judgment or order is less than US$10,000,000 (or its equivalent in any other currency or currencies) and is discharged within 45 days.

j. Unlawfulness and invalidity
1. It is or becomes unlawful for the Borrower to perform any of its obligations under the Finance Documents or any Transaction Security created or expressed to be created or evidenced by the Security Documents is not or ceases to be effective or does not or ceases to have the ranking and priority it is expressed to have.
2. Any obligation or obligations of the Borrower under any Finance Documents are not or cease to be legal, valid, binding or enforceable and the cessation individually or cumulatively materially and adversely affects the interests of the Lenders under the Finance Documents.
3. Any Finance Document is not or ceases to be in full force and effect or any Transaction Security is not or ceases to be legal, valid, binding, enforceable or effective or is alleged by a party to it (other than a Finance Party) to be ineffective.

k. Repudiation and rescission of agreements
The Borrower rescinds or purports to rescind or repudiates or purports to repudiate a Finance Document or any of the Transaction Security or evidences an intention to rescind or repudiate a Finance Document or any Transaction Security.

l. Cessation of business
The Borrower suspends or ceases to carry on (or threatens to suspend or cease to carry on) all or a material part of its business.

m. Audit qualification
The auditors of the Group qualify the audited annual consolidated financial statements of the Borrower where such qualification has or is reasonably likely to have a Material Adverse Effect (or is a reasonable basis to determine that a Material Adverse Effect has occurred).

n. Litigation
Any litigation, arbitration, administrative, governmental, criminal, regulatory or other investigation, proceeding or dispute is commenced or threatened:
i. in relation to the Finance Documents or the transactions contemplated in the Finance Documents; or
ii. otherwise against any member of the Group or its assets (or against the directors of any member of the Group), which (in each case) is reasonably likely to be adversely determined and, if adversely determined, will have or is reasonably likely to have a Material Adverse Effect.

o. Expropriation
   1. All or a substantial part of the shares of the Borrower are subject to any seizure, expropriation, nationalisation, compulsory acquisition, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person.
   2. The authority or ability of the Borrower to conduct its business is limited or wholly or substantially curtailed by any seizure, expropriation, nationalisation, compulsory acquisition, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person in relation to the Borrower or any of its assets (including the displacement of all or part of the management of the Borrower).

p. Convertibility/Transferability
   Any foreign exchange law is amended, enacted or introduced or is reasonably likely to be amended, enacted or introduced in the Relevant Jurisdiction of the Borrower or that (in the opinion of the Majority Lenders):
   i. has or is reasonably likely to have the effect of prohibiting, or restricting or delaying in any material respect any payment that the Borrower may be required to make pursuant to the terms of any of the Finance Documents; or
   ii. is materially prejudicial to the interests of the Finance Parties under or in connection with any of the Finance Documents.

q. Material Licences
   1. Any Material Licence is terminated, cancelled, suspended or revoked (whether wholly or in part).
   2. Any restrictions or conditions are imposed on any Material Licence (whether on renewal or otherwise) which has or is reasonably likely to have a Material Adverse Effect.
   3. Any Material Licence is modified or varied in a way that is adverse in any material respect to the interests of the relevant member or members of the Group.
   4. Any Material Licence expires and is not renewed on substantially the same terms where such expiry or failure to renew has or is reasonably likely to have a Material Adverse Effect.

r. Moratorium
   The government of India, RBI or any relevant Governmental Agency declares a general moratorium or "standstill" (or makes or passes any order or regulation having a similar effect) in respect of the payment or repayment of any Financial Indebtedness (whether in the nature of principal, interest or otherwise) (or any indebtedness which includes Financial Indebtedness) owed by the Borrower (and whether such declaration, order or regulation is of general application, applies to a class of persons which includes the Borrower or to the Borrower alone).

s. Material adverse change
   Any event or circumstance occurs which the Majority Lenders reasonably believe has or is reasonably likely to have a Material Adverse Effect.

t. Acceleration
   On and at any time after the occurrence of an Event of Default which is continuing the Agent may, and shall if so, directed by the Majority Lenders:
   I. by notice to the Borrower:
      (i) without prejudice to the participation of any Lender in any Loans then outstanding: cancel each Available Commitment of each Lender (and reduce them to zero), whereupon they shall immediately be cancelled (and reduced to zero) and each Facility shall immediately cease to be available for further utilisation; or cancel any part of any Available Commitment (and reduce such Available Commitment accordingly), whereupon the relevant part shall immediately be cancelled (and the relevant Available Commitment shall be immediately reduced accordingly) and the relevant Facility shall immediately cease to be available for further utilisation to the extent of such cancellation; and/or
      (ii) declare that all or part of the Loans, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents be immediately due and payable, whereupon they shall become immediately due and payable.
      (iii) declare that all or part of the Loans be payable on demand, whereupon they shall immediately become payable on demand by the Agent on the instructions of the Majority Lenders; and/or
   II. exercise or direct the Agent to exercise any or all of its rights, remedies, powers or discretions under the Finance Documents.

u. Major Default Event
Notwithstanding the provisions of Clause 24.20 (*Acceleration*), on and at any time after the occurrence of a Major Default Event which is continuing, any Lender (an "Instructing Lender") shall have the right to direct the Agent to take such action as set out in paragraph 24.20(a)(i) of Clause 24.20 (*Acceleration*) and/or direct the Agent to declare all of the Loan(s) (but not part), together with accrued interest and all other amounts accrued or outstanding under the Finance Documents immediately due and payable (pursuant to paragraph 24.20(a)(ii) of Clause 24.20 (*Acceleration*)) provided that the Instructing Lender gives the Agent and the other Lenders at least 5 Business Days' notice of its intention to so direct the Agent.

Bank of Baroda

Prepayment Penalty: Agreements do not have any provisions for prepayment penalty

Rescheduling: Agreements do not have any provisions for rescheduling.

Rating of the facility: ICRA AA/ Negative

Events of default:

Each of the events or circumstances set out in this Clause 21 is an Event of Default (save for Clause 22.20 (*Acceleration*)).

Non-payment

The Borrower does not pay on the due date any amount payable pursuant to a Finance Document at the place at and in the currency in which it is expressed to be payable unless:

(a) its failure to pay is caused by:
(i) administrative or technical error; or
(ii) a Disruption Event; and
(b) payment is made within five Business Days of its due date.

It is hereby clarified that the failure to pay by the Borrower of the principal and/ or the interest thereon when due and payable under this Agreement shall result in a downgrade of the Borrower's loan account with each Lender from 'standard asset' to each category of 'special mention account' and subsequently to a "non-performing asset", as per the table set out below, in accordance with:

(a) the applicable laws of the Republic of India, including directions, notifications, circulars or regulations prescribed by the RBI.
(b) the RBI circular DBR.No.BP.BC.45/21.04.048/2018-19 dated 7 June 2019 on 'Prudential Framework for Resolution of Stressed Assets'; and
(c) instructions and guidance issued by RBI from time to time.
SMA Sub-categories Basis for classification

– Principal or interest payment or any other amount wholly or partly overdue:	
SMA-0	Up to 30 days
SMA-1	More than 30 days and up to 60 days
SMA-2	More than 60 days and up to 90 days
Non-performing asset (NPA)	More than 90 days

The Parties note that SMA/NPA classification methodology is subject to instruction/guidance issued by RBI from time to time and an illustrative example of SMA/NPA classification dates is as follows:
(a) If due date of a loan account is March 31, 2021, and full dues are not received before the lending institution runs the day-end process for this date, the date of overdue shall be March 31, 2021. If it continues to remain overdue, then this account shall get tagged as SMA-1 upon running day-end process on April 30, 2021, i.e. upon completion of 30 days of being continuously overdue. Accordingly, the date of SMA-1 classification for that account shall be April 30, 2021.

(b) Similarly, if the account continues to remain overdue, it shall get tagged as SMA-2 upon running day-end process on May 30, 2021, and if continues to remain overdue further, it shall get classified as NPA upon running day-end process

on June 29, 2021.

Financial covenants and other obligations

(a) Any requirement of Clause 19 (*Financial covenants*) is not satisfied.
(b) Any requirement of Clause 20.15 (*Anti-corruption law*) or Clause 20.16 (*Sanctions*).
(c) The Borrower does not comply with any provision of any Security Document.

Other obligations

(a) The Borrower does not comply with any provision of the Finance Documents (other than those referred to in Clause 21.1 (*Non-payment*) and Clause 21.2 (*Financial covenants and other obligations*)).
(b) No Event of Default under paragraph (a) above will occur if the failure to comply is capable of remedy and is remedied within 15 days of the earlier of (i) the Agent giving notice to the Borrower and (ii) the Borrower, becoming aware of the failure to comply.

Misrepresentation

(a) Any representation or statement made or deemed to be made by the Borrower in the Finance Documents or any other document delivered by or on behalf of the Borrower under or in connection with any Finance Document is or proves to have been incorrect or misleading in any material respect (save that, where such representation or statement is qualified by reference to materiality or Material Adverse Effect, in any respect) when made or deemed to be made.
(b) No Event of Default under paragraph (a) above will occur if the misrepresentation or misstatement is capable of remedy and is remedied within 15 days of the earlier of (i) the Agent giving notice to the Borrower and (ii) the Borrower, becoming aware of the misrepresentation or misstatement.

Cross default

(a) Any Financial Indebtedness is not paid when due nor within any originally applicable grace period.
(b) Any Financial Indebtedness is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default (however described).
(c) Any commitment for any Financial Indebtedness is cancelled or suspended by a creditor of any member of the Group as a result of an event of default (however described).
(d) No Event of Default will occur under this Clause 21.5 if the aggregate amount of Financial Indebtedness or commitment for Financial Indebtedness falling within paragraphs (a) to (d) above is less than US$10,000,000 (or its equivalent in any other currency or currencies).

Insolvency

(a) In case the borrower is:
(i) is unable or admits inability or is presumed or deemed to be unable to pay its debts as they fall due.
(ii) suspends or threatens to suspend making payments on any of its debts; or
(iii) by reason of actual or anticipated financial difficulties, commences negotiations with one or more of its creditors (excluding any Finance Party in its capacity as such) with a view to rescheduling any of its indebtedness.
(b) The value of the assets of is less than its liabilities (taking into account contingent and prospective liabilities).
(c) A moratorium is declared in respect of any indebtedness. If a moratorium occurs, the ending of the moratorium will not remedy any Event of Default caused by that moratorium.

Insolvency proceedings

(a) Any corporate action, legal proceedings or other procedure or step is taken in relation to:

(i) the suspension of payments, a moratorium of any indebtedness, winding-up, dissolution, administration, judicial management, provisional supervision or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) other than a solvent liquidation or reorganisation of any member of the Group which is not the Borrower.
(ii) a composition, compromise, assignment or arrangement with any creditor.
(iii) the appointment of a liquidator (other than in respect of a solvent liquidation of a member of the Group which is not the Borrower), receiver, judicial manager, administrative receiver, administrator, compulsory manager, provisional supervisor or other similar officer in respect of any of its assets; or

(iv) enforcement of any Security over any assets.
(v) the preparation of a resolution plan or restructuring for the Borrower or a member of the Group pursuant to RBI's Prudential Framework for Resolution of Stressed Assets dated 7 June 2019, as amended or replaced from time to time or any other guidelines or regulations issued, or framework set up by the RBI or other competent authorities in relation to resolution of stressed assets or non-performing assets.
(vi) the Borrower by way of filing of an application by any "appropriate regulator" (as defined under the Insolvency and Bankruptcy Code of India, 2016, its rules and regulations or any other analogous law or regulation) for initiation of an insolvency resolution process under the Insolvency and Bankruptcy Code of India, 2016 or any other analogous law or regulation.
(vii) initiation of an insolvency resolution process under the Insolvency and Bankruptcy Code, 2016 of India (incorporated in India) (including filing of an insolvency resolution application before any National Company Law Tribunal of India); or any analogous procedure or step is taken in any jurisdiction.

(b) This Clause 21.7 shall not apply to:
(i) any winding-up petition which is frivolous or vexatious and is discharged, stayed or dismissed within 45 days of commencement: or
(ii) any step or procedure contemplated in Clause 21.8

Creditors' process

Any expropriation, attachment, sequestration, distress or execution (or any analogous process in any jurisdiction) affects any asset or assets of a member of the Group having an aggregate value of US$10,000,000 (or its equivalent in any other currency or currencies) and is not discharged within 30 days.

Failure to comply with court judgment or arbitral award

(a) Borrower fails to comply with or pay by the required time any sum due from it under any final judgment or any final order made or given by a court or arbitral tribunal or other arbitral body, in each case of competent jurisdiction.
(b) No Event of Default under paragraph (a) above will occur if the aggregate liability under that judgment or order is less than US$10,000,000 (or its equivalent in any other currency or currencies) and is discharged within 45 days.

Unlawfulness and invalidity

(a) It is or becomes unlawful for the Borrower to perform any of its obligations under the Finance Documents or any Transaction Security created or expressed to be created or evidenced by the Security Documents is not or ceases to be effective or does not or ceases to have the ranking and priority it is expressed to have.

(b) Any obligation or obligations of the Borrower under any Finance Documents are not or cease to be legal, valid, binding or enforceable and the cessation individually or cumulatively materially and adversely affects the interests of the Lenders under the Finance Documents.

(c) Any Finance Document is not or ceases to be in full force and effect or any Transaction Security is not or ceases to be legal, valid, binding, enforceable or effective or is alleged by a party to it (other than a Finance Party) to be ineffective.

Repudiation and rescission of agreements

The Borrower rescinds or purports to rescind or repudiates or purports to repudiate a Finance Document or any of the Transaction Security or evidences an intention to rescind or repudiate a Finance Document or any Transaction Security.

Cessation of business

The Borrower suspends or ceases to carry on (or threatens to suspend or cease to carry on) all or a material part of its business.

Litigation

Any material litigation, arbitration, administrative, governmental, criminal, regulatory or other investigation, proceeding or dispute is commenced or threatened which (in each case) is reasonably likely to be adversely determined and, if adversely determined, will have or is reasonably likely to have a Material Adverse Effect.

Expropriation

(a) All or a substantial part of the shares of the Borrower are subject to any seizure, expropriation, nationalisation, compulsory acquisition, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person.

(b) The authority or ability of the Borrower to conduct its business is limited or wholly or substantially curtailed by any seizure, expropriation, nationalisation, compulsory acquisition, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person in relation to the Borrower or any of its assets (including the displacement of all or part of the management of the Borrower).

Convertibility/Transferability

Any foreign exchange law is amended, enacted or introduced or is reasonably likely to be amended, enacted or introduced in the Relevant Jurisdiction of the Borrower or that (in the opinion of the Majority Lenders):

(a) has or is reasonably likely to have the effect of prohibiting, or restricting or delaying in any material respect any payment that the Borrower may be required to make pursuant to the terms of any of the Finance Documents; or

(b) is materially prejudicial to the interests of the Finance Parties under or in connection with any of the Finance Documents.

Material Licenses

(a) Any Material License is terminated, cancelled, suspended or revoked (whether wholly or in part).

(b) Any restrictions or conditions are imposed on any Material License (whether on renewal or otherwise) which has or is reasonably likely to have a Material Adverse Effect.

(c) Any Material License is modified or varied in a way that is adverse in any material respect to the interests of the relevant member or members of the Group.

(d) Any Material License expires and is not renewed on substantially the same terms where such expiry or failure to renew has or is reasonably likely to have a Material Adverse Effect.

Moratorium

The government of India, RBI or any relevant Governmental Agency declares a general moratorium or "standstill" (or makes or passes any order or regulation having a similar effect) in respect of the payment or repayment of any Financial Indebtedness (whether in the nature of principal, interest or otherwise) (or any indebtedness which includes Financial Indebtedness) owed by the Borrower (and whether such declaration, order or regulation is of general application, applies to a class of persons which includes the Borrower or to the Borrower alone).

Material adverse change

Any event or circumstance occurs which the Majority Lenders reasonably believe has or is reasonably likely to have a Material Adverse Effect.

Acceleration

On and at any time after the occurrence of an Event of Default which is continuing the Agent may, and shall if so, directed by the Majority Lenders:

(a) by notice to the Borrower:

(i) without prejudice to the participation of any Lender in the then outstanding: cancel each Available Commitment of each Lender (and reduce them to zero), whereupon they shall immediately be cancelled (and reduced to zero) and each Facility shall immediately cease to be available for further utilisation; or cancel any part of any Available Commitment (and reduce such Available Commitment accordingly), whereupon the relevant part shall immediately be cancelled (and the relevant Available Commitment shall be immediately reduced accordingly) and the relevant

Facility shall immediately cease to be available for further utilisation to the extent of such cancellation; and/or
(ii) declare that all or part of the Loans, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents be immediately due and payable, whereupon they shall become immediately due and payable.
(iii) declare that all or part of the Loans be payable on demand, whereupon they shall immediately become payable on demand by the Agent on the instructions of the Majority Lenders; and/or

(b) exercise or direct the Agent to exercise any or all of its rights, remedies, powers or discretions under the Finance Documents.

Major Default Event

Notwithstanding the provisions of Clause 21.19 (*Acceleration*), on and at any time after the occurrence of a Major Default Event which is continuing, any Lender (an "**Instructing Lender**") shall havee the right to direct the Agent to take such action as set out in paragraph (a)(i) of Clause 21.19 (*Acceleration*) and/or direct the Agent to declare all of the Loans (but not part), together with accrued interest and all other amounts accrued or outstanding under the Finance Documents immediately due and payable (pursuant to paragraph (a)(ii) of Clause 19 (*Acceleration*)) provided that the Instructing Lender gives the Agent and the other Lenders at least 5 Business Days' notice of its intention to so direct the Agent.

Mizuho Bank Limited

Prepayment Penalty: Agreements do not have any provisions for prepayment penalty

Rescheduling: Agreements do not have any provisions for rescheduling.

Events of default

Each of the events or circumstances set out in this Clause 21 is an Event of Default (save for Clause 21.19 (*Acceleration*)).

21.1 **Non-payment**

The Borrower does not pay on the due date any amount payable pursuant to a Finance Document at the place at and in the currency in which it is expressed to be payable unless:

(a) its failure to pay is caused by:
(i) administrative or technical error; or
(ii) a Disruption Event; and
(b) payment is made within three Business Days of its due date.

It is hereby clarified that the failure to pay by the Borrower of the principal and/ or the interest thereon when due and payable under this Agreement shall result in a downgrade of the Borrower's loan account with each Lender from 'standard asset' to each category of 'special mention account' and subsequently to a "non-performing asset", as per the table set out below, in accordance with:

(a) the applicable laws of the Republic of India, including directions, notifications, circulars or regulations prescribed by the RBI.
(b) the RBI circular DBR.No.BP.BC.45/21.04.048/2018-19 dated 7 June 2019 on 'Prudential Framework for Resolution of Stressed Assets'; and
(c) instructions and guidance issued by RBI from time to time.

SMA Sub-categories Basis for classification – Principal or interest payment or any other amount wholly or partly overdue:
SMA-0 Up to 30 days
SMA-1 More than 30 days and up to 60 days
SMA-2 More than 60 days and up to 90 days
Non-performing asset (NPA) More than 90 days

The Parties note that SMA/NPA classification methodology is subject to instruction/guidance issued by RBI from time to time and an illustrative example of SMA/NPA classification dates is as follows:

(a) If due date of a loan account is March 31, 2021, and full dues are not received before the lending institution runs the day-end process for this date, the date of overdue shall be March 31, 2021. If it continues to remain overdue, then this account shall get tagged as SMA-1 upon running day-end process on April 30, 2021, i.e. upon completion of 30 days of being continuously overdue. Accordingly, the date of SMA-1 classification for that account shall be April 30, 2021.

(b) Similarly, if the account continues to remain overdue, it shall get tagged as SMA-2 upon running day-end process on May 30, 2021, and if continues to remain overdue further, it shall get classified as NPA upon running day-end process on June 29, 2021.

Financial covenants and other obligations

(a) Any requirement of Clause 19 (*Financial covenants*) is not satisfied.
(b) Any requirement of Clause 20.13 (*Anti-Terrorism, Anti-Money Laundering Laws and Economic Sanctions Laws*) is not satisfied.
(c) The Borrower does not comply with any provision of any Security Document.

Other obligations

(a) The Borrower does not comply with any provision of the Finance Documents (other than those referred to in Clause 21.1 (*Non-payment*) and Clause 21.2 (*Financial covenants and other obligations*)).

(b) No Event of Default under paragraph (a) above will occur if the failure to comply is capable of remedy and is remedied within 15 days of the earlier of (i) the Agent giving notice to the Borrower and (ii) the Borrower, becoming aware of the failure to comply.

Misrepresentation

(a) Any representation or statement made or deemed to be made by the Borrower in the Finance Documents or any other document delivered by or on behalf of the Borrower under or in connection with any Finance Document is or proves to have been incorrect or misleading in any material respect (save that, where such representation or statement is qualified by reference to materiality or Material Adverse Effect, in any respect) when made or deemed to be made.

(b) No Event of Default under paragraph (a) above will occur if the misrepresentation or misstatement is capable of remedy and is remedied within 15 days of the earlier of (i) the Agent giving notice to the Borrower and (ii) the Borrower, becoming aware of the misrepresentation or misstatement.

Cross default

(a) Any Financial Indebtedness of any member of the Group is not paid when due nor within any originally applicable grace period.
(b) Any Financial Indebtedness o f a n y member e r o f t h e Gr o u p is declared to be or otherwise becomes due and payable prior to its specified maturity as a result of an event of default (however described).
(c) Any commitment for any Financial Indebtedness of any member of the Group is cancelled or suspended by a creditor of any member of the Group as a result of an event of default (however described).
(d) No Event of Default will occur under this Clause 21.5 if the aggregate amount of Financial Indebtedness or commitment for Financial Indebtedness of any member of the Group falling within paragraphs (a) to (c) above is less than US$10,000,000 (or its equivalent in any other currency or currencies).

Insolvency

(a) In case the Borrower:

(i) is unable or admits inability or is presumed or deemed to be unable to pay its debts as they fall due.
(ii) suspends or threatens to suspend making payments on any of its debts; or
(iii) by reason of actual or anticipated financial difficulties, commences negotiations with one or more of its creditors (excluding any Finance Party in its capacity as such) with a view to rescheduling any of its indebtedness.

(b) The value of the assets of is less than its liabilities (taking into account contingent and prospective liabilities).

(c) A moratorium is declared in respect of any indebtedness. If a moratorium occurs, the ending of the moratorium will not remedy any Event of Default caused by that moratorium.

Insolvency proceedings

(a) Any corporate action, legal proceedings or other procedure or step is taken in relation to:

(i) the suspension of payments, a moratorium of any indebtedness, winding-up, dissolution, administration, judicial management, provisional supervision or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) other than a solvent liquidation or reorganisation of any member of the Group which is not the Borrower.
(ii) a composition, compromise, assignment or arrangement with any creditor.
(iii) the appointment of a liquidator (other than in respect of a solvent liquidation of a member of the Group which is not the Borrower), receiver, judicial manager, administrative receiver, administrator, compulsory manager, provisional supervisor or other similar officer in respect of any of its assets; or
(iv) enforcement of any Security over any assets.
(v) the preparation of a resolution plan or restructuring for the Borrower or a member of the Group pursuant to the Stressed Assets Framework.
(vi) the Borrower by way of filing of an application by any "appropriate regulator" (as defined under the Insolvency and Bankruptcy Code of India, 2016, its rules and regulations or any other analogous law or regulation) for initiation of an insolvency resolution process under the Insolvency and Bankruptcy Code of India, 2016 or any other analogous law or regulation.
(vii) initiation of an insolvency resolution process under the Insolvency and Bankruptcy Code, 2016 of India (incorporated in India) (including filing of an insolvency resolution application before any National Company Law Tribunal of India); or any analogous procedure or step is taken in any jurisdiction.

(b) This Clause 21.7 shall not apply to:

(i) any winding-up petition which is frivolous or vexatious and is discharged, stayed or dismissed within 45 days of commencement: or

Creditors' process

Any expropriation, attachment, sequestration, distress or execution (or any analogous process in any jurisdiction) affects any asset or assets of a member of the Group having an aggregate value of US$10,000,000 (or its equivalent in any other currency or currencies) and is not discharged within 30 days.

Failure to comply with court judgment or arbitral award

(a) Borrower fails to comply with or pay by the required time any sum due from it under any final judgment or any final order made or given by a court or arbitral tribunal or other arbitral body, in each case of competent jurisdiction.

(b) No Event of Default under paragraph (a) above will occur if the aggregate liability under that judgment or order is less than US$10,000,000 (or its equivalent in any other currency or currencies) and is discharged within 45 days.

Unlawfulness and invalidity

(a) It is or becomes unlawful for the Borrower to perform any of its obligations under the Finance Documents or any Transaction Security created or expressed to be created or evidenced by the Security Documents is not or ceases to be effective or does not or ceases to have the ranking and priority it is expressed to have.

(b) Any obligation or obligations of the Borrower under any Finance Documents are not or cease to be legal, valid, binding or enforceable and the cessation individually or cumulatively materially and adversely affects the interests of the Lenders under the Finance Documents.
(c) Any Finance Document is not or ceases to be in full force and effect or any Transaction Security is not or ceases to be legal, valid, binding, enforceable or effective or is alleged by a party to it (other than a Finance Party) to be ineffective.

Repudiation and rescission of agreements

The Borrower rescinds or purports to rescind or repudiates or purports to repudiate a Finance Document or any of the Transaction Security or evidences an intention to rescind or repudiate a Finance Document or any Transaction Security.

Cessation of business

The Borrower suspends or ceases to carry on (or threatens to suspend or cease to carry on) all or a material part of its business.

Litigation

Any material litigation, arbitration, administrative, governmental, criminal, regulatory or other investigation, proceeding or dispute is commenced or threatened which (in each case) is reasonably likely to be adversely determined and, if adversely determined, will have or is reasonably likely to have a Material Adverse Effect.

Expropriation

(a) All or a substantial part of the shares of the Borrower are subject to any seizure, expropriation, nationalisation, compulsory acquisition, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person.

(b) The authority or ability of the Borrower to conduct its business is limited or wholly or substantially curtailed by any seizure, expropriation, nationalisation, compulsory acquisition, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person in relation to the Borrower or any of its assets (including the displacement of all or part of the management of the Borrower).

Convertibility/Transferability

Any foreign exchange law is amended, enacted or introduced or is reasonably likely to be amended, enacted or introduced in the Relevant Jurisdiction of the Borrower or that (in the opinion of the Majority Lenders):

(a) has or is reasonably likely to have the effect of prohibiting, or restricting or delaying in any material respect any payment that the Borrower may be required to make pursuant to the terms of any of the Finance Documents; or
(b) is materially prejudicial to the interests of the Finance Parties under or in connection with any of the Finance Documents.

Material Licences

(a) Any Material Licence is terminated, cancelled, suspended or revoked (whether wholly or in part).
(b) Any restrictions or conditions are imposed on any Material Licence (whether on renewal or otherwise) which has or is reasonably likely to have a Material Adverse Effect.
(c) Any Material Licence is modified or varied in a way that is adverse in any material respect to the interests of the relevant member or members of the Group.
(d) Any Material Licence expires and is not renewed on substantially the same terms where such expiry or failure to renew has or is reasonably likely to have a Material Adverse Effect.

Moratorium

The government of India, RBI or any relevant Governmental Agency declares a general moratorium or "standstill" (or makes or passes any order or regulation having a similar effect) in respect of the payment or repayment of any Financial Indebtedness (whether in the nature of principal, interest or otherwise) (or any indebtedness which includes Financial Indebtedness) owed by the Borrower (and whether such declaration, order or regulation is of general application, applies to a class of persons which includes the Borrower or to the Borrower alone).

Material adverse change

Any event or circumstance occurs which the Majority Lenders reasonably believe has or is reasonably likely to have a Material Adverse Effect.

Acceleration

On and at any time after the occurrence of an Event of Default which is continuing the Agent may, and shall if so, directed by the Majority Lenders:

(a) by notice to the Borrower:

(i) without prejudice to the participation of any Lender in the then outstanding: cancel each Available Commitment of each Lender (and reduce them to zero), whereupon they shall immediately be cancelled (and reduced to zero) and each Facility shall immediately cease to be available for further utilisation; or cancel any part of any Available Commitment (and reduce such Available Commitment accordingly), whereupon the relevant part shall immediately be cancelled (and the relevant Available Commitment shall be immediately reduced accordingly) and the relevant Facility shall immediately cease to be available for further utilisation to the extent of such cancellation; and/or
(ii) declare that all or part of the Loans, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents be immediately due and payable, whereupon they shall become immediately due and payable.
(iii) declare that all or part of the Loans be payable on demand, whereupon they shall immediately become payable on demand by the Agent on the instructions of the Majority Lenders; and/or

(b) exercise or direct the Agent to exercise any or all of its rights, remedies, powers or discretions under the Finance Documents.

Major Default Event

Notwithstanding the provisions of Clause 21.19 (*Acceleration*), on and at any time after the occurrence of a Major Default Event which is continuing, any Lender (an "**Instructing Lender**") shall havee the right to direct the Agent to take such action as set out in paragraph (a)(i) of Clause 21.19 (*Acceleration*) and/or direct the Agent to declare all of the Loans (but not part), together with accrued interest and all other amounts accrued or outstanding under the Finance Documents immediately due and payable (pursuant to paragraph (a)(ii) of Clause 19 (*Acceleration*)) provided that the Instructing Lender gives the Agent and the other Lenders at least 5 Business Days' notice of its intention to so direct the Agent.

through a security trustee arrangement entered into by the company, security Trustee and the lenders.

Penalty: The loan documentation executed with respect to the term loans mentioned above set out penalty provisions for compliance with the provisions of the loan documents. Such provisions include, but are not limited to:

a. Additional interest of up to 2% per month on overdue portion of the amount for the period of default in case of any delay default in payment of principal or interest.

b. Penalty of up to 2% per month in cases of pre-payment of the loan facility.

c. Penalty of 1% per annum in case the Company fails to obtain and keep alive external credit rating form any one of the RBI approved agencies.

d. Penalty of up to 2% per annum in case of breach of terms and conditions of the loan agreements.

e. Penalty of up to 2% per annum in case of non-creation of security as per the loan agreements.

Rescheduling: None of the loan documents provides for rescheduling provision.

Events of Default: The facility documents executed by the Company stipulates certain events as "*Events of Default*", pursuant to which the Company may be required to immediately repay the entire loan facility availed by it and be subject to additional penalties by the relevant lenders. Such events include, but are not limited to:

a) Any of the instalment amount referred to herein above being unpaid on the due date for payment thereof.

b) Any representation and/or the statements made by the Company in the application being found to be incorrect and or the Company committing any breach or default in the performance or observance of any terms, conditions or provisions contained in the said application and/or the letter of sanction.

c) Any deterioration or impairment of the security provided by the Company to the lenders or any decline or depreciation in the value or market price thereof which causes the security rendered to become unsatisfactory as to character or value.

d) Company entering into any arrangement or composition with Company's creditors or committing any act the consequence of which may lead to Company being ordered to be wound up.

e) Any process being issued against the Company for execution of a decree and/or for attachment before judgment resulting in any of the property belonging to and/or under the control of the Company being attached.

f) Any order being made, or a resolution being passed for the winding up of the Company.

g) A receiver being appointed of the entire properties or any part thereof belonging to or under the control of Company.

h) If any attachment, distress, execution or other process is initiated against the Company or any of the security provided by the Company is enforced.

i) If the Company enters into amalgamation, reorganisation or reconstruction or there is a change of control of the Company without the prior consent of the lender's debenture trustee in writing.

j) The Company ceasing or threatening to cease to carry on business or giving or threatening to give notice of Company's intention to do so.

k) A firm of accountants appointed by the lender certifying that the liabilities of the Company exceed the assets owned and/or under the control of the Company and/or that the Company is carrying on business in loss.

l) The occurrence of any event or circumstances which would or is likely to prejudicially or adversely affect in any manner the capacity of the Company to either repay the said advance or to carry out the said proposal.

m) Failure of the Company to pay on the due date upon which any amount is due and payable whether by way of interest, principal or any other sum stated as payable under this facility.

n) If the borrower commits any breach of or omit to observe any of its covenants, obligations or undertakings under the term loan and in case of any such breach or omission capable of being remedied, such breach or omission is not remedied within 30 days.

Security Clause

Above debentures are fully secured by first pari passu charge on receivables of the Company current assets book debts, present and future receivables.

Penalty Clause

a. In case of default in payment of interest and/or principal redemption on the due dates, additional interest of at least 2% p.a. over the coupon rate shall be payable by our Company for the defaulting period.

b. In case of delay in listing of the debt securities beyond the stipulated, our Company shall pay penal interest of at least 1% p.a. over the coupon rate from the deemed date of allotment till the listing of such debt securities to the investor.

c. Security to be created in accordance with applicable SEBI regulations. In case of delay in execution of trust deed and charge documents, the Company would refund the subscription with agreed rate of interest or will pay penal interest of at least 2% p.a. over the coupon rate till these conditions are complied with at the option of the investor.

Event of Default

a. When the Company defaults in payment of the principal amounts of Secured Debentures on the due dates(s).

b. When the Company makes a default in the payment of any interest on the Secured Debentures on the relevant due dates which ought to have been paid in accordance with the terms of the issue.

c. When the default is committed in payment of any another money including costs, charges and expenses incurred by the Debenture Trustee and such default continues for a period of 30 (thirty) continuous Business Days.

d. When the default is committed in the performance or observance of any covenant, condition or provision in relation to the secured debentures, except where the Debenture Trustee certifies that such default is in its final and confirmed reasonable opinion incapable of remedy (in which case no notice shall be required), such default continues for 30 days after written notice has been given thereof by the Debenture Trustee to the company requiring the same to be remedied;

e. Any material indebtedness of the company for and in respect of monies borrowed or raised by the company by whatever means becomes due prior to its stated maturity by reason of default of the terms thereof, or there is a default in making payments due under any guarantee or indemnity given by the company in respect of the material indebtedness or borrowed monies of any other Person, and proceedings are initiated by the relevant lender or creditor in connection with such default, for recovery of such indebtedness or for enforcement or invocation of such guarantee or indemnity;

f. Any information, representation, warranty, statement, certificate given by the Company to the Secured Debenture Holders or the Debenture Trustee and the warranties given or deemed to have been given by it to the Secured Debenture Holders, or the Debenture Trustee is misleading or incorrect in any material respect.

g. If the company is unable to pay its material debts (in the reasonable opinion of the Debenture Trustee) or proceedings for taking it into voluntary liquidation may be or have been commenced or a competent court admits any petition for winding up, which is not stayed or vacated within 45 (forty-five) days of being admitted.

h. The Company has voluntarily become the subject of proceedings which is not stayed or vacated within 45 (forty-five) days of being admitted under any bankruptcy or insolvency law or the Company is voluntarily or involuntarily dissolved.

i. The company is unable to or has admitted in writing its inability to pay the material debts as and when the same are due by the reason of the Company's liquidity position, insufficiency of cash flows, or otherwise, it is unlikely that Company would be in a position to pay its obligations in connection with the Secured Debentures or the Company is 'unable to pay its debts' as obligated under the Act;

j. If any extra ordinary circumstances have occurred which makes it improbable for the Company to fulfil its material obligations under these presents and/or the Secured Debentures.

k. The Company ceases to carry on its business or gives notice of its intention to do so, otherwise than in pursuance of a scheme of amalgamation or reconstruction previously approved in writing by the Debenture Trustee and duly carried out into effect.

l. If the Company makes or attempts to make any alteration to its Memorandum and Articles of Association which in the reasonable opinion of the Debenture Trustee prejudicially affects the interest of the Secured Debenture Holders, without the prior intimation of the Debenture Trustee in writing at least 30 (thirty) days prior to such change or amendment being affected. Provided that the Company prior to the proposed date on which such change or amendment is to be affected, failing which the Debenture Trustee would have deemed to have consented to such change or amendment.

m. The company enters into any arrangement or composition with its creditors which affects the ability of the Company to fulfil its obligations towards payment of amounts outstanding on the Secured Debentures.

n. In the event any breach of the terms of the Shelf Prospectus read with the Tranche I Prospectus, these presents and/or Financial Covenants and Conditions (other than the obligations to pay principal and interest) in relation to the Secured Debentures and except where the Debenture Trustee certifies that such default is in its opinion incapable of remedy (in which case no notice shall be required) such default continues for 30 (thirty) days after written notice has been given by the Debenture Trustee to the Company requiring the same to be remedied.

Security Clause

Above debentures are fully secured by first pari passu charge on receivables of the Company current assets book debts, and first pari passu charge on the identified immovable property has been created to secure the repayment of ISINs: (i) INE530B07104; and (ii) INE530B07195, ranging from 1 to 1.25 times the outstanding amount.

Penalty Clause

a. In case of default in payment of interest and/or principal redemption on the due dates, additional interest of at least 2% p.a. over the coupon rate shall be payable by our Company for the defaulting period.

b. In case of delay in listing of the debt securities beyond the stipulated, our Company shall pay penal interest of at least 1% p.a. over the coupon rate from the deemed date of allotment till the listing of such debt securities to the investor.

c. Security to be created in accordance with applicable SEBI regulations. In case of delay in execution of trust deed and charge documents, the Company would refund the subscription with agreed rate of interest or will pay penal interest of at least 2% p.a. over the coupon rate till these conditions are complied with at the option of the investor.

Event of Default

The occurrence of any of the following events shall constitute an event of default by the company in relation to the Secured Debentures:

a. When the Company defaults in payment of the principal amounts of Secured Debentures on the due dates(s).

b. When the Company makes a default in the payment of any interest on the Secured Debentures on the relevant due dates which ought to have been paid in accordance with the terms of the issue.

c. When the default is committed in payment of any another money including costs, charges and expenses incurred by the Debenture Trustee and such default continues for a period of 30 (thirty) continuous Business Days.

d. When the default is committed in the performance or observance of any covenant, condition or provision in relation to the secured debentures, except where the Debenture Trustee certifies that such default is in its final and confirmed reasonable opinion incapable of remedy (in which case no notice shall be required), such default continues for 30 days after written notice has been given thereof by the Debenture Trustee to the company requiring the same to be remedied;

e. Any material indebtedness of the company for and in respect of monies borrowed or raised by the company by whatever means becomes due prior to its stated maturity by reason of default of the terms thereof, or there is a default in making payments due under any guarantee or indemnity given by the company in respect of the material indebtedness or borrowed monies of any other Person, and proceedings are initiated by the relevant lender or creditor in connection with such default, for recovery of such indebtedness or for enforcement or invocation of such guarantee or indemnity;

f. Any information, representation, warranty, statement, certificate given by the Company to the Secured Debenture Holders or the Debenture Trustee and the warranties given or deemed to have been given by it to the Secured Debenture Holders, or the Debenture Trustee is misleading or incorrect in any material respect.

g. If the company is unable to pay its material debts (in the reasonable opinion of the Debenture Trustee) or proceedings for taking it into voluntary liquidation may be or have been commenced or a competent court admits any petition for winding up, which is not stayed or vacated within 45 (forty-five) days of being admitted.

h. The Company has voluntarily become the subject of proceedings which is not stayed or vacated within 45 (forty-five) days of being admitted under any bankruptcy or insolvency law or the Company is voluntarily or involuntarily dissolved.

i. The company is unable to or has admitted in writing its inability to pay the material debts as and when the same are due by the reason of the Company's liquidity position, insufficiency of cash flows, or otherwise, it is unlikely that Company would be in a position to pay its obligations in connection with the Secured Debentures or the Company is 'unable to pay its debts' as obligated under the Act;

j. If any extra ordinary circumstances have occurred which makes it improbable for the Company to fulfil its material obligations under these presents and/or the Secured Debentures.

k. The Company ceases to carry on its business or gives notice of its intention to do so, otherwise than in pursuance of a scheme of amalgamation or reconstruction previously approved in writing by the Debenture Trustee and duly carried out into effect.

l. If the Company makes or attempts to make any alteration to its Memorandum and Articles of Association which in the reasonable opinion of the Debenture Trustee prejudicially affects the interest of the Secured Debenture Holders, without the prior intimation of the Debenture Trustee in writing at least 30 (thirty) days prior to such

change or amendment being affected. Provided that the Company prior to the proposed date on which such change or amendment is to be affected, failing which the Debenture Trustee would have deemed to have consented to such change or amendment.

m. The company enters into any arrangement or composition with its creditors which affects the ability of the Company to fulfil its obligations towards payment of amounts outstanding on the Secured Debentures.

n. In the event any breach of the terms of the Shelf Prospectus read with the Tranche I Prospectus, these presents and/or Financial Covenants and Conditions (other than the obligations to pay principal and interest) in relation to the Secured Debentures and except where the Debenture Trustee certifies that such default is in its opinion incapable of remedy (in which case no notice shall be required) such default continues for 30 (thirty) days after written notice has been given by the Debenture Trustee to the Company requiring the same to be remedied.

o. If, the Hypothecated Properties have not been kept insured or depreciate in value to such an extent that in the opinion of the Debenture Trustee further security should be given and on advising the Company to that effect, such security has not been given to the Debenture Trustee to their satisfaction, within 30 (thirty) days of such written advice being received by the Company;

p. If, without the prior written approval of the Debenture Trustee, 'the Hypothecated Properties or any part thereof is sold, disposed of, charged, encumbered or alienated, provided that, the prior approval of the Debenture Trustee shall not be so long as the Required Security Cover is maintained by the Issuer.

q. If, an attachment or restraint has been levied on the Hypothecated Properties or any part thereof or certificate proceedings have been taken or commenced for recovery of any dues from the Company; or

r. If, in the opinion of the Debenture Trustee, the Security of the Debenture holders is in jeopardy and causes a Material Adverse Effect.

s. When the Company creates or attempts to create any charge on the Hypothecated Properties or any part thereof without the prior approval of the Debenture Trustee / Debenture Holders provided that, the prior approval of the Debenture Trustee shall not be so long as the Required Security Cover is maintained by the Issuer.

t. If the Security provided herein fails below the Required Security Cover and the Company fails to create additional security in accordance with the terms of this Deed.

iii. Global Medium-Term Notes as on September 30, 2025

Security

The Security Coverage Ratio of the Issuer is at all times at a level equal to or greater than 1.0.

The Security Coverage Ratio shall mean the ratio of (i) the value of the Secured Property to (ii) the outstanding principal amount and interest of the Senior Secured Notes which are secured by the Secured Property from time to time.

(a) Non-payment
if default is made in the payment of any principal or interest due in respect of the Notes or any of them and, in the case of interest, the default continues for a period of seven (7) days; or

(b) Breach of Other Obligations
If the Issuer fails to perform or observe any of its other obligations under these Conditions or the Trust Deed, which failure is, in the opinion of the Trustee, incapable of being remedied or, if in the opinion of the Trustee it is capable of being remedied, is not, in the opinion of the Trustee, remedied within 30 days after notice requiring such failure to be remedied shall have been given to the Issuer by the Trustee; or

(c) Cross-Acceleration
(i) the acceleration of any present or future Indebtedness of the Issuer or any of its Principal Subsidiaries prior to its stated maturity by reason of any event of default or potential event of default (however described), which acceleration is not rescinded or waived; or
(ii) if the Issuer or any of its Principal Subsidiaries fails to make any payment in respect of any Indebtedness for borrowed money on the due date for payment; or
(iii) if any security given by the Issuer or any of its Principal Subsidiaries for any Indebtedness for borrowed money becomes enforceable; or

(iv) if default is made by the Issuer or any of its Principal Subsidiaries in making any payment due under any guarantee and/or indemnity given by it in relation to any Indebtedness for borrowed money of any other person,
provided that no event described in this paragraph (c) shall constitute an Event of Default unless the relevant amount of Indebtedness for borrowed money or other relative liability due and unpaid, either alone or when aggregated (without duplication) with other amounts of Indebtedness for borrowed money and/or other liabilities due and unpaid relative to all (if any) other events specified in (i) to (iv) above, amounts to at least U.S.$25,000,000 (or its equivalent in any other currency); or

(d) Winding-up
if any order is made by any competent court (to which there is no further appeal) or resolution is passed for the winding up or dissolution of the Issuer or any of its Principal Subsidiaries, save for the Scheme or for the purposes of reorganization, on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders; or

(e) Cessation of Business
if the Issuer or any of its Principal Subsidiaries ceases or threatens to cease to carry on the whole or a substantial part

of its business, save for the Scheme or for the purposes of reorganization on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders, or the Issuer or any of its Principal Subsidiaries stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or

(f) Insolvency
if the Issuer or any of its Principal Subsidiaries is declared by a court or other authority to be insolvent or bankrupt or is unable to pay its debts, or stops, suspends or threatens to stop or suspend payment of all or a material part of its debts as they mature or applies for or consents to or suffers the appointment of an administrative or other receiver, manager, administrator, liquidator or other similar official, or an administrative or other receiver, manager, administrator, liquidator or other similar official is appointed, in relation the Issuer or any of its Principal Subsidiaries or, as the case may be, in relation to the whole or any part of the undertaking or assets of any of them or an encumbrancer takes possession of the whole or any substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or any part of the undertaking or assets of any of them, and (ii) in any such case (other than the appointment of an administrator) is not stayed or discharged within 45 days; or

dd. Judicial Proceedings
if the Issuer or any of its Principal Subsidiaries initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganization or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors); or

ee. Moratorium
a moratorium (which expression shall not include any deferral or principal originally contemplated and made in accordance with the terms of any loan or other financing related agreement) is agreed or declared by the Issuer in respect of any Indebtedness for borrowed money (including any obligations arising under guarantees) of the Issuer or any of its Principal Subsidiaries; or

(i) Unlawfulness
it is or will become unlawful for the Issuer to perform or comply with any one or more of its obligations under any of the Notes or any of the Transaction Documents; or

ff. Security Enforced
an encumbrancer takes possession or an administrative or other receiver, manager or other similar person is appointed over, or an attachment order is issued in respect of, the whole or any material part of the undertaking, property, assets or revenues of the Issuer or any of its Principal Subsidiaries and in any such case such possession, appointment or attachment is not stayed or terminated or the debt on account of which such possession was taken or appointment or attachment was made is not discharged or satisfied within 45 days of such possession, appointment or the issue of such order; or

gg. Enforcement of Deed of Hypothecation or Security Documents
in respect of any Series of Senior Secured Notes only, (i) any other Series of Senior Secured Notes is (or becomes capable of being) accelerated, (ii) the Security Documents is enforced, (iii) any Security under the Security Documents at any time ceases to be in full force and effect for any reason other than the satisfaction in full of all obligations under the Trust Deed in relation to all Series of Senior Secured Notes, (iv) any Security created under the Security Documents shall be declared invalid or unenforceable or (v) the Issuer shall assert, in any pleading in any court of competition jurisdiction, that any Security is invalid or unenforceable; or

hh. Analogous Events
if any event occurs which, under the laws of India, has or may have, in the Trustee's opinion, an analogous effect to any of the events referred to in paragraphs (d) to (i) above.
Notwithstanding the foregoing provisions of these Conditions, upon the occurrence of an event specified in paragraph (f) above, all Series of Senior Secured Notes then outstanding with respect to the Security Documents shall be accelerated automatically without the need for any notice from the Trustee as so provided above, or any other formality.

iv. Securitization by way of Pass-Through Certificate (PTC) Transactions as on September 30, 2025.

Penalty Clause

In case of default in payment of interest and/or principal redemption on the due dates, additional interest of at least 2% p.a. over the coupon rate shall be payable by our Company for the defaulting period (ii) In case of delay in listing of the debt securities beyond the stipulated, our Company shall pay penal interest of at least 1% p.a. over the coupon rate from the deemed date of allotment till the listing of such debt securities to the investor.

Event of Default

The occurrence of any of the following events shall constitute an event of default by the company in relation to the Unsecured Debentures:

a) When the Company defaults in payment of the principal amounts of Unsecured Debentures on the due dates(s).

b) When the Company makes a default in the payment of any interest on the Unsecured Debentures on the relevant due dates which ought to have been paid in accordance with the terms of the issue.

c) When the default is committed in payment of any another money including costs, charges and expenses incurred by the Debenture Trustee and such default continues for a period of 30 (thirty) continuous Business Days.

d) When the default is committed in the performance or observance of any covenant, condition or provision in relation to the unsecured debentures, except where the Debenture Trustee certifies that such default is in its final and confirmed reasonable opinion incapable of remedy (in which case no notice shall be required), such default continues for 30 days after written notice has been given thereof by the Debenture Trustee to the company requiring the same to be remedied;

e) Any material indebtedness of the company for and in respect of monies borrowed or raised by the company by whatever means becomes due prior to its stated maturity by reason of default of the terms thereof, or there is a default in making payments due under any guarantee or indemnity given by the company in respect of the material indebtedness or borrowed monies of any other Person, and proceedings are initiated by the relevant lender or creditor in connection with such default, for recovery of such indebtedness or for enforcement or invocation of such guarantee or indemnity;

f) Any information, representation, warranty, statement, certificate given by the Company to the Unsecured Debenture Holders or the Debenture Trustee and the warranties given or deemed to have been given by it to the Unsecured Debenture Holders, or the Debenture Trustee is misleading or incorrect in any material respect.

g) If the company is unable to pay its material debts (in the reasonable opinion of the Debenture Trustee) or proceedings for taking it into voluntary liquidation may be or have been commenced or a competent court admits any petition for winding up, which is not stayed or vacated within 45 (forty-five) days of being admitted.

h) The Company has voluntarily become the subject of proceedings which is not stayed or vacated within 45 (forty-five) days of being admitted under any bankruptcy or insolvency law or the Company is voluntarily or involuntarily dissolved.

i) The company is unable to or has admitted in writing its inability to pay the material debts as and when the same are due by the reason of the Company's liquidity position, insufficiency of cash flows, or otherwise, it is unlikely that Company would be in a position to pay its obligations in connection with the Unsecured Debentures or the Company is 'unable to pay its debts' as obligated under the Act;

j) If any extra ordinary circumstances have occurred which makes it improbable for the Company to fulfil its material obligations under these presents and/or the Unsecured Debentures.

k) The Company ceases to carry on its business or gives notice of its intention to do so, otherwise than in pursuance of a scheme of amalgamation or reconstruction previously approved in writing by the Debenture Trustee and duly carried out into effect.

l) If the Company makes or attempts to make any alteration to its Memorandum and Articles of Association which in the reasonable opinion of the Debenture Trustee prejudicially affects the interest of the Unsecured Debenture Holders, without the prior intimation of the Debenture Trustee in writing at least 30 (thirty) days prior to such change or amendment being affected. Provided that the Company prior to the proposed date on which such change or amendment is to be affected, failing which the Debenture Trustee would have deemed to have consented to such change or amendment.

m) The company enters into any arrangement or composition with its creditors which affects the ability of the Company to fulfil its obligations towards payment of amounts outstanding on the Unsecured Debentures; and

n) In the event any breach of the terms of the Shelf Prospectus read with the Tranche I Prospectus, these presents and/or Financial Covenants and Conditions (other than the obligations to pay principal and interest) in relation to the Unsecured Debentures and except where the Debenture Trustee certifies that such default is in its opinion incapable of remedy (in which case no notice shall be required) such default continues for 30 (thirty) days after written notice has been given by the Debenture Trustee to the Company requiring the same to be remedied.

ii. **Private Placement**

+ / (-) Accrued Interest		8.05					
+ / (-) EIR		(0.61)					
+ / (-) MTM		-					
Borrowings as per Books		**332.44**					

Prepayment penalty

1.0% percent of prepayment between 60 to 90 months from the deemed date of allotment.

0.5% Percent of prepayment between 90 months from the deemed date of allotment to date to redemption.

In case revised interest rate is not acceptable, then issuer has the option to call back whole / any part of the RDB subject to approval by RBI.

In case of illegality, the RDB holder may require prepayment of RDBs. In case of change in control, subject to applicable laws and regulatory approvals, the RDB holder may by not less than 5 Business days' notice require prepayment of RDBs.

Events of Default

Each holder of a Note may, by written notice to the Issuer at the specified office of the Fiscal Agent, effective upon the date of receipt thereof by the Fiscal Agent, declare any Note held by it to be immediately due and payable and such Note accordingly shall become immediately repayable at its principal amount, together with accrued interest to the date of repayment, on the occurrence of any of the following events (each, an Event of Default):

a) If default is made in the payment of any principal, premium or interest due in respect of the Notes or any of them, unless the failure to pay is caused by administrative or technical error and payment is made within two Business Days of its due date: or

b) If the Issuer fails to perform or observe any of its other obligations under these Conditions and (except in any case where the failure is incapable of remedy, when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 14 days next following the service by any of the Noteholders on the Issuer of notice requiring the same to be remedied; or

c) If the Issuer fails to make any payment in respect of any Indebtedness for borrowed money on the due date for payment; provided that no event described in this Condition [9.1(ce)] shall constitute an Event of Default unless the relevant amount of Indebtedness for borrowed money due and unpaid, either alone or when aggregated without duplication) with other amounts of Indebtedness for borrowed money due and unpaid, amounts to at least ₹ 100,000,000 (or its equivalent in any other currency); or

d) if any order is made by any competent court or resolution is passed for the winding up or dissolution of the Issuer, save for the purposes of the Permitted Restructuring or any other reorganisation on terms previously approved in writing by an Extraordinary Resolution (as defined in the Fiscal Agency Agreement) of the Noteholders; or

e) if the Issuer ceases or threatens to cease to carry on the whole or a substantial part of its business, save for the purposes of the Permitted Restructuring or any other reorganisation on terms previously approved in writing by an Extraordinary Resolution of the Noteholders, or the Issuer stops or threatens to stop payment of, or is unable to, or admits inability to, pay its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or

f) the Issuer is declared by a competent court or other authority insolvent or bankrupt or is unable to pay its debts or stops, suspends or threatens to stop or suspend payment of all or a material part off its debts as they mature or applies for or consents to or suffers the appointment of an administrative or other receiver, manager, administrator, liquidator or other similar official is appointed in relation to the issuer or as the case maybe in relation to the whole or any substantial part of the undertaking or assets of the issuer or a distress execution attachment sequestration or other process is levied, enforced upon, sued out or put in force against the whole or any part of the undertaking or

assets of the issuer and in any such case (other than appointment of an administrator) is not stayed or discharged within 45 days; or

g) if the Issuer initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors); or

h) a moratorium (which expression shall not include any deferral of principal originally contemplated and made in accordance with the terms of any loan or other financing related agreement) is agreed or declared by the Issuer in respect of any Indebtedness for borrowed money (including any obligations arising under guarantees) of the Issuer or any of its Subsidiaries; or

i) it is or will become unlawful for the Issuer to perform or comply with any one or more of its obligations under any of the Notes; or

j) a breach by the Issuer or any of its Subsidiaries of the environmental, social and business integrity requirements set forth in Schedule B hereto; or

k) a breach by the Issuer or any of its Subsidiaries of Sanctions Laws; or

l) any merger or consolidation involving the Issuer adversely impacting the rights of the Noteholders; or

m) any material disposal of assets otherwise than in ordinary course of the Issuer's business; or

n) any withdrawal of a credit rating or a credit rating downgrade by two notches (i.e. lower than A+ level by either CARE Ratings or ICRA Limited or a similar agency)

o) If any representation or warranty contained in schedule A is found to be incorrect in any material respect; or

p) If default is made in the payment to CDC group plc of the fee as set out in clause 3.5 of the placement agreement; or

q) If the issuer fails to perform its reporting obligations as set out in the clause 3.6 of the placement agreement; or

r) If any event occurs which, under the laws of any relevant jurisdiction, has or may have, an analogous effect to any of the events referred to in subparagraphs (d) to (g) inclusive.

SECTION VI – LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATIONS

Except as stated in this section, there are no outstanding: (i) criminal proceedings; (ii) actions by statutory/regulatory authorities; (iii) claims for any indirect and direct tax liability; and (iv) other litigations which are identified as material in terms of the Materiality Threshold (as defined hereinafter below), each involving our Company, Directors, Subsidiary Companies, group companies or Promoter.

*Effective from July 27, 2023, the Board of Directors of our Company has adopted policy for determination of materiality for disclosure of events or information ("**Materiality Policy**"). Except as disclosed in this section, there are no outstanding legal proceedings which have been considered material in accordance with the resolution dated December 30, 2025, passed by the Finance Committee of Board of Directors of our Company on 'Materiality Threshold'. Further, as on the date of this Draft Shelf Prospectus, except as disclosed hereunder, our Company, Group Companies, Promoters and Directors are not involved in: (i) any outstanding action initiated by regulatory and statutory authorities (such as SEBI, RBI, Stock Exchanges or such similar authorities); (ii) any outstanding civil litigation or tax proceedings involving our Company, Subsidiaries (excluding IIFL Home Finance Limited, IIFL Samasta Finance Limited), Promoters, Directors, Group companies (excluding IIFL Capital Services Limited (formerly known as IIFL Securities Limited)), 360 One WAM Limited, 360 One Prime Limited (earlier known as IIFL Wealth Finance Limited), 5Paisa Capital Limited)), or any other person where the amount is ₹ 69.33 crore (being 5% of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of our Company or above; (iii) any outstanding criminal litigation; (iv) pending proceedings initiated against the issuer for economic offences and (v) any other pending litigation involving the Company, Promoter, Directors, Group companies or any other person, which may be considered material by our Company for the purposes of disclosure in this section of this Draft Shelf Prospectus, solely for the purpose of this Issue and whose outcome could have material adverse effect on the financial position of the issuer, which may affect the issue or the investor's decision to invest / continue to invest in the debt securities and (vi) any material event/ development or change having implications on the financials/credit quality (e.g. any material regulatory proceedings against the Company /Promoter, litigations resulting in material liabilities, corporate restructuring event etc.) which may affect the issue or the investor's decision to invest / continue to invest in the debt securities.*

Further, except as disclosed in this section, there are no (i) inquiries, inspections or investigations initiated or conducted (for which notices have been issued) under the Companies Act, 2013 in the last three years preceding the year of this Draft Shelf Prospectus involving our Company and all of its Subsidiaries, any prosecutions filed (whether pending or not) involving our Company and all of its Subsidiaries, fines imposed, compounding of offences in the last three years immediately preceding the year of this Draft Shelf Prospectus involving our Company and all its Subsidiaries; (ii) any material fraud committed against our Company in the last three financial years and current financial year, and if so, the action taken by our Company; (iii) any significant and material order passed by the regulators, courts and tribunals impacting the going concern status of our Company or its future operations; (iv) default/s and/or delay in payments of interest and principal of any kind of term loans, debt securities, commercial paper (including technical delay) and other financial indebtedness including corporate guarantee or letters of comfort issued by the company, in the preceding three years and the current financial year; (v) any default in annual filing of our Company under the Companies Act, 2013; and (vi) any litigation or legal actions, pending or taken, by any ministry or department of the government or a statutory authority or regulatory authority against the Promoters of our Company during the last three years immediately preceding the year of this Draft Shelf Prospectus, and any direction issued by such ministry or department or statutory authority upon conclusion of such litigation or legal action, if any.

Further from time to time, we have been and shall continue to be involved in legal proceedings filed by and/or against us, arising in the ordinary course of our business. We believe that the number of proceedings in which we are/were involved is not unusual for a company of our size doing business in India.

Unless stated to the contrary, the information provided below is as of the date of this Draft Shelf Prospectus.

All terms defined in a particular litigation disclosure below are for that particular litigation only.

1. Material litigations and regulatory actions involving our Company

(a) As on the date of this Draft Shelf Prospectus, following are material litigations in our Company:

Civil Litigations

By our Company

Except as disclosed below there are no civil cases filed by our Company:

1. Company application nos.222/2019 to 227/2019 dated May 22, 2019 ("**Company Applications**") were filed by our Company before the High Court, Bombay ("**Court**") against Shree Urban Infrastructure Limited ("**Respondent**") to seek leave of this Hon'ble Court under Section 446 of the Companies Act, 1956 to file proceedings against the Respondent, before this Hon'ble Court thereby seeking specific performance of the Agreement for sale of the premises. The Company Applications are currently on stay as Corporate Insolvency Resolution Process ("**CIRP**") has commenced against Shree Urban Infrastructure Limited and claims have been filed by the Company. The matter is currently pending.

2. A petition under Section 9 of the Arbitration and Conciliation Act ("**Act**") has been filed by our Company ("**Petitioner"**) against Praful Satra ("**Respondent**") before the hon'ble Delhi High Court. The Petitioner claimed for an interim relief in the form of an injunction from creating rights against the properties of the Respondent. The High Court, via order dated May 24, 2021, directed the Petitioner to approach the Arbitration tribunal under Section 17 of the Act for claiming interim reliefs. The matter is *sine die* adjourned due to personal insolvency proceedings initiated against the Respondent. The matter is currently pending.

3. A Composite Scheme of Arrangement amongst IIFL Holdings Limited, India Infoline Media & Research Services Limited, IIFL Capital Services Limited (formerly known as IIFL Securities Limited), IIFL Wealth Management Limited, India Infoline Finance Limited and IIFL Distribution Services Limited and their respective shareholders ("**Composite Scheme of Arrangement**"), was sanctioned by NCLT, Mumbai by an order dated March 7, 2019, on which, our Company was required to pay stamp duty. Upon submission of the sanctioned Composite Scheme of Arrangement to the Additional Controller of Stamps for adjudication, the Collector of Stamps issued a demand notice for ₹ 75,11,60,700 towards stamp duty dated January 10, 2022 and thereafter confirmed the demand on February 3, 2022. Our Company filed an Appeal before the Chief Controlling Revenue Authority which was rejected vide order dated September 12, 2022 and issued a Demand Notice dated October 3, 2022. Subsequently, our Company by way of a Writ Petition No. 12202 of 2022 filed before the Bombay High Court challenged the said Order dated September 12, 2022 and Demand Notice dated October 3, 2022. The matter is currently pending.

4. The Company has filed a commercial suit before the Bombay High Court against borrower M/s Akshay Developers for recovery of claim amounting to ₹ 137 crore, approximately in relation to the property mortgaged against the loan provided the Company.

5. The Company had filed a commercial suit against Asset Care & Reconstruction Enterprise Limited ("**ACRE**") before the Bombay High Court ("**Suit**") seeking the discharge/removal of ACRE as the trustee of the trust "ACRE-110-Trust" owing to its failure to meet its obligations. Further, the company has filed an Interim Application in the Suit before the Bombay High Court against ACRE seeking refund of managements fee and injunction of ACRE from acting as trustee.

6. Our Company has filed an arbitration appeal in the Delhi High Court against one said M/s Best View Properties Private Limited. The Appeal is filed against the arbitration award passed on July 3, 2024. The matter is currently pending.

Against our Company

Except as disclosed below there are no civil cases against proceedings involving our Company:

1. A Securitisation Application No. 39 of 2021 was filed by Shattaf Construction Company Pvt Ltd ("**Guarantor**") before the Debt Recovery Tribunal, at Mumbai ("**DRT**") against India Infoline Finance Limited (now merged with the Company) praying that the possession notice dated September 27, 2019, issued

by India Infoline Finance Limited (now merged with the Company) in relation to the alleged default in repayment of ₹51.18 crore by the Borrower, be declared null and void. The matter is currently pending.

2. Rakesh Sheth ("**Petitioner**") filed a public interest litigation on January 21, 2019 against SEBI, the Ministry of Corporate Affairs, Serious Fraud Investigation Office and India Infoline Finance Limited (now merged with the Company) before the High Court of Madras. The Petitioner had stated that India Infoline Finance Limited is set to raise ₹ 2000 crore via retail bonds and since India Infoline Finance Limited Commodities Limited (an associate company of India Infoline Finance Limited (now merged with the Company) with common shareholders and common directors) is an accused in the NSEL scam case, India Infoline Finance Limited (now merged with the Company) should not be allowed to access funds from the market. The matter is currently pending.

3. Amit Mavi has also filed a company petition no. 237 (MB)/2021 against our Company before NCLT Mumbai seeking an investigation in the affairs of our Company, a forensic audit to be conducted into the accounts and entries of our Company, and conduct an inspection and audit into the accounts of the IIFL entities. The matter is pending before the tribunal.

4. A company appeal was filed by Vinay Jain before National Company Law Appellate, Delhi ("**NCLAT**") against our Company seeking setting aside of the order passed by NCLT, New Delhi wherein, the direction regarding the handing over the property back to AVJ Developers (India) Private Limited obtained pursuant to SARFAESI proceedings initiated by our Company was dismissed and the admission of the outstanding dues amounting to ₹134.15 crore under the insolvency proceeding of AVJ Developers (India) Private Limited was granted. The said matter is currently reserved for orders. AVJ Heights Apartment Owners Association and Vinay Jain have filed civil appeals under Section 62 of the Insolvency and Bankruptcy Code, 2016, before the Supreme Court of India seeking against the admission of a claim amounting to ₹134.15 crore under the insolvency proceeding of AVJ Developers (India) Private Limited. The said matters are pending before the Supreme Court of India.

5. NCLT Case no CP/153/2017 was filed by Dnyaneshwar S. Malvankar and Ors. of Akshay Developers Sion Pvt Ltd ("**ADSPL**"), before the NCLT Mumbai against mismanagement and oppression by majority shareholders of ADSPL. NCLT imposed a stay on ADSPL from discharging any liability towards our Company vide order dated May 1, 2017. Currently, the matter is pending before the authority.

6. Purnima Chaudhary ("**Petitioner**") has filed a contempt petition under Section 12 of the Contempt of Courts Act, 1971, at the High Court of Delhi, New Delhi in respect of the Plot No. C Community Center, Anand Vihar, Delhi ("**Shop Property**"). It was alleged that some of the respondents have started to demolish the Shop Property which has in turn interfered with the lawful and peaceful possession of the same allowed vide order dated July 7, 2018 and the actions of the respondents is in contravention of the same. The matter is currently pending in court for hearing.

7. A writ petition having reference WP 14030/ 2024 is filed by one Vinay Jain against RBI and the Company before the Delhi High Court, seeking order for RBI to conduct inquiry into certain allegations against the Company and also seeking order for the Central Bureau of Investigation to conduct investigation in respect to the dealings of the Company.

8. A Commercial Suit No. 8617 of 2025 has been filed before the Bombay High Court by M/s Gundecha Estates Private Limited ("**Applicant**") against the Company and others ("**Defendants**") for temporary injunction restraining to claim in furtherance to an indenture of mortgage dated March 31, 2022 executed in favour of the Company in furtherance of a loan amounting to ₹ 215 crore. An interim application has also been made by the Applicant seeking injunction against any of the Defendants from claiming any right or interest in respect of the impugned property.

9. An arbitration petition having case number SIAC ARB no. 186 of 2024 has been filed by one said M/s Credit Opportunities III Pte Limited against the Company and others seeking damages in relation to a contribution agreement executed between the parties named therein.

10. A defamation suit was filed by Kumar Mordani and others ("**Plaintiffs**") against our Company before the High court of Judicature at Bombay for publication of various 'public notices allegedly containing false and malicious allegations against the Plaintiffs. The Plaintiffs have sought reliefs including an unconditional apology, defamatory injunctions and damages.

Criminal Litigations

By our Company

1. Our Company in the ordinary course of business, in relation to its home loan/loan against property portfolio, has lodged the first information report dated November 16, 2015 against Uttam Kr. Asrani for cheating under various sections - 420,406,463,464,467,468,471, 120B of Indian Penal Code, 1860. The matter is pending for further investigation by the concerned officers.

2. Our Company filed an appeal bearing No. 3085/2019 admitted on June 24, 2019 before the PMLA Appellate Tribunal, Delhi against the order passed by the Adjudicating Authority (PMLA Tribunal). In this matter, the Enforcement Directorate has attached the property which is mortgaged with India Infoline Finance Limited and India Infoline Finance Limited challenged the before the PMLA Appellate Tribunal. In this mater, India Infoline Finance Limited initiated SARFAESI proceedings due to the alleged non-repayment of ₹1.32 crore in relation to a loan availed by the Borrower (Arvind Casting). India Infoline Finance Limited is contesting the matter and the matter is pending before the PMLA Appellate Tribunal, Delhi.

3. A Complaint having Complaint number 77 of 21 was filed with the Economic Offence Wing by our Company against M/s Shattaf Construction Company and Shrenik Siroya for misusing the money sum disbursed to them and illegally selling the units of the mortgaged property without our consent. Currently, an FIR having reference number 0970 of 2021 has been registered under section 403, 420 and 120B in relation to the same. Here, the matter is pending for further investigation.

Against our Company

1. A first information report ("**FIR**") no. 77/19 dated March 4, 2019 was lodged by Vijay Baniranka at Kothwali Police Station, Ranchi against IIFL and its employees ("**Accused**"), under Sections 420/467/468/471/409/120(B) of the Indian Penal Code, 1860, alleging inter-alia, cheating and criminal breach of trust for not returning the pledged gold. The matter is under investigation.

2. A FIR 541/2018 dated June 10, 2019 was registered upon the complaint of Sushil Jainarayan Karva at Pune Police Station under Sections 120B, 406, 420, 467, 468 and 471 of IPC against India Infoline Finance Ltd., Nirmal Jain, Venkatararaman Rajamani and others independent directors alleging that India Infoline Finance Ltd. ("**IIFL**") did not reduce the EMI amount despite he had repaid substantial loan amount and that without his permission a co-borrower and the IIFL settled the arbitration proceedings for ₹ 70,000 and released the mortgaged property without his permission. He further alleged that IIFL misused his blank cheques given as security and filed false complaints under Section 138 of the Negotiable Instruments Act, 1881 in Gurgaon court. The police filed the closure report treating the matter as civil in nature and the matter is pending before court for final order to close the Complaint.

3. A first information report ("**FIR**") has been filed under section 106, 42, 445, 409 and 120(b) of the Indian Penal Code, 1860 read with section 7, 9 and 13 of the Prevention and Corruption Act by one Sunil Shinde, on behalf of Ultra Space Developers Pvt Limited, JVPD One Builder LLP Wadhawan Lifestyle Retail Private Limited Wadhawan Retail Private Limited And Wadhawan Holdings Private Limited And RKW Developers Private Limited (Complainant Companies), against IIFL Facilities, our Company and its directors at Chembur police station alleging that our Company along with IIFL Facilities Limited has illegally transferred and sold the properties mortgaged by the Complainant Companies as security cover for the loan. Quashing petitions have been filed by IIFL entities and their directors before the Bombay High Court and are currently pending.

4. A first information report (FIR) was registered upon the compliant of Dr. Muneer Gazi ("**Complainant**") at Boisar Police station under sections 409,420, 467, 471 read with section 34 against our Company, Nirmal Jain, Venkatararaman Rajamani and others. The Complainant alleged that the Complainant owns certain parcel of land in Palghar and entered into a development agreement with one Goldstar Realtors to develop the said land and subsequently, Goldstar Realtors entered into an arrangement with respect to the said land with one JE Marketing. Further, JE Marketing availed a secured loan facility from our Company against the said land. The Complainant further alleges that they had terminated the arrangement with Goldstar Realtor thus nullifying the arrangement between JE Marketing and Goldstar Realty rendering the symbolic possession of the land under SARFAESI invalid. Quashing petition has been filed in Bombay High Court by the Company.

5. A first information report ("**FIR**") no. 0143 dated August 02, 2019 was filed by Vinay Jain ("**Complainant**") before economic offences wing, Delhi against our Company, Nirmal Bhanwarlal Jain, Venkataraman Rajamani and other persons ("**Accused**") under Sections 420,465,468,471,120B of the Indian Penal Code, 1860. The Police concluded the investigation and filed the closure report.

6. A criminal complaint CR No. 1018/2022 was filed by Shailesh Shridhar Kadam against IIFL Finance Limited and others ("**Accused**") of defamation and a case has been file before the Judicial Magistrate First Class, District - Thane Court Thane. A police investigation was conducted and the Accused were not found guilty. Thereafter the investigation was closed. The investigation report is pending to be filed by the investigation officers.

7. A first information report bearing no. 0003 was filed by Shvarinder Singh Kathuria before the economic offences wing against our Company under Sections 420, 406 and 120B of the Indian Penal Code, 1860. The matter is currently under investigation.

8. Asset Care & Reconstruction Enterprise Limited filed multiple criminal complaints against the Company, its Directors and others before the Hon'ble Chief Metropolitan Magistrate, South East Saket, New Delhi Court (CMM) alleging dishonor of cheques involving an amount of ₹ 40.60 crore. The matter is currently pending.

(i) Cases filed by the Company under Section 138 of the Negotiable Instruments Act, 1881

1. Our Company has filed 1,662 proceedings against various borrowers under Section 138 of the Negotiable Instruments Act, 1881 and/or Section 25 of the Payment and Settlement Systems Act, 2007 for dishonour of cheques / electronic clearing system in various courts, involving an amount of approximately ₹108.19 crore. The cases are pending before various courts at various stages of adjudication.

(ii) Gold Loan cases

a. In relation to our gold loan portfolio, the Company has lodged 124 first information reports ("**FIRs**") against various borrowers and other persons for offences under Sections 395, 405, 406, 409, 415, 419, 420, 441, 447, 467, 468, 471, 120(b), 156(3) and 34 of Indian Penal Code, 1860. The said FIRs are under investigation by various police stations and pending trials.

b. In relation to our gold loan portfolio, 10 first information reports ("**FIRs**") have been lodged by various borrowers against our Company for offences under Sections 34, 120, 120B, 294, 406, 409, 418, 420, 468, of Indian Penal Code, 1860. The said FIRs are under investigation by various police stations and pending trials.

c. In relation to our gold loan portfolio, the Company has filed 52 proceedings against defaulting customers under Section 138 of the Negotiable Instruments Act, 1881 for dishonour of cheques, in various courts. The matters are pending before various courts at various stages of adjudication.

(iii) Legal or regulatory actions taken by statutory or regulatory authorities against our Company:

1. A direction dated July 17, 2018 was received by our Company from Pension Fund Regulatory and Development Authority ("**PFRDA**"), listing out the required actions to be complied with, in regard to pending amount of ₹.7.6 lakh by the subscribers' deposits with our Company as registered point of presence for National Pension Scheme as on March 31, 2018. In this regard, IIFL had transferred the un-reconciled balance payment as on October 2022 to the bank account as suggested by PFRDA. The collection bank account was subsequently closed on December 30, 2022 and the de-registration process was initiated. Since then, we have not received any further updates from the PFRDA team.

2. Investigations Department of SEBI has by way of a letter dated June 7, 2022 ("**Letter**") directed us to provide certain specific information and documents with respect to suspected insider trading activities, including (amongst others) (a) chronology of events in relation to declaration of financial results for the period ended December 31, 2020 on January 29, 2021; (b) details of all persons who were involved in the process of/ having access to unpublished price sensitive information vis-a-vis the aforesaid financial results; (c) all relevant documentary evidence with respect to communications with members of board of directors for the period August 31, 2020 to May 3, 2021; (d) details of all on market and off market trades undertaken by the directors, promoters, key managerial personnel, compliance officer of the Company and

their family members during the period August 31, 2020 to May 3, 2021; (e) relationship of Company and/or any of its Promoters/ Directors/ employees or any other person with the entities as mentioned in the letter issued by SEBI, etc. Each of these requests were responded by our Company to SEBI in July 2022.

3. An inspection of our Company was carried out by the RBI with reference to our financial position as on March 31, 2023, wherein certain material supervisory concerns were observed by the RBI in respect to the gold loan portfolio of our Company, including serious deviations in assaying and certifying purity and net weight of the gold at the time of sanction of loans and at the time of auction upon default; breaches in Loan-to-Value ratio; significant disbursal and collection of loan amount in cash far in excess of the statutory limit; non-adherence to the standard auction process; and lack of transparency in charges being levied to customer accounts, etc. Pursuant to press release and order dated March 4, 2024, RBI had directed our Company to cease and desist, with immediate effect, from sanctioning or disbursing gold loans or assigning/ securitising/ selling any of our gold loans. Our Company, however, was permitted to continue service our existing gold loan portfolio through usual collection and recovery processes. RBI, by way of its subsequent letter dated September 19, 2024, has lifted the restrictions imposed on our gold loan business and that we are allowed to offer gold loans.

4. Pursuant to Regulation 30 and 51 of the Listing Regulations (as amended from time to time) read with Para A of Part A of Schedule III of the Listing Regulations, our Company had received an email dated June 28, 2024 imposing penalty of ₹ 94,400 each, from the Stock Exchanges on which IIFL is listed, i.e. BSE and NSE, regarding penal action for non-compliance as per SEBI Circular w.r.t. non-submission of the financial results within stipulated timelines prescribed under Listing Regulations. IIFL paid the said penalty on June 29, 2024 and reported that there is no material impact on the financials, operations, or other activities of the Company.

2. Material litigations involving our Subsidiary Companies as on the date of this Draft Shelf Prospectus

(a) IIFL Home Finance Limited ("IIHFL"/ "IIFL HFL") (Formerly India Infoline Housing Finance Limited)*

*** Materiality threshold for IIHFL is ₹ 10.26 crore for the purpose of disclosure of material civil litigations***

Material Civil Litigation by IIHFL

As on the date of this Draft Shelf Prospectus, there are no material civil litigations pending by IIHFL.

Material Civil Litigation against IIHFL

As on the date of this Draft Shelf Prospectus, there are no material civil litigations pending against IIHFL.

Criminal proceedings against IIHFL

1. An FIR dated June 18, 2019 was registered by Devender Kumar at the Faridabad Kotwali Police Station under Section 120B, 406, 419, 420, 467. 468 and 471 of Indian Penal Code ("**IPC**") against unknown person and IIHFL alleging that fraud was committed against him. The complainant availed loan from our IIHFL for the purchase of the property and IIHFL is asked to present the transaction documents to support the investigation. The matter is currently pending.

2. An FIR 541/2018 dated June 10, 2019 was registered upon the complaint of Sushil Jainarayan Karva at Pune Police Station under Sections 120B, 406, 420, 467, 468 and 471 of IPC against India Infoline Finance Ltd., Nirmal Jain, R Venkataraman and others independent directors alleging that India Infoline Finance Ltd. ("**IIFL**") did not reduce the EMI amount despite the complainant had repaid a substantial loan amount and that without his permission a co-borrower and IIFL settled the Arbitration proceedings for ₹ 70,000 and released the mortgaged property without his permission. He further alleged that IIFL misused his blank cheques given by him as security and filed false complaints under Section 138 of the N.I Act before the Gurgaon court. The police filed the closure report treating the matter as civil in nature and the matter is pending before court for final order to close the complaint.

3. A First Information Report 359/2021 dated March 5, 2021, was registered upon the complaint of Kamlesh Devi at Sahibabad, Ghaziabad under sections 420, 467, 468, 471, 504, 506 and 406 of IPC against IIHFL employee Omkar Singh alleging that officers made false promise of giving loan at lower rate of interest but disbursed the loan amount at the rate of 21%. She had been paying the loan amount regularly, but the

accused allegedly went for collection of the EMI which she had already paid and showed her bank passbook to reconfirm but he refused to agree the same. We have filed 482 Cr.P.C and got stay against arrest. This matter is pending for investigation by the police.

4. Actions Taken by Regulatory and Statutory Authorities against IIHFL

Except as stated below, there are no actions initiated against IIHFL by statutory or regulatory authorities, as on the date of this Draft Shelf Prospectus:

1. A show cause notice was served by National Housing Bank ("**NHB**") to IIHFL dated January 10, 2018, that the IIHFL had not complied with the provisions of paragraph 6 of the Housing Finance Companies Issuance of Non-Convertible Debentures on private placement basis (NHB) Directions, 2014, as the NCDs issued during the financial year 2015-16 were extinguished within a period of 12 months from the date of issue. IIHFL in its reply dated January 16, 2018, submitted that the two transactions relating to extinguishment of NCDs within 12 months from the date of issue had occurred inadvertently while improving the cost of funds of the IIHFL. IIHFL has not received any further communication on this matter.

2. A show cause notice was served by National Housing Bank ("**NHB**") to IIHFL dated July 7, 2020. The show cause notice pertained to the non-compliance with the Auditor's Report (NHB) Directions, 2016 ("**Directions**"). The notice observed that the HFC failed to include a statement on the matters as stated in HFCs- Auditors Report Directions, 2016 in the auditors' report on accounts of the Company for Financial Year 2018-19. IIHFL in its reply dated July 30, 2020, mentioned that the observation made by NHB was not found in their initial supervisory letter dated January 16, 2020. It was further submitted that pursuant to requirement of Para 2 of Housing Finance Companies- Auditor's Report (NHB) Directions, 2016, statutory auditors of IIHFL have submitted a 'separate report to the board of directors of IIHFL on the matters specified in Para 3 and 4' of the subject Directions along with the auditors report. IIHFL has not received any further communication on this matter.

3. A show cause notice was served by National Housing Bank ("**NHB**") to IIHFL dated September 17, 2020. The show cause notice pertained to the non-compliance Policy Circular 55. The notice alleged that the rate of interest was reduced by IIHFL on case-to-case basis either based on customer request or it was proactively offered by IIHFL to select customers. IIHFL has therefore adopted a non-transparent approach for the change in the interest rates. This was stated to contravene the provision of Policy Circular 55 which provides that revision in the rates of interest with individual borrowers as against to an entire class, would render the accounts to be classified as re-negotiated or rescheduled accounts. IIHFL in its reply dated February 11, 2021 mentioned that the observation made by NHB had not considered the Para 3 read with Para 2 of the Circular No. 55, that a loan account shall only be classified as rescheduled or renegotiated only when the repayment capacity of the borrower is adversely effected and the reset of rate of interest (in case of a floating rate of interests) leads to extension in payment tenure. It has also been clarified that in case of reduction of rate of interest for good customers, there will be no extension or deferment of EMIs in case of reduction of rate of interest as mentioned in Circular No. 55.

(b) IIFL Samasta Finance Limited ("IIFL Samasta")*

Materiality threshold for IIFL Samasta is ₹ 11.36 crore for the purpose of disclosure of material civil litigations

IIFL Capital Services Limited (formerly known as IIFL Securities Limited) ("**ICSL**") vide its letter dated April 30, 2008 informed GHCL ESOP of a debit outstanding ₹ 10.48 crore and existence of lien on certain shares purchased by it using the demat account maintained by GHCL ESOP with ICSL. GHCL ESOP alleged that the outstanding amount is incorrect and that in place of refunding the difference amount, ICSL allegedly asked to clear the debits of other company failing which ICSL illegally sold of certain shares belonging to GHCL ESOP. The Company and its directors filed a quashing petition before High Court, Delhi. The Court has stayed the proceedings, the matter is pending.

6. Criminal application Cr. M.A No. 1826 of 2022 filed by Sanjeev Kumar Singh before J.M.F.C, Thane alleging higher loan being disbursed and higher EMI amount deducted than the amount agreed to. Court order passed directing Kasarwadi Police Station to register an FIR and investigate the matter. Criminal Writ Petition No WP/2616/2023 filed on 28-July-2023 for quashing the FIR is pending before Hon'ble High Court of Bombay.

7. A criminal revision dated December 7, 2023 was filed by Mahendra Pal Singh before Sessions Court Budaun against Nirmal Jain and others ("**Accused**"), challenging the order passed by lower court wherein the lower court dismissed the application filed by Mahendra Pal Singh under section 156(3) of CrPC praying for registration of FIR against the Accused. The matter is currently pending.

8. An FIR having FIR No. 408/2023 u/s 420 and 406 of the Indian Penal Code was registered upon the complaint of Mr. Subodh Sanghi (Borrower of IIFL Home Finance) at Police station Chaitanyapuri against IIFL Home Finance Limited and its Directors, Mr. R Venkataraman & S Sridhar Sir. IIFL Home Finance are in the process of filing a quashing petition against the same. The matter is current under investigation.

9. A complaint dated September 30, 2013 ("**Complaint**") was lodged by Pankaj Saraf, an investor in National Spot Exchange Limited ("**NSEL**"), at the MRA Marg Police Station Mumbai against NSEL and other brokers, including IICL, alleging inter-alia, criminal conspiracy, fraud and criminal breach of trust, under Sections 406, 420 and 120B of the Indian Penal Code, 1860. Basis the Complaint, the Economic Offences Wing Mumbai ("**EOW**"), lodged a first information report against the Accused ("**FIR**"). In this matter, EOW has filed its 4th charge sheet in 2018. Thereby, Mr. Chintan Modi, Director was served with summons and he appeared before the MPID Court and his presence was marked. In this matter, EOW has filed its final charge sheet on December 2, 2022, the court has taken the same on record and issued summons on April 27, 2024 to Mr. R Venkataraman, the then director of IICL and ors for appearance. Mr. R Venkataraman appeared in the matter and the court noted the presence. Further, NSEL and Arvind Bahl (IICL client) moved an application before Sessions Court, Bombay to take cognizance against the remaining non charge sheeted directors and promoters of Brokers. The

Court vide its Order allowed the application and issued the process against Mr. Nirmal Jain, IIFL Finance Limited & others. Against, the said order, Mr. Nirmal Jain & IIFL Finance Limited preferred an appeal having number 679/2023 & 681/2023 and 682/2023 and 683/2023 before High Court, Bombay for setting aside the order passed by Sessions Court, Bombay. The High Court, Bombay granted stay on the order passed by Sessions Court, Bombay. The matter is pending for hearing before High Court, Bombay.

10. A FIR 541/2018 dated June 10, 2019 was registered upon the complaint of Sushil Jainarayan Karva at Pune Police Station under Sections 120B, 406, 420, 467, 468 and 471 of IPC against India Infoline Finance Ltd., Nirmal Jain, R Venkatararaman and others independent directors alleging that India Infoline Finance Ltd. ("**IIFL**") did not reduce the EMI amount despite he had repaid substantial loan amount and that without his permission a co-borrower and the IIFL settled the arbitration proceedings for ₹ 70,000 and released the mortgaged property without his permission. He further alleged that IIFL misused his blank cheques given as security and filed false complaints under Section 138 of the Negotiable Instruments Act, 1881 in Gurgaon court. The police filed the closure report treating the matter as civil in nature and the matter is pending before court for final order to close the Complaint.

11. A first information report ("**FIR**") was registered upon the compliant of Dr. Muneer Gazi ("**Complainant**") at Boisar Police station under sections 409,420, 467, 471 read with section 34 against our Company, Nirmal Jain, R Venkatararaman and others. The Complainant alleged that the Complainant owns certain parcel of land in Palghar and entered into a development agreement with one Goldstar Realtors to develop the said land and subsequently, Goldstar Realtors entered into an arrangement with respect to the said land with one JE Marketing. Further, JE Marketing availed a secured loan facility from our Company against the said land. The Complainant further alleges that they had terminated the arrangement with Goldstar Realtor thus nullifying the arrangement between JE Marketing and Goldstar Realty rendering the symbolic possession of the land under SARFAESI invalid. A quashing petition has been filed in Bombay High Court by the Company.

12. A complaint was filed by the Director of Enforcement before Sessions Court, Mumbai against M/s. Alpha Commodity Pvt. Ltd. & Ors., under Section 3 & 4 r/w Section 70 of The Prevention of Money-Laundering Act, 2002. 5. Litigations involving group companies

Except as disclosed below there are no litigations involving our group companies:

(a) IIFL Capital Services Limited (formerly known as IIFL Securities Limited)* ("ICSL")
** Materiality threshold for ICSL is ₹ 6.03 crore for the purpose of disclosure of material civil litigations in accordance with the Policy on Identification of Material Litigations approved by the Board of Directors of ICSL*

(i) Civil Proceedings against ICSL

1. An arbitration application dated April 1, 2010 was filed by GHCL Employees Trust ("**GHCL**") before the NSE Arbitration Tribunal ("**Tribunal**") against ISL, alleging unauthorized sale of shares by ISL.

The Tribunal partly passed an award ("**Award**") dated September 17, 2013 in favour of GHCL stating that: (i) GHCL was entitled to an interest of ₹5.22 lakh and ISL was required to pay interest at the rate of 9% per annum from the date on which the arbitration started till the final payment is made. (ii) ISL must retrieve the 856,466 shares which were sold on the NSE, failing which it should pay ₹4.16 crore to GHCL within 30 days of the Award; and (iii) 466,273 shares of GHCL with ISL should be released to GHCL immediately or the present-day value of the same i.e., ₹1.41 crore should be paid to it. ISL and GHCL filed applications ("Applications") dated May 13, 2014 and May 20, 2014 respectively, before the Delhi High Court("Court") under Section 34 of the Arbitration and Conciliation Act, 1996, ("**Act**") challenging the Award. An application was filed by GHCL under Section 9 of the Act before the Court, seeking return the shares lying with NSE. The Court allowed the release of shares to GHCL subject to providing a bank guarantee by GHCL and the outcome of pending Applications. GHCL had also filed an application under Section 9 of the Act claiming voting rights and dividends in respect of the shares lying with NSE. The GHCL shares were deposited by ISL with NSE in compliance with the award dated September 17, 2013 passed by Tribunal. The Court clubbed the Applications filed by GHCL as well as ISL and directed the parties to file their respective written synopsis. The matters are pending for arguments. The claim is valued at approximately ₹5.63 crore as on the date of Award i.e., September 17, 2013, along with 9% per annum interest from the date of award till the actual payment. The matter is currently pending.

2. Vinod Vengatteri filed an arbitration application before Arbitral Tribunal against IIFL Securities Limited for claiming losses on account of square off the positions & damages for an amount of ₹18.71 crore. The Arbitral Tribunal vide its Award dated 15.02.2024 rejected, dismissed and not allowed the claim. Aggrieved by the order, Vinod Vengatteri filed application before District Court Thalassery against IIFL for setting aside the arbitration award.

3. An arbitration application dated August 25, 2015 was filed by Central Business Services Limited ("**CBSL**") along with Jain Industrial & Commercial Services Private Limited ("**JICSL**") (collectively, "**Claimants**") before a private arbitration tribunal ("**Tribunal**") against ISL. A consolidated statement of claim ("**Claims**") for an amount of ₹26.33 crore along with interest thereon was filed before the Tribunal. An award dated October 3, 2018 ("**Award**") was received partly in favour of ISL and partly in favour of CBSL. CBSL has filed an Arbitration Application u/s 34 of the Arbitration Act before the High Court, Kolkata challenging the Award. The matter is currently pending.

4. A commercial suit dated January 19, 2017 was filed by Harish Thawani a client of National Spot Exchange Limited ("**NSEL**"), before the Bombay High Court ("**Court**"), against ICSL, IIFL Commodities Limited, its directors and the directors of its group companies including its key managerial personnel and employees, alleging losses, refund of brokerage, warehouse charges, damages and legal costs. The claim is valued at ₹16.83. The matter is pending before High Court, Bombay for hearing.

5. Monali Prabhakar Ahirrao filed an Arbitration before NSE Mumbai against IIFL, alleging wrongful termination of Alliance Partner Agreement and claiming opportunity cost of brokerage income for next 4 years. Claim amount Rs. 20,26,32,641.35/-. The Arbitrator vide Award rejected the claim. Aggrieved by the Award, Monali Prabhakar Ahirrao filed an Appeal before Appellate Tribunal of NSE Mumbai. The Appellate Arbitrators vide Award partly allowed the appeal and directed IIFL to pay the actual brokerage as per the terms of the agreement between the parties, from 13.07.2021 to 17.08.2022. In compliance with the Appellate Award, IIFL forwarded the Demand Draft for an amount of Rs. 1,38,369/- issued in favour of Monali Prabhakar Ahirrao. Aggrieved by the Award, Monali Prabhakar Ahirrao filed an Appeal before High Court of Bombay. The matter is pending before High Court, Bombay.

(ii) Civil proceedings by ICSL

1. An arbitration application dated April 1, 2010 was filed by GHCL Employees Trust ("GHCL") before the NSE Arbitration Tribunal ("Tribunal") against ISL, alleging unauthorized sale of shares by ISL. The Tribunal partly passed an award ("Award") dated September 17, 2013 in favour of GHCL stating that: (i) GHCL was entitled to an interest of ₹5.22 lakh and ISL was required to pay interest at the rate of 9% per annum from the date on which the arbitration started till the final payment is made. (ii) ISL must retrieve the 856,466 shares which were sold on the NSE, failing which it should pay ₹4.16 crore to GHCL within 30 days of the Award; and (iii) 466,273 shares of GHCL with ISL should be released to GHCL immediately or the present-day value of the same i.e., ₹1.41 crore should be paid to it. ISL and GHCL filed applications

("Applications") dated May 13, 2014 and May 20, 2014 respectively, before the Delhi High Court("Court") under Section 34 of the Arbitration and Conciliation Act, 1996, ("Act") challenging the Award. An application was filed by GHCL under Section 9 of the Act before the Court, seeking return the shares lying with NSE. The Court allowed the release of shares to GHCL subject to providing a bank guarantee by GHCL and the outcome of pending Applications. GHCL had also filed an application under Section 9 of the Act claiming voting rights and dividends in respect of the shares lying with NSE. The GHCL shares were deposited by ISL with NSE in compliance with the award dated September 17, 2013 passed by Tribunal. The Court clubbed the Applications filed by GHCL as well as ISL and directed the parties to file their respective written synopsis. The matters are pending for arguments. The claim is valued at approximately ₹5.63 crore as on the date of Award i.e., September 17, 2013, along with 9% per annum interest from the date of award till the actual payment. The matter is currently pending

(iii) Criminal proceedings against ICSL

1. A summons received by ICSL on November 24, 2008 ("**Complaint**") was filed by GHCL Employees Stock Option Trust ("**GHCL ESOP Trust**") under the Indian Penal Code, 1860, before the Court of Additional Chief Judicial Magistrate, Patiala House Court, New Delhi ("**Lower Court**") against ICSL. The trustees of the GHCL ESOP Trust had opened a dematerialized account with ICSL and continued purchasing shares through the dematerialized account. By its letter dated April 30, 2008, ICSL informed the GHCL ESOP Trust of its outstanding debit of ₹10.48 crore and the existence of lien on the 2,046,195 shares purchased by it. In its response, GHCL ESOP Trust: (a) claimed that ₹ 10.48 crore had been duly paid by it, and later it had noted that the correct amount, as reflected in its statement of account was ₹10.22 crore; and (b) alleged that ICSL instead of refunding the difference amount of ₹25.2 lakhs asked the GHCL ESOP Trust to clear the debits of five companies, and on failing to do so, ICSL sold 876,668 shares belonging to the GHCL ESOP Trust illegally and without any authorization. A summons order dated September 27, 2008 ("**summons order**") was passed by the Lower Court, summoning ICSL to face trial for the offences under the provisions of the Indian Penal Code, 1860. ICSL filed a petition in the Delhi High Court ("**Petition**") on March 22, 2009 challenging the Summons order. The Delhi High Court by its order dated December 14, 2009 quashed and set aside the Complaint and the summons order as against ICSL. GHCL ESOP Trust filed an Appeal before the Supreme Court against the order of the Delhi High Court on March 11, 2010. By its order dated March 22, 2013, the Supreme Court confirmed the order of the Delhi High Court and held that no offence of cheating is made out against ICSL and the matter is presently pending before the Lower Court against ICSL.

2. A complaint dated July 12, 2011 was filed by Sushama Agarwal before Chief Judicial Magistrate, Meerut, against ICSL under Sections 406, 420 and 464 of the Indian Penal Code, 1860, alleging unauthorised trading, criminal breach of trust, cheating and forgery. Pursuant to the complaint, the Court, passed an order for issuance of process on July 25, 2011. ICSL filed a Petition before the Allahabad High Court on April 7, 2014 ("**petition**") for quashing the order of the Court. The petition was admitted and the Allahabad High Court vide its order dated April 22, 2014 stayed the proceedings before the Chief Judicial Magistrate, Meerut. The case is presently pending before the Allahabad High Court for hearing.

3. A first information report dated October 12, 2012 ("**FIR**") was lodged by Mohinder Singh ("**Complainant**") at the Moti Nagar Police Station, New Delhi against ICSL under Sections 420 and 120B of the Indian Penal Code, 1860, alleging unauthorised trading and cheating. A notice was received from the police directing ICSL to provide the details of the transactions of the Complainant along with the supporting documents. The same has been provided by the Complainant. No further communication received from the police.

4. A first information report bearing number 76/2015 ("**FIR**") was lodged by Mohit Gujral ("**Complainant**") at the Economic Offences Wing ("**EOW**"), New Delhi against ICSL under Sections 405, 120B, 420 and 120B of the Indian Penal Code, 1860, alleging unauthorised trading, cheating and criminal breach of trust. A notice was received from the EOW to provide the details of the transactions of the Complainant along with the supporting documents. The same has been provided by the Complainant. No further communication received from the EOW.

5. A first information report dated March 19, 2014 was lodged by Devender Mohan Singh Negi ("**Complainant**") at the Moti Nagar Police Station, New Delhi, against ICSL, under Sections 420, 468, 471, 406, 34 and 120B of the Indian Penal Code, 1860, alleging unauthorised trading and cheating, forgery and criminal breach of trust. The notice received from the police directing ICSL to provide the details of

the transactions of the Complainant along with the supporting documents and the same has been provided by ICSL. No further communication received from the police.

6. A first information report dated May 20, 2014 ("**FIR**") was lodged by Renu Jain ("**Complainant**") at the Moti Nagar Police Station, New Delhi, against ICSL under Sections 406, 420 and 468 of the Indian Penal Code, 1860 for unauthorised trading and cheating, forgery and criminal breach of trust. The notice received from the police in respect of the FIR directing ICSL to provide the details of the transactions of the Complainant along with the supporting documents and the same has been provided. No further communication received from the police.

7. A Complaint received by ICSL on December 9, 2012 was filed by Arunava Patra before the Chief Metropolitan Magistrate, Paschim Medinipur, West Bengal, against IIFL, ICSL, its directors Nirmal Bhanwarlal Jain, R Venkataraman and others under Sections 406 and 120B of the Indian Penal Code, 1860, alleging inter-alia, forgery and criminal conspiracy and certain offences under the Companies Act, 1956. Pursuant to the complaint, the Court passed an order for issuance of process on June 16, 2014. ICSL filed a writ petition dated April 10, 2015 ("Petition") before the Calcutta High Court for quashing of the proceedings before Chief Metropolitan Magistrate, Paschim Medinipur, West Bengal. The Calcutta High Court passed an order and the certified copy of the order was received by us on June 18, 2015 staying the proceedings before Chief Metropolitan Magistrate, Paschim Medinipur, West Bengal. The Calcutta High Court dismissed the Revision and we are in the process of preferring an appeal. The matter is presently pending before the Chief Metropolitan Magistrate, Paschim Medinipur, West Bengal.

8. A complaint dated November 23, 2011 was filed by Seema Bulsara ("**Complainant**") with the Economic Offence Wing ("**EOW**"), Mumbai, and the first information report was lodged against Mukti Laheri and 'unknown officials' of ICSL, alleging unauthorized trading. A charge sheet was filed by the EOW, Mumbai before the 19th Court, Esplanade, Mumbai against Mukti Laheri and Manish Kumar, an ex-employee of ICSL. Further, a supplementary charge sheet ("**Supplementary Charge Sheet**") was filed by EOW, Mumbai against ICSL on April 17, 2015. A discharge application filed by ICSL and the matter is presently pending before the 19th Court, Esplanade, Mumbai for hearing.

9. A criminal complaint dated May 25, 2013 was filed by Ravindra Kumar Thakur before Chief Judicial Magistrate, Bhagalpur, Bihar against ICSL and others, alleging, inter alia, criminal breach of trust, cheating and forgery under sections 406, 417, 420, 467, 468 & 471 of Indian Penal Code, 1860. A summons dated May 04, 2019 was received by ICSL on May 08, 2019. The matter is currently pending.

10. A criminal revision dated October 12, 2022 was filed by Vivek Prakash Khanna before Sessions Court Gurugram against IIFLSL and others, challenging the order passed by lower court wherein the lower court dismissed the application filed by Vivek Prakash Khanna under section 156(3) of CrPC praying for registration of FIR against the Accused. A notice dated January 17, 2023 was received by IIFLSL on February 7, 2023. The matter is currently pending.

11. A summons dated May 11, 2023 received by ICSL in Complaint ("**Complaint**") was filed by GHCL Employees Stock Option Trust ("**GHCL ESOP Trust**") under the Indian Penal Code, 1860, before Metropolitan Magistrate, Patiala House Courts, New Delhi ("**Lower Court**") against ICSL & its directors namely Mr. Nirmal Jain, Mr. Venkatraman Rajamani Mr. Nilesh Vikamsey, Mr. A. K. Purwar, Mr. Kranti Sinha & Mr. Nimesh Mehta. The trustees of the GHCL ESOP Trust had opened a dematerialized account with ICSL and continued purchasing shares through the dematerialized account. By its letter dated April 30, 2008, ICSL informed the GHCL ESOP Trust of its outstanding debit of ₹104.80 million and the existence of lien on the 2,046,195 shares purchased by it. In its response, GHCL ESOP Trust: (a) claimed that ₹ 104.80 million had been duly paid by it, and later it had noted that the correct amount, as reflected in its statement of account was ₹102.28 million; and (b) alleged that ICSL instead of refunding the difference amount of ₹2.52 million asked the GHCL ESOP Trust to clear the debits of five companies, and on failing to do so, ICSL sold 876,668 shares belonging to the GHCL ESOP Trust illegally and without any authorization. The directors of ICSL are in process of preferring writ petition before High Court of Delhi against the said Summons.

12. Criminal complaint having case number 42830/2016, 40882/2016 & 42868/2016 was filed by GHCL Employee Stock Option Trust ("**GHCL ESOP**") against IIFL Securities Ltd, its directors and others before the Court of Additional Chief Judicial Magistrate, Patiala House Court, New Delhi. IIFL Securities vide its letter dated April 30, 2008 informed GHCL ESOP of a debit outstanding ₹10.48 crore and existence of

lien on certain shares purchased by it using the demat account maintained by GHCL ESOP with IIFL Securities Ltd. GHCL ESOP alleged that the outstanding amount is incorrect and that in place of refunding the difference amount, IIFL Securities allegedly asked to clear the debits of other company failing which IIFL securities illegally sold of certain shares belonging to GHCL ESOP. The Company & its directors filed a quashing petition before High Court, Delhi. The Court has stayed the proceedings, the matter is pending.

13. A first information report lodged by Rohit Kumar Singh at the PS - Phase 3, Gautambudh Nagar, Police Station. Noida, against IIFLSL, under Sections 420, 468, 471, 406, 467 and 120B of the Indian Penal Code, 1860, alleging unauthorized trading and cheating, forgery and criminal breach of trust. The Notice received from the Police directing ICSL to provide the details of the transactions of the Complainant along with the supporting documents. The same has been provided. No further communication received.

14. A first information report lodged by Renu Tiwari at the Sidhari PS, Azamgarh UP, against FAN - Brijesh Maurya and IIFLSL, under Sections 419,420 and 409 of the Indian Penal Code, 1860, alleging unauthorized trading and cheating, forgery and criminal breach of trust. The Notice received from the Police directing ICSL to provide the details of the transactions of the Complainant along with the supporting documents. The same has been provided. No further communication received.

15. Muralidhar Vyas filed a petition u/s 482 of Cr.P.C. before High Court of Delhi against ICSL & Ors. seeking quashing of the summoning order passed by the Trial Court for the offence u/s 138 of NI Act.

16. Muralidhar Vyas filed a petition u/s 482 of Cr.P.C. before High Court of Delhi against ICSL & Ors. seeking quashing of the summoning order passed by the Trial Court for the offence u/s 138 of NI Act.

17. Muralidhar Vyas filed a petition u/s 482 of Cr.P.C. before High Court of Delhi against ICSL & Ors. seeking quashing of the summoning order passed by the Trial Court for the offence u/s 138 of NI Act.

18. Muralidhar Vyas filed a petition u/s 482 of Cr.P.C. before High Court of Delhi against ICSL & Ors. seeking quashing of the summoning order passed by the Trial Court for the offence u/s 138 of NI Act.

19. Shashi Kumar Mohata filed a complaint before the Court of 29th Additional Chief Judicial Magistrate, Ahmedabad against IIFL Capital Services Limited (formerly known as IIFL Securities Limited), its directors and others for the alleged offences punishable u/s. 409 & 420 of IPC. We are in process of filing discharge applications on behalf of directors before the Court.

(iv) Criminal proceedings by ICSL

1. Criminal complaint having case number 42830/2016, 40882/2016 & 42868/2016 was filed by GHCL Employee Stock Option Trust (GHCL ESOP) against IIFL Securities Ltd, its directors and others before the Court of Additional Chief Judicial Magistrate, Patiala House Court, New Delhi. IIFL Securities vide its letter dated April 30, 2008 informed GHCL ESOP of a debit outstanding ₹10.48 crore and existence of lien on certain shares purchased by it using the demat account maintained by GHCL ESOP with IIFL Securities Ltd. GHCL ESOP alleged that the outstanding amount is incorrect and that in place of refunding the difference amount, IIFL Securities allegedly asked to clear the debits of other company failing which IIFL securities illegally sold of certain shares belonging to GHCL ESOP. The Company & its directors filed a quashing petition before High Court, Delhi. The Court has stayed the proceedings, the matter is pending.

Thereafter, a first information report ("**FIR**") was registered against the Accused. The FIR is presently being investigated by the police.

9. A complaint dated February 24, 2022 was filed by ICSL before Chief Judicial Magistrate Arrah Bihar for praying for directions to the police to lodge a complaint against Shalini Jain ("**Accused"**) for the offences under section 406, 420, 467, 468, 471 and 120B of the Indian Penal Code, 1860. The matter is pending.

10. An application was filed by ISL before Patiala House Court, New Delhi against Naresh Kumar & Rohit Kumar Singh, u/s. 156 (3) of Cr. PC. for the offences of criminal breach of trust, cheating and forgery. The matter is currently pending.

Cases filed by ICSL under Section 138 of the Negotiable Instruments Act, 1881

1) ICSL has filed 20 proceedings against defaulting customers under Section 138 of the Negotiable Instruments Act, 1881 for dishonour of cheques, in various courts. The aggregate of claim amounts filed by ICSL are approximately ₹ 43.5 crore. The matters are pending before various courts at various stages of adjudication.

(v) Other material pending litigation involving ICSL

1. A demand notice dated June 5, 2014 ("**Notice**") was received by ICSL from the Rajasthan Stamp Office, demanding payment of stamp duty for the period commencing from September 2007 to March 2012, in relation to the trades carried out by ICSL's clients residing in the state of Rajasthan. ICSL, through its reply dated June 21, 2014, stated that the stamp duty with respect to the trades was paid to the State of Maharashtra as the central office of ICSL is located in Mumbai and contract notes were issued to the clients from the Mumbai office. Aggrieved by the notice, ICSL filed a writ petition before Rajasthan High Court on in April 25, 2015, requesting it to quash the notice. The matter has not been listed and is presently pending before the Rajasthan High Court.

2. IIFL ("**Petitioner**") filed a writ petition numbered 1650 of 2012 ("**Writ**") dated January 27, 2012 before the High Court of Madhya Pradesh ("Jabalpur High Court") against the State of Madhya Pradesh ("**Respondent**") under Article 226 of the Constitution of India ("**Constitution**") challenging the demand notice dated December 1, 2012 issued by the State of Madhya Pradesh seeking to levy stamp duty on the transactions done by the clients of the Petitioner through their trading accounts. The contention raised by the Petition is that unless there is a provision made under the relevant act, no demand for payment of stamp duty in such transaction can be made. The Madhya Pradesh High Court passed an order dated February 10, 2012 directing that no coercive steps be taken against the petitioner till further consideration of the interim prayer. The matter is currently pending.

(vi) Legal action taken by statutory or regulatory authorities against ICSL:

1. SEBI conducted an inspection of IIFL Securities Limited in the periods of February 2014 and March 2017. In relation to this, SEBI issued: (i) SEBI Adjudication Notice dated October 28, 2021 based on the inspection conducted during February 2014 covering period from 2011 to 2014 in respect of segregation of clients' funds, (ii) SEBI Adjudication Notice dated October 28, 2021 based on the inspection conducted during March 2017 covering period from April 01, 2015 to January 31, 2017 in respect of segregation of clients' funds, (iii) SEBI Enquiry notices dated May 2, 2017 and October 28, 2021 issued based on the inspection conducted during February 2014 (for the period from 2011 to 2014) and March 2017 (period from April 01, 2015 to January 31, 2017) in respect of segregation of clients' funds respectively. The SEBI notice alleged that IIFL Securities Limited had failed segregate its own funds from clients' funds; misused credit balance of clients' funds for debit balance clients' funds; and had not designated the client bank account appropriately. Consequently, SEBI passed the Adjudication Order on May 20, 2022 and levied a penalty of Rs 1 Crore on the Company. Further, SEBI passed the Adjudication Order on May 30, 2022 and levied a penalty of Rs 1 Crore on the Company. In respect of both the above matters, the Company filed an appeal before SAT and the SAT vide its order dated July 18, 2022 stayed the proceedings and directed the company to deposit an amount of Rs. 50 lacs within 6 weeks from the date of the said Order with SEBI. In respect of Enquiry matter, SEBI vide Order dated June 19, 2023 prohibited company from taking up/on-boarding new client for a period of two years in respect of its business as a stock broker. The Company filed an appeal before Securities Appellate Tribunal on June 20, 2023 aggrieved by the said Order. SAT vide its order dated December 07, 2023 passed the common order and partly allowed the appeals and set aside the ban from taking new clients for a period of two years and reduced penalty to Rs. 20 lacs. SEBI preferred an appeal before the Supreme Court, the same is pending.

2. SEBI has issued a Notice of summary settlement dated June 14, 2024, in relation to the role played by ICSL in handling various public issues of Non- Convertible Debt Securities between August 9, 2021 to November 30, 2023. Vide its notice dated June 14, 2024, SEBI has intimated that subject Regulation 5 of the SEBI (Settlement Proceeding) Regulations, 2018 the aforesaid proceedings to be initiated may be settled and disposed of upon filing of a settlement application under Chapter-II of SEBI (Settlement Proceedings) Regulations, 2018 upon remittance of a settlement amount of ₹ 19,20,000/- to SEBI in terms of Regulations 16 of SEBI (Settlement Proceeding) Regulations, 2018 within 30 calendar days from the date of receipt of the Notice. ICSL had filed the settlement application on July 2, 2024, along with the payment of processing fees for the settlement application and remitted the settlement amount of ₹ 19,20,000. The settlement order is pending

3. SEBI has issued SCN No. SEBI/HO/EAD-8/AS/RM/31827/1-2/2024 dated October 9, 2024 in the matter of Tradetron. SEBI conducted examination in the matter of Tradetron and other algo platforms. Based on the findings, SEBI in its SCN alleged that IIFL Securities Limited should not have associated with these platforms where strategies providing guaranteed returns/ consistent profit and/or where past and/or expected future performance of the algorithm were hosted. Despite the same, ISL had its API integrated with these platforms. We have filed Settlement Application and a response to the SCN has been filed on February 27, 2025. Further, we have received a letter from SEBI on Introduction of settlement scheme in this matter to settle the proceedings by paying Rs.1 Lakh. We have paid the amount to avail the benefit of the scheme and close the matter.

(b) Livlong Insurance Brokers Limited (formerly known as IIFL Insurance Brokers Limited) ("LIBL")

(i) Civil Proceedings by ICL

A demand notice dated September 1, 2014 was received by IICL from the Rajasthan Stamp Office, demanding payment of stamp duty, for the period commencing from September 2007 to March 2012 in relation to the trades carried out by IICL's clients ("Clients"), residing in the state of Rajasthan. IICL, vide its reply dated June 21, 2015, stated that the stamp duty with respect to the trades, was paid to state of Maharashtra until 2011, as the central office of IICL was located in Mumbai. Subsequently, the central office was shifted to the state of Tamil Nadu wherein no stamp duty was levied. Hence, the same was not levied and collected from the Client. The contract notes for the above period were issued to the Clients from both, the Mumbai and Chennai offices. Aggrieved by the demand notice, IICL filed a writ petition dated December 30, 2015 before Rajasthan High Court, requesting it to quash the demand notice. The matter has not been listed and is pending before Rajasthan High Court for hearing.

(ii) Civil Proceeding against ICL

1. A commercial suit dated July 19, 2016 was filed by Vishvanidhi Dalmia, a client of National Spot Exchange Limited ("NSEL"), before the Bombay High Court ("Court"), against India Infoline Commodities Limited ("IICL"), its directors, employees including the chairman of IIFL Finance Limited (formerly known as IIFL Holdings Limited) and NSEL, claiming (a) an amount of ₹ 76.00 million along with interest thereon at the rate of 18% per annum from August 1, 2013 to May 6, 2016 amounting to ₹ 37.85 million and further interest thereon on the total claim at the rate of 18% per annum from the date of filing of the suit till final realization. It was also prayed for interim/ad-interim relief (b) pending hearing and final disposal appropriate orders for injunction restraining IICL from directly or indirectly assign, selling, mortgage, creating any third party on movable and immovable assets (c) pray for injunction restraining IICL from using ₹ 113.85 million without the leave of the court (d) independent audit or investigating agency like forensic audit to examine the affairs of IICL (e) order and direction to IICL to pay any amount realized from NSEL and to preserve all the records of the relevant period. The total amount involved in the matter is ₹ 113.85 million. IICL received the summons on September 12, 2018. The matter is yet to be admitted.

2. A commercial suit admitted on January 19, 2017 was filed by Harish Thawani a client of National Spot Exchange Limited ("**NSEL**"), before the Bombay High Court ("**Court**"), against IIFL Commodities Limited ("**IICL**") its directors and ICSL, IIFL Holdings Limited (now IIFL Finance Limited), and its directors, including its key managerial personnel and employees, alleging losses, refund of brokerage, warehouse charges, damages and legal costs. IICL filed its written statement before the Court and the matter is pending for hearing.

(iii) Criminal Proceeding against ICL

1. A complaint dated September 30, 2013 ("**Complaint**") was lodged by Pankaj Saraf, an investor in National Spot Exchange Limited ("**NSEL**"), at the MRA Marg Police Station Mumbai against NSEL and other brokers, including IICL, alleging inter-alia, criminal conspiracy, fraud and criminal breach of trust, under Sections 406, 420 and 120B of the Indian Penal Code, 1860. Basis the Complaint, the economic offences

wing Mumbai ("EOW"), lodged a first information report against the Accused ("**FIR**"). In this matter, EOW has filed its 4th charge sheet in 2018. Thereby, Mr. Chintan Modi, Director was served with summons and he appeared before the MPID Court and his presence was marked. In this matter, EOW has filed its final charge sheet on December 2, 2022, the court has taken the same on record and issued summons on April 27, 2024 to Mr. R Venkataraman, the then director of IICL and others for appearance. Mr. R Venkataraman appeared in the matter and the court noted the presence. Further, NSEL and Arvind Bahl (IICL client) moved an application before Sessions Court, Bombay to take cognizance against the remaining non charge sheeted directors and promoters of Brokers. The Court vide its Order allowed the application and issued the process against Mr. Nirmal Jain, IIFL Finance Limited & others. Against, the said order, Mr. Nirmal Jain & IIFL Finance Limited preferred an appeal having number 679/2023 & 681/2023 and 682/2023 and 683/2023 before High Court, Bombay for setting aside the order passed by Sessions Court, Bombay. The High Court, Bombay granted stay on the order passed by Sessions Court, Bombay. The matter is pending for hearing before High Court, Bombay.

2. A first information report dated July 7, 2015 ("**FIR**") was lodged by Sumita Kalra at the Moti Nagar Police Station, Delhi against IICL, under Sections 406 and 464 of the Indian Penal Code, 1860, alleging inter-alia, unauthorised trading, forgery and criminal breach of trust. The FIR is being investigated by the police.

The matter is currently pending for hearing.

(iv) Criminal Proceeding by ICL

1. ICL filed an Interim Application before High Court of Bombay against Abhijit Bhandarkar ("Client") & Anr. praying to allow IICL to hear them as a Respondent Party in Criminal Writ Petition filed by the Client before High Court of Bombay against EOW & Anr. to issue order/direction to EOW to attach the properties of IICL & other brokers under MPID Act in CR No. 89/2013 investigated by EOW, Mumbai.

2. Notice to Show Cause u/s. 8 PMLA Act was received by ICL from Adjudicating Authority, PMLA calling upon to show cause why provisional attachment order in respect of properties of IICL as mentioned in the notice should not be confirmed as representing proceeds of crime being value of properties involved in money laundering. The Adjudicating Authority, PMLA vide its order, confirmed the attachment. Aggrieved by the said Order, IICL filed an Appeal before PMLA Appellant Authority. The matter is pending before PMLA Appellant Authority.

(v) Actions taken by regulatory and statutory authorities against ICL:

1. SEBI issued show cause notices under the Regulation 25(1) of the SEBI (Intermediaries) Regulations, 2008 & SEBI (Stock Brokers & Sub Brokers) Regulations, 2015 and also under Regulation 5(e) of the SEBI (Intermediaries) Regulations, 2008 & Regulation 7(1) of SEBI (Stock Brokers & Sub Brokers) Regulations, 2015 by SEBI concerning the fit and proper person criteria for considering registration as commodity broker to few brokers, including the Company (IICL). The Brokers were directed to submit their reply within the specified time. A fresh show cause notice dated July 07, 2022 was issued by SEBI calling upon the Company to show cause why appropriate recommendation should not be made against the Company. IICL has filed its reply and the hearing in the matter is concluded on September 13, 2022. The SEBI filed its Enquiry report whereby the DA recommended for not considering our application for registration for 3 more years from the SEBI Order or complete acquittal by the courts pursuant to the chargesheet or FIR filed by/with EOW, whichever is earlier. We filed our reply and the matter was heard in the length. The Ld. WTM passed the order whereby rejected our application and debarred us from making fresh application, for the period 6 months or complete acquittal by the courts pursuant to the chargesheet or FIR filed by/with EOW, whichever is earlier. We have preferred an appeal against the said order. The matter is pending before SAT.

2. MCX vide its letter has levied a penalty of Rs.3,30,00,211/- for F.Y. 2014-15, Rs.1,19,24,568/- for F.Y. 2015-16 and Rs.62,35,182/- for F.Y. 2016-17 in respect of violation observed during the inspection inter alia for incorrect margin reporting and alleged violation of Exchange Bye-laws and Business Rules related

to the inspection of the books of accounts and other related documents and Rs.6,95,167/- in respect of alleged violation of exchange bye-laws and business rules on account of alleged discrepancies in non-settlement of funds, funding to the Client and incorrect updation of client's funds and securities on Exchange system for the F.Y. 2017-18. The matter was heard and the Appeal is allowed by SAT. The Impugned Orders have been quashed and set aside, MCX may issue fresh SCN if required to IICL, and placed the matter before the Disciplinary Action Committee.

6. Taxation

Details of tax proceedings against our Company and the group companies:

(i) Our Company

Please see below the table setting out details of tax proceeding against our Company:

(₹ in crore)

Entity	No. of Cases		Amount Involved	
	Direct	Indirect Tax	Direct Tax	Indirect Tax
IIFL Finance Limited (earlier known as IIFL Holdings Limited)	9	5	242.27	61.37
India Infoline Finance Limited (now merged with IIFL Finance Limited)	5	11	8.21	39.15

a. Our Company (IIFL Finance Limited "earlier known as "**IIFL Holdings Limited**") has earned exempt income i.e. dividend during the period AY 2010-11 to AY 2020-21, being 8 different assessment years. The assessing officer has disallowed expenses in proportionate to the exempt income earned as per Section 14A of Income Tax Act by applying Rule 8D of Income Tax Rules. The total tax impact of such disallowance amounts to ₹ 48.93 crore. Our Company has filed the appeal against such disallowances made under Section 14A of the Income Tax Act and the matters are pending for disposal before various Income Tax Appellate Authorities. In AY 2021-22, the assessing officer has disallowed ESOP expense and deduction claimed u/s 80M, the tax impact of such disallowance is ₹ 18.00 crore. IIFL has filed an appeal against these disallowances. For the Assessment Year (AY) 2019-20, the Assessing Officer (AO) has disallowed donations claimed under Section 80G and disallowed payments under Section 40(i)(i). Additionally, the AO has not correctly determined the TDS, leading to an inaccurate tax liability. IIFL has filed an appeal against these disallowances of ₹ 148.62 crore. For the AY 2022-23, the Assessing Officer (AO) has disallowed ESOP expense and treated incorrect income at the time of assessment by which tax implication has increased to ₹ 111.11 crore. IIFL has filed an appeal against these disallowances.

b. In the similar line, India Infoline Finance Limited (now merged with IIFL Finance Limited), has disallowed expenses in proportion to the exempt income earned as per Section 14A of Income Tax Act by applying Rule 8D of Income Tax Rules, the total disallowance amounts to ₹ 18.05 crore. Our Company has filed the appeal against such disallowances made under Section 14A of the Income Tax Act and the matters are pending for disposal before various Income Tax Appellate Authorities.

c. IIFL Finance Limited had received Orders from Commissioner of Income Tax (Appeals) ("**CIT(A)**") in regard to appeals heard of AY 2011-12 and AY 2013-14, thereby granting partial relief against additions / disallowances made in respective assessment order. However, since the appeal effect order to give effect to such CIT(A) is not given by the jurisdictional assessing officer till the date.

d. The Show Cause Notice. No. 1358/COMMR/2014-15 dated September 19, 2014 has been issued to the Company demanding Service Tax amounting to ₹ 17.79 crore plus interest & penalty aggregating to ₹ 53.80 crore as on March 31, 2024 for the period July 1, 2012 to March 31, 2014 on the Brokerage Income earned from FII Clients considering the same as taxable income. However, the Company has treated such Brokerage Income as an exempt income while filling its service tax return. The Department has confirmed the said service tax demand on such FII Brokerage by issuing the Order No. 143-144/COMMR/(Dr. KNR)/CGST&CEX/MC/2018-19 dated January 10, 2019. The Company has litigated the said addition & has filed an appeal against the order of the Service Tax authorities before the CESTAT Mumbai. The matter is pending for disposal before Customs, Excise and Service Tax Appellate Tribunal, Mumbai.

e. The Show cause notice. F No. 06/COMMR/ST-III/2015-16 dated April 7, 2016 has been issued to the Company demanding Service Tax on the Exchange Transaction charges earned by the Company during period April 1, 2007 to May 13, 2008 amounting to ₹ 2.86 crore plus interest & penalty aggregating to ₹ 14.44 crore as at March 31, 2024 considering it as a taxable transaction and not as a pure agent service. The department has confirmed the said demand of Exchange Transaction Charges by issuing an order. The Company has litigated the said addition and filed an appeal against the Order of the Service Tax authorities before the Customs, Excise

and Service Tax Appellate Tribunal, Mumbai. The matter is pending for disposal before Customs, Excise and Service Tax Appellate Tribunal, Mumbai.

f. The Show Cause Notice. C. No. V(H)Adj-I/ST/140/2012/2077 dated September 19, 2015 has been issued to the company by Sriganganagar, Rajasthan Jurisdiction demanding Service Tax on the Exchange Transaction charges earned by the Company during the period April 2007 to March 2012 amounting to ₹ 0.05 crore plus interest & penalty aggregating to ₹ 0.26 crore as at March 31, 2024 considering it as a taxable transaction. The department has confirmed the said demand of Exchange Transaction Charges by issuing an Order. a. IIFL Capital Services Limited (formerly known as IIFL Securities Limited) has filed its return of income for the AY 2019-20 (FY 2018-19) declaring total income of ₹ 2,03,50,04,282. CPC while processing the return has erroneously not considered TDS and Advance Tax transferred from IIFL Finance Limited (earlier known as IIFL Holdings Limited) due to merger. The Company has filed a rectification application and is hopeful of getting demand nullified.

b. The income tax return for Assessment Year 2021-22 underwent scrutiny under Computer Aided Scrutiny Selection, resulting in notices under sections 143(2) and 143(3). The assessing officer made additions to the income declared section 143(1) as under:

i. ₹ 3,80,39,862 for alleged discrepancies in reporting of personal expenditures in the tax audit report and the income tax return;
ii. ₹ 16,25,802 for alleged discrepancies in reporting capital expenditures; and
iii. ₹22,93,62,256 disallowed deduction claimed u/s 80M pertaining to dividend income.

The company filed an appeal to the Commissioner of Income Tax (CIT) regarding this matter.

(a) Under the service tax regime, the company appealed to the CESTAT Mumbai for an outstanding demand amounting to ₹ 14,25,83,837. The dispute concerns with exempt services provided to Non-Residents (Foreign Institutional Investors - FIIs) which the department has challenged. Following investigations and correspondence, Show Cause Notice No. 1358/COMMR/2014-15 dated 19th September 2014 was issued, demanding service tax totaling ₹ 19,99,17,698 covering the period from July 1, 2012 to March 31, 2014, along with interest under section 75 and penalty under section 76 of the Act.

(b) The Directorate General of Central Excise Intelligence (DGCEI) issued notice demanding ₹ 33,88,80,575 to the company regarding the delayed payments charges for extending credit facilities for the period from April 2014 to March 2016. These charges were classified as interest on outstanding client dues and were clearly disclosed in client account statements. The company did not treat these charges as taxable services which was challenged by the department. The company has lodged an appeal against this order with CESTAT Delhi.

7. *Litigation or legal action pending or taken by any ministry or government department or statutory authority against our Promoters during the last three years immediately preceding the year of the issue of this Draft Shelf Prospectus*

A notice dated December 2, 2020 was issued under Rule 4 of (Procedure for Holding Inquiry And Imposing Penalties By Adjudicating Officer) Rules, 1995 was issued) against the Promoters & Promoter Group ("Promoters") to show cause against alleged violation of provisions of Regulation 3(1) read with Regulation 13(1) and 13(2)(a) of SAST Regulation. The Promoters responded with a reply dated December 19, 2020 contending that there was no such violation since Regulation 3(1) would be attracted if there is an entitlement to exercise voting rights of 25% or more and if the entitlement to exercise voting rights does not touch 25%, the charging provisions would not be attracted. Therefore, when an acquirer acquires, or even for that matter, "agrees to acquire", the underlying contractual obligation or the intention of the impending contract ought to be the acquisition of an entitlement to voting rights of 25% or more. In the instant case, there was no intention or agreement to acquire an entitlement to voting rights of 25% or more. A computational error led to the instruction to the broker for purchase of shares. No sooner than the error was discovered, it was ensured that the entitlement to exercise voting rights of 25% or more never came about, by timely selling of existing shares. Therefore, the entitlement to exercise voting rights in the hands of the promoter group never reached the threshold of 25% or more. It remained 24.99 % as was always the actual intent of the Promoters. At no point of time, either during a day or at the close of the register of beneficial ownership of shares on any day, did the Promoters ever cross the threshold of 25% and hence there was no question of Regulation 3(1) read with Regulation 13(1) and / or Regulation 13(2) being violated. Inspite of the above representation, an adjudication order dated March 28, 2022 was passed by SEBI against the Promoters imposing a penalty of ₹ 10,00,000. The Promoters vide its letter dated May 09, 2022 respectfully disagreed with the findings and imposition of the said penalty, however the Promoters paid the said penalty with a view to moving forward constructively and putting this matter behind.

8. ***Details of default, if any, including therein the amount involved, duration of default and present status, in (a) repayment of statutory dues, (b) delay in payments of interest and principal of any kind of term loans, debt securities, commercial paper (including technical delay) and other financial indebtedness including corporate guarantee or letters of comfort issued by the company; deposits and interests thereon; and loan from any bank or financial institutions and interest thereon, in the last three financial years and current financial year***

(a) Except as provided hereinbelow, there are no defaults in repayment of statutory dues:

Listing

The NCDs proposed to be offered through this Issue are proposed to be listed on NSE and BSE. An application will be made to the Stock Exchanges for permission to deal in and for an official quotation of our NCDs. NSE has been appointed as the Designated Stock Exchange.

If permissions to deal in and for an official quotation of our NCDs are not granted by the Stock Exchanges, our Company will forthwith repay, without interest, all moneys received from the Applicants in pursuance of the Shelf Prospectus and relevant Tranche Prospectus(es).

Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges mentioned above are taken within 3 (three) Working Days, from the date of closure of the Issue, in accordance with the terms of SEBI NCS Master Circular and such other instructions or directions issued by SEBI in this regard, from time to time.

For the avoidance of doubt, it is hereby clarified that in the event of under subscription, NCDs shall not be listed and in the event of zero subscription to any one or more of the series, such NCDs with series shall not be listed.

Our Company shall pay interest at 15% (fifteen) per annum if allotment is not made and refund orders/allotment letters are not dispatched and/or demat credits are not made to investors within 2 (two) Working Days of the Issue Closing Date or date of refusal of the Stock Exchange(s), whichever is earlier. In case listing permission is not granted by the Stock Exchange(s) to our Company and if such money is not repaid within the day our Company becomes liable to repay it on such account, our Company and every officer in default shall, on and from expiry of such date, be liable to repay the money with interest at the rate of 15% as prescribed under Rule 3 of Companies (Prospectus and Allotment of Securities) Rules, 2014 read with Section 26 of the 2013 Act and Regulation 35(2) of SEBI NCS Regulations, provided that the beneficiary particulars relating to such Applicants as given by the Applicants is valid at the time of the upload of the demat credit.

Expert Opinion

Except for the following, our Company has not obtained any expert opinions in connection with this Draft Shelf Prospectus:

Our Company has received the written consent dated December 30, 2025 from Sharp & Tannan Associates, Chartered Accountants and G.M. Kapadia & Co. Chartered Accountants (Current Joint Statutory Auditors), to include their names as required under section 26 (5) of the Companies Act, 2013 read with SEBI NCS Regulations, in this Draft Shelf Prospectus, and as an "expert" as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Joint Statutory Auditors and in respect of their: (i) Audited Consolidated Financial Statements for Fiscal 2025 along with audit report dated May 08, 2025; and (ii) Audited Standalone Financial Statements for Fiscal 2025 along with audit report dated May 08, 2025; (iii) H1 2026 Unaudited Financial Results along with the limited review report dated October 30, 2025; and (iv) report on the Statement of Possible Tax Benefits dated December 30, 2025, included in this Draft Shelf Prospectus and such consent has not been withdrawn as on the date of this Draft Shelf Prospectus.

Our Company has received the written consent dated December 30, 2025 from Sharp & Tannan Associates, Chartered Accountants and Chhajed & Doshi, Chartered Accountants (Erstwhile Joint Statutory Auditors), to include their names as required under section 26 (5) of the Companies Act, 2013 read with SEBI NCS Regulations, in this Draft Shelf Prospectus, and as an "expert" as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Previous Joint Statutory Auditors and in respect of their: (i) Audited Consolidated Financial Statements for Fiscal 2024 along with audit report dated June 15, 2024; and (ii) Audited Standalone Financial Statements for Fiscal 2024 along with audit report dated June 15, 2024, included in this Draft Shelf Prospectus and such consent has not been withdrawn as on the date of this Draft Shelf Prospectus.

Our Company has received the written consent dated December 30, 2025 from Chhajed & Doshi, Chartered Accountants and V Sankar Aiyar & Co. Chartered Accountants (Erstwhile Joint Statutory Auditors), to include their name as required under section 26 (5) of the Companies Act, 2013 read with SEBI NCS Regulations, in this Draft Shelf Prospectus, and as an "expert" as defined under section 2(38) of the Companies Act, 2013 to the extent and in their capacity as our Erstwhile Joint Statutory Auditors and in respect of their: (i) Audited Consolidated Financial Statements for Fiscal 2023 along with audit report dated April 26, 2023; and (ii) Audited Standalone Financial Statements for Fiscal 2023 along with audit report dated April 26, 2023, included in this Draft Shelf Prospectus and such consent has not been withdrawn as on the date of this Draft Shelf Prospectus.

The experts who have given their respective consents are not and have not been engaged or interested in the formation or promotion or management of the Company and have given their written consent to the Company as stated in the paragraph above and has not withdrawn such consent before the filing of this Draft Shelf Prospectus with the Stock Exchanges and SEBI.

Common form of Transfer

Our Company undertakes that there shall be a common form of transfer for the NCDs and the provisions of the Companies Act, 2013 applicable as on the date of this Draft Shelf Prospectus and all applicable laws shall be duly complied with in respect of all transfer of debentures and registration thereof.

Minimum Subscription

In terms of the SEBI NCS Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size as specified in the relevant Tranche Prospectus(es). If our Company does not receive the minimum subscription of 75% of Base Issue Size, prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 8 (eight) Working Days from the Issue Closing Date or such time as may be specified by SEBI. In the event, there is a delay by our Company in unblocking the aforesaid ASBA Account within the prescribed time limit our Company will become liable to refund the Application Amount along with interest at the rate of 15 (fifteen) percent per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 and Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the

necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI NCS Master Circular.

Filing of this Draft Shelf Prospectus

This Draft Shelf Prospectus has been filed with the Stock Exchanges in terms of Regulation 27 of the SEBI NCS Regulations for dissemination on their website(s) and SEBI. This Draft Shelf Prospectus is also displayed on the websites of the Company and the Lead Managers.

Filing of the Shelf Prospectus and the relevant Tranche Prospectus with the RoC

Our Company is eligible to file the Shelf Prospectus and relevant Tranche Prospectus(es) as per requirements of Regulation 41(1) of SEBI NCS Regulations. A copy of the Shelf Prospectus and the relevant Tranche Prospectus(es) shall be filed with the RoC in accordance with Section 26 and Section 31 of the Companies Act, 2013.

Debenture Redemption Reserve ("DRR")

In accordance with amendments to the Companies Act, 2013, and the Companies (Share Capital & Debentures) Rules 2014, read with the SEBI NCS Regulations, an NBFC/HFC that intends to issue debentures to the public is not required to create a DRR for the purpose of redemption of debentures. Pursuant to the amendment to the Companies (Share Capital & Debentures) Rules 2014, notified on August 16, 2019, and as on the date of filing of this Draft Shelf Prospectus, our Company is not required to create DRR for the purpose of redemption of the NCDs. Accordingly, no debenture redemption reserve shall be created by our Company for the purpose of redemption of the NCDs or in connection with the Issue.

Our Company shall, as per the Companies (Share Capital & Debentures) Rules 2014 and other laws applicable from time to time, invest or deposit, as the case may be, the applicable amounts, within the specified timelines, in respect of debentures maturing during the year ending on the 31st day of March of the next year, in any one or more methods of investments or deposits stipulated under the applicable law. Provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below the specified percentage, which is presently stipulated at 15% (fifteen percent) of the amount of the debentures maturing during the year ending on March 31 of the next year, in any of the following instruments or such other instruments as may be permitted under the applicable laws.

1. in deposits with any scheduled bank, free from any charge or lien;

2. in unencumbered securities of the Central Government or any State Government;

3. in unencumbered securities mentioned in sub-clause (a) to (d) and (ee) of section 20 of the Indian Trusts Act, 1882;

4. in unencumbered bonds issued by any other company which is notified under sub-clause (f) of section 20 of the Indian Trusts Act, 1882:

Provided further that the amount invested or deposited as above shall not be used for any purpose other than for redemption of debentures maturing during the year referred above.

Recovery Expense Fund

Our Company has created a recovery expense fund in the manner as specified by SEBI in SEBI Debenture Trustee Master Circular as amended from time to time and Regulation 11 of SEBI NCS Regulations with the Designated Stock Exchange and has informed the Debenture Trustee regarding the creation of such fund. The recovery expense fund may be utilised by Debenture Trustee, in the event of default by our Company under the terms of the Debenture Trust Deed, for taking appropriate legal action to enforce the security.

Kindly note, any default committed by the Company in terms of the NCDs proposed to be issued shall be reckoned at each respective International Securities Identification Number level assigned to the respective Option(s) of NCDs issued.

Settlement Guarantee Fund

Our Company will deposit amounts in the settlement guarantee fund, as applicable, in the manner as specified in the SEBI NCS Master Circular. This fund has been created under the SEBI NCS Master Circular to ensure upfront collection

of charges from eligible issuers at the time of allotment of debt securities.

Reservation

No portion of the Issue has been reserved.

Underwriting

This Issue is not underwritten.

Disclosures in accordance with the SEBI Debenture Trustee Master Circular

Appointment of Debenture Trustee

The Company has appointed Vardhman Trusteeship Private Limited, as the Debenture Trustee in accordance with the terms of the Debenture Trustee Agreement.

Terms and Conditions of Debenture Trustee Agreement

Fees charged by Debenture Trustee

Separately, the Company and the Debenture Trustee have agreed the payment of an acceptance fee of ₹ 1,50,000 plus applicable taxes and an annual trusteeship fee of ₹ 3,00,000 plus applicable taxes in terms of the letter dated November 17, 2025.

Debenture Trustee Agreement provides for, inter alia, the following terms and conditions:

The terms of due diligence exercise conducted by Debenture Trustee in accordance with Chapter II of the SEBI Debenture Trustee Master Circular, is as follows:

(a) The Debenture Trustee, either through itself or its agents, advisors, consultants, shall carry out requisite diligence to verify the status of encumbrance and valuation of the assets and whether all permissions or consents (if any) as may be required to create the security as stipulated in the Offer Documents / Debenture Trust Deed, has been obtained. For the purpose of carrying out the due diligence as required under Applicable Law, the Debenture Trustee, either through itself or its agents, advisors, consultants, shall have the power to examine the books of account of the Company and to have the Company's assets inspected by its officers and/or external auditors, valuers, consultants, lawyers, technical experts or management consultants appointed by the Debenture Trustee. Prior to appointment of any agents, advisors, consultants, the Debenture Trustee shall obtain necessary confirmation from the said agents, advisors or consultants that they do not have any conflict-of-interest in conducting the diligence under the transaction.

(b) The Company shall provide all assistance to the Debenture Trustee to enable verification from the ROC, sub-registrar of assurances (as applicable), Central Registry of Securitization Asset Reconstruction and Security Interest of India ("**CERSAI**"), depositories, information utility ("**IU**") registered with Insolvency and Bankruptcy Board of India ("**IBBI"**) or any other authority, as may be required, where the assets and/or encumbrances in relation to the assets of the Company or any third-party security provider for securing the Debentures, are registered / disclosed.

(c) Further, in the event that existing charge holders of any trustee on behalf of the existing charge holders, have provided conditional consent / permissions to the Company to create further charge on the assets, the Debenture Trustee shall also have the power to verify such conditions by reviewing the relevant transaction documents or any other documents executed between existing charge holders and the Company. The Debenture Trustee shall also have the power to intimate the existing charge holders about proposal of creation of further encumbrance and seeking their comments/ objections, if any.

(d) Without prejudice to the aforesaid, the Company shall ensure that it provides and procures all information, representations, confirmations and disclosures as may be required in the sole discretion of the Debenture Trustee to carry out the requisite diligence in connection with the issuance and allotment of the Debentures, in accordance with applicable law.

(e) The Debenture Trustee shall have the power to independently appoint intermediaries, valuers, chartered accountant firms, practicing company secretaries, consultants, lawyers and other entities in order to assist in the diligence by the Debenture Trustee. All costs, charges, fees and expenses that are associated with and incurred in relation to the diligence as well as preparation of the reports/certificates/documentation, including all out of pocket expenses towards legal or inspection costs, traveling and other costs shall be solely borne by the Company.

(f) The Debenture Trustee shall make the disclosures on its website as specified under Chapter VII of the SEBI Debenture Trustee Master Circular, as amended.

(g) The Debenture Trustee shall take necessary steps to bring the investor charter, as provided in the Chapter IX of the SEBI Debenture Trustee Master Circular:
   i. Disseminating the investor charter on Debenture Trustee's website and through e-mail.
   ii. Displaying the investor charter at prominent places in offices etc.

(h) The Debenture Trustee shall intimate stock exchanges and depositories the status of payment of debt securities within 9 (nine) working days of the maturity / redemption date, in case the issuer fails to intimate the status of payment of the debt securities within stipulated timelines, then debenture trustee(s) shall seek status of payment from issuer and/ or conduct independent assessment of banks, investors, rating agencies, etc.) to determine the same.

In addition to the above terms of carrying out the due diligence, the Debenture Trustee Agreement provides for, inter alia, the following terms and conditions:

a. The Company undertakes to promptly furnish all and any information as may be required by the Debenture Trustee in terms of the Companies Act and the Debenture Trust Deed on a regular basis, including without limitation the following documents, as may be applicable

b. The Debenture Trustee does not have the obligations of a borrower or a principal debtor or a guarantor as to the monies paid/invested by investors for the NCDs.

Process of Due Diligence to be carried out by the Debenture Trustee

Due Diligence will be carried out as per SEBI (Debenture Trustees) Regulations, 1993, SEBI NCS Regulations and circulars issued by SEBI from time to time. This would broadly include the following:

- A Chartered Accountant ("**CA**") appointed by Debenture Trustee will conduct independent due diligence as per scope provided, regarding security offered by the Issuer.

- CA will ascertain, verify, and ensure that the assets offered as security by the Issuer is free from any encumbrances or necessary permission / consent / NOC has been obtained from all existing charge holders.

- CA will conduct independent due diligence on the basis of data / information provided by the Issuer.

- CA will, periodically undertake due diligence as envisaged in SEBI circulars depending on the nature of security.

- On basis of the CA's report / finding Due Diligence certificate will be issued by Debenture Trustee and will be filed with relevant Stock Exchanges.

- Due Diligence conducted is premised on data / information made available to the Debenture Trustee appointed agency and there is no onus of responsibility on Debenture Trustee or its appointed agency for any acts of omission/ commission on the part of the Issuer.

While the NCDs are secured as per terms of the Offer Document and charge is held in favor of the Debenture Trustee, the extent of recovery would depend upon realization of asset value and the Debenture Trustee in no way guarantees / assures full recovery / partial of either principal or interest.

Other Confirmations

The Debenture Trustee confirms that they have undertaken the necessary due diligence in accordance with Applicable Law, including the SEBI (Debenture Trustees) Regulations, 1993, read with the SEBI Debenture Trustee Master

Circular.

The Debenture Trustee undertakes that the NCDs shall be considered as secured only if the charged asset is registered with sub-registrar and Registrar of Companies or CERSAI or depository, etc., as applicable, or is independently verifiable by the Debenture Trustee.

VARDHMAN TRUSTEESHIP PRIVATE LIMITED HAVE FURNISHED TO SEBI A DUE DILIGENCE CERTIFICATE DATED DECEMBER 30, 2025, AS PER THE FORMAT SPECIFIED UNDER ANNEX-IIA IN THE SEBI DEBENTURE TRUSTEE MASTER CIRCULAR AND PART A OF SCHEDULE IV OF THE SEBI NCS REGULATIONS WHICH READS AS FOLLOWS:

WE, THE DEBENTURE TRUSTEE TO THE ABOVEMENTIONED FORTHCOMING ISSUE STATE AS FOLLOWS:

(1) WE HAVE EXAMINED DOCUMENTS PERTAINING TO THE SAID ISSUE AND OTHER SUCH RELEVANT DOCUMENTS, REPORTS AND CERTIFICATIONS.

(2) ON THE BASIS OF SUCH EXAMINATION AND OF THE DISCUSSIONS WITH THE ISSUER, ITS DIRECTORS AND OTHER OFFICERS, OTHER AGENCIES AND ON INDEPENDENT VERIFICATION OF THE VARIOUS RELEVANT DOCUMENTS, REPORTS AND CERTIFICATIONS, WE CONFIRM THAT:

a) THE ISSUER HAS MADE ADEQUATE PROVISIONS FOR AND/OR HAS TAKEN STEPS TO PROVIDE FOR ADEQUATE SECURITY FOR THE DEBT SECURITIES TO BE ISSUED AND LISTED.

b) THE ISSUER HAS OBTAINED THE PERMISSIONS / CONSENTS NECESSARY FOR CREATING SECURITY ON THE SAID PROPERTY(IES).

c) THE ISSUER HAS MADE ALL THE RELEVANT DISCLOSURES ABOUT THE SECURITY AND ITS CONTINUED OBLIGATIONS TOWARDS THE HOLDERS OF DEBT SECURITIES.

d) ISSUER HAS ADEQUATELY DISCLOSED ALL CONSENTS/ PERMISSIONS REQUIRED FOR CREATION OF FURTHER CHARGE ON ASSETS IN OFFER DOCUMENT AND ALL DISCLOSURES MADE IN THE OFFER DOCUMENT WITH RESPECT TO CREATION OF SECURITY ARE IN CONFIRMATION WITH THE CLAUSES OF DEBENTURE TRUSTEE AGREEMENT.

e) ISSUER HAS DISCLOSED ALL COVENANTS PROPOSED TO BE INCLUDED IN DEBENTURE TRUST DEED (INCLUDING ANY SIDE LETTER, ACCELERATED PAYMENT CLAUSE ETC.) IN THE OFFER DOCUMENT.

f) ISSUER HAS GIVEN AN UNDERTAKING THAT CHARGE SHALL BE CREATED IN FAVOUR OF DEBENTURE TRUSTEE AS PER TERMS OF ISSUE BEFORE FILING OF LISTING APPLICATION.

WE HAVE SATISFIED OURSELVES ABOUT THE ABILITY OF THE ISSUER TO SERVICE THE DEBT SECURITIES.

Our Company has submitted the due diligence certificate from Debenture Trustee to the Stock Exchanges as per format specified in Annexure II-A of the SEBI Debenture Trustee Master Circular and Part B of Schedule IV of the SEBI NCS Regulations.

Debenture Trust Deed

Our Company and the Debenture Trustee will execute a Debenture Trust Deed, inter alia, specifying the powers, authorities and obligations of the Debenture Trustee and us, as per the extant SEBI regulations applicable for the proposed NCD Issue.

Issue Related Expenses

The expenses of the Issue include, inter alia, lead management fees and selling commission to the Lead Managers, Consortium Member, fees payable to debenture trustees, the Registrar to the Issue, SCSBs' commission/ fees, fees

payable to the sponsor bank, printing and distribution expenses, legal fees, advertisement expenses and listing fees. The Issue expenses and listing fees will be paid by our Company.

The estimated breakdown of the total expenses for the Issue shall be as specified in this Prospectus. For details of Issue related expenses, see "*Objects of the Issue*" on page 90.

Obligations of the Issuer

In accordance with the SEBI NCS Regulations, the Company hereby undertakes as follows:

a. It shall treat all applicants to an issue of non-convertible securities in a fair and equitable manner as per the procedures as may be specified by the Board.

b. It shall not employ any device, scheme, or artifice to defraud in connection with issue or subscription or distribution of non-convertible securities which are listed or proposed to be listed on the recognized stock exchange(s).

c. Has valid Securities and Exchange Board of India Complaints Redress System (SCORES) authentication in the format specified by the Board and shall use the same for all issuance of non-convertible securities.

The Issuer hereby declares that nothing in the issue document is contrary to the provisions of Companies Act, 2013 (18 of 2013), the Securities Contracts (Regulation) Act, 1956 (42 of 1956) and the Securities and Exchange Board of India Act, 1992 (15 of 1992) and the rules and regulations made thereunder.

Utilisation of Issue Proceeds

Our Board of Directors certifies that:

i. all monies received out of the Issue of the NCDs to the public shall be transferred to a separate bank account maintained with a scheduled bank, other than the bank account referred to in section 40(3) of the Companies Act;

ii. details of all monies utilised out of the Issue referred to in sub-item (i) shall be disclosed under an appropriate separate head in our balance sheet indicating the purpose for which such monies were utilised;

iii. details of all unutilised monies out of the Issue referred to in sub-item (i), if any, shall be disclosed under an appropriate separate head in our balance sheet indicating the form of financial assets in which such unutilised monies have been invested;

iv. we shall utilize the Issue proceeds only upon creation of security as stated in this Draft Shelf Prospectus in the section titled *"Terms of the Issue"* on page 442 and after (a) permissions or consents for creation of charge over the assets of the Company and for further raising of funds have been obtained from the creditors; (b) receipt of the minimum subscription of 75% of the Base Issue Size as specified in the relevant Tranche Prospectus(es); (c) completion of Allotment and refund process in compliance with Section 40 of the Companies Act, 2013; (d) execution of DTD and creation of security and confirmation of the same in terms of NCDs and (e) receipt of listing and trading approval from Stock Exchanges;

v. the Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, *inter alia* by way of a lease, of any property;

vi. the Issue proceeds shall be utilized in compliance with various guidelines, regulations and clarifications issued by RBI, SEBI or any other statutory authority from time to time. Further the Issue proceeds shall be utilised only for the purpose and objects stated in the Offer Documents; and

vii. If Allotment is not made, application monies will be refunded/unblocked in the ASBA Accounts within 2 (two) Working Days from the Issue Closing Date or such lesser time as specified by SEBI, failing which interest will be due to be paid to the Applicants in accordance with applicable laws.

viii. The issue proceeds shall not be utilized for providing loans to or acquisition of shares of any entity who is part of our Promoter Group or Group Companies.

Details of any other contingent liabilities of the Issuer based on the last audited financial statements including amount and nature of liability.

Please refer to Risk Factor 11 *"Our contingent liabilities could adversely affect our financial condition."* on page 30 of this Draft Shelf Prospectus.

In addition, the Company is involved in other legal proceedings and claims, which have arisen in the ordinary course of business. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the Company's financial position and result of operations.

Pre-Issue Advertisement

Our Company will issue a statutory advertisement in compliance with Regulation 30(1) of the SEBI NCS Regulations on or before the Issue Opening Date of the Issue. The advertisement will contain the information as prescribed under the SEBI NCS Regulations and Section 30 of the Companies Act. Material updates, if any, between the date of filing of the Shelf Prospectus and relevant Tranche Prospectus(es) with the ROC and the date of the release of the statutory advertisement will be included in the statutory advertisement.

Auditors' Remarks

The summary of reservations or qualifications or adverse remarks of auditors in the three financial years immediately preceding the year of issue of issue document, and of their impact on the financial statements and financial position of the company, and the corrective steps taken and proposed to be taken by the company for each of the said reservations or qualifications or adverse remarks:

Other than as disclosed in the chapter titled "*Risk Factors*", on page 23 and in the chapter titled "*Outstanding Litigations*", on page 301, there are no reservations or qualifications or adverse remarks in the financial statements of our Company in the last three Fiscals, immediately preceding this Draft Shelf Prospectus.

Trading

The Equity Shares of the Issuer are listed on NSE and BSE.

The secured, redeemable non-convertible debentures of our Company are currently listed on NSE and/or BSE and are infrequently traded with limited or no volumes. Consequently, there has been no material fluctuation in prices or volumes of such listed debt securities.

Caution

Attention of the applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

"Any person who:

(a) makes or abets making of an application in a fictitious name to a company for acquiring or subscribing for, its securities; or

(b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or

(c) otherwise induces directly or indirectly a company to allot, or register any transfer of securities to him, or any other person in a fictitious name shall be liable for action under section 447."

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹0.10 crore or 1.00% of the turnover of our Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount.

In case the fraud involves (i) an amount which is less than ₹0.10 crore or 1.00% of the turnover of our Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹0.50 crore or with both.

Disclaimer in respect of Jurisdiction

Exclusive jurisdiction for the purpose of this Issue is with the competent courts of jurisdiction in Mumbai, India.

SECTION VII – ISSUE RELATED INFORMATION

ISSUE STRUCTURE

The following are the key terms of the NCDs. This section should be read in conjunction with and is qualified in its entirety by more detailed information in "*Terms of the Issue*" beginning on page 442.

The NCDs being offered as part of this Issue are subject to the provisions of the SEBI NCS Regulations, the Listing Agreement, SEBI Listing Regulations, and the Companies Act, 2013, the RBI Act, the terms of this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es), the Application Form, the terms and conditions of the Debenture Trustee Agreement and the Debenture Trust Deed, and other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI, RBI, the Government of India, and other statutory/regulatory authorities relating to the offer, issue and listing of NCDs and any other documents that may be executed in connection with the NCDs.

Credit Ratings / Rating of the instrument	The NCDs proposed to be issued under the Issue have been rated "Crisil AA/Stable (pronounced as Crisil double A rating with Stable outlook)" for an amount of ₹ 3,500 crore by Crisil vide their rating rationale dated February 11, 2025 and a credit bulletin dated October 30, 2025 read with rating letter dated December 3, 2025 and "BWR AA+/Stable" for an amount of ₹ 2,000 crore by Brickworks vide their rating rationale dated December 24, 2025 read with rating letter dated December 24, 2025. Securities with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such securities carry very low credit risk. Ratings given by Crisil and Brickworks are valid as on the date of this Draft Shelf Prospectus and shall remain valid on date of issue and allotment of NCDs and the listing of the NCDs on Stock Exchanges unless withdrawn In case of any change in credit ratings till the listing of NCDs, our Company will inform the investors through public notices/ advertisements in all those newspapers or electronic modes such as online newspapers or website of the issuer or the stock exchanges in which pre issue advertisement has been given. The rating is not a recommendation to buy, sell or hold the rated instrument and investors should take their own decisions. The rating may be subject to revision or withdrawal at any time by the assigning rating agency and each rating should be evaluated independently of any other rating. The rating agencies have a right to suspend or withdraw the rating at any time on the basis of factors such as new information. For the rating letter, rationale and press release for these ratings, see "*Annexure A*" of this Draft Shelf Prospectus. There are no unaccepted ratings and any other ratings other than as specified this Draft Shelf Prospectus.

Listing and timeline for listing	The NCDs are proposed to be listed on NSE and BSE. The NCDs shall be listed within three Working Days. NSE has been appointed as the Designated Stock Exchange. For more information see "*Other Regulatory and Statutory Disclosures*" on page 348.
Modes of payment	Please see *"Issue Structure – Terms of Payment"* on page 425.
Issue Opening Date	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Issue Closing Date**	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Date of earliest closing of the issue, if any	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Record date	The record date for payment of interest in connection with the NCDs or repayment of principal in connection therewith shall be 15 days prior to the date on which interest is due and payable, and/or the date of redemption or such other date under this Draft Shelf Prospectus as may be determined by the Company. Provided that trading in the NCDs shall remain suspended between the aforementioned Record Date in connection with redemption of NCDs and the date of redemption or as prescribed by the Stock Exchanges, as the case may be. In case Record Date falls on a day when Stock Exchanges are having a trading holiday, the immediate subsequent trading day or a date notified by our Company to the Stock Exchanges will be deemed as the Record Date.
Settlement mode of instrument	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Disclosure of interest/ Dividend/redemption dates	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
All covenants of the Issue (including side letters, accelerated payment clause, etc.)	Our Company shall comply with the representations and warranties, general covenants, negative covenants and reporting covenants as indicated in "- *Covenants of this Issue*" on page 426 and set out in the Debenture Trust Deed.
Issue Schedule**	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Description regarding security (where applicable) including type of security (movable/ immovable/ tangible etc.) type of charge (pledge/ hypothecation/ mortgage etc.), date of creation of security/	The principal amount of the NCDs to be issued in terms of this Draft Shelf Prospectus together with all interest due and payable on the NCDs, shall be secured by way of first ranking *pari passu* charge by way of hypothecation over the receivables of the Company, both present and future, book debts, loans and advances and current assets of the Company that are in existence as on the date hereof and that shall come into existence at any time and from time to time hereafter (except those assets of the Company which are exclusively charged in favour of existing charge holders as of

likely date of creation of security, minimum security cover, revaluation, replacement of security, interest of the debenture holder over and above the coupon rate as specified in the Debenture Trust Deed and disclosed this Draft Shelf Prospectus	date and details of which are disclosed to the Debenture Trustee) such that a security cover of at least 100% of the outstanding principal amounts and interest thereon in respect of the Debentures is maintained at all times until the Maturity Date, created in favor of the Debenture Trustee, as specifically set out in and fully described in the Debenture Trust Deed for each of the relevant Tranche Issue and the relevant Tranche Prospectus. Without prejudice to the aforesaid, in the event our Company fails to execute the Debenture Trust Deed within the period specified in Regulation 18(1) of the SEBI NCS Regulations or such other time frame as may be stipulated from time-to-time, our Company shall also pay interest of at least 2% (two per cent) per annum to the NCD holders, over and above the interest rate on the NCDs specified in this Draft Shelf Prospectus, till the execution of the Debenture Trust Deed. The security shall be created prior to making the listing application for the NCDs with the Stock Exchanges. For further details on date of creation of security/ likely date of creation of security minimum security cover etc., please see "*Terms of the Issue – Security*" on page 442.
Security Cover	Our Company shall maintain a minimum 1x security cover on the outstanding balance of the NCDs plus accrued interest thereon.
Replacement of Security interest of the debenture holder over and above the coupon rate as specified in the Debenture Trust Deed and disclosed in the relevant Tranche Prospectus	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Condition precedent to the Issue	The following are the conditions precedent which our Company shall fulfil prior to the Deemed Date of Allotment to the satisfaction of the Debenture Trustee: 1. Certified true copies of the constitutional documents of the Company; 2. Resolutions of the Board of Directors and the Finance Committee authorizing, *inter alia*, the Issue and the terms of the Issue; 3. Special resolutions under Section 180(1)(a) and 180(1)(c) of the Companies Act, 2013; 4. Credit rating letters from the Credit Rating Agency; 5. In-principle approval letters from the Stock Exchanges; 6. Execution of Transaction Documents; 7. Consent letters from the Debenture Trustee and the Registrar; 8. Receipt of the ISIN from the Depositories for the issuance of the NCDs; and 9. Such other information and documents as the Debenture Holders/ Debenture Trustee may reasonably request, or as may be required under applicable law. The description above is indicative and a complete list of conditions precedent will be specified in the Debenture Trust Deed.
Condition subsequent to the Issue	The following are the conditions subsequent which our Company shall fulfil on or after the Deemed Date of Allotment to the satisfaction of the Debenture Trustee: 1. Evidence of payment of stamp duty in connection with the issuance of NCDs; 2. Filing of form CHG-9 with the Registrar of Companies in accordance with the Companies Act, 2013 and other filings in relation to the perfection of the security; 3. Evidence of corporate actions for approving and allotting the NCDs; 4. Credit of the relevant NCDs in the specified dematerialised account(s) of the investors; 5. Evidence of listing of the NCDs on the Stock Exchanges; 6. Filing of a return of allotment on the issue of the NCDs in Form PAS-3 pursuant to the Companies (Prospectus and Allotment of Securities) Rules, 2014 with the Registrar of Companies; and 7. Certificate from the statutory auditor confirming the complete utilisation of the Issue proceeds.

	The description above is indicative and a complete list of conditions subsequent will be specified in the Debenture Trust Deed.
Events of default (including manner of voting/conditions of joining Inter Creditor Agreement)	Please see "*Terms of the Issue – Events of Default (including manner of voting/conditions of joining Inter Creditor Agreement)*" on page 444.
Creation of recovery expense fund	Our Company has created a recovery expense fund and has transferred the required amount towards recovery expense fund in the manner as specified by SEBI Debenture Trustee Master Circular as amended from time to time and Regulation 11 of the SEBI NCS Regulations with the Designated Stock Exchange and informed the Debenture Trustee regarding transfer of amount toward such fund.
Settlement Guarantee Fund	Our Company will deposit amounts in the settlement guarantee fund, as applicable, in the manner as specified in the SEBI NCS Master Circular. This fund has been created under the SEBI NCS Master Circular to ensure upfront collection of charges from eligible issuers at the time of allotment of debt securities.
Conditions for breach of covenants (as specified in Debenture Trust Deed)	Upon occurrence of any default in the performance or observance of any term, covenant, condition or provision contained in this Draft Shelf Prospectus and the Debenture Trust Deed and, except where the Debenture Trustee certifies that such default is in its opinion incapable of remedy within the cure period, as set out in the Debenture Trust Deed (in which case no notice shall be required), it shall constitute an event of default. The Debenture Trustee may, at any time, waive, on such terms and conditions as to it shall seem expedient, any breach by the Company of any of the covenants and provisions in these presents contained without prejudice to the rights of the Debenture Trustee in respect of any subsequent breach thereof. Please see "*Terms of the Issue – Events of Default (including manner of voting/conditions of joining Inter Creditor Agreement)*" on page 444.
Deemed date of Allotment	The date on which our Board of Directors or the Finance Committee approves the Allotment of the NCDs for the Issue or such date as may be determined by the Board of Directors/ or the Finance Committee thereof and notified to the Stock Exchanges. The actual Allotment of NCDs may take place on a date other than the Deemed Date of Allotment. All benefits relating to the NCDs including interest on NCDs (as specified in the relevant Tranche Prospectus(es) for each Tranche Issue) shall be available to the Debenture holders from the deemed date of allotment.
Roles and responsibilities of the Debenture Trustee	As per SEBI (Debenture Trustee) Regulations, 1993, SEBI (Issue and Listing of Non-Convertible Securities) Regulation, 2021, Companies Act, the Listing Agreement, and the Debenture Trust Deed, each as amended from time to time. Please see "*Terms of the Issue - Trustees for the NCD Holders*" on page 444.
Risk factors pertaining to the Issue	Please see section titled "*Risk Factors*" on page 23.
Provisions related to Cross Default Clause	As per the Debenture Trust Deed to be executed in accordance with applicable law.
Governing law and Jurisdiction	The governing law and jurisdiction for the purpose of the Issue shall be Indian law, and the competent courts of jurisdiction in Mumbai, India, respectively.
Working day convention / Day count convention / Effect of holidays on payment	Working Day means all days on which commercial banks in Mumbai are open for business. If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day (the "**Effective Date**"), however the dates of the future interest payments would continue to be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Maturity Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.

Notes:

* *In terms of Regulation 7 of the SEBI NCS Regulations, our Company will undertake this public issue of the NCDs in dematerialised form. Trading in NCDs shall be compulsorily in dematerialized form.*

** *The Issue shall remain open for subscription on Working Days from 10:00 a.m. to 5:00 p.m. (Indian Standard Time) during the period indicated in the relevant Tranche Prospectus, except that the Issue may close on such earlier date or extended date (subject to a minimum period of 2 (two) Working Days and a maximum period of 10 (ten) Working days from the date of opening of this Issue and subject to not exceeding thirty days from filing of the relevant Tranche Prospectus(es) with RoC including extensions) as may be decided by the Board of Directors of our Company or the Finance Committee thereof, subject to compliance with Regulation 33A of the SEBI NCS Regulations. In the event of an early closure or extension of the Issue, our Company shall ensure that notice of the same is provided to the prospective investors through an advertisement in an English daily national newspaper with wide circulation and a regional daily with wide circulation where the registered office of the Company is located (in all the newspapers in which pre-issue advertisement for opening of this Issue has been given on or before such earlier or initial date of Issue closure) on or before such earlier or initial date of Issue closure. Application Forms for this Issue will be accepted only from 10:00 a.m. to 5:00 p.m. or such extended time as may be permitted by the Stock Exchange, on Working Days during the Issue Period. On the Issue Closing Date, the Application Forms will be accepted only between 10:00 a.m. and 3:00 p.m. (Indian Standard Time) and uploaded until 5:00 p.m. or such extended time as may be permitted by the Stock Exchange. Further, pending mandate requests for bids placed on the last day of bidding will be validated by 5:00 p.m. on the Issue Closing Date. For further details please see "General Information" on page 57.*

* *For the list of documents executed/ to be executed, please see "Material Contracts and Documents for Inspection" on page 504.*

If there is any change in coupon rate pursuant to any event including elapse of certain time period or downgrade in rating, then such new coupon rate and events which lead to such change will be disclosed to the Stock Exchanges.

While the NCDs are secured to the tune of 100% of the principal and interest thereon in favour of Debenture Trustee, it is it the duty of the Debenture Trustee to monitor the security cover is maintained, however, the recovery of 100% of the amount shall depend on the market scenario prevalent at the time of enforcement of the security.

Debt securities shall be considered as secured only if the charged asset is registered with Sub-registrar and Registrar of Companies or CERSAI or Depository etc., as applicable, or is independently verifiable by the debenture trustee.

Specific terms for NCDs

As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.

Terms of payment

The entire face value per NCDs applied for will be blocked in the relevant ASBA Account maintained with the SCSB or under UPI mechanism (only for Retail Individual Investors), as the case may be, in the bank account of the Applicants that is specified in the ASBA Form at the time of the submission of the Application Form. In the event of Allotment of a lesser number of NCDs than applied for, our Company shall unblock the additional amount blocked upon application in the ASBA Account, in accordance with the terms specified in "*Terms of the Issue – Manner of Payment of Interest/ Refund / Redemption"* on page 454.

Participation by any of the Investor classes in this Issue will be subject to applicable statutory and/or regulatory requirements. Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and/or regulatory provisions.

The NCDs have not been and will not be registered, listed or otherwise qualified in any jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction. In particular, the NCDs have not been and will not be registered under the U.S. Securities Act, 1933, as amended (the "Securities Act") or the securities laws of any state of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Issuer has not registered and does not intend to register under the U.S. Investment Company Act, 1940 in reliance on section 3(c)(7) thereof. This Draft Shelf Prospectus may not be forwarded or distributed to any other person and may not be reproduced in any manner whatsoever, and in particular, may not be forwarded to any U.S. Person or to any U.S. address.

Applications may be made in single or joint names (not exceeding three). Applications should be made by Karta in case the Applicant is an HUF. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names. If the depository account is held in joint names, the Application Form should contain the name and PAN of the

person whose name appears first in the depository account and signature of only this person would be required in the Application Form.

This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form. Please ensure that such Applications contain the PAN of the HUF and not of the Karta.

In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein.

Day Count Convention

Interest shall be computed on an actual/actual basis i.e. on the principal outstanding on the NCDs as per the SEBI NCS Master Circular.

Effect of holidays on payments

If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. In respect of announcement or bid/issue period, working day shall mean all days, excluding Saturdays, Sundays and public holidays, on which commercial banks in Mumbai are open for business (provided that on any trading day of Stock Exchanges if commercial banks in Mumbai are closed, it will be considered as Working Day). Further, in respect of the time period between the bid/ issue closing date and the listing of the NCDs on the Stock Exchanges, working day shall mean all trading days of the Stock Exchanges for NCD, excluding Saturdays, Sundays and bank holidays, as specified by SEBI. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Redemption Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.

Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory Permissions / consents/approvals in connection with applying for, subscribing to, or seeking Allotment of NCDs pursuant to this Issue.

For further details, see the section titled "*Issue Procedure*" on page 462.

Covenants of this Issue

The Company shall comply with the representations and warranties, general covenants, negative covenants, reporting covenants and financial covenants listed out below and as more specifically set out in the Debenture Trust Deed An illustrative list of covenants is listed below:

A. Financial Covenants

i. The Company shall maintain a capital adequacy ratio in compliance with the minimum levels stipulated by RBI, at all points in time;

ii. The financial covenants identified in the Deed shall be tested on quarterly basis and the Company shall submit to the Debenture Trustee on quarterly basis, within 45 (forty five) days from the end of every quarter and within 60 (sixty) days from the end of every financial year, certificates signed by the statutory auditor of the Company, confirming the compliance of such financial covenants.

B. Reporting Covenants

a. The Company shall at the end of every calendar quarter within 45 (forty five) days of the respective quarter or within 7 days of the relevant board meeting, whichever is earlier, submit to the Debenture Trustee a report confirming /certificate confirming the following:

   i. Updated list of names and addresses of all the NCD Holders and the number of NCDs held by the NCD Holders;

ii. Details of interest due but unpaid, if any, and reasons for the same;

iii. Details of payment of interest made on the NCDs in the immediately preceding calendar quarter;

iv. The number of grievances pending at the beginning of the quarter, the number and nature of grievances received from the NCD Holders during the quarter, resolved/disposed of by the Company in the quarter and those remaining unresolved by the Company and the reasons for the same; and

v. Statement that the Secured Assets is sufficient to discharge the claims of the NCD Holders as and when they become due and as mentioned in the security cover certificate.

b. The Company shall promptly submit to the Debenture Trustee any information, as required by the Debenture Trustee including but not limited to the following:

i. Upon complete utilisation of all proceeds of any Issue, a certificate from the statutory auditors at the end of each accounting year and for confirming such complete utilization of such Issue proceeds, and until such complete utilisation, a certificate from an independent chartered accountant confirming status of utilisation of funds on a quarterly basis;

ii. by no later than 30 (thirty) days from the Deemed Date of Allotment or within such timelines as prescribed under Applicable Law, a certificate signed by an authorised officer of the Company confirming credit of dematerialized NCDs into the depository accounts of the NCD Holders within the timelines prescribed under the Applicable Laws;

iii. at the end of every year from the Deemed Date of Allotment, a certificate from the Company's statutory auditor, on a quarterly basis provide relevant security cover certificate regarding maintenance of minimum Security Cover along with certification regarding compliance with all the covenants as per Draft Shelf Prospectus / the Deed along with the half-yearly financial results;

iv. upon there being any change in the credit rating assigned to the NCDs, promptly thereafter, a letter / intimation via email notifying the Debenture Trustee of such change in the credit rating of the NCDs, and further also inform the Debenture Trustee promptly in case there is any default in timely payment of interest or Redemption Amount or both, or there is a failure to create security interest on the Secured Asset, or there is a breach of any covenants, terms or conditions by the Company in relation to the NCDs under any Transaction Documents;

v. a copy of all notices, resolutions and circulars relating to:

a. new issue of non-convertible debt securities at the same time as they are sent to shareholders/holders of non-convertible debt securities; and/or

b. the meetings of holders of non-convertible debt securities at the same time as they are sent to the holders of non-convertible debt securities or advertised in the media including those relating to proceedings of the meetings.

vi. intimation to the Debenture Trustee (along with the Stock Exchanges) if any of the following proposals being placed before the Board, at least 2 (two) Working Days in advance:

a. any alteration in the form or nature or rights or privileges of the NCDs;

b. any alteration in the Due Dates on which interest on the NCDs or the Redemption Amount is payable; and/or

c. any other matter affecting the rights and interests of the NCD Holders is proposed to be considered.

c. The Company shall promptly inform the Stock Exchange and the Debenture Trustee all information having bearing on the performance/operation of the Company, any price sensitive information or any action that may affect the payment of interest or Redemption of the NCDs in terms of Regulation 51(2) of the SEBI (LODR) Regulations.

d. The Company shall give prior intimation to the Stock Exchange with a copy to the Debenture Trustee within one working day before the date on and from which the interest on NCDs, and the Redemption Amount of NCDs becomes due and payable or within such timelines as prescribed under Applicable Law.

e. The Company shall promptly inform the Debenture Trustee the status of payment (whether in part or full) of NCDs within 1 (one) Working Day of the payment/redemption. While intimating the Debenture Trustee, the

Company shall also confirm whether they have informed the status of payment or otherwise to the Stock Exchange and Depository.

f. Promptly within 2 (two) days of the interest or principal or both becoming due, the Company shall submit a certificate to the Stock Exchange along with the Debenture Trustee, that it has made timely payment of interests or principal obligations or both in respect of the NCDs and also upload the information on its website.

g. If default in payment of NCDs is continuing, the Company shall inform the Debenture Trustee the updated status of payment latest by the 2nd (second) Working Day of April of each financial year, along with the intimation on the updated status of payment to the Stock Exchange and the Depository. Further, the Company shall also intimate the development, if any, that impacts the status of default of the NCDs (including restructuring, insolvency proceedings, repayment, etc.) to the Stock Exchange, Depository and Debenture Trustee within 1 (one) Working Day of such development. The aforementioned intimations shall be submitted until the Secured Obligations are fully discharged or satisfied. The Company shall provide an undertaking to the Stock Exchange on annual basis that all documents and intimations required to be submitted to Debenture Trustees in terms of the Deed and SEBI NCS Regulations have been complied with and furnish a copy of such undertaking to the Debenture Trustee for records.

h. The Company shall promptly inform the Debenture Trustee the following details (if any):

   i. corporate debt restructuring;

   ii. fraud/defaults by promoter or key managerial personnel or by Company or arrest of key managerial personnel or promoter; and/or

   iii. reference to National Company Law Tribunal or insolvency petitions (if any) filed by any creditor of the Company.

i. A statement indicating material deviations, if any in utilisation of the proceeds of the Debentures.

j. The Company shall notify the Debenture Trustee of any Event of Default (and the steps, if any, being taken to remedy it) promptly upon becoming aware of its occurrence.

k. The Company shall furnish to the Debenture Trustee details of all grievances received from the NCD Holders and the steps taken by the Company to redress the same. At the request of any NCD Holders, the Debenture Trustee shall, by notice to the Company call upon the Company to take appropriate steps to redress such grievance and shall, if necessary, at the request of any NCD Holders representing not less than one-tenth in value of the nominal amount of the NCDs for the time being outstanding, call a meeting of the NCD Holders.

l. To provide relevant documents/ information, as applicable, to enable the Debenture Trustee(s) to conduct continuous and periodic due diligence and monitoring of the security interest over the Secured Assets, the Company shall submit the following reports/ certification within the timelines mentioned below or such other updated timelines in accordance with the law applicable:

m.

Financials/value of guarantor prepared on basis of audited financial statement	Annual basis within 60 days from end of each financial year	Annual basis within 75 days from end of each financial year or

Reports/Certificates	Timelines for submission requirements by Company to Debenture Trustee	Timeline for submission of reports/ certifications by Debenture Trustee to stock exchange
etc. of the guarantor (secured by way of corporate guarantee), if applicable	or within such timelines as prescribed under Applicable Law.	within such timelines as prescribed under Applicable Law.
Valuation report and title search report for the immovable/movable assets, as applicable, if applicable		Once in three years within 75 days from the end of the financial year or within such timelines as prescribed under Applicable Law

n. The Company shall promptly inform the Debenture Trustee of any major or significant change in composition of its Board, which may amount to change in control as defined in the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

o. The Company shall inform the Debenture Trustee, of any amalgamation, demerger, merger or corporate restructuring or reconstruction scheme proposed by the Company.

p. The Company shall promptly supply certified copies to the Debenture Trustee of any authorisation required under any law or regulation to enable it to perform its obligations under the Transaction Documents (including, without limitation, in connection with any payment to be made hereunder) and to ensure the legality, validity, enforceability or admissibility in evidence in its jurisdiction of incorporation of the Transaction Documents.

q. The Company shall supply to the Debenture Trustee a copy of annual report, at the end of each year from the Deemed Date of Allotment, till the time the funds from the Issue are fully utilized. In case the NCDs are issued for financing working capital or general corporate purposes or for capital raising purposes, copy of the statutory auditor's certificate to be submitted at the end of each financial year till the funds have been fully utilised or the purpose for which these funds were intended has been achieved.

r. The Company shall supply to the Debenture Trustee (sufficient copies for all NCD Holders if the Debenture Trustee so requests) half yearly financial results within 45 (forty five) days from the end of the each half year or within such timelines as prescribed under Applicable Law.

s. In case of initiation of forensic audit (by whatever name called) in respect of the Company, the Company shall provide following information and make requisite disclosures to the stock exchanges:

   i. the fact of initiation of forensic audit along-with name of entity initiating the audit and reasons for the same, if available; and

   ii. final forensic audit report (other than for forensic audit initiated by regulatory/enforcement agencies) on receipt by the Company along with comments of the management, if any.

t. The Company shall promptly provide or inform the Debenture Trustee the details of all the material orders, directions, notices, of any court/tribunal affecting or likely to affect the Secured Asset.

u. The Company shall submit to the Debenture Trustee, Stock Exchange and the NCD Holders correct and adequate information (in the manner and format as requested by them or as required by Applicable Law) and within the timelines and procedures specified in the SEBI Regulations, Act, circulars, directives and/or any other Applicable Law.

v. The Company shall furnish the following to the Debenture Trustee:

   i. its duly audited annual accounts, at the same time as it is issued along with a copy of certificate from the Company's auditors in respect of utilisation of funds. Provided that in the case of NCDs issued for financing working capital or general corporate purposes or for capital raising purposes the copy of the auditor's certificate may be submitted at the end of each financial year till the funds have been fully utilised or the purpose for which these funds were intended has been achieved;

   ii. copy of the un-audited or audited financial results on a half yearly basis on the same day the information is submitted to stock exchanges i.e. within 45 (forty five) days from the end of the half year or within such timelines as prescribed under Applicable Law;

   iii. a one-time certificate from the statutory auditor of the Company with respect to the use of the proceeds

raised through the Issue as and when such proceeds have been completely deployed toward the proposed end-uses;

iv. such information in relation to the Secured Asset that the Debenture Trustee may reasonably request (in a format which shall be provided by the Debenture Trustee from time to time) for the purpose of quarterly diligence by the Debenture Trustee to monitor the required Security Cover and shall also submit to the Debenture Trustee a certificate from the director/managing director of the Company on quarterly basis, certifying the value of the Identified Book Debts as agreed in the Transaction Documents; and

v. all information/ documents required to be submitted to the Debenture Trustee, to enable it to carry out the due diligence in terms of SEBI Debenture Trustee Master Circular; and necessary reports / certificates to the stock exchanges / SEBI and make the necessary disclosures on its website, in terms of the SEBI Debenture Trustee Master Circular.

w. The Company shall:

i. supply to the Debenture Trustee (with sufficient copies for all NCD Holders if the Debenture Trustee so requests) all documents dispatched by it to its shareholders (or any class of them) or its creditors generally at the same time as they are dispatched;

ii. promptly upon becoming aware, supply to the Debenture Trustee (and sufficient copies for all NCD Holders if the Debenture Trustee so requests), the details of any event which may have a Material Adverse Effect;

iii. promptly upon becoming aware, supply to the Debenture Trustee (and sufficient copies for all NCD Holders if the Debenture Trustee so requests), the details of the existence of any event or condition or claim which permits, or with the passage of time, will permit, the Company to abandon the business;

iv. at the end of every financial year, supply to the Debenture Trustee (and sufficient copies for all NCD Holders if the Debenture Trustee so requests), a certificate from a practicing Chartered Accountant confirming the due maintenance of a DRR, if required, as per the provisions of Applicable Law;

v. promptly, supply to the Debenture Trustee (and sufficient copies for all NCD Holders if the Debenture Trustee so requests), notice of any change in its authorised signatories (in connection with the Transaction Documents), signed by one of its directors or its company secretary, whose specimen signature has previously been provided to the Debenture Trustee, accompanied (where relevant) by a specimen signature of each new signatory; and

vi. forthwith give, notice in writing to the Debenture Trustee of commencement of any proceedings directly affecting the Secured Asset.

x. shall submit the following to the Debenture Trustee on date of approval of each quarterly and annual financial results at the end of such quarter / financial year, respectively:

i. a certificate signed by the chief financial officer of the Company or any other authorized signatory of the Company stating that the Company is in compliance with all the financial covenants prescribed in Clause 14 on the basis of standalone audited balance sheet of the Company for the relevant financial year;

ii. the details of any change in control from that prevailing as on the Effective Date; and

iii. such portfolio information in respect of the Company in the formats as may be prescribed by the Debenture Trustee;

y. on a semi-annual basis, a half yearly certificate on each relevant Quarterly Date providing half-yearly financial statements for the preceding half-year/6 (six) month period, prepared in accordance with the Applicable Accounting Standards, together with a certificate from an independent chartered accountant and/or an authorized signatory of the Company, confirming the value of the Secured Assets, and the compliance of the Company with all the financial covenants and other covenants prescribed under the Transaction Documents.

z. promptly, and in any event at the same time as it has intimated to the Stock Exchanges of the occurrence of any change in the constitutional documents of the Company, which prejudicially affects the rights of the Debenture Trustee under the Transaction Documents.

aa. promptly, and in any event within 10 (ten) Working Days after the Company obtains or reasonably should have obtained actual knowledge thereof, notice of the occurrence of any event or circumstance that could reasonably

be expected to result in a Material Adverse Effect.

bb. promptly, and in any event within 10 (ten) Working Days after the Company obtains actual knowledge thereof, any notices, orders or directions any court or tribunal in relation to any dispute, litigation, investigation or other proceeding affecting the Company or its property or operations (included the Secured Assets), which, if adversely determined, could result in a Material Adverse Effect.

cc. promptly, and in any event within 10 (ten) Working Days after the Company obtains actual knowledge thereof, notice of the occurrence of any Event of Default or Potential Event of Default including any steps taken to cure such event.

dd. promptly, and in any event within 10 (ten) Working Days or as may be specified under applicable law, upon the occurrence of any mandatory prepayment, or the receipt of notice of any Financial Indebtedness of the Company declared to be due and payable or required to be prepaid other than by a regularly scheduled required prepayment, prior to the stated maturity thereof, and except in case of ordinary course of business.

ee. promptly, and in any event within 10 (ten) Working Days after such default, notice of any default in the observance or performance of any agreement or condition relating to any Financial Indebtedness by the Company or contained in any instrument or agreement evidencing, securing or relating thereto or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause or to permit the holder or holders of such Financial Indebtedness to cause (determined without regard to whether any notice is required) any such Financial Indebtedness to become due prior to its stated maturity in respect of the Company.

ff. promptly, and in any event within 2 (two) Working Days of receiving any notice of any application for winding up/insolvency having been made or any notice of winding up or insolvency under the provisions of the Companies Act or the (Indian) Insolvency and Bankruptcy Code, 2016 or any other statute relating to winding up/insolvency or otherwise of any suit or other legal process intended to be filed or initiated against the Company with such similar intention;

gg. within 45 (forty-five) days of each Quarterly Date, a certificate from an authorized officer of the Company certifying/confirming that no Potential Event of Default or Event of Default has occurred.

hh. The Company shall also submit a certificate from a statutory auditor and authorised officer of the Company for every second fiscal quarter and fourth fiscal quarter certifying the value of Identified Book Debts and maintenance of the Security Cover, as per the terms of the SEBI Debenture Trustee Master Circular, the Prospectus and the Deed including compliance with the covenants of the Prospectus and any other covenants in respect of listed non-convertible debt securities in the manner as may be specified by SEBI from time to time.

ii. without prejudice to sub-Clauses (gg) above and sub-Clause (ii) below, within such timelines as may be prescribed by the Debenture Trustee, provide all relevant information required by the Debenture Trustee for the effective discharge of its duties and obligations under the Transaction Document, including but not limited to the copies of all reports, balance sheets and the profit and loss account of the Company.

jj. without prejudice to sub-Clause (hh) above and sub-Clause (jj) below, promptly and in any event within 30 (thirty) calendar days of receipt of a request, such additional documents or information as the Debenture Trustee or the NCD Holders, may reasonably request from time to time.

kk. as soon as practicable and in any event within the timelines prescribed by the Debenture Trustee (and Applicable Law), such other information, notifications, details, documents, reports, statements and certificates (including from chartered accountants, auditors and/or directors of the Company) as may be required by the Debenture Trustee from time to time, to ensure compliance with the provisions of the Applicable Law, including but not limited to the SEBI Debenture Trustees Regulations, the SEBI Debenture Trustee Master Circular and the Companies (Share Capital and NCDs) Rules, 2014.

ll. promptly, and in any event within 20 (twenty) calendar days after the end of each month, a book debt statement of the Company

mm. promptly, and in any event within 45 (forty-five) days after the end of each quarter, a report on Security Cover in the format prescribed under Applicable Law.

C. Affirmative Covenants

The Company shall:

a. Use of Proceeds

use the proceeds of the Issue only for the Purpose and in accordance with Applicable Law and the Transaction Documents;

b. Loss or Damage by Uncovered Risks

promptly inform the Debenture Trustee and the NCD Holders of any loss or significant damage which the Company may suffer due to any force majeure circumstances or act of God, such as earthquake, flood, tempest or typhoon, etc. against which the Company may not have insured its properties;

c. Costs and Expenses

pay all reasonable costs, charges and expenses in any way incurred by the Debenture Trustee towards protection of the NCD Holders' interests, including traveling and other allowances and such taxes, duties, costs, charges and expenses in connection with or relating to the NCDs subject to such expenses, costs or charges being approved in writing by the Company before they are incurred and shall not include any foreign travel costs;

d. Payment of Rents, etc.

punctually pay all rents, royalties, taxes, rates, levies, cesses, assessments, impositions and outgoings, governmental, municipal or otherwise imposed upon or payable by the Company as and when such amounts are payable;

e. Preserve Corporate Status

(i) diligently preserve and maintain its corporate existence and status and all rights, privileges, and concessions now held or hereafter acquired by it in the conduct of its business;

(ii) comply with all acts, authorizations, consents, permissions, rules, regulations, orders and directions of any Governmental Authority; and

(iii) not do or voluntarily suffer or permit to be done any act or thing whereby its right to transact its business might or could be terminated or whereby payment of the outstanding Obligations might or would be hindered or delayed;

f. Pay Stamp Duty

pay all such stamp duty (including any additional stamp duty), other duties, taxes, charges and penalties, if and when the Company may be required to pay according to the applicable state laws. In the event the Company fails to pay such stamp duty, other duties, taxes and penalties as aforesaid, the Debenture Trustee shall be at liberty (but shall not be bound) to pay such amounts and the Company shall reimburse the aforementioned amounts to the Debenture Trustee on demand;

g. Furnish Information to Debenture Trustee

(i) provide to the Debenture Trustee or its nominee(s)/agent(s) such information/copies of relevant extracts as they may require on any matters relating to the business of the Company or to investigate the affairs of the Company;

(ii) allow the Debenture Trustee to make such examination and investigation as and when deemed necessary and shall furnish the Debenture Trustee with all such information as they may require and shall pay all reasonable costs, charges and expenses incidental to such examination and investigation;

(iii) provide to the Debenture Trustee or its nominee(s)/agent(s) such information/copies of relevant extracts as they may require for the purpose of filing any relevant forms with any Governmental Authority (including but not limited to the CERSAI) in relation to the NCDs and the Secured Assets;

(iv) inform and provide the Debenture Trustee with applicable documents in respect of the following:

(A) notice of any Event of Default; and

(B) any and all information required to be provided to the NCD Holders under Applicable Law and the listing agreement to be entered into between the Company and the Stock Exchange(s);

h. Redressal of Grievances

promptly and expeditiously attend to and redress the grievances, if any, of the NCD Holders. The Company further undertakes that it shall promptly comply with the suggestions and directions that may be given in this regard, from time to time, by the Debenture Trustee and shall advise the Debenture Trustee periodically of the compliance;

i. Comply with Investor Education and Protection Fund Requirements

comply with the provisions of the Companies Act relating to transfer of unclaimed/ unpaid amounts of interest on NCDs and redemption of NCDs to Investor Education and Protection Fund, if applicable to it. The Company hereby further agrees and undertakes that until the Final Settlement Date it shall abide by the regulations, rules or guidelines/listing requirements if any, issued from time to time by the Ministry of Corporate Affairs, RBI, SEBI or any other competent Governmental Authority;

j. Corporate Governance; Fair Practices Code

comply with any corporate governance requirements applicable to the Company (as may be prescribed by the RBI, SEBI, any Stock Exchange, or any other Governmental Authority) and the fair practices code prescribed by the RBI;

k. Further Assurances

(i) provide details of any litigation, arbitration or administrative proceedings that if determined adversely could have a Material Adverse Effect on the Company;

(ii) comply with any monitoring and/or servicing requests from the Debenture Trustee;

(iii) execute and/or do, at its own expense, all such deeds, assurances, documents, instruments, acts, matters and things, in such form and otherwise as the Debenture Trustee may reasonably or by Applicable Law require or consider necessary in relation to enforcing or exercising any of the rights and authorities of the Debenture Trustee;

(iv) obtain, comply with the terms of and do all that is necessary to maintain in full force and effect all authorisations and licenses necessary to enable it to lawfully enter into and perform its obligations under the Deed or to ensure the legality, validity, enforceability or admissibility in evidence in India of the Deed;

(v) comply with:

(A) all Applicable Law (including but not limited to the Companies Act, the SEBI Listed Debentures Circulars, the SEBI Monitoring Circulars, the environmental, social and taxation related laws, all directions issued by the RBI to non-banking financial companies), as applicable in respect of the NCDs and obtain such regulatory approvals as may be required from time to time;

(B) the SEBI Debenture Trustees Regulations as in force from time to time, in so far as they are applicable to the NCDs and furnish to the Debenture Trustee such data, information, statements and reports as may be deemed necessary by the Debenture Trustee in order to enable them to comply with the provisions of Regulation 15 of the SEBI Debenture Trustees Regulations thereof in performance of their duties in accordance therewith to the extent applicable to the NCDs;

(C) the provisions of the Companies Act in relation to the Issue;

(D) procure that the NCDs are rated and continue to be rated until the Final Settlement Date;

(E) ensure that, at time of making any payment of interest or repayment of the principal amount of the NCDs in full or in part, the Company shall do so in the manner that is most tax efficient for the NCD Holders but without, in any way requiring the Company to incur any additional costs, expenses or taxes and the Company shall avail of all the benefits available under any treaty applicable to the Company and/or the NCD Holders;

(F) ensure, and/or cause the Registrar to forward the details of NCD Holders to the Debenture Trustee at the time of allotment and thereafter by the 7th (seventh) Working Day of every next month in order to enable Debenture Trustee to keep its records updated and to communicate effectively with the

NCD Holders, especially in situations where Events of Default have occurred; and

(G) if so required, the requirements prescribed under Chapter XI (*Operational framework for transactions in defaulted debt securities post maturity date/redemption date*) of the SEBI NCS Master Circular, and provide all details/intimations to the Debenture Trustee, the Depositories, and the Stock Exchange(s) (as the case may be) in accordance with the aforementioned requirements;

(vi) to the extent applicable, it will submit to the Debenture Trustee, on a half yearly basis, a certificate from the statutory auditor of the Company giving the value of Identified Book Debts including compliance with all the covenants set out in the Prospectus in such manner as may be specified by SEBI from time to time;

(vii) agrees, undertakes and acknowledges that in the event the Company has failed to make a timely Repayment of the Secured Obligations or to create security interest on the Secured Asset or there is a downgrade in credit rating assigned to the NCDs, the Debenture Trustee shall, in accordance with Applicable Law, be entitled to disclose such information to the NCD Holders and the general public by issuing a press release, placing the same on their websites, with the credit rating agencies and updating the distributed ledger technology system in accordance with the SEBI Debenture Trustee Master Circular; and

(viii) it will provide all necessary assistance and cooperation to, and permit the Debenture Trustee to conduct periodical checks, verifications, due diligence and other inspections (at such frequency and within such timelines as may be determined by the Debenture Trustee) in respect of the books and accounts of the Company and the Secured Assets;

l. Security

the Company hereby further agrees, declares and covenants with the Debenture Trustee as follows:

(i) the NCDs shall be secured by a first pari-passu/ specified charge and continuing security by way of a first pari-passu/ specified charge and continuing charge on the Secured Assets in favour of the Debenture Trustee for the benefit of the NCD Holders on or prior to the Deemed Date of Allotment;

(ii) all the Secured Assets that will be charged to the Debenture Trustee under the Deed shall always be kept distinguishable and held as the exclusive property of the Company specifically appropriated to the Security and be dealt with only under the directions of the Debenture Trustee;

(iii) the Company shall not create any charge, lien or other Encumbrance upon or over the Secured Assets or any part thereof except in favour of the Debenture Trustee nor will it do or allow anything that may prejudice the Security;

(iv) the Debenture Trustee shall be at liberty to incur all costs and expenses as may be necessary to preserve the Security and to maintain the Security undiminished and claim reimbursement thereof;

(v) to create the security interest over the Secured Assets as contemplated in the Deed on or prior to the Deemed Date of Allotment;

(vi) to register and perfect the security interest created thereunder by filing Form CHG-9 with the concerned ROC and ensuring and procuring that the Debenture Trustee files the prescribed Form I with CERSAI reporting the charge created to the CERSAI in relation thereto in accordance with the timelines set out in the Deed;

(vii) the Company shall submit to the Debenture Trustee and to the NCD Holder(s), within 20 (twenty) business days from the end of each month, a certificate from the authorised signatory of the Issuer (duly authorised by the board of directors of the Issuer) listing the Secured Assets and the value thereof, on the letter head of the Issuer along with a XIRR version of such details;

(viii) The Company shall, submit to the Debenture Trustee and to the NCD Holder(s), within 45 (forty five) days from the close of each quarter or 7 (seven) working days of the Board Meeting whichever is later, a certificate from the statutory auditor of the Company certifying the list of the Secured Assets and the value of such Secured Assets or within such timelines as prescribed under applicable laws.

(ix) the Company shall, within the timelines prescribed under the Deed, add fresh Identified Book Debts to the Secured Assets so as to ensure that the Security Cover is maintained or replace such Secured Assets that do not satisfy the eligibility criteria prescribed in the Transaction Documents; it is hereby clarified

that Company can assign any of its assets excluding underlying Security, provided the Security Cover is maintained and the Issuer is in compliance with the terms of the Deed.

(x) the Company shall, on a half yearly basis, as and when required by the Debenture Trustee, give full particulars to the Debenture Trustee of all the Secured Assets from time to time;

(xi) furnish and verify all statements, reports, returns, certificates and information from time to time and as required by the Debenture Trustee in respect of the Secured Assets;

(xii) furnish and execute all necessary documents to give effect to the Secured Assets;

(xiii) the security interest created on the Secured Assets shall be a continuing security;

(xiv) the Secured Assets shall fulfil the eligibility criteria set out in the Deed;

(xv) nothing contained herein shall prejudice the rights or remedies of the Debenture Trustee and/or the NCD Holders in respect of any present or future security, guarantee obligation or decree for any indebtedness or liability of the Company to the Debenture Trustee and/or the NCD Holders;

(xvi) the NCD Holders shall have a beneficial interest in the Secured Assets of the Company which have been charged to the Debenture Trustee to the extent of the Outstanding Obligations under the Deed; and

(xvii) to forthwith upon demand by the Debenture Trustee, reimburse to the Debenture Trustee all amounts paid by the Debenture Trustee to reasonably protect the Secured Assets and such amounts shall be deemed to be secured by the Secured Assets;

m. Execution of Transaction Documents

in the event of any delay in the execution of any Transaction Document (including the Deed) or the creation of security in terms hereof, the Company will, at the option of the NCD Holders, either:

(i) if so required by the NCD Holders, refund the Application Money together with interest (including interest accrued) at the applicable Interest Rate/discharge the secured Obligations; and/or

(ii) pay to the NCD Holders additional interest at the rate of 2% (two percent) per annum on the Outstanding Principal Amounts in addition to the applicable Interest Rate until the relevant Transaction Document is duly executed or the security is duly created in terms thereof or the secured Obligations are discharged (whichever is earlier);

n. Internal Control

maintain internal control for the purpose of:

(i) preventing fraud on amounts lent by the Company; and

(ii) preventing money being used for money laundering or illegal purposes;

o. Audit and Inspection

Permit visits and inspection of books of records, documents and accounts to the Debenture Trustee and other representatives of the NCD Holders as and when required by them;

p. Records

Keep proper books of account as required by the Act and make true and proper entries therein of all dealings and transactions of and in relation to the Secured Asset and the business of the Company and keep the said books of account and all other books, registers and other documents relating to the affairs of the Company at its registered office or, where permitted by law, at other place or places where the books of account and documents of a similar nature may be kept and the Company will ensure that all entries in the same relating to the Secured Asset and the business of the Company shall at reasonable times be open for inspection of the Debenture Trustee and such person or persons, as the Debenture Trustee shall, from time to time, in writing for that purpose appoint;

q. Register of NCD Holders

keep at its registered office, a register of the NCD Holders or ensure that the Depository maintains a register and index of beneficial owners of the dematerialised NCDs in their records. For the above purpose, the Company

shall request the Registrar of the issuance or the Depository, in case of dematerialised NCDs, to provide a list of NCD Holders as at the end of day on the day falling on the Record Date. The Debenture Trustee and/or the NCD Holders or any of them or any other Person shall, as provided in the Act, be entitled to inspect the said register of NCD Holders and to take copies of or extracts from the same or any part thereof during usual business hours;

r. FATCA

ensure compliance with the provisions of the Foreign Account Tax Compliance Act ("**FATCA**") at all times during the currency of the NCDs. The Company agrees to provide the respective authorities with any documentation or information requested relating to self or beneficiary or related Tax entity to the extent required by the Debenture Trustee for meeting its compliances. The Company agrees that it will provide a copy of the documents provided to the Tax authorities to the Debenture Trustee for its records. Further, the Company shall indemnify and hold harmless the Debenture Trustee for any penal consequence arising due to non-compliance of the aforesaid provision by the Company;

s. Listing and Monitoring Requirements

comply with all covenants, undertakings and requirements set out in **Fifth Schedule** *(Listing and Monitoring Requirements*).

t. General Undertakings

The Company undertakes that it shall:

(i) at all times, obtain and maintain, or cause to be obtained and maintained, in full force and effect (or where appropriate, renew) all necessary declarations, reporting and filings (including with any Governmental Authority in India) required for: (A) the purposes of the business, except such declaration, reporting or filing which would not, or would not reasonably be expected to, result in a Material Adverse Effect; and (ii) all transactions as contemplated by the Transaction Documents;

(ii) create the security interest on the Secured Assets within the applicable regulatory timeframe and as may be required by the Debenture Trustee as per the terms hereof and shall ensure that all Transaction Documents, when executed, shall constitute its legal, valid and binding obligations under Applicable Law;

(iii) attend to the complaints received in respect of the NCDs expeditiously and satisfactorily;

(iv) if any of the Directors of the Company are added to any defaulter's list by any Governmental Authority, take immediate steps forthwith to remove such person from its Board;

(v) duly cause these presents to be registered in all respects so as to comply with the provisions of the Act and also cause these presents to be registered in conformity with the provisions of the Indian Registration Act, 1908 or any act, ordinance or regulation applicable in any part of India, within which any portion of the Secured Asset are or may be situated, by which the registration of deeds is required and generally do all other acts (if any) necessary for the purpose of assuring the legal validity of these presents;

(vi) have no objection and hereby agrees, confirms and undertakes that in the event the Company has failed to make a timely Repayment of the Secured Obligations, the Debenture Trustee shall, as the Debenture Trustee may deem appropriate and necessary, be entitled to disclose all or any:

(A) information and data relating to the Company,

(B) information or data relating to the Deed; and

(C) default committed by the Company in discharge of the obligations under the Transaction Documents, to TransUnion CIBIL Limited ("**CIBIL**") and any other agency authorised in this behalf by RBI;

(vii) have no objection and hereby agrees, confirms and undertakes that in the event the Company has failed to make a timely Repayment of the Secured Obligations, the Debenture Trustee shall, as the Debenture Trustee may deem appropriate and necessary, be entitled to disclose to CIBIL and/or any other agency so authorised may use, process the aforesaid information and data disclosed by the Debenture Trustee in the manner as deemed fit by them;

(viii) have no objection and hereby agrees, confirms and undertakes that in the event the Company has failed to make a timely Repayment of the Secured Obligations, the Debenture Trustee shall, as the Debenture Trustee may deem appropriate and necessary, be entitled to disclose to CIBIL and/or any other agency so authorised may furnish for consideration, the processed information and data or products thereof prepared by them, to the Debenture Trustee, and other credit grantors or registered users, as may be specified by RBI in this behalf;

(ix) have no objection and hereby agrees, confirms and undertakes that in the event the Company has failed to make a timely Repayment of the Secured Obligations, the Debenture Trustee and/or RBI will have an unqualified right to disclose or publish the details of the default and the name of the guarantor (including its directors) as the case may be, as defaulters, in such manner and through such medium as the Debenture Trustee or RBI in their absolute discretion may think fit;

(x) no immunity (if acquired) shall be claimed by it or on its behalf with respect to its assets in any proceedings in relation to its obligations under the Transaction Documents and shall waive any such right of immunity which it or its assets has or may acquire. The execution of the Deed constitutes, and the exercise of its rights and performance of and compliance with its obligations under the Deed will constitute, private and commercial acts done and performed for private and commercial purposes; and

(xi) it has obtained the necessary permissions as may be required, for entering into the Transaction Documents, and shall execute the same within the time frame prescribed under the relevant SEBI regulations and circulars and furthermore, shall submit such Transaction Documents, as applicable, to the relevant Stock Exchange for uploading on its website (as applicable), within 5 (five) days of execution of the same.

D. Negative Covenants

The Company shall not take any action in relation to the items set out below without the prior written consent of the Debenture Trustee:

a. Change of Business; Constitutional Documents

i. change the general nature of its business from that which is permitted as a non-deposit accepting non-banking financial company registered with the RBI; or

ii. any changes, amendments, or modifications to its constitutional documents which would impact the consummation of the transactions contemplated under the Transaction Documents or otherwise prejudice/ adversely impact the rights/interest of the NCD Holders or in any manner alter the terms of the NCDs.

b. Dividend

i. declare or pay any dividend to its shareholders (including holders of preference shares) during any Financial Year unless it has paid or made arrangements to pay all the dues to the NCD Holders/Debenture Trustee up to the date on which the dividend is proposed to be declared or paid or has made satisfactory provisions thereof; or

ii. if an Event of Default has occurred and is continuing, declare or pay any dividend to its shareholders (including holders of preference shares).

c. Disposal of Assets

Sell, transfer, or otherwise dispose of in any manner whatsoever any Security, whether in a single transaction or in a series of transactions (whether related or not) or any other transactions which cumulatively have the same effect including any securitization/portfolio sale of the underlying Security.

d. Insolvency

The Company shall not, without the prior consent of the Debenture Trustee, voluntarily wind up or liquidate or dissolve its affairs or make any filing for initiation of corporate insolvency resolution process or liquidation under the Insolvency and Bankruptcy Code, 2016 or under any other Applicable Laws.

e. NCD Terms

The Company shall not make any modification to the structure of the NCDs in terms of coupon, conversion, redemption, or otherwise without the prior approval of the Stock Exchange and such prior approval of the Stock

Exchange would be obtained only after: (a) approval of the Board and the Debenture Trustee; and (b) complying with the provisions of Act, SEBI NCS Regulations, SEBI LODR Regulations and circulars issued thereunder, including approval of the requisite majority of NCD Holders. Further, any proposal of restructuring received by Debenture Trustee shall be communicated to NCD Holders immediately.

f. Investments

The Company shall not, without the prior consent of the Debenture Trustee, make any investment by way of deposits, loans, bonds, share capital, or in any other form upon the occurrence of any Event of Default.

g. Encumbrance

The Company shall not, without the prior consent of the Debenture Trustee, create or permit to subsist any Encumbrance on any Secured Assets (including, without limitations, on the Identified Book Debts).

E. NCDs to rank Pari Passu

The NCDs shall rank pari passu, inter se without any preference or priority of one over the other or others of them.

F. Coupon

a. Interest on Application Money
The Company shall be liable to pay to the NCD Holders Interest on application money at the rate and manner specified in the Shelf Prospectus read with the relevant Tranche Prospectus.

b. Coupon Rate and manner of payment

The Company shall be liable to pay to the NCD Holders interest on the NCDs issued under Issue at the rate as specified in the Shelf Prospectus read with the relevant Tranche Prospectus(es) (**"Interest Rate"** or **"Coupon Rate"),** and such Coupon Rate / Interest rate shall be payable in such manner as specified in the Shelf Prospectus read with the relevant Tranche Prospectus(es) and under the **Fifth Schedule** of the Debenture Trust Deed.

c. Computation of Interest

i. All interest accruing on the face value of the Secured Debenture shall accrue as specified in the Shelf Prospectus read with the relevant Tranche Prospectus(es) for the relevant Tranche Issue.

ii. Interest shall be computed on a 365 days-a-year basis on the principal outstanding on the NCDs. However, if period from the Deemed Date of Allotment or the date falling on the 12-month anniversary of the Deemed Date of Allotment till one day prior to the next anniversary / redemption date includes February 29, Interest shall be computed on 366 days-a-year basis, on the principal outstanding on the NCDs.

d. Interest payment dates

The Interest payments (if any) shall be made to the Secured NCD Holders on such dates as may be specified in the relevant Tranche Prospectus(es) for the relevant Tranche Issue.

G. Working Day Convention

Working Day means all days on which commercial banks in Mumbai are open for business. If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day (the "**Effective Date**"), however the dates of the future interest payments would continue to be as per the originally stipulated schedule.

Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Maturity Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment.

H. Redemption

a. The repayment / redemption of the NCDs shall be made on the Redemption Date in the manner specified in the Shelf Prospectus read with the relevant Tranche Prospectus for the relevant Tranche Issue.

b. The Company shall intimate the status of payment (whether in part or full) of the NCDs within 1 (one) working day (being the working day of the Stock Exchange) of the payment of the Redemption Amount. While intimating the Debenture Trustee, the Company shall also confirm whether they have informed the status of payment or otherwise to the stock exchange(s) and Depository.

c. The Company shall inform the Stock Exchange, Depositories and the Debenture Trustee latest by the 2nd working day (being the working day of the Stock Exchange) of April of each financial year on the updated status of the NCDs.

d. Notwithstanding anything contained in paragraph 11(a) above, the NCDs may be redeemed on an early Redemption Date by the Company if so, specified in the Shelf Prospectus read with relevant Tranche Prospectus for the relevant Tranche Issue subject to applicable laws and guidelines for such an early redemption.

e. The Company shall submit to the Debenture Trustee ISIN wise status / details of payments made to the Debenture Holders on each of the due dates towards redemption of Principal latest by one day after the due date in the following format:

Transaction Name	ISIN No.	Due Date of payment of interest/ principal	Actual Date of payment of interest/ principal	Was the disclosure about payment made on the respective stock exchange	Was the disclosure about payment made on the website of the Company in case of default	Name of the Stock Exchange on which Debentures are listed	Name of the Credit Rating Agency

I. Taxation

a. Any tax exemption certificate/document must be lodged at the office of the Registrar at least 7 (seven) days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in the Company's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

b. The statement of tax benefits has been issued by the Statutory Auditors in relation to the NCDs.

c. In case of NCD Holders claiming non-deduction or lower deduction of tax at source, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by Individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all Applicants (other than companies, and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all Applicants (including companies and firms) by making an application in the prescribed form i.e. Form No.13. The aforesaid documents, as may be applicable, should be submitted to the Company quoting the name of the sole/ first NCD Holder, NCD folio number and the distinctive number(s) of the NCD held, prior to the Record Date to ensure non-deduction/lower deduction of tax at source from interest on the NCD. The investors need to submit Form 15H/ 15G/certificate in original from Assessing Officer for each financial year during the currency of the NCD to ensure non-deduction or lower deduction of tax at source from interest on the NCD.

d. If the Interest Payment Date falls on a day other than a Working Day, the interest payment shall be made by the Company on the immediately succeeding Working Day and calculation of such interest payment shall be as per original schedule as if such Interest Payment Date were a Working Day, in accordance with the Working Day Convention. Payment of interest would be subject to the deduction as prescribed in the I.T. Act or any statutory modification or re-enactment thereof for the time being in force.

J. Purchase, Resale and Reissue

a. The Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buyback of Debentures, upon such terms and conditions as may be decided by the Company.

b. The Company may from time to time invite the Debenture Holders to offer the Debentures held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as the Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such Debentures which are bought back may be extinguished, re-issued and/or resold in the open market with a view of strengthening the liquidity of the Debentures in the market, subject to applicable statutory and/or regulatory requirements.

c. Where the Company has repurchased / redeemed any such NCDs, subject to the applicable provisions of the Act and other Applicable Law, the Company shall have and shall be deemed to always to have had the right to keep such relevant NCDs alive for the purpose of reissue and in exercising such right, the Company shall have and shall deemed always to have had the power to reissue NCDs or by issuing other debentures in their place. In either case, at such price an on such terms and conditions (including any variations, dropping of or additions to any terms and conditions originally stipulated) as the Company may deem fit.

K. Payments

Payment of the Redemption Amount of Issue of the NCDs shall be made by cheque or warrant / demand draft / credit through the RTGS / ECS / Direct Credit / NEFT system / NACH (National Automated Clearing House).

L. Nominee Director

a. The Debenture Trustee shall have a right to appoint a nominee director within 1 (one) month after receiving notice from the Debenture Trustee, in accordance with the SEBI Debenture Trustee Master Circular, on the board of directors of the Company (hereinafter referred to as the "**Nominee Director**") upon the occurrence of any of the following:

   i. 2 (two) consecutive defaults in the payment of interest to the NCD Holders; or

   ii. any default in creation of security for the NCDs; or

   iii. any default on the part of the Company in redemption of the NCDs.

b. The Nominee Director shall not be liable to retire by rotation nor required to hold any qualification shares.

c. The Nominee Director shall be entitled to all the rights and privileges of other non-executive directors and the sitting fees (as may be mutually agreed), expenses as payable to other directors on the Board and any other fees, commission, monies or remuneration in any form payable to the non-executive directors, which shall be to the account of the Company.

d. The Company shall appoint the Nominee Director within 30 (Thirty) days on receiving a nomination notice from the Debenture Trustee.

e. The Nominee Director/Observer(s) shall be entitled to receive all notices, agenda, etc. and to attend all general meetings of the shareholders of the Company, Board meetings and meetings of any committees of the Board of which he/she is a member.

f. The expenditure incurred in connection with the appointment or directorship (including the cost of attending any meetings) of the Nominee Director shall be borne by the Company.

   If so required, the Company shall take all steps necessary to amend its Articles of Association, to give effect to this Clause.

M. Transfer of NCDs

The NCDs shall be freely transferable and transmittable by the Debenture Holders in whole or in part without the prior consent of the Company. Transfer of NCDs in dematerialised form would be in accordance with the rules / procedures as prescribed by NSDL /CDSL/ depository participant.

It is clarified that the Company shall not assign any of the rights, duties or obligations under the Transaction Documents or in relation to the NCDs without the prior written consent of the Debenture Trustee (acting on the instructions of the Majority Debenture Holders).

N. NCDs free from equities

The NCD Holders will be entitled to their NCDs free from equities or cross claims by the Company against the original or intermediate holders thereof.

O. NCD Holder not entitled to shareholders' rights

The NCD Holders shall not be entitled to any of the rights and privileges available to the shareholders other than those available to them under statutory requirements. The NCDs shall not confer upon the NCD Holders the right to receive notices of or to attend and vote at General Meetings or to receive Annual Reports of the Company.

P. Variation of NCD Holder(s)' rights

The rights, privileges, terms and conditions attached to the Issue of NCDs may be varied, modified or abrogated with the consent, in writing, of the Super Majority, provided that nothing in such consent or resolution shall be operative against the Company where such consent or resolution modifies or varies the terms and conditions governing the NCDs and the same are not acceptable to the Company.

Q. Information right and undertakings

a. Information undertakings

The undertakings in this Paragraph 21 of the First Schedule of the Debenture Trust Deed remain in force as on the date of this Draft Shelf Prospectus and the Deed until all NCDs shall have been redeemed;

1. Financial Statements

The Company shall supply to the Debenture Trustee:

i. As soon as the same become available, but in any event within 180 (one hundred and eighty) days after end of each of its Financial Years, its audited financial statements for that Financial Year or within such timelines as prescribed under Applicable Law;

ii. As soon as the same become available, but in any event within 45 (forty five) days after the end of each half of each of its Financial Years its unaudited financial results as published by the Company for that half Financial Year;

2. Requirements as to Financial Statements

The Company shall procure that each set of financial statements delivered pursuant to this Paragraph 21 of the **First Schedule** of the Debenture Trust Deed is prepared using generally accepted accounting practices, accounting bases, policies, practices and procedures and financial reference periods consistent with those applied in the preparation of the financial statements it has submitted along with the Shelf Prospectus read with the relevant Tranche Prospectus(es).

TERMS OF THE ISSUE

Authority for the Issue

At the meeting of the Board of Directors of our Company held on November 26, 2025, the Board of Directors approved the issuance of NCDs of the face value ₹ 1,000 each, for an amount up to ₹ 2,000 crore in one or more tranches. Further, the present borrowing is within the borrowing limits of ₹ 35,000 crore under Section 180(1)(c) of the Companies Act, 2013 duly approved by the members of our Company vide their resolution passed at the annual general meeting held on September 30, 2019.

Further, the Board of Directors, vide resolution dated December 19, 2025, has approved the enhancement of the aforesaid borrowing limit to a sum not exceeding ₹60,000 crore, subject to the approval of the shareholders of the Company.

This Draft Shelf Prospectus has been approved by the Finance Committee at its meeting held on December 30, 2025. The NCDs pursuant to this Issue will be issued on terms and conditions as set out in the Shelf Prospectus and the relevant Tranche Prospectus(es) for each Tranche Issue.

Principal Terms & Conditions of the Issue

The NCDs being offered as part of the Issue are subject to the provisions of the SEBI NCS Regulations and the SEBI NCS Master Circular, the relevant provisions of the Companies Act, 2013, the Memorandum and Articles of Association of our Company, the terms of this Draft Shelf Prospectus, the Shelf Prospectus, relevant Tranche Prospectus(es), the Abridged Prospectus, the Application Forms, the terms and conditions of the Debenture Trust Agreement and the Debenture Trust Deed, other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI/the Government of India/BSE/NSE, RBI, and/or other statutory/regulatory authorities relating to the offer, issue and listing of securities and any other documents that may be executed in connection with the NCDs.

Ranking of NCDs

The NCDs would constitute secured obligations of our Company and subject to any obligations under applicable statutory and/or regulatory requirements, shall also, with regard to the amount invested, thereof shall be secured by way of first ranking pari passu charge by way of hypothecation over the receivables of the Company, both present and future, book debts, loans and advances and current assets of the Company that are in existence as on the date hereof and that shall come into existence at any time and from time to time hereafter (except those assets of the Company which are exclusively charged in favour of existing charge holders as of date and details of which are disclosed to the Debenture Trustee) such that a security cover of at least 100% of the outstanding principal amounts and interest thereon in respect of the Debentures is maintained at all times until the Maturity Date, created in favor of the Debenture Trustee, as specifically set out in and fully described in the Debenture Trust Deed for each of the relevant Tranche Issue.

We have received necessary consents from the relevant debenture trustees and security trustees for creating of first *pari passu* in favor of the Debenture Trustee in relation to the NCDs.

In terms of SEBI Debenture Trustee Master Circular, our Company is required to obtain permissions or consents from or provide intimations to the prior creditors for proceeding with the Issue. Our Company undertakes, *inter alia*, that the assets on which charge is created are free from any encumbrances and if the assets are already charged, the permissions or consent to create second or *pari passu* charge or exclusive charge on the assets of the Issuer have been obtained from the earlier creditors. Our Company has applied to the prior creditors for such permissions or consents and has received such permissions or consents from all prior creditors.

Security

The principal amount of the NCDs to be issued in terms of this Draft Shelf Prospectus together with all interest due and payable on the NCDs, shall be secured by way of first ranking pari passu charge by way of hypothecation over the receivables of the Company, both present and future, book debts, loans and advances and current assets of the Company that are in existence as on the date hereof and that shall come into existence at any time and from time to time hereafter (except those assets of the Company which are exclusively charged in favour of existing charge holders as of date and details of which are disclosed to the Debenture Trustee) such that a security cover of at least 100% of the outstanding principal amounts and interest thereon in respect of the Debentures is maintained at all times until the Maturity Date, created in favor of the Debenture Trustee.

We have received necessary consents from the relevant debenture trustees and security trustees for creating a first *pari-passu* in favor of the Debenture Trustee in relation to the NCDs.

Further, NCDs shall be considered as secured only if the charged asset is registered with sub-registrar or RoC or Central Registry of Securitisation Asset Reconstruction and Security Interest ("**CERSAI**") or Depository etc., as applicable, or is independently verifiable by the Debenture Trustee.

Our Company intends to enter into an indenture/deed with the Debenture Trustee, (**"Debenture Trust Deed"**) terms of which will govern the powers, authorities and obligations of the Debenture Trustee. Our Company proposes to complete the execution and registration of the Debenture Trust Deed within the stipulated timeframe and shall utilize the funds only after the stipulated security has been created. Under the terms of the Debenture Trust Deed, our Company will covenant with the Debenture Trustee that it will pay the NCD Holders the principal amount on the NCDs on the relevant redemption date and also that it will pay the interest due on NCDs on the rate specified in the relevant Tranche Prospectus(es) and in the Debenture Trust Deed.

The Debenture Trust Deed will also provide that our Company may withdraw any portion of the security and replace it with another asset of the same or higher value ensuring the minimum security cover is maintained till the Maturity Date of the NCDs.

Without prejudice to the aforesaid, in the event our Company fails to execute the Debenture Trust Deed within the period specified in Regulation 18(1) of the SEBI NCS Regulations or such other time frame as may be stipulated from time-to-time, our Company shall also pay interest of at least 2% (two per cent) per annum to the NCD holders, over and above the interest rate on the NCDs specified in relevant Tranche Prospectus(es), till the execution of the Debenture Trust Deed.

Debenture Redemption Reserve

In accordance with the Companies Act, 2013, and the Companies (Share Capital & Debentures) Rules 2014, read with Regulation 16 of the SEBI NCS Regulations, any non-banking finance company that intends to issue debentures to the public is not required to create a DRR for the purpose of redemption of debentures.

Pursuant to the amendment to the Companies (Share Capital and Debentures) Rules, 2014, notified on August 16, 2019, and as on the date of filing this Draft Shelf Prospectus, our Company is not required to create DRR for the purpose of redemption of the NCDs. Accordingly, no debenture redemption reserve shall be created by our Company for the purpose of redemption of the NCDs or in connection with the Issue. Our Company shall, as per the Companies (Share Capital & Debentures) Rules 2014 and other laws applicable from time to time, invest or deposit, as the case may be, the applicable amounts, within the specified timelines, in respect of debentures maturing during the year ending on the 31st day of March of the next year, in any one or more methods of investments or deposits stipulated under the applicable law. Provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below the specified percentage, which is presently stipulated at 15% (fifteen percent) of the amount of the debentures maturing during the year ending on March 31 of the next year, in any of the following instruments or such other instruments as may be permitted under the applicable laws.

1. in deposits with any scheduled bank, free from any charge or lien;

2. in unencumbered securities of the Central Government or any State Government;

3. in unencumbered securities mentioned in sub-clause (a) to (d) and (ee) of section 20 of the Indian Trusts Act, 1882;

4. in unencumbered bonds issued by any other company which is notified under sub-clause (f) of section 20 of the Indian Trusts Act, 1882:

Provided further that the amount invested or deposited as above shall not be used for any purpose other than for redemption of debentures maturing during the year referred above.

Face Value

The face value of each NCD shall be ₹1,000.

Trustees for the NCD Holders

Our Company has appointed Vardhman Trusteeship Private Limited to act as the Debenture Trustee for the NCD Holders in terms of Regulation 8 of the SEBI NCS Regulations and Section 71 (5) of the Companies Act, 2013 and the rules prescribed thereunder. Our Company and the Debenture Trustee will execute a Debenture Trust Deed, *inter alia*, specifying the powers, authorities and obligations of the Debenture Trustee and us. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us *pro tanto* to the NCD Holder(s).

We and the Debenture Trustee will execute a Debenture Trust Deed, inter alia, specifying the powers, authorities and obligations of the Debenture Trustee and us. The NCD Holder(s) shall, without further act or deed, be deemed to have irrevocably given their consent to the Debenture Trustee or any of its agents or authorised officials to do all such acts, deeds, matters and things in respect of or relating to the NCDs as the Debenture Trustee may in its absolute discretion deem necessary or require to be done in the interest of the NCD Holder(s). Any payment made by us to the Debenture Trustee on behalf of the NCD Holder(s) shall discharge us pro tanto to the NCD Holder(s).

The Debenture Trustee will protect the interest of the NCD Holders in the event of default by us in regard to timely payment of interest and repayment of principal and they will take necessary action at our cost.

Events of Default (including manner of voting/conditions of joining Inter Creditor Agreement)

Subject to the terms of the Debenture Trust Deed, the Debenture Trustee at its discretion may, or if so requested in writing by the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution, passed at a meeting of the NCD Holders (except the point (i), (ii), (iii), (iv) and (v) listed below), or as specifically stated in terms of the Debenture Trust Deed, give notice to our Company specifying that the NCDs and/or any particular series of NCDs, in whole but not in part are and have become due and repayable on such date as may be specified in such notice *inter alia* if any of the events listed below occurs. The description below is indicative and a complete list of events of default and its consequences will be specified in the Debenture Trust Deed.

Indicative list of Events of Default:

i. Default in in payment of the principal amounts of NCDs on the due dates;
ii. Default in the payment of any interest on the NCDs on the relevant due dates which ought to have been paid in accordance with the terms of the issue;
iii. Default is committed in payment of any another monies including costs, charges and expenses incurred by the Debenture Trustee and such default continues for a period of 30 (thirty) continuous Working Days;
iv. Default is committed in the performance or observance of any covenant, condition or provision in relation to the NCDs, except where the Debenture Trustee certifies that such default is in its final and confirmed reasonable opinion incapable of remedy (in which case no notice shall be required), such default continues for 30 (thirty) days after written notice has been given thereof by the Debenture Trustee to the company requiring the same to be remedied;
v. Any material indebtedness of the company for and in respect of monies borrowed or raised by the company by whatever means becomes due prior to its stated maturity by reason of default of the terms thereof, or there is a default in making payments due under any guarantee or indemnity given by the company in respect of the material indebtedness or borrowed monies of any other Person, and proceedings are initiated by the relevant lender or creditor in connection with such default, for recovery of such indebtedness or for enforcement or invocation of such guarantee or indemnity;
vi. Any information, representation, warranty, statement, certificate given by the Company to the NCD Holders or the Debenture Trustee and the warranties given or deemed to have been given by it to the NCD Holders or the Debenture Trustee is misleading or incorrect in the reasonable opinion of the Debenture Trustee;
vii. If the company is unable to pay its material debts (in the reasonable opinion of the Debenture Trustee) or proceedings for taking it into voluntary liquidation may be or have been commenced or a competent court admits any petition for winding up, which is not stayed or vacated within 45 (forty five) days of being admitted;
viii. The Company has voluntarily become the subject of proceedings which is not stayed or vacated within 45 (forty five) days of being admitted under any bankruptcy or insolvency law or the Company is voluntarily or involuntarily dissolved;

ix. The company is unable to or has admitted in writing its inability to pay the material debts as and when the same are due by the reason of the Company's liquidity position, insufficiency of cash flows, or otherwise, it is unlikely that Company would be in a position to pay its obligations in connection with the NCDs or the Company is 'unable to pay its debts' as obligated under the Act;
x. If any extra ordinary circumstances have occurred which makes it improbable for the Company to fulfil its material obligations under these presents and/or the NCDs;
xi. The Company ceases to carry on its business or gives notice of its intention to do so, otherwise than in pursuance of a scheme of amalgamation or reconstruction previously approved in writing by the Debenture Trustee and duly carried out into effect;
xii. If the Company makes or attempts to make any alteration to its Memorandum and Articles of Association which in the reasonable opinion of the Debenture Trustee prejudicially affects the interest of the NCD Holders, without the prior intimation of the Debenture Trustee in writing at least 30 (thirty) days prior to such change or amendment being affected. Provided that the Company prior to the proposed date on which such change or amendment is to be effected, failing which the Debenture Trustee would have deemed to have consented to such change or amendment;
xiii. The company enters into any arrangement or composition with its creditors which affects the ability of the Company to fulfil its obligations towards payment of amounts outstanding on the NCDs;
xiv. In the event the company creates or attempts to create any charge on the Secured Assets or any part thereof without the prior approval of the Debenture Trustee/ NCD Holders;
xv. In the event the charge created on the Secured Assets in favor of the Debenture Trustee (acting on behalf of the NCD Holders) is in jeopardy or upon occurrence of any event which may prejudicially affect the charge created on such Secured Assets;
xvi. In the event any breach of the terms of this Draft Shelf Prospectus, these presents and/or financial covenants and conditions (other than the obligations to pay principal and interest) in relation to the NCDs and except where the Debenture Trustee certifies that such default is in its opinion incapable of remedy (in which case no notice shall be required) such default continues for 30 (thirty) days after written notice has been thereof by the Debenture Trustee to the Company requiring the same to be remedied.
xvii. Any other event described as an Event of Default in this Draft Shelf Prospectus, the Shelf Prospectus, relevant Tranche Prospectus(es) and the Transaction Documents. and such default continues for 30 days after written notice has been given by the Debenture Trustee to the Company requiring the same to be remedied.

In terms of the SEBI NCS Regulations, any default committed by the issuer shall be reckoned at the International Securities Identification Number level notwithstanding the debt securities and/or non-convertible redeemable preference shares being issued under different offer documents.

Any event of default shall be called by the Debenture Trustee, upon request in writing of or by way of resolution passed by holders of NCDs at any point of time or as set out in the Debenture Trust Deed, except for any default relating to points i, ii, iii and iv under the "Indicative list of Events of Default" given above, where no such consent/ resolution of NCD holders will be required for calling of event of default.

Regulation 51 read with the Explanation to Clause A (11) in Part B of Schedule III of the SEBI Listing Regulations, defines 'default' as non-payment of interest or principal amount in full on the pre-agreed date which shall be recognized at the first instance of delay in the servicing of any interest or principal on debt. It is hereby confirmed, in case of an occurrence of a "default", the Debenture Trustee shall abide and comply with the procedures mentioned in the abovementioned SEBI Debenture Trustee Master Circular.

In case of any default in payment of interest or redemption of debt securities or in creation of security in accordance with the terms of the offer document, any distribution of dividend by the Issuer shall require approval of the debenture trustee. In case of any other Event of Defaults (other than payment defaults stated above) the Debenture Trustee shall, on the instructions of the NCD Holders, by a notice in writing to the Company initiate further course of action in accordance with the Debenture Trust Deed.

In accordance with SEBI Debenture Trustee Master Circular, post the occurrence of a "default", the consent of the NCD Holders for entering into an inter-creditor agreement (the "**ICA**")/enforcement of security shall be sought by the debenture trustee after providing a notice to the investors in the manner stipulated under applicable law. Further, the meeting of the NCD Holders shall be held within the period stipulated under applicable law. In case(s) where majority of investors express their consent to enter into the ICA, the debenture trustee shall enter into the ICA on behalf of the investors upon compliance with the conditions as stipulated in the abovementioned circular. In case consents are not received for signing the ICA, the debenture trustee shall take further action, if any, as per the decision taken in the meeting of the investors. The consent of the majority of investors shall mean the approval of not less than 75% of the

investors by value of the outstanding debt and 60% of the investors by number at the ISIN level.

NCD Holder not a Shareholder

The NCD Holders will not be entitled to any of the rights and privileges available to the equity and/or preference shareholders of our Company, except to the extent of the right to receive the annual reports of our Company and such other rights as may be prescribed under the Companies Act, 2013 and the rules prescribed thereunder and the SEBI Listing Regulations.

Rights of NCD Holders

Some of the significant rights available to the NCD Holders are as follows:

1. The NCDs shall not, except as provided in the Companies Act, 2013, our Memorandum and Articles of Association and/or the Debenture Trust Deed, confer upon the holders thereof any rights or privileges available to our Company's members/shareholders including, without limitation, the right to receive notices, the right to attend and/or vote at any general meeting of our Company's members/shareholders. However, if any resolution affecting the rights attached to the NCDs is to be placed before the members/shareholders of our Company, the said resolution will first be placed before the concerned registered NCD Holders for their consideration.

2. In terms of Section 136 (1) of the Companies Act, 2013 and Rule 18(8) of Companies (Share Capital and Debentures) Rules, 2014, holders of NCDs shall be entitled to a copy of the balance sheet and copy of trust deed at the Registered Office of our Company during business hours on a specific request made to us.

3. Subject to the above and the applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, including requirements of the RBI, the rights, privileges and conditions attached to the NCDs may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution passed at a meeting of the concerned NCD Holders, provided that nothing in such consent or resolution shall be operative against us, where such consent or resolution modifies or varies the terms and conditions governing the NCDs, if the same are not acceptable to us.

4. Subject to applicable statutory/regulatory requirements and terms of the Debenture Trust Deed, the registered NCD Holder or in case of joint-holders, the one whose name stands first in the register of debenture holders shall be entitled to vote in respect of such NCDs, either in person or by proxy, at any meeting of the concerned NCD Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her voting rights on every resolution placed before such meeting of the NCD Holders shall be in proportion to the outstanding nominal value of NCDs held by him/her.

5. The NCDs are subject to the provisions of the SEBI NCS Regulations, the Companies Act, 2013, the Memorandum and Articles of Association of our Company, the terms of this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es), the Application Forms, the terms and conditions of the Debenture Trust Deed, requirements of the RBI, other applicable statutory and/or regulatory requirements relating to the issue and listing, of securities and any other documents that may be executed in connection with the NCDs.

6. Subject to RTA Master Circular, a register of debenture holders will be maintained in accordance with Section 88 and Section 94 of the Companies Act, 2013 and all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the registered holder thereof for the time being or in the case of joint-holders, to the person whose name stands first in the register of debenture holders as on the Record Date. For NCDs in dematerialized form, all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the person for the time being appearing in the register of beneficial owners of the Depositories. In terms of Section 88(3) of the Companies Act, 2013, the register of beneficial owners maintained by a Depository for any NCDs in dematerialized form under Section 11 of the Depositories Act shall be deemed to be a register of debenture holders for this purpose. The same shall be maintained at the Registered Office of our Company under Section 94 of the Companies Act, 2013 unless the same has been moved to another location after obtaining the consent of the NCD Holders.

7. Subject to compliance with RBI requirements, the NCDs can be rolled over only with the consent of the holders of at least 75% of the outstanding amount of the NCDs after providing 15 days prior notice for such roll over and in accordance with the SEBI NCS Regulations. Our Company shall redeem the debt securities of all the debt securities holders, who have not given their positive consent to the roll-over.

The aforementioned rights of the NCD holders are merely indicative. The final rights of the NCD holders will be as per the terms of the Shelf Prospectus, relevant Tranche Prospectus(es) and the Debenture Trust Deed.

Nomination facility to NCD Holder

In accordance with Section 72 of the Companies Act, 2013 (read with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014), the sole NCD holder, or first NCD holder, along with other joint NCD Holders' (being individual(s)), may nominate, in the **Form No. SH.13,** any one person with whom, in the event of the death of Applicant the NCDs were Allotted, if any, will vest. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate in **Form No.SH.13** any person as nominee. A nominee entitled to the NCDs by reason of the death of the original holder(s), will, in accordance with Rule 19 and Section 56 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the NCDs. Where the nominee is a minor, the NCD holder(s) may make a nomination to appoint, in **Form No. SH.14**, any person to become entitled to NCDs in the event of the holder's death during minority. A nomination will stand rescinded on a sale/transfer/alienation of NCDs by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or with the Registrar to the Issue.

NCD Holder(s) are advised to provide the specimen signature of the nominee to us to expedite the transmission of the NCD(s) to the nominee in the event of demise of the NCD Holder(s). The signature can be provided in the Application Form or subsequently at the time of making fresh nominations. This facility of providing the specimen signature of the nominee is purely optional.

In accordance with Section 72 (read with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014), any person who becomes a nominee by virtue of the Rule 19, will on the production of such evidence as may be required by the Board, elect either:

- to register himself or herself as holder of NCDs; or

- to make such transfer of the NCDs, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the NCDs, and if the notice is not complied with, within a period of 90 days, our Board may thereafter withhold payment of all interests or other monies payable in respect of the NCDs, until the requirements of the notice have been complied with.

A nomination may be cancelled or varied by nominating any other person in place of the present nominee, by the Secured NCD Holder who has made the nomination, by giving a notice of such cancellation or variation in the prescribed manner as per applicable laws. The cancellation or variation shall take effect from the date on which the notice of such variation or cancellation is received.

Since the allotment of NCDs will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Applicant would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant.

Jurisdiction

Exclusive jurisdiction for the purpose of the Issue is with the competent courts of jurisdiction in Mumbai, Maharashtra.

Application in the Issue

Applicants shall apply in the Issue in dematerialised form only, through a valid Application Form filled in by the Applicant along with attachment, as applicable. Further, Applications in the Issue shall be made through the ASBA facility only (including Applications made by UPI Investors under the UPI Mechanism).

In terms of Regulation 7 of the SEBI NCS Regulations, our Company will make public issue of the NCDs in the dematerialised form only.

Form of Allotment and Denomination of NCDs

As per the SEBI NCS Regulations, the trading of the NCDs on the Stock Exchanges shall be in dematerialized form only in multiples of one (1) NCD ("**Market Lot**"). Allotment in this Issue to all Allottees, will be in electronic form i.e. in dematerialised form and in multiples of one (1) NCD.

For details of allotment refer to chapter titled "*Issue Procedure*" beginning on page 462.

Transfer/Transmission of NCD(s)

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of the Companies Act, 2013. The NCDs shall be transferred subject to and in accordance with the rules/procedures as prescribed by the Depositories and the relevant DPs of the transfer or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar.

The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

Please see "*Terms of the Issue – Interest/ Coupon on NCDs*" on page 451 for the implications on the interest applicable to NCDs held by Individual Investors on the Record Date and NCDs held by Non-Individual Investors on the Record Date.
Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred. However, any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialized form only.

The procedure for transmission of securities has been further simplified vide the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2022 Gazette Notification no. SEBI/LAD-NRO/GN/2022/80 dated April 25, 2022.

Title

In case of:

- NCDs held in the dematerialised form, the person for the time being appearing in the register of beneficial owners maintained by the Depositories; and

- the NCDs held in physical form pursuant to rematerialisation, the person for the time being appearing in the register of NCD Holders shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person, as the holder thereof and its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, theft or loss of the consolidated NCD certificates issued in respect of the NCDs and no person will be liable for so treating the NCD holder.

No transfer of title of an NCD will be valid unless and until entered on the register of NCD holders or the register of beneficial owners maintained by the Depositories prior to the Record Date. In the absence of transfer being registered, interest and/or maturity amount, as the case may be, will be paid to the person, whose name appears first in the register of the NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company and the relevant provisions of the Companies Act, 2013, shall apply, mutatis mutandis (to the extent applicable) to the NCD(s) as well.

Procedure for rematerialisation of NCDs

NCD Holders who wish to hold the NCDs in physical form may do so by submitting a request to their DP at any time after Allotment in accordance with the applicable procedure stipulated by the DP, in accordance with the Depositories Act and/or rules as notified by the Depositories from time to time. Holders of the NCDs who propose to rematerialize their NCDs, would have to mandatorily submit details of their bank mandate along with a copy of any document

evidencing that the bank account is in the name of the holder of such NCDs and their Permanent Account Number to our Company and the Depository Participant. No proposal for rematerialisation of NCDs would be considered if the aforementioned documents and details are not submitted along with the request for such rematerialisation.

Pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred. However, any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialized form only.

Register of NCD Holders

No transfer of title of a NCD will be valid unless and until entered on the Register of NCD Holders (for re materialized NCDs) or the register and index of NCD Holders maintained by the Depository prior to the Record Date. In the absence of transfer being registered, interest and/or Redemption Amount, as the case may be, will be paid to the person, whose name appears first in the Register of NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar.The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company and the Companies Act shall apply, mutatis mutandis (to the extent applicable) to the NCDs as well.

Restriction on transfer of NCDs

There are no restrictions on transfers and transmission of NCDs allotted pursuant to this Issue. NCDs held in physical form, pursuant to any re-materialisation, as above, cannot be transferred except by way of transmission or transposition. However, any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialized form only.

Succession

Where NCDs are held in joint names and one of the joint holders dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the debentures. In the event of demise of the sole or first holder of the Debentures, our Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the Debentures only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. The directors of our Company in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation. In case of death of NCD Holders who are holding NCDs in dematerialised form, third person is not required to approach our Company to register his name as successor of the deceased NCD Holder. The successor of the deceased NCD Holder shall approach the respective Depository Participant for this purpose and submit necessary documents as required by the Depository Participant.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the Legacy Cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.

2. Proof that the non-resident Indian is an Indian national or is of Indian origin.

3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Indicative Timeline

An indicative timetable in respect of the Issue is set out below:

Event	Indicative Date

Period of subscription

ISSUE PROGRAMME*	
Issue Opens On	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Issue Closes On	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Pay In Date	As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.
Deemed Date Of Allotment	The date on which our Board of Directors or Finance Committee approves the Allotment of the NCDs for the Issue or such date as may be determined by the Board of Directors/ or Finance Committee thereof and notified to the Designated Stock Exchange. The actual Allotment of NCDs may take place on a date other than the Deemed Date of Allotment. All benefits relating to the NCDs including interest on NCDs (as specified in the relevant Tranche Prospectus(es) for each Tranche Issue) shall be available to the Debenture holders from the deemed date of allotment

** The Issue shall remain open for subscription on Working Days from 10:00 a.m. to 5:00 p.m. (Indian Standard Time) during the period indicated in the relevant Tranche Prospectus, except that the Issue may close on such earlier date or extended date (subject to a minimum period of 2 (two) Working Days and a maximum period of 10 (ten) Working days from the date of opening of this Issue and subject to not exceeding thirty days from filing of the relevant Tranche Prospectus(es) with RoC including extensions) as may be decided by the Board of Directors of our Company or the Finance Committee thereof, subject to compliance with Regulation 33A of the SEBI NCS Regulations. In the event of an early closure or extension of the Issue, our Company shall ensure that notice of the same is provided to the prospective investors through an advertisement in an English daily national newspaper with wide circulation and a regional daily with wide circulation where the registered office of the Company is located (in all the newspapers in which pre-issue advertisement for opening of this Issue has been given on or before such earlier or initial date of Issue closure) on or before such earlier or initial date of Issue closure. Application Forms for this Issue will be accepted only from 10:00 a.m. to 5:00 p.m. or such extended time as may be permitted by the Stock Exchange, on Working Days during the Issue Period. On the Issue Closing Date, the Application Forms will be accepted only between 10:00 a.m. and 3:00 p.m. (Indian Standard Time) and uploaded until 5:00 p.m. or such extended time as may be permitted by the Stock Exchange. Further, pending mandate requests for bids placed on the last day of bidding will be validated by 5:00 p.m. on the Issue Closing Date. For further details please see "General Information" on page 57.*

*Applications Forms for this Issue will be accepted only from 10:00 a.m. to 5:00 p.m.(Indian Standard Time) ("**Bidding Period**") or such extended time as may be permitted by the Stock Exchanges, during the Issue Period as mentioned above on all days between Monday and Friday (both inclusive barring public holiday) (a) by the Designated Intermediaries at the Bidding Centres, or (b) by the SCSBs directly at the Designated Branches of the SCSBs. On the Issue Closing Date, Application Forms will be accepted only between 10:00 a.m. to 3:00 p.m. and uploaded until 5:00 p.m. (Indian Standard Time) or such extended time as may be permitted by the Stock Exchanges. It is clarified that the Applications not uploaded on the Stock Exchange(s) Platform would be rejected. Further, pending mandate requests for bids placed on the last day of bidding will be validated by 5 PM on the Issue Closing Date.*

Due to limitation of time available for uploading the Applications on the Issue Closing Date, Applicants are advised to submit their Application Forms one day prior to the Issue Closing Date and, no later than 3.00 p.m. (Indian Standard Time) on the Issue Closing Date. Applicants are cautioned that in the event a large number of Applications are received on the Issue Closing Date, there may be some Applications which are not uploaded due to lack of sufficient time to upload. Such Applications that cannot be uploaded will not be considered for allocation under the Issue. Neither our Company, nor the Lead Managers, nor any Member of the Syndicate, Registered Brokers at the Broker Centres, CDPs at the Designated -cations or the RTAs at the Designated RTA Locations or designated branches of SCSBs are liable for any failure in uploading the Applications due to failure in any software/ hardware systems or otherwise. As per the SEBI NCS Master Circular, the allotment in this Issue is required to be made on the basis of date of upload of each application into the electronic book of the Stock Exchanges. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis

Interest/Premium and Payment of Interest/ Premium

Interest/ Coupon on NCDs

As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.

Basis of payment of Interest

The Tenor, Coupon Rate / Yield and Redemption Amount applicable for each Series of NCDs shall be determined at the time of Allotment of NCDs pursuant to the relevant Tranche Prospectus(es) for each Tranche Issue. NCDs once allotted under any particular Series of NCDs shall continue to bear the applicable Tenor, Coupon/ Yield and Redemption Amount as at the time of original Allotment irrespective of the category of NCD Holder on any Record Date, and such tenor, coupon/ yield and redemption amount as at the time of original allotment will not be impacted by trading of any series of NCDs between the categories of persons or entities in the secondary market.

Mode of payment of Interest to NCD Holders

Payment of interest will be made (i) in case of NCDs in dematerialised form, the persons who, for the time being appear in the register of beneficial owners of the NCDs as per the Depositories, as on the Record Date and (ii) in case of NCDs in physical form on account of re-materialization, to the persons whose names appear in the register of debenture holders maintained by us (or to first holder in case of joint-holders) as on the Record Date.

We may enter into an arrangement with one or more banks in one or more cities for direct credit of interest to the account of the NCD Holders. In such cases, interest, on the interest payment date, would be directly credited to the account of those investors who have given their bank mandate.

We may offer the facility of NACH, NEFT, RTGS, Direct Credit and any other method permitted by RBI and SEBI from time to time to effect payments to NCD Holders. The terms of this facility (including towns where this facility would be available) would be as prescribed by RBI. For further details, see the "*Terms of the Issue - Manner of Payment of Interest / Refund / Redemption*" beginning on page 454.

Taxation

Income Tax is deductible at source at the rate of 10% on interest on debentures held by resident Indians as per the provisions of Section 193 of the IT Act (in case where interest is paid to Individual or HUF, no TDS will be deducted where interest paid is less than 5,000 and interest is paid by way of account payee cheque).

Further, Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Company/ Registrar, at least 7 (seven) days before the relevant record date for payment of debenture interest;

b. When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be Nil. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of 236 Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;

c. Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be Nil.

In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. However, in case of NCD Holders claiming non-deduction or lower deduction of tax at source, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all applicants (other than companies, and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all applicants (including companies and firms) by making an application in the prescribed form i.e. Form No.13.

Further, eligible NCD Holders other than resident individuals or resident HUF investors, the following documents should be submitted with the Company/ Registrar, at least 7 days before the relevant record date for payment of debenture interest (i) copy of registration certificate issued by the regulatory authority under which the investor is registered, (ii) self-declaration for non-deduction of tax at source, and (iii) such other document a may be required under the Income Tax Act, for claiming non-deduction / lower deduction of tax at source and/or specified by the Company/ Registrar, from time to time.

The aforesaid documents, as may be applicable, should be submitted at least 7 days before the relevant Record Date for payment of interest on the NCDs quoting the name of the sole/ first NCD Holder, NCD folio number and the distinctive number(s) of the NCD held, to ensure non-deduction/lower deduction of tax at source from interest on the NCD. The aforesaid documents for claiming non-deduction or lower deduction of tax at source, as the case may be, shall be submitted to the Registrar as per below details or any other details as may be updated on the website of the Issuer at www.iifl.com or the Registrar at www.in.mpms.mufg.com, from time to time.

The investors need to submit Form 15H/ 15G certificate in original from the Assessing Officer for each Fiscal during the currency of the NCD to claim non-deduction or lower deduction of tax at source from interest on the NCD. Tax exemption certificate/document, if any, must be lodged at the office of the Registrar to the Issue at least seven days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in our Company's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date as stated in the section titled "*Issue Procedure*" on page 462, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Draft Shelf Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Draft Shelf Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Day Count Convention

Interest shall be computed on an actual/actual basis on the principal outstanding on the NCDs as per the SEBI NCS Master Circular.

Effect of holidays on payments

If the Interest Payment Date falls on a day other than a Working Day (Sundays or holidays of commercial banks in Mumbai), the interest payment as due and payable on such day shall be made by our Company on the immediately succeeding Working Day and calculation of such interest payment shall be as per original schedule as if such Interest Payment Date were a Working Day. Further, the future Interest Payment Dates shall remain intact as per the originally stipulated schedule and shall not be changed because of postponement of such interest payment on account of it falling on a non-Working Day. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force, as applicable.

If Redemption Date (also being the last Interest Payment Date) falls on a day that is not a Working Day, the Redemption Amount shall be paid by our Company on the immediately preceding Working Day along with interest accrued on the NCDs until but excluding the date of such payment. The interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

Illustration for guidance in respect of the day count convention and effect of holidays on payments

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI NCS Master Circular, as shall be specified in the relevant Tranche Prospectus(es).

Maturity and Redemption

As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.

Put/Call Option

As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.

Deemed Date of Allotment

The date on which our Board of Directors or the Finance Committee thereof approves the Allotment of the NCDs for this Issue. The actual Allotment of NCDs may take place on a date other than the Deemed Date of Allotment. All benefits relating to the NCDs including interest on NCDs (as specified in the relevant Tranche Prospectus(es) for each Tranche Issue) shall be available to the Debenture holders from the deemed date of allotment.

Application in the Issue

NCDs being issued through this Draft Shelf Prospectus can be applied for, through a valid Application Form filled in by the applicant along with attachments, as applicable. Further, Applications in this Issue shall be made through the ASBA facility only.

In terms of Regulation 7 of SEBI NCS Regulations, our Company will make public issue of the NCDs in the dematerialised form only.

However, in the terms of Section 8(1) of the Depositories Act, our Company at the request of the Investors who wish to hold the NCDs in physical form will rematerialise the NCDs. However, trading of the NCDs shall be compulsorily in dematerialised form only.

Application Size

Each Application should be for a minimum of 10 NCDs across all series collectively and multiples of one NCD thereof (for all series of NCDs taken individually or collectively). The minimum application size for each application for NCDs would be ₹10,000 across all series collectively and in multiples of ₹1,000 thereafter. Applicants can apply for any or all types of NCDs offered hereunder (any/all series) provided the Applicant has applied for minimum application size using the same Application Form.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

Terms of Payment

The entire issue price of ₹ 1,000 per NCD is payable on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, our Company shall instruct the SCSBs to unblock the excess amount blocked on application in accordance with the terms of this Draft Shelf Prospectus.

Record Date

The record date for payment of interest in connection with the NCDs or repayment of principal in connection therewith shall be 15 (fifteen) days prior to the date on which interest is due and payable, and/or the date of redemption or such other date under this Draft Shelf Prospectus as may be determined by the Company.

Provided that trading in the NCDs shall remain suspended between the aforementioned Record Date in connection with redemption of NCDs and the date of redemption or as prescribed by the Stock Exchanges, as the case may be.

In case Record Date falls on a day when Stock Exchanges are having a trading holiday, the immediate subsequent trading day or a date notified by our Company to the Stock Exchanges will be deemed as the Record Date.

Manner of Payment of Interest / Refund / Redemption

The manner of payment of interest / refund / redemption in connection with the NCDs is set out below:

The bank details will be obtained from the Depositories for payment of Interest / refund / redemption as the case may be. Applicants are advised to keep their bank account details as appearing on the records of the depository participant updated at all points of time. Please note that failure to do so could result in delays in credit of Interest/ Redemption Amounts at the Applicant's sole risk, and the Lead Managers, our Company or the Registrar shall have no responsibility and undertake no liability for the same.

In case of NCDs held in physical form, on account of rematerialisation, the bank details will be obtained from the documents submitted to the Company along with the rematerialisation request. For further details, please see "*Terms of the Issue - Procedure for rematerialisation of NCDs*" on page 448.

The Registrar to the Issue will issue requisite instructions to the relevant SCSBs to un-block amounts in the ASBA Accounts of the Applicants representing the amounts to unblocked for the Applicants.

The mode of interest / refund / redemption payments shall be undertaken in the following order of preference:

1. Direct Credit

   Investors having their bank account with the Refund Bank, shall be eligible to receive refunds, if any, through direct credit. The refund amount, if any, would be credited directly to their bank account with the Refund Bank.

2. NACH

   National Automated Clearing House which is a consolidated system of ECS. Payment would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition ("MICR") code wherever applicable from the depository. Payments through NACH are mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get payments through NEFT or Direct Credit or RTGS.

3. RTGS

   Applicants having a bank account with a participating bank and whose interest payment/ refund/ redemption amounts exceed ₹ 200,000, or such amount as may be fixed by RBI from time to time, have the option to receive payments

through RTGS. Such eligible Applicants who indicate their preference to receive interest payment/ refund/ redemption through RTGS are required to provide the IFSC code in the Application Form or intimate our Company and the Registrar to the Issue at least seven days prior to the Record Date. Charges, if any, levied by the Applicant's bank receiving the credit would be borne by the Applicant. In the event the same is not provided, interest payment/ refund/ redemption shall be made through NACH subject to availability of complete bank account details for the same as stated above.

4. NEFT

   Payment of interest/ refunds/ redemption shall be undertaken through NEFT wherever the Applicants' banks have been assigned the Indian Financial System Code ("**IFSC**"), which can be linked to a MICR, if any, available to that particular bank branch. The IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Applicants have registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of interest/ refund/ redemption will be made to the applicants through this method.

5. Registered Post/Speed Post

   For all other applicants, including those who have not updated their bank particulars with the MICR code, the interest payment / refund / redemption orders shall be dispatched through speed post/registered post.

   Please note that applicants are eligible to receive payments through the modes detailed in (1), (2) (3), and (4) herein above provided they provide necessary information for the above modes and where such payment facilities are allowed / available.

   Please note that our Company shall not be responsible to the holder of NCDs for any delay in receiving credit of interest / refund / redemption so long as our Company has initiated the process of such request in time.

   In case of ASBA Applicants, the Registrar to the Issue will issue requisite instructions to the relevant SCSBs to un-block amounts in the ASBA Accounts of the Applicants representing the amounts to be refunded to the Applicants.

6. The Registrar to the Issue shall instruct the relevant SCSB or in case of Bids by Retail Individual Investors applying through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within the prescribed timelines of the Issue Closing Date.

Printing of Bank Particulars on Interest/redemption Warrants

As a matter of precaution against possible fraudulent encashment of refund orders and interest/redemption warrants due to loss or misplacement, the particulars of the Applicant's bank account are mandatorily required to be given for printing on the orders/ warrants. NCDs applied and held in dematerialized form, these particulars would be taken directly from the depositories. In case of NCDs held in physical form on account of rematerialisation, the NCD Holders are advised to submit their bank account details with our Company/ Registrar to the Issue at least seven days prior to the Record Date failing which the orders/ warrants. Bank account particulars will be printed on the orders/ warrants which can then be deposited only in the account specified.

Loan against NCDs

Pursuant to RBI Circular dated June 27, 2013, our Company, being an NBFC, is not permitted to extend any loans against the security of its NCDs.

Buy Back of NCDs

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buyback of NCDs, upon such terms and conditions as may be decided by our Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished,

re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Right to Recall or Redeem prior to Maturity

Not applicable.

Form and Denomination of NCDs

In case of NCDs held in physical form on account of rematerialisation, a single certificate will be issued to the NCD Holder for the aggregate amount of the NCDs held ("**Consolidated Certificate**"). The Applicant can also request for the issue of NCD certificates in denomination of one NCD ("**Market Lot**"). In case of NCDs held under different Options, by an NCD Holder, separate Consolidated Certificates will be issued to the NCD Holder for the aggregate amount of the NCDs held under each Option as specified in this Draft Shelf Prospectus.

It is, however, distinctly to be understood that the NCDs pursuant to this Issue shall be traded only in dematerialized form.

In respect of Consolidated Certificates, only upon receipt of a request from the NCD Holder, the Consolidated Certificates would be split into smaller denominations, subject to the minimum of Market Lot. No fee would be charged for splitting of NCD certificates in Market Lots, but stamp duty payable, if any, would be borne by the NCD Holder. The request for splitting should be accompanied by the original NCD certificate, which would then be treated as cancelled.

Procedure for redemption by NCD Holders

The procedure for redemption is set out below:

NCDs held in electronic form

No action is required on the part of NCD Holder(s) at the time of redemption of NCDs.

Payment on redemption

The manner of payment of redemption is set out below:

NCDs held in physical form on account of re-materialization

The payment on redemption of the NCDs will be made by way of cheque/pay order/ electronic modes. However, if our Company so requires, the aforementioned payment would only be made on the surrender of NCD certificates, duly discharged by the sole holder/ all the joint-holders (signed on the reverse of the NCD certificates). Dispatch of cheques/ pay orders, etc. in respect of such payment will be made on the redemption date or (if so requested by our Company in this regard) within a period of 30 days from the date of receipt of the duly discharged NCD certificate.

In case we decide to do so, the redemption proceeds in the manner stated above would be paid on the redemption date to those NCD Holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of Redemption. Hence, the transferees, if any, should ensure lodgment of the transfer documents with us at least seven days prior to the Record Date. In case the transfer documents are not lodged with us at least 7 days prior to the Record Date, and we dispatch the redemption proceeds to the transferor, claims in respect of the redemption proceeds should be settled amongst the parties inter se and no claim or action shall lie against us or the Registrar to the Issue.

Our liability to NCD Holders towards their rights including for payment or otherwise shall stand extinguished from the redemption in all events and when we dispatch the redemption amounts to the NCD Holders.

NCDs held in electronic form

On the redemption date, redemption proceeds would be paid by cheque /pay order / electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories' records on the Record Date fixed for the purpose of redemption. These NCDs will be

simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Our liability to NCD Holder(s) towards his/their rights including for payment or otherwise shall stand extinguished from the date of redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCD(s).

Right to Reissue NCD(s)

Subject to the provisions of the Companies Act, 2013, where we have fully redeemed or repurchased any NCD(s), we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or reissue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or reissuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Transfer/ Transmission of NCDs

For NCDs held in physical form on account of rematerialisation

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of Companies Act, 2013 applicable as on the date of this Draft shelf Prospectus and all other applicable laws. The provisions relating to transfer and transmission and other related matters in respect of our shares contained in the Articles and the relevant provisions of the Companies Act, 2013 applicable as on the date of this Draft shelf Prospectus, and all applicable laws including FEMA and the rules and regulations thereunder, shall apply, mutatis mutandis (to the extent applicable to debentures) to the NCDs as well. In respect of the NCDs held in physical form on account of rematerialisation, a common form of transfer shall be used for the same. The NCDs held in dematerialised form shall be transferred subject to and in accordance with the rules/ procedures as prescribed by NSDL/CDSL and the relevant Depository Participants of the transferor and the transferee and any other applicable laws and rules notified in respect thereof. The transferees should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the register of debenture holders or the records as maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferors and not with the Issuer or Registrar.

For NCDs held in electronic form

The normal procedure followed for transfer of securities held in dematerialised form shall be followed for transfer of the NCDs held in electronic form. The seller should give delivery instructions containing details of the buyer's Depository Participant account to his depository participant.

In case the transferee does not have a Depository Participant account, the transferor can rematerialise the NCDs and thereby convert his dematerialised holding into physical holding. Thereafter, these NCDs can be transferred in the manner as stated above for transfer of NCDs held in physical form.

Any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Sharing of Information

Our Company may, at its option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us, with our subsidiary, if any and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily newspaper at the place where the registered office of the Company is situated and/or will be sent by speed post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Future Borrowings

Our Company will be entitled to borrow/raise loans or avail of financial assistance in whatever form as also to issue debentures/ NCDs/other securities in any manner by creating a charge on any assets, subject to applicable consents, approvals or permissions that may be required under any statutory/regulatory/contractual requirement as may be required under applicable law or existing financing agreements, including any intimation, if applicable under the Transaction Documents, provided stipulated security cover is maintained on the NCDs and after obtaining the consent of, or intimation to, the NCD Holders or the Debenture Trustee and compliance with other terms of the Transaction Documents.

Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section(1) of Section 38 of the Companies Act, 2013 which is reproduced below:

"Any person who- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447 of the Companies Act, 2013."

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹ 10 lakh or 1.00% of the turnover of our Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount. In case the fraud involves (i) an amount which is less than ₹ 10 lakh or 1.00% of the turnover of our Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹ 50 lakh or with both.

Pre-closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date, subject to receipt of minimum subscription or as may be specified in the relevant Tranche Prospectus. Our Company shall allot NCDs with respect to the Applications received until the time of such pre-closure in accordance with the Basis of Allotment as described in this Draft shelf Prospectus and subject to applicable statutory and/or regulatory requirements. In the event of such early closure of this Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure is published on or before such early date of closure or the Issue Closing Date, as applicable, through advertisement(s) in all those newspapers or electronic modes such as online newspapers or website of the issuer or the stock exchange in which pre-issue advertisement have been given.

Market Lot and Trading Lot

The NCDs shall be allotted in dematerialized form. As per the SEBI NCS Regulations, the trading of the NCDs is in dematerialised form and the tradable lot is one NCD.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable interest for such NCDs) prior to redemption of the NCDs.

Allotment in this Issue will be in electronic form multiples of one NCD. For further details of Allotment, see the "*Issue Procedure*" beginning on page 462.

Early Closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date (also the Issue should remain open for minimum two working days), subject to receipt of minimum subscription for NCDs aggregating to 75% of the Base Issue Size as specified in the relevant Tranche Prospectus(es). Our Company shall allot NCDs with respect to the Applications received at the time of such early closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

If our Company does not receive the minimum subscription of 75% of Base Issue Size as specified in the relevant Tranche Prospectus(es) within the timelines prescribed under applicable laws, the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 8 (eight) Working Days from the Issue Closing Date as specified in the relevant Tranche Prospectus(es), or such time as may be specified by SEBI. In case of failure of the Issue due to reasons such as non-receipt of listing and trading approval from the Stock Exchanges wherein the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be unblocked in the Applicants ASBA Account within 2 (two) Working Days from the scheduled listing date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 percent per annum from the scheduled listing date till the date of actual payment.

Utilisation of Application Amount

The sum received in respect of this Issue will be kept in separate bank account(s) and we will have access to such funds only upon allotment of the NCDs, execution of Debenture Trust Deeds and on receipt of listing and trading approval from the Stock Exchanges as per applicable provisions of law(s), regulations and approvals.

Utilisation of Issue Proceeds

Our Board of Directors certifies that:

i. all monies received out of the Issue of the NCDs to the public shall be transferred to a separate bank account maintained with a scheduled bank, other than the bank account referred to in section 40(3) of the Companies Act 2013 and the SEBI NCS Regulations, and our Company will comply with the conditions as stated therein, and these monies will be transferred to Company's bank account after receipt of listing and trading approvals;

ii. the allotment letter shall be issued, or application money shall be refunded in accordance with the Applicable Law failing which interest shall be due to be paid to the applicants at the rate of 15% per annum for the delayed period;

iii. details of all monies utilised out of the Issue referred to in sub-item (i) shall be disclosed under an appropriate separate head in our balance sheet indicating the purpose for which such monies were utilised;

iv. details of all unutilised monies out of the Issue referred to in sub-item (i), if any, shall be disclosed under an appropriate separate head in our balance sheet indicating the form of financial assets in which such unutilised monies have been invested;

v. we shall utilize the Issue proceeds only upon creation of security as stated in this Draft Shelf Prospectus and after (a) permissions or consents for creation of charge over the assets of the Company and for further raising of funds have been obtained from the creditors; (b) receipt of the minimum subscription of 75% of the Base Issue Size as specified in the relevant Tranche Prospectus(es); (c) completion of Allotment and refund process in compliance with Section 40 of the Companies Act, 2013; (d) execution of DTD and creation of security and confirmation of the same in terms of NCDs and (e) receipt of listing and trading approval from Stock Exchanges;

vi. the Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, *inter alia* by way of a lease, of any property;

vii. the Issue proceeds shall be utilized in compliance with various guidelines, regulations and clarifications issued by RBI, SEBI or any other statutory authority from time to time. Further the Issue proceeds shall be utilised only for the purpose and objects stated in the Offer Documents; and

viii. If Allotment is not made, application monies will be refunded/unblocked in the ASBA Accounts within 2 (two) Working Days from the Issue Closing Date or such lesser time as specified by SEBI, failing which interest will be due to be paid to the Applicants in accordance with applicable laws.

Filing of this Draft Shelf Prospectus

A copy of this Draft Shelf Prospectus has been filed with the Stock Exchanges in terms of Regulation 27 of the SEBI NCS Regulations for dissemination on their website(s). This Draft Shelf Prospectus has also been displayed on the websites of the Company and the Lead Managers. This Draft Shelf Prospectus has also been submitted with SEBI for record purpose.

Filing of the Shelf Prospectus and relevant Tranche Prospectus(es) with ROC

A copy of the Shelf Prospectus and the relevant Tranche Prospectus(es) shall be filed with ROC in accordance with Section 26 and Section 31 of the Companies Act, 2013.

Payment of Interest

If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount will be unblocked within the time prescribed under applicable law, failing which interest may be due to be paid to the Applicants, for the delayed period, as prescribed in applicable law. Our Company shall not be liable to pay any interest on monies liable to be refunded in case of (a) invalid applications or applications liable to be rejected, (b) applications which are withdrawn by the Applicant and/or (c) monies paid in excess of the amount of NCDs applied for in the Application Form. For further details, see "*Issue Procedure - Rejection of Applications*" beginning on page 490.

Listing

The NCDs offered through this Draft Shelf Prospectus are proposed to be listed on BSE and the NSE. Our Company has obtained an 'in-principle' approval for the Issue from the BSE *vide* their letter bearing reference number [•] dated [•] and from NSE *vide* their letter bearing reference number [•] dated [•]. For the purposes of the Issue, NSE shall be the Designated Stock Exchange. Final Application for listing of the NCDs will be made to the Stock Exchanges in terms of SEBI NCS Regulations and the SEBI NCS Master Circular for the Issue.

If permissions to deal in and for an official quotation of our NCDs are not granted by the Stock Exchanges, our Company will forthwith repay, without interest, all moneys received from the Applicants in pursuance of this Draft Shelf Prospectus.

Our Company will use best efforts to ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges are taken within 3 (three) Working Days of the Issue Closing Date. For the avoidance of doubt, it is hereby clarified that in the event of non-subscription to any one or more of the series, such series(s) of NCDs shall not be listed.

Guarantee/Letter of Comfort

The Issue is not backed by a guarantee or letter of comfort or any other document and/or letter with similar intent.

Monitoring and Reporting of Utilisation of Issue Proceeds

There is no requirement for appointment of a monitoring agency in terms of the SEBI NCS Regulations. The Audit Committee shall monitor the utilization of the proceeds of the Issue. For the relevant quarters, our Company will disclose in our quarterly financial statements, the utilization of the net proceeds of the Issue under a separate head along with details, if any, in relation to all such proceeds of the Issue that have not been utilized thereby also indicating investments, if any, of such unutilized proceeds of the Issue.

Issue of duplicate NCD certificate(s)

If NCD certificate(s), issued pursuant to rematerialisation, is/ are mutilated or defaced or the cages for recording transfers of NCDs are fully utilised, the same may be replaced by us against the surrender of such certificate(s). Provided, where the NCD certificate(s) are mutilated or defaced, the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

Lien

As per the RBI circular dated June 27, 2013, the Company is not permitted to extend loans against the security of its debentures issued by way of private placement or public issues. The Company shall have the right of set-off and lien, present as well as future on the moneys due and payable to the NCD holders or deposits held in the account of the NCD holders, whether in single name or joint name, to the extent of all outstanding dues by the NCD holders to the Company, subject to applicable law.

Lien on Pledge of NCDs

Subject to applicable law, our Company, at its discretion, may record a lien on pledge of NCDs if such pledge of NCDs is accepted by any bank or institution for any loan provided to the NCD Holder against pledge of such NCDs as part of the funding.

ISSUE PROCEDURE

*This section applies to all Applicants. Specific attention of all Applicants is invited to the SEBI NCS Master Circular, which provides, inter-alia, that for all public issues of debt securities all Applicants shall mandatorily use the ASBA facility for participating in the Issue. ASBA Applicants and Applicants applying through the Direct Online Application Mechanism (as defined hereinafter) should note that the ASBA process and the Direct Online Application Mechanism involve application procedures that are different from the procedure applicable to all other Applicants. Please note that all Applicants are required to pay the full Application Amount or ensure that the ASBA Account has sufficient credit balance such that the entire Application Amount can be blocked by the SCSB while making an Application. Further in terms of the SEBI NCS Master Circular retail individual investor may use the Unified Payment Interface ("**UPI**") to participate in the public issue for an amount up to ₹ 5,00,000 through the app/web interface of the Stock Exchanges or through intermediaries (Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants). Further, all individual investors applying in public issue through intermediaries (Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants), where the application amount is up to ₹ 5,00,000 shall only use UPI for the purpose of blocking of funds and provide his/ her bank account linked UPI ID in the bid-cum-application form submitted with intermediaries.*

Applicants should note that they may submit their Applications to the Designated Intermediaries at the Designated CDP Locations or the RTAs at the Designated RTA Locations or designated branches of SCSBs as mentioned on the Application Form. Applicants are advised to make their independent investigations and ensure that their Applications do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in this Draft Shelf Prospectus.

Please note that this section has been prepared based on the SEBI NCS Master Circular and the notifications issued by BSE and NSE, in relation to the UPI Mechanism dated December 28, 2020 as amended on April 13, 2022 and May 19, 2022.Pursuant to the amendments to the SEBI NCS Master Circular dated October 15, 2025, the timelines for listing of non- convertible debentures have been revised from T+6 to T+3, where "T" is the issue closing date.

Specific attention is drawn to the SEBI NCS Master Circular which provides for allotment in public issues of debt securities to be made on the basis of the date of upload of each application into the electronic book of the Stock Exchanges, as opposed to the date and time of upload of each such application.

Our Company and the Lead Managers do not accept any responsibility for the completeness and accuracy of the information stated in this section and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Shelf Prospectus. Investors are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws.

Further, the Company and the Lead Managers are not liable for any adverse occurrences consequent to the UPI Mechanism for application in the Issue.

PLEASE NOTE THAT ALL DESIGNATED INTERMEDIARIES WHO WISH TO COLLECT AND UPLOAD APPLICATION IN THE ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGES WILL NEED TO APPROACH THE STOCK EXCHANGES AND FOLLOW THE REQUISITE PROCEDURES AS MAY BE PRESCRIBED BY THE STOCK EXCHANGES. THE FOLLOWING SECTION MAY CONSEQUENTLY UNDERGO CHANGE BETWEEN THE DATES OF THIS DRAFT SHELF PROSPECTUS, THE ISSUE OPENING DATE AND THE ISSUE CLOSING DATE.

THE LEAD MANAGERS, THE CONSORTIUM MEMBERS AND OUR COMPANY SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY ERRORS OR OMISSIONS ON THE PART OF TRADING MEMBERS/DESIGNATED INTERMEDIARIES IN CONNECTION WITH THE RESPONSIBILITY OF TRADING MEMBERS/DESIGNATED INTERMEDIARIES IN RELATION TO COLLECTION AND UPLOAD OF APPLICATION FORMS IN RESPECT OF THE ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY STOCK EXCHANGES. FURTHER, THE RELEVANT STOCK EXCHANGE(S) WILL BE RESPONSIBLE FOR ADDRESSING INVESTOR GRIEVANCES ARISING FROM APPLICATIONS THROUGH TRADING MEMBERS/DESIGNATED INTERMEDIARIES REGISTERED WITH SUCH STOCK EXCHANGES.

The information below is given for the benefit of the investors. Our Company and the Members of Consortium are not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Shelf Prospectus.

Availability of this Draft Shelf Prospectus, Shelf Prospectus, relevant Tranche Prospectus, Abridged Prospectus and Application Forms

The copies of this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es), Abridged Prospectus, together with Application Forms may be obtained from our Registered Office, Lead Managers to the Issue, Consortium Members for marketing of the Issue, the Registrar to the Issue and the Designated Branches of the SCSBs. Additionally, this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es) and the Application Forms will be available for download on the website of BSE at www.bseindia.com and of NSE at www.nseindia.com. A unique application number ("**UAN**") will be generated for every Application Form downloaded from the website of the Stock Exchanges i.e., BSE at www.bseindia.com and at NSE at www.nseindia.com. Hyperlinks to the website of the Stock Exchanges for this facility will be provided on the websites of the Lead Managers and the SCSBs.

In addition, Application Forms would also be made available to all the recognised stock exchanges. Further, Application Forms will also be provided to Trading Members at their request.

Our Company may provide Application Forms for being filled and downloaded at such websites as we may deem fit. In addition, online demat account portals may also provide the facility of submitting the Application Forms online to their account holders'

PROCEDURE FOR APPLICATION

Note: Participation of any of the aforementioned categories of persons or entities is subject to the applicable statutory and/or regulatory requirements in connection with the subscription to Indian securities by such categories of persons or entities.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of Bonds that can be held by them under applicable statutory and or regulatory provisions.

Applicants are advised to ensure that they have obtained the necessary statutory and/or regulatory permissions/consents/approvals in connection with applying for, subscribing to, or seeking allotment of NCDs pursuant to this Issue.

The Members of Consortium and its respective associates and affiliates are permitted to subscribe in this Issue.

Applications cannot be made by:

The following categories of persons, and entities, shall not be eligible to participate in the Issue and any Applications from such persons and entities are liable to be rejected:

a. Minors without a guardian name* (A guardian may apply on behalf of a minor. However, Applications by minors must be made through Application Forms that contain the names of both the minor Applicant and the guardian; It is further clarified that it is the responsibility of the Applicant to ensure that the guardians are competent to contract under applicable statutory/regulatory requirements);

b. Foreign nationals, NRI *inter-alia* including any NRIs who are (i) based in the USA, and/or, (ii) domiciled in the USA, and/or, (iii) residents/citizens of the USA, and/or, (iv) subject to any taxation laws of the USA;

c. Persons resident outside India and other foreign entities;

d. Foreign Institutional Investors;

e. Foreign Portfolio Investors;

f. Non Resident Indians;

g. Qualified Foreign Investors;

h. Overseas Corporate Bodies**;

i. Foreign Venture Capital Funds; and

j. Persons ineligible to contract under applicable statutory/ regulatory requirements.

** Applicant shall ensure that guardian is competent to contract under Indian Contract Act, 1872*
The Registrar to the Issue shall verify the above on the basis of the records provided by the Depositories based on the DP ID and Client ID provided by the Applicants in the Application Form and uploaded onto the electronic system of the Stock Exchanges by the Designated Intermediaries.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship). In case of such Applications, the Registrar to the Issue shall verify the above on the basis of the records provided by the Depositories based on the DP ID and Client ID provided by the Applicants in the Application Form and uploaded onto the electronic system of the Stock Exchanges.

***The concept of Overseas Corporate Bodies (meaning any company, partnership firm, society and other corporate body or overseas trust irrevocably owned/held directly or indirectly to the extent of at least 60% by NRIs), which was in existence until 2003, was withdrawn by the Foreign Exchange Management (Withdrawal of General Permission to Overseas Corporate Bodies) Regulations, 2003. Accordingly, OCBs are not permitted to invest in the Issue.*

The information below is given for the benefit of Applicants. Our Company and the Lead Managers is not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Shelf Prospectus.

How to apply?

Availability of this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es), Abridged Prospectus and Application Forms.

Physical copies of the Abridged Prospectus containing the salient features of the Shelf Prospectus and relevant Tranche Prospectus (es) together with Application Forms and copies of this Draft Shelf Prospectus / Shelf Prospectus and the relevant Tranche Prospectus(es) may be obtained from:

1. Our Registered Office,

2. Office of the Lead Managers,

3. Office of the Consortium Member,

4. Registrar to the Issue,

5. Designated RTA Locations for RTAs, and

6. Designated CDP Locations for CDPs

Additionally, Electronic copies of this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es) along with the downloadable version of the Application Forms will be available.

(i) for download on the website of BSE at www.bseindia.com, NSE at www.nseindia.com and the website of the Lead Managers at www.trustgroup.in, www.nuvama.com and www.iiflcapital.com.

(ii) at the designated branches of the SCSBs and the Syndicate Members at the Specified Locations.

Electronic copies of this Draft Shelf Prospectus along with the downloadable version of the Application Form will be available on the websites of the Lead Managers, the Stock Exchanges, SEBI and SCSBs

Electronic Application Forms will also be available on the website of the Stock Exchange Exchanges and on the websites of the SCSBs that permit the submission of Applications electronically. A hyperlink to the website of the Stock Exchanges for this facility will be provided on the website of the Lead Managers and the SCSBs. Further, Application Forms will also be provided to Designated Intermediaries at their request. A unique application number ("**UAN**") will be generated for every Application Form downloaded from the websites of the Stock Exchanges. Further, Application Forms will also be provided to Designated Intermediaries at their request.

Our Company may also provide Application Forms for being downloaded and filled at such websites as it may deem fit. In addition, brokers having online demat account portals may also provide a facility of submitting the Application Forms virtually online to their account holders.

Trading Members of the Stock Exchanges can download Application Forms from the websites of the Stock Exchanges. Further, Application Forms will be provided to Trading Members of the Stock Exchanges at their request.

Retail Individual Investors making an Application up to ₹ 5,00,000, using the UPI Mechanism, must provide the UPI ID in the relevant space provided in the Application Form. Application Forms that do not contain the UPI ID are liable to be rejected. UPI Investors applying using the UPI Mechanism may also apply through the SCSBs and mobile applications using the UPI handles as provided on the website of SEBI.

Please note that there is a single Application Form for, persons resident in India.

Please note that only ASBA Applicants shall be permitted to make an application for the NCDs.

Method of Application

In terms of the SEBI NCS Master Circular an eligible investor desirous of applying in this Issue can make Applications through the ASBA mechanism only.

Applicants are requested to note that in terms of the SEBI NCS Master Circular, SEBI has mandated issuers to provide, through a recognized Stock Exchanges which offers such a facility, an online interface enabling direct application by investors to a public issue of debt securities with an online payment facility ("**Direct Online Application Mechanism**").

All Applicants shall mandatorily apply in this Issue through the ASBA process only. Applicants intending to subscribe in this Issue shall submit a duly filled Application form to any of the Designated Intermediaries.

Designated Intermediaries (other than SCSBs) shall submit/deliver the Application Form (except the Application Form from a Retail Individual Investor bidding using the UPI mechanism) to the respective SCSB, where such investor has a bank account and shall not submit it to any non-SCSB bank or any Escrow Bank.

Applicants should submit the Application Form only at the Bidding Centres, i.e., to the respective Members of the Consortium at the Specified Locations, the SCSBs at the Designated Branches, the Registered Broker at the Broker Centres, the RTAs at the Designated RTA Locations or CDPs at the Designated CDP Locations. Kindly note that Application Forms submitted by Applicants at the Specified Locations will not be accepted if the SCSB with which the ASBA Account, as specified in the Application Form is maintained has not named at least one branch at that location for the Designated Intermediaries for deposit of the Application Forms. A list of such branches is available at http://www.sebi.gov.in.

The relevant Designated Intermediaries, upon receipt of physical Application Forms from Applicants, shall upload the details of these Application Forms to the online platform of the Stock Exchanges and submit these Application Forms with the SCSB (except Application Form from RIBs using the UPI Mechanism) with whom the relevant ASBA Accounts are maintained.

Designated Intermediaries (other than SCSBs) shall not accept any Application Form from a RIB who is not applying using the UPI Mechanism. For RIBs using UPI Mechanism, the Stock Exchanges shall share the bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds. An Applicant shall submit the Application Form, in physical form, the Application Form shall be stamped at the relevant Designated Branch of the SCSB. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form.

An Applicant shall submit the Application Form, which shall be stamped at the relevant Designated Branch of the SCSB. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form. Further, the Application may also be submitted through the app or web interface developed by Stock Exchanges wherein the Application is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI mechanism, as applicable.

Our Company, the Directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to ASBA Applications accepted by the Designated Intermediaries, Applications uploaded by SCSBs, Applications accepted but not uploaded by SCSBs or Applications accepted and uploaded without blocking funds in the ASBA Accounts. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount has been blocked in the relevant ASBA Account. Further, all grievances against Designated Intermediaries in relation to this Issue should be made by Applicants directly to the relevant Stock Exchanges.

In terms of the SEBI NCS Master Circular, an eligible investor desirous of applying in this Issue can make Applications through the following modes:

1. *Self-Certified Syndicate Bank (SCSB) or intermediaries (viz. Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants)*

    a. An investor may submit the bid-cum-application form, with ASBA as the sole mechanism for making payment, physically at the branch of a SCSB, i.e. investor's bank. For such applications, the existing process of uploading of bid on the Stock Exchanges bidding platform and blocking of funds in investors account by the SCSB would continue.

    b. An investor may submit the completed bid-cum-application form to intermediaries mentioned above along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Stock Exchanges bidding platform and forward the application form to a branch of a SCSB for blocking of funds.

    c. An investor may submit the bid-cum-application form with a SCSB or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹5 Lakh or less. The intermediary shall upload the bid on the Stock Exchanges bidding platform. The application amount would be blocked through the UPI mechanism in this case.

2. *Through Stock Exchanges*

    a. An investor may submit the bid-cum-application form through the App or web interface developed by Stock Exchanges (or any other permitted methods) wherein the bid is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI Mechanism.

    b. The Stock Exchanges have extended their web-based platforms i.e., 'BSE Direct' to facilitate investors to apply in public issues of debt securities through the web based platform and mobile app with a facility to block funds through Unified Payments Interface (UPI) mechanism for application value upto ₹ 5 Lakh. To place bid through 'BSEDirect' platform and NSE goBID platform / mobile app the eligible investor is required to register himself/ herself with BSE Direct/ NSE goBID.

    c. An investor may use the following links to access the web-based interface developed by the Stock Exchanges to bid using the UPI Mechanism: BSE: https://www.bsedirect.com; and NSE: https://www.nseindiaipo.com.

    d. The BSE Direct and NSE goBID mobile application can be downloaded from play store in android phones. Kindly search for 'BSEdirect' or 'NSE goBID' on Google Playstore for downloading mobile applications.

    e. To further clarify the submission of bids through the App or web interface, the BSE has issued operational guidelines and circulars dated December 28, 2020 available at https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-60, and https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-61. Similar circulars by NSE can be found here: x https://www1.nseindia.com/content/circulars/IPO46907.zip x https://www1.nseindia.com/content/circulars/IPO46867.zipFurther, NSE has allowed its 'GoBid' mobile application which is currently available for placing bids for non-competitive bidding shall also be available for applications of public issues of debt securities.

Pursuant to SEBI NCS Master Circular, all individual investors applying in public issues where the application amount is up to ₹5,00,000 shall use UPI and shall also provide their UPI ID in the bid cum application form submitted with any of the entities mentioned herein below:

1. a syndicate member;
2. a stock-broker registered with a recognised stock exchange (and whose name is mentioned on the website of the stock exchange as eligible for this activity);
3. a depository participant (whose name is mentioned on the website of the stock exchange as eligible for this activity); and
4. a registrar to an issue and share transfer agent.

For RIBs using UPI Mechanism, the Stock Exchange shall share the bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds.

Application Size

Each Application should be for a minimum of 10 NCDs and multiples of one NCD thereof.

Applicants can apply for any or all types of NCDs offered hereunder (any/all series) provided the Applicant has applied for minimum application size using the same Application Form.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

APPLICATIONS BY VARIOUS APPLICANT CATEGORIES

Applications by Mutual Funds

Pursuant to the SEBI Master Circular for Mutual Funds bearing reference number SEBI/HO/IMD/IMD-PoD1/P/CIR/2024/90 dated June 27, 2024 ("**SEBI Mutual Funds Master Circular**"), mutual funds are required to ensure that the total exposure of debt schemes of mutual funds in a particular sector shall not exceed 20% of the net assets value of the scheme. Further, the additional exposure limit provided for financial services sector not exceeding 10% of the net assets value of the scheme shall be allowed only by way of increase in exposure to HFCs, with an additional 5% permitted in securitised debt backed by retail/affordable housing loans. However the overall exposure in HFCs shall not exceed the sector exposure limit of 20% of the net assets of the scheme. Further, the group level limits for debt schemes shall be subject to a ceiling of 20% of the net assets value of the scheme extendable to 25% with the prior approval of the board of trustees. A separate Application can be made in respect of each scheme of an Indian mutual fund registered with SEBI and such Applications shall not be treated as multiple Applications. Applications made by the AMCs or custodians of a Mutual Fund shall clearly indicate the name of the concerned scheme for which the Application is being made. An Application Form by a mutual fund registered with SEBI for Allotment of the NCDs must be also accompanied by certified true copies of (i) its SEBI registration certificates (ii) the trust deed in respect of such mutual fund (ii) a resolution authorising investment and containing operating instructions and (iii) specimen signatures of authorized signatories. Failing this, the Issuer reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason therefore.

Failing this, our Company reserves the right to accept or reject any Application from a Mutual Fund for Allotment of the NCDs in whole or in part, in either case, without assigning any reason thereof.

Application by Scheduled Commercial Banks, Co-operative Banks and Regional Rural Banks

Scheduled Commercial Banks, Co-operative Banks and Regional Rural Banks can apply in this Issue based upon their own investment limits and approvals. Applications by them for Allotment of the NCDs must be accompanied by certified true copies of (i) memorandum and articles of association/charter of constitution; (ii) power of attorney; (iii) a board resolution authorising investments; and (iv) a letter of authorisation.

Failing this, our Company reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason therefor.

Pursuant to SEBI Circular no. CIR/CFD/DIL/1/2013 dated January 2, 2013, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for ASBA applications.

Application by Systemically Important Non-Banking Financial Companies

Systemically Important Non-Banking Financial Companies can apply in this Issue based upon their own investment limits and approvals. Applications by them for Allotment of the NCDs must be accompanied by certified true copies of (i) their memorandum and articles of association/charter of constitution; (ii) power of attorney; (iii) a board resolution authorising investments; and (vi) specimen signatures of authorised signatories.

Failing this, our Company reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason therefor.

Application by Insurance Companies

Insurance companies registered with the IRDAI can apply in this Issue based on their own investment limits and approvals in accordance with the regulations, guidelines and circulars issued by the IRDAI. The Application Form must be accompanied by certified true copies of their (i) certificate registered with IRDAI, (ii) memorandum and articles of association/charter of constitution; (iii) power of attorney; (iv) resolution authorising investments/containing operating instructions; and (v) specimen signatures of authorised signatories.

Failing this, our Company reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason therefor.

Applications by Indian Alternative Investments Funds

Applications made by 'alternative investment funds' eligible to invest in accordance with the Securities and Exchange Board of India (Alternative Investment Fund) Regulations, 2012, as amended (the "**SEBI AIF Regulations**") for Allotment of the NCDs must be accompanied by certified true copies of (i) SEBI registration certificate; (ii) a resolution authorising investment and containing operating instructions; and (iii) specimen signatures of authorised persons. The Alternative Investment Funds shall at all times comply with the requirements applicable to it under the SEBI AIF Regulations and the relevant notifications issued by SEBI.

Failing this, our Company reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason therefor.

Applications by Associations of persons and/or bodies established pursuant to or registered under any central or state statutory enactment

In case of Applications made by Applications by Associations of persons and/or bodies established pursuant to or registered under any central or state statutory enactment, must submit a (i) certified copy of the certificate of registration or proof of constitution, as applicable, (ii) Power of Attorney, if any, in favour of one or more persons thereof, (iii) such other documents evidencing registration thereof under applicable statutory/regulatory requirements. Further, any trusts applying for NCDs pursuant to this Issue must ensure that (a) they are authorized under applicable statutory/regulatory requirements and their constitution instrument to hold and invest in debentures, (b) they have obtained all necessary approvals, consents or other authorisations, which may be required under applicable statutory and/or regulatory requirements to invest in debentures, and (c) Applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and/ or regulatory provisions.

Failing this, our Company reserves the right to accept or reject any Applications in whole or in part, in either case, without assigning any reason therefore.

Applications by Trusts

In case of Applications made by trusts, settled under the Indian Trusts Act, 1882, as amended, or any other statutory and/or regulatory provision governing the settlement of trusts in India, must submit a (i) certified copy of the registered instrument for creation of such trust, (ii) power of attorney, if any, in favour of one or more trustees thereof, (iii) such other documents evidencing registration thereof under applicable statutory/regulatory requirements. Further, any trusts applying for NCDs pursuant to this Issue must ensure that (a) they are authorized under applicable statutory/regulatory requirements and their constitution instrument to hold and invest in debentures, (b) they have obtained all necessary approvals, consents or other authorisations, which may be required under applicable statutory and/or regulatory requirements to invest in debentures, and (c) Applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

Failing this, our Company reserves the right to accept or reject any Applications in whole or in part, in either case, without assigning any reason therefor.

Applications by Public Financial Institutions or statutory corporations, which are authorized to invest in the NCDs

The Application must be accompanied by certified true copies of: (i) any Act/ Rules under which they are incorporated; (ii) board resolution authorising investments; and (iii) specimen signature of authorized person.

Failing this, our Company reserves the right to accept or reject any Applications in whole or in part, in either case, without assigning any reason therefor.

Applications made by companies, bodies corporate and societies registered under the applicable laws in India

The Application must be accompanied by certified true copies of: (i) any act/ rules under which they are incorporated; (ii) Board Resolution authorising investments; and (iii) Specimen signature of authorized person.

Failing this, our Company reserves the right to accept or reject any Applications in whole or in part, in either case, without assigning any reason therefor.

Applications made by Indian scientific and/ or industrial research organizations, which are authorized to invest in the NCDs

Applications by scientific and/ or industrial research organisations which are authorised to invest in the NCDs must be accompanied by certified true copies of: (i) any act/rules under which such Applicant is incorporated; (ii) a resolution of the board of directors of such Applicant authorising investments; and (iii) specimen signature of authorized persons of such Applicant.

Failing this, our Company reserves the right to accept or reject any Applications for Allotment of the NCDs in whole or in part, in either case, without assigning any reason therefor.

Applications made by Partnership firms formed under applicable Indian laws in the name of the partners and Limited Liability Partnerships formed and registered under the provisions of the Limited Liability Partnership Act, 2008

Applications made by partnership firms and limited liability partnerships formed and registered under the Limited Liability Partnership Act, 2008 must be accompanied by certified true copies of: (i) the partnership deed for such Applicants; (ii) any documents evidencing registration of such Applicant thereof under applicable statutory/regulatory requirements; (iii) a resolution authorizing the investment and containing operating instructions; and (iv) specimen signature of authorized persons of such Applicant.

Failing this, our Company reserves the right to accept or reject any Applications for Allotment of the NCDs in whole or in part, in either case, without assigning any reason therefor.

Applications under a power of attorney by limited companies, corporate bodies and registered societies

In case of Applications made pursuant to a power of attorney by Applicants from Category I and Category II, a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws must be lodged along with the Application Form.

Failing this, our Company reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason therefor.

In case of Applications made pursuant to a power of attorney by Applicants from Category III and Category IV, a certified copy of the power of attorney must be lodged along with the Application Form.

In case of physical ASBA Applications made pursuant to a power of attorney, a certified copy of the power of attorney must be lodged along with the Application Form.

Failing this our Company, in consultation with the Lead Managers, reserves the right to reject such Applications. Our Company, in its absolute discretion, reserves the right to relax the above condition of attaching the power of attorney along with the Application Forms subject to such terms and conditions that our Company and the Lead Managers may deem fit.

Brokers having online demat account portals may also provide a facility of submitting the Application Forms online to their account holders. Under this facility, a broker receives an online instruction through its portal from the Applicant for making an Application on his or her behalf. Based on such instruction, and a power of attorney granted by the Applicant to authorise the broker, the broker makes an Application on behalf of the Applicant.

Applications by provident funds, pension funds, superannuation funds and gratuity funds which are authorized to invest in the NCDs

Applications by provident funds, pension funds, superannuation funds and gratuity funds which are authorised to invest in the NCDs, for Allotment of the NCDs must be accompanied by certified true copies of: (i) any act/rules under which they are incorporated; (ii) a power of attorney, if any, in favour of one or more trustees thereof, (ii) a board resolution authorising investments; (iii) such other documents evidencing registration thereof under applicable statutory/regulatory requirements; (iv) specimen signature of authorized person; (v) a certified copy of the registered instrument for creation of such fund/trust; and (vi) any tax exemption certificate issued by Income Tax authorities.

Failing this, our Company reserves the right to accept or reject any Applications for Allotment of the NCDs in whole or in part, in either case, without assigning any reason therefor.

Applications by National Investment Funds

Application made by a National Investment Fund for Allotment of the NCDs must be accompanied by certified true copies of: (i) a resolution authorising investment and containing operating instructions; and (ii) specimen signatures of authorized persons.

Failing this, our Company reserves the right to accept or reject any Applications for Allotment of the NCDs in whole or in part, in either case, without assigning any reason therefor.

Applications by Systematically Important Non-banking financial companies

Applications made by systematically important non-banking financial companies registered with the RBI and under other applicable laws in India must be accompanied by certified true copies of: (i) memorandum and articles of association/charter of constitution; (ii) power of attorney;(iii) board Resolution authorising investments; and (iii) specimen signature of authorized person.

Failing this, our Company reserves the right to accept or reject any Applications in whole or in part, in either case, without assigning any reason therefor.

The Syndicate Members and their respective associates and affiliates are permitted to subscribe in this Issue.

Payment instructions

Payment mechanism for Applicants

An Applicant shall specify details of the ASBA Account Number in the Application Form and the relevant SCSB shall block an amount equivalent to the Application Amount in the ASBA Account specified in the Application Form.

An Applicant may submit the completed Application Form to designated intermediaries along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Designated Stock Exchanges bidding platform and forward the application form to a branch of a SCSB for blocking of funds.

An Applicant (belonging to Category IV) may also submit the Application Form with a SCSB or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹5 lakh or less. The intermediary shall upload the bid on the Stock Exchanges bidding platform. The application amount would be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant in this case.

An Applicant may submit the Application Form through the App or web interface developed by Stock Exchanges wherein the bid is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Upon receipt of an intimation from the Registrar to the Issue, the SCSBs shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account in terms of the Public Issue Account and Sponsor Bank Agreement. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the Issue to the respective SCSB within 2 (two) Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account

until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the Application, as the case may be.

For ASBA Applications submitted to the Lead Managers or Consortium Member or Trading Members of the Stock Exchanges at the Specified Cities, the ASBA Application will be uploaded onto the electronic system of the Stock Exchanges and deposited with the relevant branch of the SCSB at the Specified City named by such SCSB to accept such ASBA Applications from the Lead Managers or Trading Members of the Stock Exchanges, as the case may be (A list of such branches is available at http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries). The relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application.

For ASBA Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application, before entering the ASBA Application into the electronic system of the Stock Exchanges. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the ASBA Application to the Lead Managers or Consortium Member or Trading Members of the Stock Exchanges, as the case may be, at the Specified Cities or to the Designated Branches of the SCSBs. An ASBA Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, the Registrar to the Issue shall send an appropriate request to the controlling branch of the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount pertaining to NCDs allotted to the successful Applicants to the Public Issue Account(s). The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the respective SCSB within 2 (two) Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the ASBA Application, as the case may be. In case of withdrawal/ failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue.

Payment mechanism for Direct Online Applicants

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchanges. In the event the Direct Online Application facility is implemented by the Stock Exchanges, relevant "know your customer" details of such Applicants will be validated online from the Depositories, on the basis of the DP ID and Client ID provided by them in the Application Form. On successful submission of a Direct Online Application, the Applicant will receive a system-generated unique application number ("**UAN**") and an SMS or an email confirmation on credit of the requisite Application Amount paid through the online payment facility with the Direct Online Application. On Allotment, the Registrar to the Issue shall credit NCDs to the beneficiary account of the Applicant and in case of refund, the refund amount shall be credited directly to the Applicant's bank account. Applicants applying through the Direct Online Application facility must preserve their UAN and quote their UAN in: (a) any cancellation/withdrawal of their Application; (b) in queries in connection with Allotment of NCDs and/or refund(s); and/or (c) in all investor grievances/complaints in connection with the Issue.

As per the SEBI NCS Master Circular, the availability of the Direct Online Applications facility is subject to the Stock Exchanges putting in place the necessary systems and infrastructure, and accordingly the aforementioned disclosures are subject to any further clarifications, notification, modification deletion, direction, instructions and/or correspondence that may be issued by the Stock Exchanges and/or SEBI.

The Stock Exchanges have confirmed that the necessary infrastructure and facilities for the same have not been implemented by the Stock Exchanges. Hence, the Direct Online Application facility will not be available for the Issue**.**

Additional information for Applicants

1. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected.

2. No separate receipts will be issued for the money blocked on the submission of Application Form. However, the collection centre of the Designated Intermediaries will acknowledge the receipt of the Application Forms by stamping and returning to the Applicant the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant.

3. Applications should be submitted on the Application Form only. In the event that physical Application Form do not bear the stamp of the Designated Intermediaries, or the relevant Designated Branch, as the case may be, they are liable to be rejected.

4. Application Forms submitted by Applicants shall be for allotment of NCDs only in dematerialized form.

The Investors are advised to read the operational guidelines mentioned for Making Application for Public Issue of Debt Securities through BSE Direct issued by BSE on December 28, 2020 and the circular issued by National Stock Exchange of India Limited for Introduction of Unified Payment Interface (UPI) for Debt IPO through NSE goBID on January 05, 2021 before investing through the through the app/ web interface of Stock Exchange(s).

Kindly note, the Stock Exchange(s) shall be responsible for addressing investor grievances arising from Applications submitted online through the App based/ web interface platform of Stock Exchanges or through their Trading Members. Further, the collecting bank shall be responsible for addressing any investor grievances arising from non-confirmation of funds to the Registrar despite successful realization/blocking of funds, or any delay or operational lapse by the collecting bank in sending the Application forms to the Registrar to the Issue.

Applicants are advised not to submit Application Forms to Public Issue Account Banks and the same will be rejected in such cases and the Applicants will not be entitled to any compensation whatsoever.

Pre-Issue Advertisement

Our Company will issue a statutory advertisement in compliance with Regulation 30(1) of the SEBI NCS Regulations on or before the Issue Opening Date. The advertisement will contain the information as prescribed under the SEBI NCS Regulations and Section 30 of the Companies Act, 2013. Material updates, if any, between the date of filing of the relevant Tranche Prospectus(es) and the date of release of the statutory advertisement will be included in the statutory advertisement.

Instructions for completing the Application Form

1. Applications must be made in the prescribed Application Form.

2. Application Forms are to be completed in full, in BLOCK LETTERS in ENGLISH and in accordance with the instructions contained in this Draft Shelf Prospectus and the Application Form. Incomplete Application Forms are liable to be rejected. Applicants should note that the Designated Intermediaries will not be liable for errors in data entry due to incomplete or illegible Application Forms.

3. Applications are required to be for a minimum of such NCDs and in multiples of one NCD thereafter as specified in the Issue Documents.

4. Thumb impressions and signatures other than in the languages specified in the Eighth Schedule in the Constitution of India must be attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal.

5. Applications should be in single or joint names and not exceeding three names, and in the same order as their Depository Participant details and Applications should be made by Karta in case the Applicant is an HUF. Applicants are required to ensure that the PAN Details of the HUF are mentioned and not those of the Karta.

6. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names.

7. Applicants applying for Allotment must provide details of valid and active DP ID, Client ID and PAN clearly and

without error. On the basis of such Applicant's active DP ID, Client ID and PAN provided in the Application Form, and as entered into the electronic Application system of the Stock Exchanges by the Designated Intermediaries, as the case may be, the Registrar to the Issue will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs.

8. Applicants must ensure that their Application Forms are made in a single name.

9. It shall be mandatory for subscribers to the Issue to furnish their Permanent Account Number and any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction.

10. The minimum number of Applications and minimum application size. Applicants may apply for one or more series of NCDs Applied for in a single Application Form.

11. If the ASBA Account holder is different from the Applicant, the Application Form should be signed by the ASBA Account holder also, in accordance with the instructions provided in the Application Form.

12. Applicant should correctly mention the ASBA Account number and UPI ID in case applying through UPI Mechanism and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form and ensure that the signature in the Application Form matches with the signature in the Applicant's bank records.

13. All Applicants are required to tick the relevant column in the "Category of Investor" box in the Application Form.

14. Applications for all the series of the NCDs may be made in a single Application Form only.

Additional Instructions for Retail Individual Investors using the UPI mechanism:

1. Before submission of the application form with the Designated Intermediary, the Retail Individual Investor shall download the mobile app for UPI and create a UPI ID (xyz@bankname) of not more than 45 characters with its bank and link it to his/ her bank account where the funds equivalent to the application amount is available.

2. The Retail Individual Investor shall fill in the bid details in the application form along with his/ her bank account linked UPI ID and submit the application with any of the intermediaries or through the stock exchanges App/ Web interface.

3. The Designated Intermediary, upon receipt of form, shall upload the bid details along with the UPI ID on the Stock Exchange(s) bidding platform using appropriate protocols.

4. Once the bid has been entered in the bidding platform, the Stock Exchange(s) shall undertake validation of the PAN and Demat account combination details of investor with the depository.

5. The Depository shall validate the aforesaid PAN and Demat account details on a near real time basis and send response to Stock Exchange(s) which would be shared by the Stock Exchange(s) with the Designated Intermediaries through its platform, for corrections, if any.

6. Once the bid details are uploaded on the Stock Exchange(s) platform, the Stock Exchange(s) shall send an SMS to the investor regarding submission of his / her application, at the end of day, during the bidding period. For the last day of bidding, the SMS may be sent the next Working Day.

7. Post undertaking validation with the Depository, the Stock Exchange(s) shall, on a continuous basis, electronically share the bid details along with investors UPI ID, with the Sponsor Bank appointed by the Company.

8. The Sponsor Bank shall initiate a mandate request on the investor i.e., request the investor to authorize blocking of funds equivalent to application amount and subsequent debit of funds in case of allotment.

9. The request raised by the Sponsor Bank, would be electronically received by the investor as a SMS / intimation on his / her mobile no. / mobile app, associated with the UPI ID linked bank account.

10. The investor shall be able to view the amount to be blocked as per his / her bid in such intimation. The investor shall

be able to view an attachment wherein the bid details submitted by such investor will be visible. After reviewing the details properly, the investor shall be required to proceed to authorize the mandate. Such mandate raised by the Sponsor Bank would be a one-time mandate for each application in the Issue.

11. The investor is required to accept the UPI mandate latest by 5 pm on the third working day from the day of bidding on the stock exchanges platform except for the last day of the Issue period or any other modified closure date of the Issue period in which case, he / she is required to accept the UPI mandate latest by 5 pm on the Issue Closing Date.

12. The investor shall not be allowed to add or modify the bid(s) of the application except for modification of either DP ID/Client ID, or PAN ID but not both. However, the investor can withdraw the bid(s) and reapply.

13. For mismatch bids, on successful validation of PAN and DP ID/ Client ID combination during modification session, such bids will be sent to Sponsor Bank for further processing by the Exchange on a daily basis.

14. The facility of Re-initiation/ Resending the UPI mandate shall be available only till 5 pm on the day of bidding.

15. Upon successful validation of block request by the investor, as above, the said information would be electronically received by the investors' bank, where the funds, equivalent to application amount, would get blocked in investors account. Intimation regarding confirmation of such block of funds in investors account would also be received by the investor.

16. The information containing status of block request (e.g., accepted / decline / pending) would also be shared with the Sponsor Bank, which in turn would be shared with the Stock Exchange(s). The block request status would also be displayed on the Stock Exchange(s) platform for information of the intermediary.

17. The information received from Sponsor Bank, would be shared by Stock Exchange(s) with the Registrar to the Issue in the form of a file for the purpose of reconciliation.

18. Post closure of the Issue, the Stock Exchange(s) shall share the bid details with the Registrar to the Issue. Further, the Stock Exchange(s) shall also provide the Registrar to the Issue, the final file received from the Sponsor Bank, containing status of blocked funds or otherwise, along with the bank account details with respect to applications made using UPI ID.

19. The allotment of debt securities shall be done as per SEBI NCS Master Circular.

20. The RTA, based on information of bidding and blocking received from the Stock Exchanges, shall undertake reconciliation of the bid data and block confirmation corresponding to the bids by all investor category applications (with and without the use of UPI) and prepare the basis of allotment.

21. Upon approval of the basis of allotment, the RTA shall share the 'debit' file with Sponsor bank (through Stock Exchanges) and SCSBs, as applicable, for credit of funds in the public issue account and unblocking of excess funds in the investor's account. The Sponsor Bank, based on the mandate approved by the investor at the time of blocking of funds, shall raise the debit / collect request from the investor's bank account, whereupon funds will be transferred from investor's account to the public issue account and remaining funds, if any, will be unblocked without any manual intervention by investor or their bank.

22. Upon confirmation of receipt of funds in the public issue account, the securities would be credited to the investor's account. The investor will be notified for full/partial allotment. For partial allotment, the remaining funds would be unblocked. For no allotment, mandate would be revoked and application amount would be unblocked for the investor.

23. Thereafter, Stock Exchanges will issue the listing and trading approval.

24. Further, in accordance with the Operational Instructions and Guidelines for Making Application for Public Issue of Debt Securities through BSEDirect issued by BSE on December 28, 2020 the investor shall also be responsible for the following:

    i. Investor shall check the Issue details before placing desired bids;
    ii. Investor shall check and understand the UPI mandate acceptance and block of funds process before placing the bid;

iii. The receipt of the SMS for mandate acceptance is dependent upon the system response/integration of UPI on Debt Public Issue System;
iv. Investor shall accept the UPI Mandate Requests within the stipulated timeline;
v. Investor shall note that the transaction will be treated as completed only after the acceptance of mandates by the investor by way of authorising the transaction by entering their UPI pin and successfully blocking funds through the ASBA process by the investor's bank;
vi. Investor shall check the status of their bid with respect to the mandate acceptance and blocking of funds for the completion of the transaction; and
vii. In case the investor does not accept the mandate within stipulated timelines, in such case their bid will not be considered for allocation.

25. Further, in accordance with circular issued by National Stock Exchange of India Limited for Introduction of Unified Payment Interface (UPI) for Debt IPO through NSE goBID on January 5, 2021 the investor shall also be responsible for the following:

i. After successful registration & log-in, the investors shall view and check the active Debt IPO's available from IPO dashboard.
ii. Investors shall check the issue/series details. Existing registered users of NSE goBID shall also be able to access once they accept the updated terms and condition.
iii. After successfully bidding on the platform, investors shall check the NSE goBID app/psp/sms for receipt of mandate & take necessary action.
iv. UPI mandate can be accepted latest by 5:00 p.m. on the third working day from the day of bidding on the stock exchanges platform except for the last day of the issue period or any other modified closure date of the issue period in which case, he / she is required to accept the UPI mandate latest by 5:00 p.m. on the issue closing day.
v. For UPI bid the facility of re-initiation/ resending the UPI mandate shall be available only till 5:00 p.m. on the day of bidding.
vi. Investors can use the re-initiation/ resending facility only once in case of any issue in receipt/acceptance of mandate.

The series, mode of allotment, PAN, demat account number, etc. should be captured by the relevant Designated Intermediaries in the data entries as such data entries will be considered for allotment.

Applicants should note that neither the Members of the Consortium nor the other Designated Intermediaries, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms. Our Company would allot the NCDs, as specified in the relevant Tranche Prospectus(es) for the relevant Tranche Issue to all valid Applications, wherein the Applicants have not indicated their choice of the relevant series of NCDs.

Applicants' PAN, Depository Account and Bank Account Details

ALL APPLICANTS APPLYING FOR ALLOTMENT OF THE NCDS SHOULD MENTION THEIR DP ID, CLIENT ID, PAN AND UPI ID (IN CASE APPLYING THROUGH UPI MECHANISM) IN THE APPLICATION FORM. APPLICANTS MUST ENSURE THAT THE DP ID, CLIENT ID PAN AND UPI ID GIVEN IN THE APPLICATION FORM IS EXACTLY THE SAME AS THE DP ID, CLIENT ID, PAN AND UPI ID AVAILABLE IN THE DEPOSITORY DATABASE. IF THE BENEFICIARY ACCOUNT IS HELD IN JOINT NAMES, THE APPLICATION FORM SHOULD CONTAIN THE NAME AND PAN OF BOTH THE HOLDERS OF THE BENEFICIARY ACCOUNT AND SIGNATURES OF BOTH HOLDERS WOULD BE REQUIRED IN THE APPLICATION FORM.

On the basis of the DP ID, Client ID, PAN and UPI ID provided by them in the Application Form, the Registrar to the Issue will obtain from the Depository the Demographic Details of the Applicants including PAN and MICR code. These Demographic Details would be used for giving Allotment Advice and refunds, if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details (including bank account details) as appearing on the records of the Depository Participant and ensure that they are true and correct. Please note that failure to do so could result in delays in despatch/ credit of refunds, if any, to Applicants, delivery of Allotment Advice or unblocking of ASBA Accounts at the Applicants' sole risk, and neither the Members of the Consortium nor the Designated Intermediaries, nor the Registrar, nor the Banker(s) to the Issue, nor the SCSBs, nor our Company shall have any responsibility and undertake any liability for the same.

Applicants should note that in case the DP ID, Client ID and PAN mentioned in the Application Form, as the case may be and entered into the electronic Application system of the Stock Exchanges by the Members of the Consortium or the Designated Intermediaries, as the case may be, do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected and our Company, the Members of the Consortium and the other Designated Intermediaries shall not be liable for losses, if any.

These Demographic Details would be used for all correspondence with the Applicants including mailing of the Allotment Advice and for refunds (if any) as applicable. The Demographic Details given by Applicants in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to this Issue.

By signing the Application Form, Applicants applying for the NCDs would be deemed to have authorised the Depositories to provide, upon request, to the Registrar, the required Demographic Details as available on its records.

Allotment Advice would be mailed by post or e-mail at the address of the Applicants in accordance with the Demographic Details received from the Depositories. Applicants may note that delivery of Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. Further, please note that any such delay shall be at such Applicants' sole risk and neither our Company, Banker(s) to the Issue, Registrar to the Issue nor the Lead Managers shall be liable to compensate the Applicant for any losses caused to the Applicants due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in this Draft Shelf Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under powers of attorney, our Company in its absolute discretion, reserves the right to permit the holder of a power of attorney to request the Registrar to the Issue that for the purpose of printing particulars on and mailing of the Allotment Advice through post, the Demographic Details obtained from the Depository of the Applicant shall be used.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to this Issue will be made into the accounts of the Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the four parameters, namely, DP ID, Client ID, PAN and UPI ID then such Applications are liable to be rejected.

Applicants should note that the NCDs will be allotted to all successful Applicants only in dematerialized form. The Application Forms which do not have the details of the Applicant's depository account, including DP ID, Client ID and PAN and UPI ID (for Retail Individual Investor Applicants bidding using the UPI mechanism), shall be treated as incomplete and will be rejected.

APPLICATIONS FOR ALLOTMENT OF NCDs IN THE DEMATERIALIZED FORM

Submission of Applications

This section is for the information of the Applicants proposing to subscribe to the Issue. The Lead Managers and our Company are not liable for any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Draft Shelf Prospectus. Applicants are advised to make their independent investigations and to ensure that the Application Form is correctly filled up.

Our Company, our directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to Applications accepted by and/or uploaded by and/or accepted but not uploaded by Consortium Member, Trading Members, Registered Brokers, CDPs, CRTAs and SCSBs who are authorised to collect Application Forms from the Applicants in the Issue, or Applications accepted and uploaded without blocking funds in the ASBA Accounts by SCSBs. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount payable on Application has been blocked in the relevant ASBA Account. The list of branches of the SCSBs at the Specified Locations named by the respective SCSBs to receive Application Forms from the Members of the Syndicate is available on the website of SEBI (http://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes) and updated from time to time or any such other website as may be prescribed by SEBI from time to time. For more information on such branches collecting Application Forms from the Members of the Syndicate at Specified Locations, see the website of the SEBI http://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes as updated from time to time or any such

other website as may be prescribed by SEBI from time to time. The list of Registered Brokers at the Broker Centres, CDPs at the Designated CDP Locations or the CRTAs at the Designated CRTA Locations, respective lists of which, including details such as address and telephone number, are available at the websites of the Stock Exchanges at www.bseindia.com and www.nseindia.com. The list of branches of the SCSBs at the Broker Centres, named by the respective SCSBs to receive deposits of the Application Forms from the Registered Brokers will be available on the website of the SEBI (www.sebi.gov.in) and updated from time to time.

Applicants can apply for NCDs only using the ASBA facility pursuant to SEBI NCS Master Circular. ASBA Applications can be submitted through either of the following modes:

a. Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of ASBA Application in physical mode, the Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Investor's bank records, as mentioned in the ASBA Application, prior to uploading such ASBA Application into the electronic system of the Stock Exchanges. If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such ASBA Application and shall not upload such ASBA Application in the electronic system of the Stock Exchanges. If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the ASBA Application in the electronic system of the Stock Exchanges. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application. In case of Application in the electronic mode, the Applicant shall submit the ASBA Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly register such ASBA Applications.

b. Physically through the Consortium Member, Lead Managers, or Trading Members of the Stock Exchanges only at the Specified Cities i.e. Syndicate ASBA. Kindly note that ASBA Applications submitted to the Consortium Member, Lead Managers or Trading Members of the Stock Exchanges at the Specified Cities will not be accepted if the SCSB where the ASBA Account is maintained, as specified in the ASBA Application, is maintained has not named at least one branch at that Specified City for the Consortium Member, Lead Managers or Trading Members of the Stock Exchanges, as the case may be, to deposit ASBA Applications (A list of such branches is available at http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries).

c. A UPI Investor making an Application in the Issue under the UPI Mechanism, where the Application Amount is up to ₹5,00,000, can submit his Application Form physically to a SCSB or a Designated Intermediary. The Designated Intermediary shall upload the application details along with the UPI ID on the Stock Exchanges' bidding platform using appropriate protocols. Kindly note that in this case, the Application Amount will be blocked through the UPI Mechanism.

A UPI Investor may also submit the Application Form for the Issue through BSE Direct, wherein the Application will be automatically uploaded onto the Stock Exchanges' bidding platform and an amount equivalent to the Application Amount shall be blocked using the UPI Mechanism.

Upon receipt of the Application Form by the Designated Intermediaries, an acknowledgement shall be issued by giving the counter foil of the Application Form to the Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchanges and the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Specified City, named by such SCSB to accept such ASBA Applications from the Designated Intermediaries (A list of such branches is available at http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries). Upon receipt of the ASBA Application, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the ASBA Form. If sufficient funds are not available in the ASBA Account, the relevant ASBA Application is liable to be rejected. If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the ASBA Application. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be.

In case of Application involving an Application by an RIB through UPI Mechanism, if an Applicant submits the Application Form with a Designated Intermediary and uses his/ her bank account linked UPI ID for the purpose of

blocking of funds, where the application value is up to UPI Application Limit, the Application Amount will be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant and the Designated Intermediary shall upload the Application on the bidding platform developed by the Stock Exchanges. If an Applicant submits the Application Form through the application or web interface developed by Stock Exchanges, the bid will automatically be uploaded onto the Stock Exchanges bidding platform and the amount will be blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Applicants must note that:

a. Physical Application Forms will be available with the Designated Branches of the SCSBs and with the Lead Managers and Trading Members of the Stock Exchanges at the Specified Cities; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchanges at least one day prior to the Issue Opening Date. Application Forms will also be provided to the Trading Members of the Stock Exchanges at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that this Draft Shelf Prospectus is made available on their websites. The physical Application Form submitted to the Designated Intermediaries shall bear the stamp of the relevant Designated Intermediary. In the event the Application Form does not bear any stamp, the same shall be liable to be rejected.

b. The Designated Branches of the SCSBs shall accept ASBA Applications directly from Applicants only during the Issue Period. The SCSB shall not accept any ASBA Applications directly from Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, in case of Syndicate ASBA, the relevant branches of the SCSBs at Specified Cities can accept ASBA Applications from the Lead Managers or Trading Members of the Stock Exchanges, as the case may be, after the closing time of acceptance of Applications on the Issue Closing Date. For further information on the Issue programme, please see section titled "*Issue Related Information*" on page 420.

c. In case of Applications through Syndicate ASBA, the physical Application Form shall bear the stamp of the Lead Managers or Consortium Member or Trading Members of the Stock Exchanges, as the case maybe, if not, the same shall be rejected. Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that Applicants can make an Application for Allotment of NCDs in the dematerialized form only.

INSTRUCTIONS FOR FILLING-UP THE APPLICATION FORM

General Instructions

A. General instructions for completing the Application Form

- Applications must be made in prescribed Application Form only;
- Applicants should ensure that their Application Form is submitted either at a Designated Branch of a SCSB where the ASBA Account is maintained or with the Members of the Syndicate or Trading Members of the stock exchange(s) at the Specified Cities, and not directly to the escrow collecting banks (assuming that such bank is not a SCSB) or to the Company or the Registrar to the Issue.
- Applications through Syndicate ASBA, before submitting the physical Application Form to the Members of the Syndicate or Trading Members of the stock exchange(s), ensure that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at-least one branch in that Specified City for the Members of the Syndicate or Trading Members of the stock exchange(s), as the case may be, to deposit ASBA Forms (A list of such branches is available at http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/ Recognised-Intermediaries)
- Application Forms must be completed in block letters in English, as per the instructions contained in this Draft Shelf Prospectus, the Shelf Prospectus and this Draft Shelf Prospectus, the Abridged Prospectus and the Application Form.
- Applications should be in single or joint names and not exceeding three names, and in the same order as their Depository Participant details (in case of Applicants applying for Allotment of the Bonds in dematerialised form) and Applications should be made by Karta in case the Applicant is an HUF. Please ensure that such Applications contain the PAN of the HUF and not of the Karta. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names.
- Applicants must apply for Allotment in dematerialised form and must provide details of valid and active DP

ID, Client ID and PAN clearly and without error. On the basis of such Applicant's active DP ID, Client ID and PAN provided in the Application Form, and as entered into the electronic Application system of Stock Exchanges by SCSBs, the Members of the Syndicate at the Syndicate ASBA Application Locations and the Trading Members, as the case may be, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs.

- The minimum number of Applications and minimum application size shall be specified in the Prospectus. Applicants may apply for one or more series of NCDs Applied for in a single Application Form.
- Applications must be for a minimum of 10 (Ten) NCDs and in multiples of 1 NCD thereafter. For the purpose of fulfilling the requirement of minimum application size of 10 (Ten) NCDs, an Applicant may choose to apply for 10 (Ten) NCDs or more in a single Application Form.
- If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.
- Applications should be made by Karta in case of HUFs. Applicants are required to ensure that the PAN details of the HUF are mentioned and not those of the Karta;
- Thumb impressions and signatures other than in English/Hindi/Gujarati/Marathi or any other languages specified in the 8th Schedule of the Constitution needs to be attested by a Magistrate or Notary Public or a Special Executive Magistrate under his/her seal;
- No separate receipts will be issued for the money payable on the submission of the Application Form. However, the Lead Managers, Consortium Member, Trading Members of the Stock Exchanges or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Lead Managers, Consortium Member, Trading Member of the Stock Exchanges or the Designated Branch of the SCSBs, as the case may be.
- The Designated Intermediaries or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Designated Intermediaries or the Designated Branch of the SCSBs, as the case may be.
- Every Applicant should hold valid Permanent Account Number (PAN) and mention the same in the Application Form and submit the same. Applicant without PAN is liable to be rejected, irrespective of the amount.
- All Applicants are required to tick the relevant column of "Category of Investor" in the Application Form.
- ASBA will be the default "Mode of Application" as per the SEBI NCS Master Circular.
- Applicants should correctly mention the ASBA Account number and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form to the Designated Branch and also ensure that the signature in the Application Form matches with the signature in Applicant's bank records, otherwise the Application is liable to be rejected.
- Applicants must provide details of valid and active DP ID, UPI ID, Client ID and PAN clearly and without error. On the basis of such Applicant's active DP ID, UPI ID, Client ID and PAN provided in the Application Form, and as entered into the electronic Application system of Stock Exchanges by SCSBs, the Designated Intermediaries, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs. If the ASBA Account holder is different from the Applicant, the Application Form should be signed by the ASBA Account holder, in accordance with the instructions provided in the Application Form. Not more than five Applications can be made from one single ASBA Account
- For Applicants, the Applications in physical mode should be submitted to the SCSBs or a member of the Syndicate or to the Trading Members of the Stock Exchanges on the prescribed Application Form. SCSBs may provide the electronic mode for making Application either through an internet enabled banking facility or such other secured, electronically enabled mechanism for Application and blocking funds in the ASBA Account;
- Application Forms should bear the stamp of the Member of the Syndicate, Trading Member of the Stock Exchanges, Designated Intermediaries and/or Designated Branch of the SCSB. Application Forms which do not bear the stamp will be rejected.
- Applicant should correctly mention the ASBA Account number and UPI ID in case applying through UPI Mechanism and ensure that funds equal to the Application Amount are available in the ASBA Account before

submitting the Application Form and ensure that the signature in the Application Form matches with the signature in the Applicant's bank records.

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Lead Managers, Consortium Member, Trading Member of the Stock Exchanges in the data entries as such data entries will be considered for allotment.

Please note in accordance with Chapter IIA of SEBI NCS Master Circular, instructions to investors for completing the application form as specified in Annex- IIC of the SEBI NCS Master Circular shall be disclosed on the websites of the Company, Lead Managers and Consortium Member during the Issue Period and a copy of the Abridged Prospectus shall be made available on the websites of Company, Lead Managers and Registrar to the Issue and a link for downloading the Abridged Prospectus shall be provided in issue advertisement for the Issue.

Applicants should note that neither the Designated Intermediaries nor SCSBs, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms.

Our Company would allot the series of NCDs, as specified in the relevant Tranche Prospectus(es) to all valid Applications, wherein the Applicants have not indicated their choice of the relevant series of NCDs.

B. Applicant's Beneficiary Account and Bank Account Details

ALL APPLICANTS APPLYING FOR ALLOTMENT OF THE NCDS SHOULD MENTION THEIR DP ID, UPI ID (IN CASE APPLYING THROUGH UPI MECHANISM), CLIENT ID AND PAN IN THE APPLICATION FORM. APPLICANTS MUST ENSURE THAT THE DP ID, UPI ID, CLIENT ID AND PAN GIVEN IN THE APPLICATION FORM IS EXACTLY THE SAME AS THE DP ID, UPI ID, CLIENT ID AND PAN AVAILABLE IN THE DEPOSITORY DATABASE. IF THE BENEFICIARY ACCOUNT IS HELD IN JOINT NAMES, THE APPLICATION FORM SHOULD CONTAIN THE NAME AND PAN OF BOTH THE HOLDERS OF THE BENEFICIARY ACCOUNT AND SIGNATURES OF BOTH HOLDERS WOULD BE REQUIRED IN THE APPLICATION FORM.

Applicants applying for Allotment in dematerialized form must mention their DP ID, Client ID, PAN and UPI ID (in case applying through UPI Mechanism) in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form for Allotment in dematerialized form is submitted in the first Applicant's name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID and PAN mentioned in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchanges do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form for Allotment in dematerialized form is liable to be rejected. Further, Application Forms submitted by Applicants applying for Allotment in dematerialized form, whose beneficiary accounts are inactive, will be rejected.

On the basis of the DP ID and Client ID provided by the Applicant in the Application Form for Allotment in dematerialized form and entered into the electronic system of the Stock Exchanges, the Registrar to the Issue will obtain from the Depositories the Demographic Details of the Applicant including PAN, address, bank account details for printing on refund orders/sending refunds through electronic mode, Magnetic Ink Character Recognition ("**MICR**") Code and occupation. These Demographic Details would be used for giving Allotment Advice and refunds (including through physical refund warrants, direct credit, NACH, NEFT and RTGS), if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details as appearing on the records of the DP and ensure that they are true and correct, and carefully fill in their Beneficiary Account details in the Application Form. Failure to do so could result in delays in dispatch/credit of refunds to Applicants and delivery of Allotment Advice at the Applicants' sole risk, and neither our Company, the Lead Managers, Trading Members of the Stock Exchanges, Public Issue Account Bank(s), SCSBs, Registrar to the Issue nor the Stock Exchanges will bear any responsibility or liability for the same.

Applicants should note that in case the DP ID, Client ID and PAN mentioned in the Application Form, as the case may be and entered into the electronic Application system of the Stock Exchanges by the Members of the Consortium or the Designated Intermediaries, as the case may be, do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected and our Company, the Members of the Consortium and the other Designated

Intermediaries shall not be liable for losses, if any.

The Demographic Details would be used for correspondence with the Applicants including mailing of the Allotment Advice and printing of bank particulars on the refund orders, or for refunds through electronic transfer of funds, as applicable. Allotment Advice and physical refund orders (as applicable) would be mailed at the address of the Applicant as per the Demographic Details received from the Depositories. Applicants may note that delivery of refund orders/ Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. In such an event, the address and other details given by the Applicant in the Application Form would be used only to ensure dispatch of refund orders. Please note that any such delay shall be at such Applicants sole risk and neither our Company, the Lead Managers, Trading Members of the Stock Exchanges, Public Issue Account Banks, SCSBs, Registrar to the Issue nor the Stock Exchanges shall be liable to compensate the Applicant for any losses caused to the Applicant due to any such delay or liable to pay any interest for such delay. In case of refunds through electronic modes as detailed in this Draft Shelf Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under power of attorney, our Company in its absolute discretion, reserves the right to permit the holder of Power of Attorney to request the Registrar that for the purpose of printing particulars on the refund order and mailing of refund orders/ Allotment Advice, the demographic details obtained from the Depository of the Applicant shall be used. By signing the Application Form, the Applicant would have deemed to have authorized the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to the Issue will be made into the accounts of such Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. Furthermore, in case no corresponding record is available with the Depositories, which matches the three parameters, namely, DP ID, Client ID and PAN, then such Application are liable to be rejected.

Applicants should note that the NCDs will be allotted to all successful Applicants only in dematerialized form. The Application Forms which do not have the details of the Applicant's depository account, including DP ID, Client ID and PAN and UPI ID (for retail individual investor Applicants bidding using the UPI mechanism), shall be treated as incomplete and will be rejected.

C. Permanent Account Number (PAN)

The Applicant should mention his or her Permanent Account Number (PAN) allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the Central or State Government officials and the officials appointed by the courts in terms of RTA Master Circular, and Applicants residing in the state of Sikkim who in terms of a SEBI Master Circular on Know Your Client (KYC) Norms for the Securities Market bearing reference number SEBI/HO/MIRSD/SECFATF/P/CIR/2023/169 dated October 12, 2023 ("**SEBI KYC Circular**") may be exempt from specifying their PAN for transacting in the securities market. In accordance with RTA Master Circular, issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground.

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e., either Sikkim category or exempt category.

D. Joint Applications

Applications can be made in joint names (not exceeding three). In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to first named in the Application whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in

the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form

E. Additional/ Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs, for the same or other Options of NCDs, subject to a minimum application size of ₹10,000 and in multiples of ₹1,000 thereafter as specified in this Draft Shelf Prospectus. Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected. However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹1,000,000 shall be deem such individual Applicant to be a HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the basis of allotment to such Applicant. However, any Application made by any person in his individual capacity and an Application made by such person in his capacity as a karta of a Hindu Undivided family and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be grouped based on the PAN, i.e. Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN of the sole or the first Applicant is one and the same.

F. Unified Payments Interface (UPI)

Pursuant to the SEBI NCS Master Circular, the UPI Mechanism is an applicable payment mechanism for public debt issues (in addition to the mechanism of blocking funds maintained with SCSBs under ASBA) for applications by retail individual bidders through Designated Intermediaries. All SCSBs offering the facility of making applications in public issues shall also provide the facility to make applications using UPI. The Company will be required to appoint one SCSB as a Sponsor Bank to act as a conduit between the Stock Exchanges and National Payments Corporation of India in order to facilitate the collection of requests and/or payment instructions of the investors.

Electronic registration of Applications

a. The Designated Intermediaries and Designated Branches of the SCSBs, as the case may be, will register the Applications using the on-line facilities of the Stock Exchanges. Direct Online Applications will be registered by Applicants using the online platform offered by the Stock Exchanges. The Lead Managers, our Company, and the Registrar to the Issue are not responsible for any acts, mistakes or errors or omission and commissions in relation to (i) the Applications accepted by the SCSBs, (ii) the Applications uploaded by the SCSBs, (iii) the Applications accepted but not uploaded by the SCSBs, (iv) Applications accepted and uploaded by the SCSBs without blocking funds in the ASBA Accounts or (v) Applications accepted and uploaded by Trading members of the Stock Exchanges or (vi) the Applications accepted by and/or uploaded by and/or accepted but not uploaded by Consortium Member, Trading Members, Registered Brokers, CDPs, CRTAs and SCSBs who are authorised to collect Application Forms. In case of apparent data entry error by the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, in entering the Application Form number in their respective schedules other things remaining unchanged, the Application Form may be considered as valid and such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchanges. However, the series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries or Designated Branches of the SCSBs in the data entries as such data entries will be considered for allotment/rejection of Application.

b. The Stock Exchanges will offer an electronic facility for registering Applications for the Issue. This facility will be available on the terminals of Designated Intermediaries and the SCSBs during the Issue Period. Designated Intermediaries can also set up facilities for off-line electronic registration of Applications subject to the condition that they will subsequently upload the off-line data file into the on-line facilities for Applications on a regular basis, and before the expiry of the allocated time on the Issue Closing Date. On the Issue Closing Date, Designated Intermediaries and Designated Branches of SCSBs shall upload the Applications till such time as may be permitted by the Stock Exchanges. This information will be available with the Syndicate Members and the other Designated Intermediaries on a regular basis. Applicants are cautioned that a high inflow of high volumes on the last day of the Issue Period may lead to some Applications received on the last day not being uploaded and such Applications will not be considered for allocation. For further information on the Issue programme, please see "*Issue Structure*" on page 420.

c. Based on the aggregate demand for Applications registered on the electronic facilities of the Stock Exchanges, a graphical representation of consolidated demand for the NCDs, as available on the websites of the Stock Exchanges, would be made available at the Application centres as provided in the Application Form during the Issue Period.

d. At the time of registering each Application, the Designated Intermediaries, shall enter the details of the Applicant, such as the Application Form number, PAN, Applicant category, DP ID, Client ID, number and Option(s) of NCDs applied, Application Amounts and any other details that may be prescribed by the online uploading platform of the Stock Exchanges.

e. With respect to Applications submitted directly to the SCSBs at the time of registering each Application, other than Direct Online Applications, the Designated Branches of the SCSBs shall enter the requisite details of the Applicants in the on-line system including:

- Application Form number
- PAN (of the first Applicant, in case of more than one Applicant)
- Investor category and sub-category
- DP ID
- Client ID
- UPI ID (if applicable)
- Number of NCDs applied for
- Price per NCD
- Bank code for the SCSB where the ASBA Account is maintained
- Bank account number
- Application amount

f. With respect to Applications submitted to the Designated Intermediaries at the time of registering each Application, the requisite details of the Applicants shall be entered in the on-line system including:

- Application Form number
- PAN (of the first Applicant, in case of more than one Applicant)
- Investor category and sub-category
- DP ID
- Client ID
- UPI ID (if applicable)
- Number of NCDs applied for
- Price per NCD
- Bank code for the SCSB where the ASBA Account is maintained
- Location
- Application amount

g. A system generated Acknowledgement Slip will be given to the Applicant as a proof of the registration of his Application. It is the Applicant's responsibility to obtain the Acknowledgement Slip from the Syndicate Members or the other Designated Intermediaries, as the case may be. The registration of the Applications by the Designated Intermediaries does not guarantee that the NCDs shall be allocated/ Allotted by our Company. Such Acknowledgement Slip will be non-negotiable and by itself will not create any obligation of any kind.

h. The permission given by the Stock Exchanges to use their network and software of the online system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company, and/or the Lead Managers are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Draft Shelf Prospectus; nor does it warrant that the NCDs will be listed or will continue to be listed on the Stock Exchanges.

i. In case of apparent data entry error by the Designated Intermediaries, in entering the Application Form numbers in their respective schedules, other things remaining unchanged, the Application Form may be considered as valid or such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchanges.

j. Only Applications that are uploaded on the online system of the Stock Exchanges shall be considered for Allotment. The Designated Intermediaries shall capture all data relevant for the purposes of finalizing the Basis of Allotment while uploading Application data in the electronic systems of the Stock Exchanges. In order that the data so captured is accurate, Designated Intermediaries will be given up to the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period after which the data will be sent to the Registrar to the Issue for reconciliation with the data available with the NSDL and CDSL.

General Instructions

Do's and Don'ts Applicants are advised to take note of the following while filling and submitting the Application Form.

Do's

1. Check if you are eligible to apply as per the terms of this Draft Shelf Prospectus, the Shelf Prospectus, the relevant Tranche Prospectus(es) and applicable law;

2. Read all the instructions carefully and complete the Application Form in the prescribed form;

3. Ensure that you have obtained all necessary approvals from the relevant statutory and/or regulatory authorities to apply for, subscribe to and/or seek Allotment of NCDs pursuant to the Issue;

4. Ensure that the DP ID and Client ID and PAN mentioned in the Application Form, which shall be entered into the electronic system of the Stock Exchanges are correct and match with the DP ID, Client ID and PAN available in the Depository database. Ensure that the DP ID and Client ID are correct and beneficiary account is activated. The requirement for providing Depository Participant details shall be mandatory for all Applicants;

5. Ensure that you have mentioned the correct ASBA Account number (i.e., bank account number or UPI ID, as applicable) in the Application Form;

6. Ensure that the Application Form is signed by the ASBA Account holder in case the Applicant is not the ASBA account holder;

7. ASBA Applicants should ensure that they receive an acknowledgement from the Designated Branch or the concerned Members of the Syndicate or Trading Members of the stock exchange(s), as the case may be, for the submission of the Application Form.

8. Ensure that you have funds equal to the Application Amount in the ASBA Account before submitting the Application Form to the respective Designated Branch of the SCSB, or to the Intermediaries, as the case may be;

9. Ensure that the Application Forms are submitted at the Designated Branches of SCSBs or the Bidding Centres provided in the Application Forms, bearing the stamp of the relevant Designated Intermediaries/Designated branch of the SCSB as the case may be;

10. Before submitting the Application Form with the Designated Intermediaries ensure that the SCSB, whose name has been filled in the Application Form, has named a branch in that relevant Bidding Centre;

11. Ensure that you have been given a TRS and an acknowledgement as proof of having accepted the Application Form;

12. Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchanges, by submitting a written request to the Designated Intermediary, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchanges Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

13. ASBA Applicants need to give the correct details of their ASBA Account including bank account number/ bank name and branch/ UPI ID in case of applying through UPI Mechanism

14. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchanges, ensure that you have first withdrawn your original Application and submit a fresh Application. For instance, as per the notice No: 20120831-22 dated August 31, 2012 issued by the BSE, fields namely, quantity, series, application no., sub-category codes will not be allowed for modification during the Issue. In such a case the date of the fresh Application will be considered for date priority for allotment purposes;

15. Ensure that signatures other than in the languages specified in the Eighth Schedule to the Constitution of India is attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;

16. Ensure that you mention your PAN in the Application Form. In case of joint Applicants, the PAN of all the Applicants should be provided, and for HUFs, PAN of the HUF should be provided. Any Application Form without the PAN is liable to be rejected. Applicants should not submit the GIR Number instead of the PAN as the Application is liable to be rejected on this ground;

17. Ensure that the DP ID, the Client ID and the PAN mentioned in the Application Form, which shall be entered into the electronic system of the Stock Exchanges, match with the DP ID, Client ID and PAN available in the Depository database;

18. In case of an HUF applying through its Karta, the Applicant is required to specify the name of an Applicant in the Application Form as 'XYZ Hindu Undivided Family applying through PQR', where PQR is the name of the Karta. However, the PAN of the HUF should be mentioned in the Application Form and not that of the Karta;

19. Ensure that the Applications are submitted to the Lead Managers, Consortium Members, Trading Members of the Stock Exchanges or Designated Branches of the SCSBs, as the case may be, before the closure of application hours on the Issue Closing Date. For further information on the Issue programme, please see the section titled "*Issue Related Information*" on page 420;

20. Ensure that the Demographic Details including PAN are updated, true and correct in all respects;

21. Ensure that you have correctly signed the authorisation /undertaking box in the Application Form or have otherwise provided an authorisation to the SCSB or Sponsor Bank, as applicable, via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Application Form, as the case may be, at the time of submission of the Bid. In case of Retail Individual Investor submitting their Bids and participating in the Offer through the UPI Mechanism, ensure that you authorise the UPI Mandate Request raised by the Sponsor Bank for blocking of funds equivalent to Bid Amount and subsequent debit of funds in case of Allotment;

22. Permanent Account Number: Except for Application (i) on behalf of the Central or State Government and officials appointed by the courts, and (ii) (subject to SEBI circular dated April 3, 2008) from the residents of the state of Sikkim, each of the Applicants should provide their PAN. Application Forms in which the PAN is not provided will be rejected. The exemption for the Central or State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the demographic details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the demographic details evidencing the same;

23. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form;

24. All Applicants are requested to tick the relevant column "Category of Investor" in the Application Form; and

25. Tick the series of NCDs in the Application Form that you wish to apply for.

26. Check if you are eligible to Apply under ASBA;

27. Retail individual investors using the UPI Mechanism to ensure that they submit bids upto the application value of ₹ 500,000;

28. Investor using the UPI Mechanism should ensure that the correct UPI ID (with maximum length of 45 characters including the handle) is mentioned in the Bid cum Application Form;

29. Investors bidding using the UPI Mechanism should ensure that they use only their own bank account linked UPI ID to make an application in the issue and submit the application with any of the intermediaries or through the Stock Exchanges' App/ Web interface

30. Ensure that you give the correct details of your ASBA Account including bank account number/ bank name and branch;

31. In case of Retail Individual Investor submitting their Bids and participating in the Offer through the UPI Mechanism, ensure that you authorise the UPI Mandate Request raised by the Sponsor Bank for blocking of funds equivalent to Bid Amount and subsequent debit of funds in case of Allotment.

32. Retail Individual Investors submitting Application Form using the UPI Mechanism, should ensure that the: (a) bank where the bank account linked to their UPI ID is maintained; and (b) the Mobile App and UPI handle being used for making the Bid, are listed on the website of SEBI at www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=40]

33. Ensure that if the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form;

In terms of SEBI NCS Master Circular, SCSBs making applications on their own account using ASBA facility, should have a separate account in their own name with any other SEBI registered SCSB. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account.

SEBI NCS Master Circular stipulates the time between closure of the Issue and listing at three Working Days. In order to enable compliance with the above timelines, investors are advised to use ASBA facility only to make payment.

Don'ts:

1. Do not apply for lower than the minimum application size;

2. Do not pay the Application Amount in cash, by cheque, by money order or by postal order or by stock invest;

3. Do not send Application Forms by post; instead submit the same to the Consortium Member, sub-consortium member, Trading Members of the Stock Exchanges or Designated Branches of the SCSBs, as the case may be;

4. Do not submit the Application Form to any non-SCSB bank or our Company;

5. Do not submit an Application Form that does not have the stamp of the relevant Designated Intermediary or the Designated Branch of the SCSB, as the case may be;

6. Do not fill up the Application Form such that the NCDs applied for exceeds the Issue size and/or investment limit or maximum number of NCDs that can be held under the applicable laws or regulations or maximum amount permissible under the applicable regulations;

7. Do not submit the GIR number instead of the PAN as the Application is liable to be rejected on this ground;

8. Do not submit incorrect details of the DP ID, Client ID and PAN or provide details for a beneficiary account which is suspended or for which details cannot be verified by the Registrar to the Issue;

9. Do not submit the Application Forms without ensuring that funds equivalent to the entire Application Amount are available for blocking in the relevant ASBA Account;

10. Do not submit Applications on plain paper or on incomplete or illegible Application Forms;

11. Do not apply if you are not competent to contract under the Indian Contract Act, 1872;

12. Do not submit an Application in case you are not eligible to acquire NCDs under applicable law or your relevant constitutional documents or otherwise;

13. Do not submit Application Forms to a Designated Intermediary at a location other than Collection Centers;

14. Do not submit an Application that does not comply with the securities law of your respective jurisdiction;

15. Do not apply if you are a person ineligible to apply for NCDs under the Issue including Applications by Persons Resident Outside India, NRI (*inter*-alia including NRIs who are (i) based in the USA, and/or, (ii) domiciled in the USA, and/or, (iii) residents/citizens of the USA, and/or, (iv) subject to any taxation laws of the USA); and

16. Do not make an application of the NCD on multiple copies taken of a single form.

17. Payment of Application Amount in any mode other than through blocking of Application Amount in the ASBA Accounts shall not be accepted under the ASBA process;

18. Do not send your physical Application Form by post. Instead, submit the same to a Designated Branch or the Lead Managers or Trading Members of the Stock Exchanges, as the case may be, at the Specified Cities; and

19. Do not submit more than five Application Forms per ASBA Account.

20. If you are a Retail Individual Investor who is submitting the ASBA Application with any of the Designated Intermediaries and using your UPI ID for the purpose of blocking of funds, do not use any third party bank account or third-party linked bank account UPI ID;

21. Bidding through the UPI Mechanism using the incorrect UPI handle or using a bank account of an SCSB and/or mobile applications which are not mentioned in the list provided in the SEBI;

22. Do not submit a bid using UPI ID, if you are not a Retail Individual Investor and if the Application is for an amount more than ₹ 5,00,000;

Kindly note that Applications submitted to the Designated Intermediaries will not be accepted if the SCSB where the ASBA Account, as specified in the Application Form, is maintained has not named at least one branch at that location for the Designated Intermediaries to deposit such Application Forms. (A list of such branches is available at https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes).

Please see "*Rejection of Applications*" on page 490 for information on rejection of Applications.

Submission of completed Application Forms

For details in relation to the manner of submission of Application Forms, see "*Issue Procedure*" beginning on page 462.

OTHER INSTRUCTIONS

Depository Arrangements

Our Company has made depository arrangements with NSDL and CDSL for issue and holding of the NCDs in dematerialised form. In this context:

1. Tripartite Agreements dated July 27, 2020 between us, the Registrar to the Issue and CDSL for offering depository option to the Applicants.

2. Tripartite Agreements dated March 11, 2005 between us, the Registrar to the Issue and NSDL for offering depository option to the Applicants.

3. An Applicant must have at least one beneficiary account with any of the Depository Participants (DPs) of NSDL or

CDSL prior to making the Application.

4. The Applicant must necessarily provide the DP ID and Client ID details in the Application Form.

5. NCDs Allotted to an Applicant in the electronic form will be credited directly to the Applicant's respective beneficiary account(s) with the DP.

6. Non-transferable Allotment Advice/ refund orders will be directly sent to the Applicant by the Registrar to the Issue.

7. It may be noted that NCDs in electronic form can be traded only on Stock Exchanges having electronic connectivity with NSDL or CDSL. The Stock Exchanges have connectivity with NSDL and CDSL.

8. Interest or other benefits with respect to the NCDs held in dematerialised form would be paid to those NCD holders whose names appear on the list of beneficial owners given by the Depositories to us as on Record Date. In case of those NCDs for which the beneficial owner is not identified by the Depository as on the Record Date/ book closure date, we would keep in abeyance the payment of interest or other benefits, till such time that the beneficial owner is identified by the Depository and conveyed to us, whereupon the interest or benefits will be paid to the beneficiaries, as identified, within a period of 30 days.

9. The trading of the NCDs on the floor of the Stock Exchanges shall be in dematerialized form in multiples of One NCD only.

Allottees will have the option to rematerialise the NCDs Allotted under the Issue as per the provisions of the Companies Act, 2013 and the Depositories Act.

PLEASE NOTE THAT TRADING OF NCDs ON THE FLOOR OF THE STOCK EXCHANGES SHALL BE IN DEMATERIALISED FORM ONLY IN MULTIPLE OF ONE NCD.

For further information relating to Applications for Allotment of the NCDs in dematerialised form, please see the section titled "*Issue Procedure*" on page 462.

Communications

All future communications in connection with Applications made in the Issue should be addressed to the Registrar to the Issue quoting all relevant details as regards the Applicant and its Application.

Applicants can contact our Company Secretary and Compliance Officer or the Registrar to the Issue in case of any pre-Issue related problems and/or Post-Issue related problems such as non-receipt of Allotment Advice non-credit of NCDs in depository's beneficiary account/ etc. Please note that Applicants who have applied for the NCDs through Designated Intermediaries should contact the Stock Exchanges in case of any Post-Issue related problems, such as non-receipt of Allotment Advice / non-credit of NCDs in depository's beneficiary account/ etc.

Grievances relating to Direct Online Applications may be addressed to the Registrar to the Issue, with a copy to the relevant Stock Exchanges.

Interest in case of Delay

Our Company undertakes to pay interest, in connection with any delay in allotment, demat credit and refunds, beyond the time limit as may be prescribed under applicable statutory and/or regulatory requirements, at such rates as stipulated under such applicable statutory and/or regulatory requirements.

Undertaking by our Company

a. All monies received pursuant to the Issue of NCDs to public shall be transferred to a separate bank account as referred to in sub-section (3) of section 40 of the Companies Act, 2013.

b. Details of all monies utilised out of Issue referred to in sub-item (a) shall be disclosed under an appropriate separate head in our Balance Sheet indicating the purpose for which such monies had been utilized.

c. Details of all unutilised monies out of issue of NCDs, if any, referred to in sub-item (a) shall be disclosed under an

appropriate separate head in our Balance Sheet indicating the form in which such unutilised monies have been invested.

d. the details of all utilized and unutilised monies out of the monies collected in the previous issue made by way of public offer shall be disclosed and continued to be disclosed in the balance sheet till the time any part of the proceeds of such previous issue remains unutilized indicating the purpose for which such monies have been utilized, and the securities or other forms of financial assets in which such unutilized monies have been invested.

e. we shall utilize the Issue proceeds only upon creation of security as stated in this Draft Shelf Prospectus in the section titled "*Terms of the Issue*" on page 442 and after (a) permissions or consents for creation of pari passu charge have been obtained from the creditors who have pari passu charge over the assets sought to be provided as Security; (b) receipt of the minimum subscription of 75% of the Base Issue Size; (c) completion of Allotment and refund process in compliance with Section 40 of the Companies Act, 2013; (d) execution of DTD and creation of security and confirmation of the same in terms of NCDs and (e) receipt of listing and trading approval from the Stock Exchanges.

f. The Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, *inter alia* by way of a lease, of any immovable property.

g. The allotment letter shall be issued, or application money shall be unblocked within 15 days from the closure of the Issue or such lesser time as may be specified by SEBI, or else the application money shall be refunded to the applicants forthwith, failing which interest shall be due to be paid to the applicants at the rate of 15% per annum for the delayed period.

Other Undertakings by our Company

Our Company undertakes that:

a. Complaints received in respect of the Issue (except for complaints in relation to Applications submitted to Designated Intermediaries) will be attended to by our Company expeditiously and satisfactorily;

b. Necessary cooperation to the relevant credit rating agency(ies) will be extended in providing true and adequate information until the obligations in respect of the NCDs are outstanding;

c. Our Company will take necessary steps for the purpose of getting the NCDs listed within the specified time, i.e., within three Working Days;

d. Funds required for dispatch of Allotment Advice will be made available by our Company to the Registrar to the Issue;

e. Our Company will forward details of utilisation of the proceeds of the Issue, duly certified by the Current Joint Statutory Auditors, to the Debenture Trustee;

f. Our Company will provide a compliance certificate to the Debenture Trustee on an annual basis in respect of compliance with the terms and conditions of the Issue as contained in this Draft Shelf Prospectus;

g. We shall make necessary disclosures/reporting under any other legal or regulatory requirement as may be required by our Company from time to time;

h. We undertake that the assets on which charge is created, are free from any encumbrances and in cases where the assets are already charged to secure a debt, the permission or consent to create a second or pari-passu charge on the assets of the issuer has been obtained from the earlier creditor;

i. Our Company will disclose the complete name and address of the Debenture Trustee in its annual report and its website.

Rejection of Applications

As set out below or if all required information is not provided or the Application Form is incomplete in any respect, the Board of Directors and/or any committee of our Company reserves it's full, unqualified and absolute right to accept or

reject any Application in whole or in part and in either case without assigning any reason thereof.

Application may be rejected on one or more technical grounds, including but not restricted to:

- Application by persons not competent to contract under the Indian Contract Act, 1872, as amended, (other than minors having valid Depository Account as per Demographic Details provided by Depositories);
- Applications accompanied by cash, draft, cheques, money order or any other mode of payment other than amounts blocked in the Bidders' ASBA Account maintained with an SCSB;
- Applications not being signed by the sole/joint Applicant(s);
- Applications not made through the ASBA facility;
- Number of NCDs applied for or Applications for an amount being less than the minimum Application size;
- Applications submitted without blocking of the entire Application Amount. However, our Company may allot NCDs up to the value of application monies paid, if such application monies exceed the minimum application size as prescribed hereunder;
- In case of partnership firms, the Application Forms submitted in the name of individual partners and/or accompanied by the individual's PAN rather than the PAN of the partnership firm;
- Investor Category in the Application Form not being ticked;
- Application Amount blocked being higher or lower than the value of NCDs Applied for. However, our Company may allot NCDs up to the number of NCDs Applied for, if the value of such NCDs Applied for exceeds the minimum application size;
- ASBA Bank account details to block Application Amount not provided in the Application Form;
- Applications where a registered address in India is not provided for the Applicant;
- In case of partnership firms (except LLPs), NCDs applied for in the name of the partnership and not the names of the individual partners(s);
- Minor Applicants (applying through the guardian) without mentioning the PAN of the minor Applicant;
- PAN not mentioned in the Application Form, except for Applications by or on behalf of the Central or State Government and the officials appointed by the courts and by investors residing in the State of Sikkim, provided such claims have been verified by the Depository Participants. In case of minor Applicants applying through guardian when PAN of the Applicant is not mentioned;
- DP ID and Client ID not mentioned in the Application Form;
- GIR number furnished instead of PAN;
- Applications by OCBs;
- Applications for an amount below the minimum application size;
- Submission of more than five ASBA Forms per ASBA Account;
- Applications by persons who are not eligible to acquire NCDs of our Company in terms of applicable laws, rules, regulations, guidelines and approvals;
- In case of Applications under power of attorney or by limited companies, corporate, trust etc., submitted without relevant documents;
- Applications accompanied by Stock invest/ cheque/ money order/ postal order/ cash;
- Signature of sole Applicant missing or, in case of joint Applicants, the Application Forms not being signed by the first Applicant (as per the order appearing in the records of the Depository);
- Applications by persons debarred from accessing capital markets, by SEBI or any other regulatory authority.
- Date of Birth for first/sole Applicant for persons applying for Allotment not mentioned in the Application Form.
- Application Forms not being signed by the ASBA Account holder if the account holder is different from the Applicant.
- If the signature of the ASBA Account holder on the Application Form does not match with the signature available on the SCSB Bank's records where the ASBA Account mentioned in the Application Form is maintained;
- Application Forms submitted to the Designated Intermediaries or to the Designated Branches of the SCSBs does not bear the stamp of the SCSB and/or the Designated Intermediaries, as the case may be;
- ASBA Applications not having details of the ASBA Account to be blocked;
- In case no corresponding record is available with the Depositories that matches three parameters namely, DP ID, Client ID and PAN or if PAN is not available in the Depository database;
- Inadequate funds in the ASBA Account to enable the SCSB to block the Application Amount specified in the ASBA Application Form at the time of blocking such Application Amount in the ASBA Account or no confirmation is received from the SCSB for blocking of funds;
- If an authorization to the SCSB or Sponsor Bank for blocking funds in the ASBA Account or acceptance of UPI Mandate Request raised has not been provided;
- The UPI Mandate Request is not approved by the Retail Individual Investor;

- SCSB making an ASBA application (a) through an ASBA account maintained with its own self or (b) through an ASBA Account maintained through a different SCSB not in its own name or (c) through an ASBA Account maintained through a different SCSB in its own name, where clear demarcated funds are not present or (d) through an ASBA Account maintained through a different SCSB in its own name which ASBA Account is not utilised solely for the purpose of applying in public issues;
- Application Amount paid being higher than the value of NCDs applied for. However, the Company may allot NCDs up to the number of NCDs applied for, if the value of such Bonds applied for, exceeds the Minimum Application Size;
- Application Amounts paid not tallying with the number of NCDs applied for;
- Applications for amounts greater than the maximum permissible amount prescribed by the regulations and applicable law;
- Authorization to the SCSB for blocking funds in the ASBA Account not provided or acceptance of UPI Mandate Request raised has not been provided;
- Applications by persons prohibited from buying, selling or dealing in shares, directly or indirectly, by SEBI or any other regulatory authority;
- Applications not uploaded on the terminals of the stock exchange(s)
- Applications by any person outside India;
- Applications by other persons who are not eligible to apply for NCDs under the Issue under applicable Indian or foreign statutory/regulatory requirements;
- Applications not uploaded on the online platform of the Stock Exchanges;
- Applications uploaded after the expiry of the allocated time on the Issue Closing Date, unless extended by the Stock Exchanges, as applicable;
- Application Forms not delivered by the Applicant within the time prescribed as per the Application Form and this Draft Shelf Prospectus;
- Applications by Applicants whose demat accounts have been 'suspended for credit' pursuant to the circular issued by SEBI on July 29, 2010 bearing number CIR/MRD/DP/22/2010;
- Applications tendered to the Trading Members of the stock exchange(s) at centers other than the centers mentioned in the Application Form;
- Where PAN details in the Application Form and as entered into the electronic system of the Stock Exchanges, are not as per the records of the Depositories;
- Applications providing an inoperative demat account number;
- ASBA Applications submitted to the Designated Intermediaries, at locations other than the Specified Cities or at a Designated Branch of a SCSB where the ASBA Account is not maintained, and Applications submitted directly to the Banker to the Issue (assuming that such bank is not a SCSB), to our Company or the Registrar to the Issue;
- Category not ticked;
- Forms not uploaded on the electronic software of the Stock Exchanges;
- In case of cancellation of one or more orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application.
- Application Forms not delivered by the Applicant within the time prescribed as per the Application Form and this Draft Shelf Prospectus and as per the instructions in the Application Form;
- UPI Mandate Request is not approved by Retail Individual Investors.

Kindly note that ASBA Applications submitted to the Lead Managers, or Trading Members of the Stock Exchanges, Members of the Syndicate, Designated Intermediaries at the Specified Cities will not be accepted if the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has not named at least one branch at that Specified City for the Lead Managers, or Trading Members of the Stock Exchanges, Members of the Syndicate, Designated Intermediaries, as the case may be, to deposit ASBA Applications (A list of such branches is available at https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFpi=yes&intmId=44.

For information on certain procedures to be carried out by the Registrar to the Offer for finalization of the basis of allotment, please see below "*Issue Procedure-Information for Applicants*".

Information for Applicants

In case of ASBA Applications submitted to the SCSBs, in terms of the SEBI RTA Master Circular, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchanges and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID and PAN. The Registrar to the Issue will undertake technical

rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchanges, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such ASBA Applications or treat such ASBA Applications as rejected.

In case of Applicants submitted to the Lead Managers, Consortium Member and Trading Members of the Stock Exchanges at the Specified Cities, the basis of allotment will be based on the Registrar's validation of the electronic details with the Depository records, and the complete reconciliation of the final certificates received from the SCSBs with the electronic details in terms of the SEBI circular CIR/CFD/DIL/1/2011 dated April 29, 2011. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchanges, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records or treat such ASBA Application as rejected.

Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship).

In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

Mode of making refunds

The Registrar to the Issue shall instruct the relevant SCSB or in case of Bids by Retail Individual Investors applying through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within the prescribed timelines of the Issue Closing Date.

Our Company and the Registrar to the Issue shall credit the allotted NCDs to the respective beneficiary accounts/ dispatch the Letters of Allotment or letters of regret by registered post/speed post at the Applicant's sole risk, within 2 (two) Working Days from the Issue Closing Date. We may enter into an arrangement with one or more banks in one or more cities for refund to the account of the applicants through Direct Credit/RTGS/NEFT/NACH.

Further,

a. Allotment of NCDs in this Issue shall be made within the time period stipulated by SEBI;

b. Credit to dematerialised accounts will be given within one Working Day from the Date of Allotment;

c. Interest at a rate of 15% per annum will be paid if the Allotment has not been made and/or the refund effected within 2 (two) Working days from the Issue Closing Date, for the delay beyond two Working days; and

d. Our Company will provide adequate funds to the Registrar to the Issue for this purpose.

Retention of oversubscription

As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.

Basis of Allotment

As specified in the relevant Tranche Prospectus(es) for each Tranche Issue.

Allocation Ratio

Reservations shall be made for each of the Portions as specified relevant Tranche Prospectus(es) for each Tranche Issue.

Unblocking of funds

The Registrar shall instruct the relevant SCSB to unblock the funds in the relevant ASBA Account for withdrawn, rejected or unsuccessful or partially successful ASBA Applications within the applicable regulatory timelines.

Issuance of Allotment Advice

Our Company shall ensure dispatch of Allotment Advice as per the Demographic Details received from the Depositories. Instructions for credit of NCDs to the beneficiary account with Depository Participants shall be made within 2 (two) Working Days of the Issue Closing Date

Our Company shall use best efforts to ensure that all steps for completion of the necessary formalities and approvals for the commencement of trading at the Stock Exchanges where the NCDs are proposed to be listed are taken within 2 (two) Working Days from the Issue Closing Date.

Allotment Advices shall be issued, or Application Amount shall be unblocked within 2 days from the Issue Closing Date or such lesser time as may be specified by SEBI or else the application amount shall be unblocked in the ASBA Accounts of the applicants forthwith, failing which interest shall be due to be paid to the applicants at the rate of fifteen per cent. per annum for the delayed period.

Our Company will provide adequate funds required for dispatch of Allotment Advice, as applicable, to the Registrar to the Issue.

Investor Withdrawals and Pre-closure

Investor Withdrawal: Applicants are allowed to withdraw their Applications at any time prior to the Issue Closing Date.

Withdrawal of Applications: In case an Applicant wishes to withdraw the Application, the same can be done by submitting a withdrawal request to the Registrar prior to the finalization of the Basis of Allotment but not later than 1 (one) Working days from the Issue Closing Date or early closure date, as applicable.

Pre-closure/ Early Closure: Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date (also the Issue should remain open for minimum two working days), subject to receipt of minimum subscription which is 75% of the Base Issue, before the relevant Issue Closing Date. Our Company shall allot NCDs with respect to the Applications received at the time of such pre-closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

In the event of such early closure of this Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure or the Issue Closing Date of the Issue, as applicable, through advertisement(s) in all those newspapers or electronic modes such as online newspapers or website of the issuer or the stock exchanges in which pre-Issue advertisement and advertisement for opening or closure of this Issue have been given.

Further, the Issue will also be withdrawn by our Company in the event that the aggregate Applications received for the NCDs is lesser than the minimum subscription which is 75% of the Base Issue before the relevant Issue Closing Date.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount has not been subscribed or received, as applicable, within the specified period, the application money received is to be unblocked/credited only to the bank account in/from which the subscription was blocked/remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or the Registrar will follow the guidelines prescribed by SEBI in this regard.

If our Company does not receive the minimum subscription of 75% of Base Issue Size prior to the relevant Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 8 (eight) working days from the Issue Closing Date. In the event, there is a delay by our Company in unblocking the aforesaid ASBA Account within the prescribed time limit our Company will become liable to refund the Application Amount along with interest at the rate of 15 percent per annum for the delayed period.

Revision of Applications

As per the notice no: 20120831-22 dated August 31, 2012 issued by BSE, cancellation of one or more orders (series) within an Application is permitted during the Issue Period as long as the total order quantity does not fall under the minimum quantity required for a single Application. However, please note that in case of cancellation of one or more

orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchanges(s), by submitting a written request to the Designated Intermediary, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchanges, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on Issue Closing Date. However, in order that the data so captured is accurate, the Designated Intermediaries will be given up to the Issue Closing Date (till 5:00 PM) to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar to the Issue for reconciliation with the data available with the NSDL and CDSL.

SECTION VIII - SUMMARY OF KEY PROVISIONS OF ARTICLES OF ASSOCIATION

The key provisions of the Articles relating to issue of securities and matters incidental hereto have been set out below. Please note that each provision herein below is numbered as per the corresponding Articles. All other defined terms used herein shall have the meaning ascribed to such term in the Articles. Any reference to the term "**Article**" hereunder means the corresponding article forming part of the Articles.

Article Number	**Table F not to apply but Company to be goverened by these articles**
1	The regulations contained in Table "F" in the First Schedule to the Companies Act, 2013 shall not apply to this Company, but the regulations for the management of the Company and for the observance of the Members thereof and their representatives shall, subject to any exercise of the statutory powers of the Company with reference to the repeal or alteration of, or addition to, its Articles by special resolution, as prescribed by the said Companies Act, 2013, be such as are contained in these Articles, unless the same are repugnant or contrary to the provisions of Companies Act, 2013, rules made there under or any amendment or notification thereto.
CAPITAL AND INCREASE AND REDUCTION OF CAPITAL	
6	Division of Capital: (1) The Authorised Share Capital of the Company shall be as specified in Clause V of the Memorandum of Association of the Company. (2) The Company shall be entitled to issue, offer and allot fresh and further shares, Debentures and other Securities in dematerialized form pursuant to and in accordance with the provisions under the Depositories Act and it shall also be entitled to dematerialise its existing shares, Debentures and other Securities, subject to the provisions of the Act. In this connection, the Company shall comply with all the applicable provisions of the Depositories Act.
7	Share under the control of the Board: Subject to the provisions of the Act and these Articles the shares in the capital of the Company for the time being (including any shares forming part of any increased capital of the Company) shall be under the control of the Board who may allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par or (subject to compliance with the provisions of Section 54 of the Act) at a discount or as may be prescribed under the act and at such times as it may from time to time think fit and proper and, with the consent of the general meeting, give to any person the option to call for or be allotted any class of shares of the Company either at par or at a premium or, subject as aforesaid at a discount, such option being exercisable at such times and for such consideration as the Board thinks fit.
8	Power of Company in General Meeting to issue Shares: In addition to and without derogating from the powers for that purpose conferred on the Board under Article 7, the Company in general meeting may determine that any share (whether forming part of the original capital or of any increased capital of the Company) shall be offered to such persons (whether Members or not) in such proportions and on such terms and conditions and either at a premium or at par or (subject to compliance with the provisions of the Section 53 of the Act) at a discount, as such general meeting shall determine and with full power to give any person (whether a Member or not) the option to call for or be allotted any class of shares of the Company either at a premium or at par, or (subject to compliance with the provisions of Section 54 of the Act)at a discount, such option being exercisable at such times and for such consideration as may be directed by such general meeting or the Company in general meeting may make any other provisions, whatsoever for the issue, allotment or disposal of any shares.
9	Increase in capital:

	The Company by a Resolution in general meeting may from time to time, increase its share capital by the creation of further shares, such increases to be of such aggregate amount and to be divided into shares of such respective amounts as the resolution shall prescribe. Subject to the provisions of the Act, the further shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto, as the general meeting resolving upon the creation thereof shall direct, and if no direction be given as Board shall determine; and in particular, such shares may be issued with a preferential or qualified or differential right to dividends and in distribution of assets of the Company, and with a right of voting at general meetings of the Company.
58	Company's Lien on Shares/ Debentures: The Company shall have a first and paramount lien upon all the shares/debentures (other than fully paid-up shares/debentures) registered in the name of each Member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such shares/debentures and no equitable interest in any share shall be created except upon the footing and condition that Article 30 hereof is to have full effect and such lien shall extend to all dividends/interests and bonuses from time to time declared in respect of such shares/debentures. Unless otherwise agreed the registration of transfer of shares/ debentures shall operate as a waiver of the Company's lien if any, on such shares/debentures. The Board may at any time declare any shares/debentures wholly or in part to be exempt from the provisions of this Article. No member shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.
BORROWING POWERS	
89	Power to borrow: Subject to the provisions of the Sections 179 and 180 of the Act, the Board may, from time to time at its discretion accept deposits from Members or from the public, either in advance of calls or otherwise and generally raise or borrow or secure the payment of any sum or sums of money for the purposes of the Company. Provided, however, where the moneys to be borrowed together with the moneys already borrowed (apart from temporary loans in the ordinary course of business) exceed the aggregate of the paid –up capital of the Company and its free reserves, the Board shall not borrow such money's without the consent of the Member in General Meeting.
90	Payment or repayment of moneys borrowed: Subject to the provisions of the previous Article the payment or repayment of moneys borrowed as aforesaid may be secured in such manner and upon such terms and conditions in all respects as the Board may think fit and in particular by a resolution passed at a meeting of the Board (and not by a circular resolution) including by the issue of debentures or debenture-stock of the Company, charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being, and debenture-stock and other securities may be assignable free from any equities between the Company and the person to whom the same may be issued.
91	Terms of issue of debentures: Any issue of debentures, debenture stock, bonds or other securities shall be governed by Section 71 of the Act. This Article and Article 89 shall be subject to the said provisions. In the case of the Company giving a charge on any of its property, the provisions of Sections 2(16), 77 to 87 of the Act shall apply thereto. Any debentures, debenture-stock or other securities may be issued at a discount, premium or otherwise and may be issued on condition that they shall be convertible into

	shares of any denomination, and with any privileges and conditions as to redemption, surrender, drawing, allotment of shares and attending (but not voting) at general meetings, appointment of Directors and otherwise. Debentures with the right to conversion into or allotment of shares shall be issued only with the consent of the Company in General Meeting.
92	Register of Mortgages etc. to be kept: The Board shall cause a proper Register to be kept in accordance with the provisions of Section 85 of the Act of the mortgages, debentures and charges specifically affecting the property of the Company, and shall cause the requirement of Sections 71, 77 and 79 to 85 (both inclusive) of the Act in that behalf to be duly complied with, so far as they fall to be complied with by the Board.
93	Register and index of Debenture holders: The Company shall, if at any time issues debentures, keep a Register and Index of debenture holders in accordance with Section 88 of the Act. The Company shall have the power to keep in any State or country outside India a branch Register of Debenture holders resident in that state or country.
MEETING OF MEMBERS	
98	Annual General Meeting: a) Subject to Section 96 of the Act, the Company shall in each year hold in addition to any other meetings a general meeting as its annual general meeting and shall specify the meeting as such in the notices calling it, and not more than fifteen months shall lapse between the date of one annual general meeting of the Company and that of the next, subject however to the right of the Registrar under the Act to extend the time within which any annual general meeting may be held. b) Every annual general meeting shall be called for at a time during business hours i.e. between 9:00 am and 6:00pm on any day that is not a national holiday and shall be held either at registered office of the Company or at some other place within the city or town or village in which the registered office of the Company is situated.
100	Calling of Extraordinary General Meetings: The Directors may, whenever they think fit, convene an Extraordinary General Meeting and they shall on requisition of such number of Members holding in the aggregate not less than one-tenth of such of the paid up capital of the Company as at the date of deposit of the requisition and in compliance with Section 100 of the Act, forthwith proceed to convene Extraordinary General Meeting.
101	Participation through Electronic Mode: Notwithstanding anything contrary contained in these Articles, of the Company may provide Video Conference facility and/ or other permissible electronic or virtual facilities for communication to enable the Shareholders of the Company to participate in General Meetings of the Company. Such participation by the Shareholders at General Meetings of the Company through Video Conference facility and/or use of other permissible electronic or virtual facilities for communication shall be governed by such legal or regulatory provisions as applicable tothe Company for the time being in force.
DIRECTORS	
141	Number of Directors.

	Until otherwise determined by a general meeting of the Company and subject to the provision of Section 149 and Section 151 of the Act, the number of directors shall not be less than three or more than fifteen. Subject to the provisions of Section 149 of the Act, the Company, in General Meeting, may by ordinary resolution, increase or reduce the number of its Directors within the said limits and the Company may appoint more than 15 Directors after passing a Special Resolution.
144	Nominee Directors. Whenever the Company enters into an agreement or contract with the Central or State Government, a local authority, bank or financial institution, or any person or persons, (hereinafter referred to as "the appointer") for borrowing any money or for providing any guarantee or security or for underwriting shares or debentures or other securities of the Company, the Board shall have, subject to the provisions of Section 152 of the Act, the power to agree that such appointer shall have if and to the extent provided by the terms of such agreement or contract, the right to appoint or nominate, by a notice in writing addressed to the Company, one or more Directors on the Board, for such period and upon such conditions as may be mentioned in the agreement or contract and that such Director or Directors may not be liable to retire by rotation nor be required to hold any qualification shares. The Board may also agree that any such Director or Directors may be removed from time to time by the appointer entitled to appoint or nominate them and the appointer may appoint another or others in his or their place and also fill any vacancy which may occur as a result of any Director or Directors ceasing to hold that office for any reason whatsoever. The Directors appointed or nominated under this Article shall be entitled to exercise and enjoy all or any of the rights and privileges exercised and enjoyed by other Directors. If the Nominee Director/s is an officer of any of the financial institution(s) the sitting fees in relation to such nominee Directors shall accrue to such financial institution(s) and the same accordingly be paid by the Company to them. The Financial Institution(s) shall be entitled to depute observer to attend the meetings of the Board or any other Committee constituted by the Board.
145	The Nominee Director/s shall, notwithstanding anything to the contrary contained in these Articles, be at liberty to disclose any information obtained by him/them to the Financial Institution appointing him/them as such Director/s.
145A	Debenture Directors: If it is provided by the trust deed securing or otherwise in connection with any issue of debentures of the Company, that any person or persons shall have power to nominate a Director of the Company, then in the case of any and every such issue of debentures, the person or persons having such power may exercise such power from time to time and appoint a Director accordingly. Any Director so appointed is herein referred to as Debenture Director. A Debenture Director may be removed from office at any time by the person or persons in whom for the time being is vested the power under which he was appointed and another director may be appointed in his place. A debenture Director shall not be bound to hold any qualification shares. A Debenture Director shall not be liable to retire by rotation Investor Director Until such time that the Investor or his affiliates continue to beneficially own 8% of the equity share capital of the Company, the Investor may nominate 1 (One) director (Investor Director), who shall not be liable to retire by rotation. No Person, other than the Investor, shall have the power or right to remove and replace the Investor Director, unless such Investor Director has been removed due to any illegal/ immoral act, fraud or dishonesty. To the extent permissible the Act, the appointment of the Investor Director shall be by direct nomination by the Investor and any appointment or removal, unless the contrary intention appears, shall take effect from the date it is notified to the Company in writing. If the Act does not permit the Person nominated by the Investor to be appointed as a director or additional director of the Company merely by nomination by the Investor, the Board shall ensure that the Board forthwith (and in any event within 2 (Two) days of such nomination or at the next Board meeting, whichever is earlier) appoints such Person as a director or additional

	director, as the case may be, of the Company and further ensure that, unless the Investor changes or withdraws such nomination, such Person shall also be elected as a director of the Company at the next general meeting of the shareholders of the Company.
163

	(ii) 'Interested Directors' means any Director whose presence cannot by reason of Article 165 hereof or any other provision in the Act, count for the purpose of forming a quorum at a meeting of the Board, at the time of discussion or vote on any matter.
167	Board may appoint Chairman.: In case there is no permanent chairman is appointed, the Board may elect a Chairman of their meeting and determine the period for which he is to hold office, but if no such Chairman is elected or if at any meeting, the Chairman is not present within thirty minutes after the time appointed for holding the meeting, the Directors present may choose one of the Directors to be Chairman of the Meeting.
166 164	Decision of Questions. Subject to the provisions of the Act, questions arising at any meeting of the Board shall be decided by a majority of votes, and in case of an equality of votes the Chairman shall have a second or casting vote. Participation through Electronic Mode. Notwithstanding anything contrary contained in the Articles of Association, the Director(s) may participate in Meetings of the Board and Committees thereof, through Video Conference facility and/ or other permissible electronic or virtual facilities for communication. Such participation by the Director(s) at Meetings of the Board and Committees thereof, through Video Conference facility and/or use of other permissible electronic or virtual facilities for communication shall be governed by such legal or regulatory provisions as applicable to the Company for the time being in force.
RETIREMEN AND ROTATION OF DIRECTOR	
157	Retirement of Directors by rotation: (1) Not less than two-thirds of the total number of Directors shall be persons whose period of office is liable to determination by retirement of Directors by rotation; and save as otherwise expressly provided by the Act, be appointed by the Company in General Meeting. At every annual general meeting, one third of such of the Directors for the time being as are liable to retire by rotation, or if their number is not three or a multiple of three, then the number nearest to one-third shall retire from office. The provisions in respect of retirement of Directors by rotation shall not be by rotation applicable to the appointment of Independent Directors. (2) The Directors to retire by rotation at every annual general meeting shall be those who have been longest in office since their last appointment but as between persons who become Directors on the same day, those who are to retire shall, in default of and subject to any agreement among themselves, be determined by lot. (3) At the annual general meeting at which a Director retires as aforesaid the Company may fill up the vacancy by appointing the retiring Director who shall be eligible for re-appointment or some other person thereto. (4) If the place of the retiring Director is not filled up and the meeting has not expressly resolved not to fill the vacancy, the meeting shall stand adjourned till the same day in the next week at the same time and place or if that is a National holiday, till the next succeeding day which is not a National holiday at same time and place. If at the adjourned meeting also the place of the retiring Director is not filled up and that meeting also has not expressly resolved not to fill the vacancy, the retiring Director shall be deemed to have been reappointed at the adjourned meeting unless:

	(i) at the meeting or at the previous meeting, a resolution for the reappointment of such Director has been put to the vote and lost; (ii) the retiring Director has by a notice in writing addressed to the Comp any or its Board of Directors, expressed his unwillingness to be reappointed; (iii) he is not qualified or is disqualified for appointment; (iv) a resolution, whether special or ordinary, is required for his appointment by virtue of any of the provisions of the Act; or (v) The provision to Section 162 of the Act is applicable to the case.
CHIEF EXECUTIVE OFFICER, MANAGER, COMPANY SECRETARY OR CHIEF FINANCIAL OFFICER	
183	(a) Subject to the provisions of the Act,— i. A Chief Executive Officer, Manager, Company Secretary or Chief Financial Officer or any other Key Managerial Personnel may be appointed by the Board for such term, at such remuneration and upon such conditions as it may thinks fit; and any chief executive officer, manager, company secretary or chief financial officer so appointed may be removed by means of a resolution of the Board; ii. A director may be appointed as chief executive officer, manager, company secretary or chief financial officer. KEY MANAGERIAL PERSONNEL
184.	1. Subject to Section 203 of the Act and any other applicable provisions of the Act, the Company shall appoint by means of resolution of the Board, the following Key managerial Personnel: • Managing Director, or Chief Executive Officer or Manager and in their absence; a whole-time Director; • Company Secretary; and • Chief Financial Officer. 2. Every whole-time key managerial personnel of a company shall be appointed by means of a resolution of the Board containing the terms and conditions of the appointment including the remuneration. 3. A whole-time Key Managerial Personnel shall not hold office in more than one company except in its subsidiary company at the same time. Provided that nothing contained in this Article shall disentitle a Key Managerial Personnel from being a director of any company with the permission of the Board. Provided also that the Company may appoint or employ a person as its Managing Director, if he is the Managing Director or Manager of one, and of not more than one, other company and such appointment or employment is made or approved by a resolution passed at a meeting of the Board with the consent of all the Directors present at the meeting and of which meeting, and of the resolution to be moved thereat, specific notice has been given to all the Directors then in India. If the office of any whole-time Key Managerial Personnel is vacated, the resulting vacancy shall be filled-up by the Board at a meeting of the Board within a period of six months from the date of such vacancy.
WINDING UP	
219	<u>Distribution of Assets</u>: If the Company shall be wound up, and the assets available for distribution among the Members as such shall be insufficient to repay the whole of the paid up capital, such assets shall be distributed so that, as nearly as may be the losses shall be borne by the Members in proportion to the capital paid up on which ought to have been paid up at the commencement of the winding up on the shares

	held by them respectively and if in a winding up the assets available for distribution among the Members shall be more than sufficient to repay the whole of the capital paid at the commencement of the winding up the excess shall be distributed amongst the Members in proportion to the capital paid up or which ought to have been paid up at the commencement of winding up on the shares held by them respectively. But this Article is without prejudice to the rights of the holders of shares issued upon special terms and conditions.
SECRECY UNDERTAKING	
221	Every Director, Manager, Auditor, Treasurer, Trustee, Member of a committee, agent, officer, servant, accountant of other person employed in the business of the Company shall, when required, sign a declaration pledging himself to observe strict secrecy respecting all transactions of the Company with the customers and the state of accounts with individuals and in matters relating thereto, and shall by such declaration pledge himself not to reveal any of the matters which may come to his knowledge in the discharge of his duties, except when required so to do by the Board or by any meeting of the shareholder if any or by a Court of Law, or by the person to whom the matters relate and except so far as may be necessary in order to comply with any of the provisions in these presents contained.

ANNEXURE A – RATING, RATIONALE AND PRESS RELEASE

[Please see appended overleaf]

CONFIDENTIAL

RL/IIHOLI/362955/NCD/1225/134828/88861852
December 03, 2025

Mr. Govind Madani
Vice President
IIFL Finance Limited
Office No. 1, 8th Floor, Hub Town Solaris,
N.S. Phadke Marg, Vijay Nagar,
Andheri East,
Mumbai City - 400069

Dear Mr. Govind Madani,

Re: Crisil Rating on the Rs.3500 Crore Non Convertible Debentures&^ of IIFL Finance Limited

All ratings assigned by Crisil Ratings are kept under continuous surveillance and review.

Please refer to our rating letter dated September 04, 2025 bearing Ref. no: RL/IIHOLI/362955/NCD/0925/128310/90003711

Rating outstanding on the captioned debt instruments is "Crisil AA/Stable" (pronounced as "Crisil double A rating" with Stable outlook). Securities with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such securities carry very low credit risk.

In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from Crisil Ratings will be necessary.

As per our Rating Agreement, Crisil Ratings would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. Crisil Ratings reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which Crisil Ratings believes may have an impact on the rating. Please visit www.crisilratings.com and search with the name of the rated entity to access the latest rating/s.

As per the latest SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable Crisil Ratings to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us for any clarifications you may have at debtissue@crisil.com

Should you require any clarifications, please feel free to contact us.

With warm regards,

Yours sincerely,

Vani Ojasvi

Refer to annexure for Details of Instruments & Bank Facilities

Detailed Rationale

Crisil Ratings has reaffirmed 'Crisil AA/Crisil AA-/Crisil PPMLD AA/Stable/Crisil A1+' ratings on the bank facilities and debt instruments of IIFL Finance Limited (IIFL Finance).

The ratings continue to be supported by the group's comfortable capitalisation, its established track record of operations in home loans and microfinance segments, and sustained profitability metrics, supported by stable asset quality. These strengths are partly offset by limited diversity in the resource profile, with moderately higher cost of funds vis-à-vis some of the peers.

Earlier, vide announcement dated September 19, 2024, the company informed about upliftment of the regulatory embargo on its gold loan business, thereby allowing the group to resume sanctions and disbursements in this segment as in the normal course of business, as well securitization/assignment/sale of loans. The embargo was imposed by RBI on March 04, 2024. The company has demonstrated track record of profitably scaling its gold loan business – which remains one of its core segments. With the regulatory restriction being removed, and the company having taken requisite corrective measures following the action by the Reserve Bank of India (RBI), the group is expected to focus on regaining its market share in the gold loan business which should support restoration of its market position and profitability, which had moderated during the embargo. The time taken to attain its pre-embargo level of growth and profitability, while ensuring full adherence to compliances and regulations, remains monitorable.

During the restriction period, gold loan portfolio reduced to around Rs 10,797 crore as of September 30, 2024 (from Rs 23,354 crore on March 31, 2024) due to organic run down. Other key businesses of the group viz, home loans, microfinance, loan against property and others, were not directly impacted by this RBI directive. All the corrective measures on operational processes and compliances, highlighted by RBI have been implemented and the company's ability to revive the momentum of growth in the gold loan business, will continue to be monitored.

Consolidated AUM stood at Rs 66,964 crore as on September 30, 2024, with gold loans accounting for 16%. Housing finance and microfinance, which form 43% and 17%, respectively, are carried out via subsidiaries, IIFL Home Finance Ltd (IIFL Home) and IIFL Samasta Finance Ltd (IIFL Samasta). In terms of the earnings profile, the group reported return on assets (RoA) and managed assets (RoMA) of 3.4% and 2.3%, respectively, for fiscal 2024, vis-à-vis 3.3% and 2.3%, respectively, in fiscal 2023. This was underpinned by controlled credit cost and upfront income from direct assignment (DA) transactions, and its sustenance considering any potential changes in the business model following the restrictions. RoA and RoMA, on an annualized basis, compressed to 0.8% and 0.6%, respectively, for first half of fiscal 2025 on account of 100% provision of an AIF investments - an exceptional loss (Rs 587 crore), lower net interest margins (NIMs) and increase in credit during the period. NIMs (Total net interest income/average managed assets) and credit cost (provisions and write-offs/average managed assets), on an annualized basis were 6.6% and 1.6% in H1FY25 vis-à-vis 7.1% and 1.1% during fiscal 2024.

The group has demonstrated ability to raise capital from long-term marquee investors, such as Fairfax, the CDC group and Abu Dhabi Investment Authority (ADIA). However, the resource profile is marked by limited diversity and higher cost of borrowings, compared with peers.

Analytical Approach

Crisil Ratings has consolidated the business and financial risk profiles of IIFL Finance and its subsidiaries, including IIFL Home and IIFL Samasta. This is because all the companies, collectively referred to as the IIFL Finance group, have significant operational, financial and managerial integration, and operate under a common brand.

Please refer Annexure - List of entities consolidated, which captures the list of entities considered and their analytical treatment of consolidation.

Key Rating Drivers & Detailed Description

Strengths:

- **Comfortable capitalisation, supported by demonstrated ability to raise capital and an asset-light business model**
  The group has demonstrated its ability to raise capital from long-term marquee investors, such as Fairfax and the CDC group in the past. IIFL Finance raised Rs 1,272 crore via rights issue in May 2024 and consolidated networth stood at Rs 13,638 crore with adjusted gearing stood at 2.9 times as on September 30, 2024. Networth coverage for net non-performing assets (NPAs) was comfortable at 29 times as on September 30. Given the capital infusion and the asset-light business model, capitalisation should remain comfortable for the projected scale of operations over the medium term.

  IIFL Finance reported a standalone networth and gearing of Rs. 6428 crore and 2.4 times, respectively as on September 30, 2024, Tier I capital adequacy ratio (CAR) and overall CAR stood at 20.1% and 26.3%, respectively, as on the same date. Networth coverage for net NPAs was around 36 times.

  Further, IIFL Home has also raised Rs 2,200 crore as primary equity from ADIA in the second quarter of fiscal 2023. Consequently, consolidated networth improved to Rs 12,056 crore and adjusted gearing to 3.9 times as on March 31, 2024. On September 30, 2024, IIFL Home had networth and gearing of, and Tier I and overall CAR of 44.4% and 49.1%, respectively, and networth coverage for net NPAs of around 28 times. On the same date, IIFL Samasta reported networth and gearing of Rs 2,165 crore and 3.5 times, respectively. Tier I and overall CAR on the same date were 23.9% and 30.5%, respectively.

- **Established track record of operations and extensive branch network; ability to revive market share in the gold loan business will remain a monitorable**
  Consolidated AUM witnessed a de-growth of 15% over the first half of fiscal 2025 and stood at Rs 66,964 crore as compared to Rs 78,960 crore on March 31, 2024. The decline was driven by the rundown in gold loan portfolio along with momentary slowdown in microfinance portfolio.

  Majority of the book has been deployed in retail asset classes. Two lending subsidiaries, IIFL Home and IIFL Samasta, are engaged in mortgage finance and microfinance, respectively. In the affordable housing space, the group extends loans of average ticket size of Rs 20 lakhs and within this sub-segment, it is a prominent player. Retail loans (ticket size less than Rs 1 crore) accounted for 97% of the consolidated AUM as on September 30, 2024, making the portfolio highly granular. Also, 69% of the portfolio, excluding gold loans, qualified under priority sector lending. As on September 30, 2024, the group was present across five key segments: home loans (43% of the AUM), gold loans (16%), LAP (13%), digital loans (8%) and microfinance (17%), which together accounted for 97% of the AUM, up from 67% as on March 31, 2017.

  With the embargo being lifted, the organic run down of the gold loan business has been arrested and disbursements have started to pick up. Though the ability of the company to restore the run rate to pre-embargo levels, remains a monitorable. Apart from these, there are two non-core, but synergistic segments: construction and real estate (CRE) funding and capital market lending. The group has been consciously scaling down its book under these segments, which together formed only 2% of the AUM. Under CRE, the group finances completion of projects already funded by it and is also looking at providing smaller ticket construction finance through IIFL Home, as it will be synergistic to its core business. In the capital market segment, the group finances retail clients of IIFL Securities Ltd. Market position benefits from a wide network of 4,810 branches as on September 30, 2024, which allows the group to cross-sell financial products of other IIFL entities.

  On a standalone level, IIFL Finance had an AUM of Rs 17,382 crore as on September 30, 2024 (Rs 29,250 crore as on March 31, 2024 and Rs 25,573 crore as on March 31, 2023) primarily comprising gold loans (62%), digital loans (31%), developer and construction finance (4%), loan against property (1%) and capital markets (2%). IIFL Home had an AUM of Rs 37,098 crore on the same date (Rs 35,499 crore as on March 31, 2024 and Rs 28,512 crore as on March 31, 2023), comprising home loans (79%), followed by LAP (19%) and construction finance (2%). IIFL Samasta had an AUM of Rs 12,483 crore as on September 30 2024 (Rs 14,211 crore as on March 31, 2024 and Rs 10,552 crore as on March 31, 2023).

- **Sustained profitability metrics supported by controlled asset quality**
  Consolidated RoA and RoMA were 3.4% and 2.3%, respectively, in fiscal 2024 and 3.3% and 2.3%, respectively, for fiscal 2023. On an absolute basis, consolidated net profit was Rs 1,974 crore in the fiscal 2024 and Rs 1,608 crore in fiscal 2023. Earnings were supported by lower credit cost (provisions and write-offs/average managed assets) of 1.1% during fiscal 2024 vis-à-vis 1.2% in fiscal 2023 (1.7% in fiscal 2022). However, in H1 2025, consolidated RoA and RoMA reduced to 0.8% and 0.6%, respectively, due to 100% provision made for an AIF investment - an exceptional loss (Rs 587 crore), lower net interest margins (NIMs) and increase in credit in the quarter. NIMs (Total net interest income/average managed assets) and credit cost (provisions and write-offs/average managed assets), on an annualized basis stood at 6.6% and 1.6% in H1FY25 vis-à-vis 7.1% and 1.1% during fiscal 2024.

  On consolidated and standalone basis, gross NPAs (GNPAs) of IIFL Finance stood at 2.3% and 3.7%, respectively, as on March 31, 2024 (1.8% and 1.3%, respectively, as on March 31, 2023, and 3.2% and 2.9%, respectively, as on March 31, 2022). GNPAs spiked during March 2024 due to slippages in gold portfolio. GNPA stood at 2.4% and 2.9%, respectively on consolidated and standalone basis, as on September 30, 2024. Provision coverage ratio as on September 30, 2024, stood at 56%.

  On a standalone basis, IIFL Home and IIFL Samasta reported GNPAs of 1.5% and 1.9%, respectively, as on March 31, 2024 (2.2% and 2.1%, respectively, on March 31, 2023, and 3.1% and 3.1%, respectively, on March 31, 2022). Of these, while the GNPA of IIFL Home has remained almost flat at 1.6% over the first half of fiscal 2025, GNPA for IIFL Samasta inched up to 3.4% as of September 30, 2024,

owing to issues like overleveraging and attrition that are plaguing the microfinance segment. On this date, GNPA for the gold loan portfolio was at 2.4%, LAP at 3.5%, and digital loans at 3.3%.

Ability to keep delinquencies under check and manage credit cost will remain critical for sustaining healthy profitability.

Weakness:

- **Limited diversity in resource profile with comparatively higher cost of funds; ability to restore the volume and quality of funding to pre-embargo levels, is a key rating sensitivity factor**
  As on September 30, 2024, banks and financial institutions (FIs) constituted 73% of the on-book borrowings of the group-these were primarily in the form of term loans (44%), refinance (16%), short-term borrowings (4%), external commercial borrowings (8%) and others (1%). The remaining 27% of borrowings were in the form of non-convertible debentures (24%), external commercial borrowings from DFIs (1%) and commercial paper (2%). Of this, capital market lenders (such as mutual funds, pension funds, trusts) had limited share. IIFL Finance group has been able to tap the public NCDs route, but the cost of funds remains higher than some of the comparable peers. Nonetheless, the company has a comfortable liquidity profile with no negative cumulative mismatches across time buckets as per the asset liability maturity (ALM) statement dated September 30, 2024.

  Over the medium to long term, ability to diversify the resource base at an optimal cost will be a monitorable, given the relatively higher reliance on banks and FIs.

Liquidity: Strong

As on December 31, 2024, the IIFL Finance group had liquidity of Rs 5569 crore (Rs 4411 crore of cash and equivalents, Rs 29 crore of unutilised cash credit limit and Rs 1129 crore of unutilized and undrawn lines. Against this, total debt obligation was Rs 5485 crore over the next three months through March 2025.

On a standalone basis, IIFL Finance had surplus cash (including unutilized and undrawn lines) of Rs 1,215 crore as on December 31, 2024. This, including sensitized collections scheduled over the following three months, is sufficient to meet debt obligation of Rs 3090 crore till March 2025.

Environment, social and governance (ESG) profile

Crisil Ratings believes that the ESG profile of the IIFL Finance group supports its credit risk profile.

The ESG profile of financial institutions typically factors in governance as a key differentiator. The sector has reasonable social impact because of its substantial employee and customer base, and its role in promoting financial inclusion. While there is no direct adverse impact on the environment, lending decisions could have a bearing on environmental and other sustainability related factors.

The IIFL Finance group has demonstrated an ongoing focus on strengthening various aspects of its ESG profile.

Key ESG highlights of the IIFL Finance group

IIFL Finance has replaced incandescent lights with light-emitting diode panels across branches. Rainwater harvesting systems have been installed and wastewater is treated and re-used for domestic purposes.

Of the total workforce at IIFL Finance, gender diversity stands at 26%, as on March 31, 2023. One of the nine board members is a woman.

Of the board members, 63% are independent directors and there is a split between positions of the chairman and CEO. Extensive investor grievance redressal disclosures and mechanism are in place.

There is growing importance of ESG among investors and lenders. The group's commitment to ESG will play a key role in enhancing stakeholder confidence, given the substantial share of foreign investors as well as access to domestic capital market.

Outlook: Stable

IIFL Finance group is likely to maintain adequate capitalisation while restoring its growth momentum in the gold loan as well as overall portfolio, which is expected to aid overall profitability.

Rating sensitivity factors

Upward factors:

- Sustained improvement in profitability, with RoMA reaching 2.8-3.0% on a steady state basis
- Diversification of resource profile at optimal cost of funding
- Significant improvement in market position, along with sound asset quality

Downward factors:

- Inability to regain significant market share in the gold loan segment
- Any further regulatory developments resulting in sustained weakening of the business profile
- Restricted ability to raise resources at competitive rates
- Weakening of asset quality, leading to decline in profitability, with consolidated RoMA remaining
- below 2%

About the Company

IIFL Finance is the listed holding company of the IIFL Finance group and is registered as a systemically important non-deposit-taking, non-banking financial company. The group offers various retail lending products, including gold loans, home loans, LAP, digital loans and microfinance loans, which are the core segments and form 98% of the AUM. Capital market-based lending (margin funding and loans against shares) and construction and developer finance form the balance of the AUM.

About Crisil Ratings Limited (A subsidiary of Crisil Limited, an S&P Global Company)

Crisil Ratings pioneered the concept of credit rating in India in 1987. With a tradition of independence, analytical rigour and innovation, we set the standards in the credit rating business. We rate the entire range of debt instruments, such as bank loans, certificates of deposit, commercial paper, non-convertible/convertible/partially convertible bonds and debentures, perpetual bonds, bank hybrid capital instruments, asset-backed and mortgage-backed securities, partial guarantees and other structured debt instruments. We have rated over 33,000 large and mid-scale corporates and financial institutions. We have also instituted several innovations in India in the rating business, including ratings for municipal bonds, partially guaranteed instruments and infrastructure investment trusts (InvITs).

Crisil Ratings Limited ('Crisil Ratings') is a wholly-owned subsidiary of Crisil Limited ('Crisil'). Crisil Ratings Limited is registered in India as a credit rating agency with the Securities and Exchange Board of India ("SEBI").

For more information, visit www.crisilratings.com

About Crisil Limited

Crisil is a leading, agile and innovative global analytics company driven by its mission of making markets function better.

It is India's foremost provider of ratings, data, research, analytics and solutions with a strong track record of growth, culture of innovation, and global footprint.

It has delivered independent opinions, actionable insights, and efficient solutions to over 100,000 customers through businesses that operate from India, the US, the UK, Argentina, Poland, China, Hong Kong and Singapore.

It is majority owned by S&P Global Inc, a leading provider of transparent and independent ratings, benchmarks, analytics and data to the capital and commodity markets worldwide.

CRISIL PRIVACY NOTICE

Crisil respects your privacy. We may use your contact information, such as your name, address and email id to fulfil your request and service your account and to provide you with additional information from Crisil. For further information on Crisil's privacy policy please visit www.crisil.com.

DISCLAIMER

This disclaimer is part of and applies to each credit rating report and/or credit rating rationale ('report') provided by Crisil Ratings Limited ('Crisil Ratings'). For the avoidance of doubt, the term 'report' includes the information, ratings and other content forming part of the report. The report is intended for use only within the jurisdiction of India. This report does not constitute an offer of services. Without limiting the generality of the foregoing, nothing in the report is to be construed as Crisil Ratings provision or intention to provide any services in jurisdictions where Crisil Ratings does not have the necessary licenses and/or registration to carry out its business activities. Access or use of this report does not create a client relationship between Crisil Ratings and the user.

The report is a statement of opinion as on the date it is expressed, and it is not intended to and does not constitute investment advice within meaning of any laws or regulations (including US laws and regulations). The report is not an offer to sell or an offer to purchase or subscribe to any investment in any securities, instruments, facilities or solicitation of any kind to enter into any deal or transaction with the entity to which the report pertains. The recipients of the report should rely on their own judgment and take their own professional advice before acting on the report in any way.

Crisil Ratings and its associates do not act as a fiduciary. The report is based on the information believed to be reliable as of the date it is published, Crisil Ratings does not perform an audit or undertake due diligence or independent verification of any information it receives and/or relies on for preparation of the report. THE REPORT IS PROVIDED ON "AS IS" BASIS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAWS, CRISIL RATINGS DISCLAIMS WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR OTHER WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OF MERCHANTABILITY, ACCURACY, COMPLETENESS, ERROR-FREE, NON-INFRINGEMENT, NON-INTERRUPTION, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE OR INTENDED USAGE. In no event shall Crisil Ratings, its associates, third-party providers, as well as their directors, officers, shareholders, employees or agents be liable to any party for any direct, indirect,

incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees or losses (including, without limitation, lost income or lost profits and opportunity costs) in connection with any use of any part of the report even if advised of the possibility of such damages.

The report is confidential information of Crisil Ratings and Crisil Ratings reserves all rights, titles and interest in the rating report. The report shall not be altered, disseminated, distributed, redistributed, licensed, sub-licensed, sold, assigned or published any content thereof or offer access to any third party without prior written consent of Crisil Ratings.

Crisil Ratings or its associates may have other commercial transactions with the entity to which the report pertains or its associates. Ratings are subject to revision or withdrawal at any time by Crisil Ratings. Crisil Ratings may receive compensation for its ratings and certain credit-related analyses, normally from issuers or underwriters of the instruments, facilities, securities or from obligors.

Crisil Ratings has in place a ratings code of conduct and policies for managing conflict of interest. For more detail, please refer to: https://www.crisil.com/en/home/our-businesses/ratings/regulatory-disclosures/highlighted-policies.html. Public ratings and analysis by Crisil Ratings, as are required to be disclosed under the Securities and Exchange Board of India regulations (and other applicable regulations, if any), are made available on its websites, www.crisilratings.com and https://www.ratingsanalytica.com (free of charge). Crisil Ratings shall not have the obligation to update the information in the Crisil Ratings report following its publication although Crisil Ratings may disseminate its opinion and/or analysis. Reports with more detail and additional information may be available for subscription at a fee. Rating criteria by Crisil Ratings are available on the Crisil Ratings website, www.crisilratings.com. For the latest rating information on any company rated by Crisil Ratings, you may contact the Crisil Ratings desk at crisilratingdesk@crisil.com, or at (0091) 1800 267 1301.

Crisil Ratings uses the prefix 'PP-MLD' for the ratings of principal-protected market-linked debentures (PPMLD) with effect from November 1, 2011, to comply with the SEBI circular, "Guidelines for Issue and Listing of Structured Products/Market Linked Debentures". The revision in rating symbols for PPMLDs should not be construed as a change in the rating of the subject instrument. For details on Crisil Ratings' use of 'PP-MLD' please refer to the notes to Rating scale for Debt Instruments and Structured Finance Instruments at the following link: https://www.crisilratings.com/en/home/our-business/ratings/credit-ratings-scale.html

Mr. Kapish Jain
Chief Financial Officer
IIFL Finance Limited
802, 8th Floor, Hubtown Solaris,
Prof. N. S. Phadke Road, Vijay Nagar,
Andheri - East, Mumbai - 400069

Dear Sir,

Sub: Assignment of rating of Proposed PDIs of Rs. 150.00 crores (Rupees One Hundred and Fifty Crores only), Reaffirmation of Rating of NCDs of Rs. 3022.04 crores (**Rupees Three Thousand Twenty Two Crores and Four Lakhs Only**), and Reaffirmation of Rating of Perpetual Debt Instruments (PDIs) of Rs. 500.00 crores (**Rupees Five Hundred Crores Only**) of **IIFL Finance Limited** as per your mandates and BWR rating letter **BWR/NCD//CRC/HS/0152/2025-26** dated 21 Nov 2025.

Upon reviewing the performance of **IIFL Finance Limited**, based on the information provided by you and publicly available sources, Brickwork Ratings informs you that Brickwork Ratings (BWR) has reaffirmed the rating of NCDs of Rs. 3022.04 Crs at **BWR AA+/Stable/Reaffirmed**, initially rated by us on 22 Apr 2020. Brickwork Ratings has also reaffirmed the rating of Perpetual Debt Instruments (PDIs) of Rs. 500.00 crores at **BWR AA/Stable** initially rated by us on 15 Sep 2025. Brickwork Ratings has additionally assigned the rating of proposed PDIs of Rs. 150.00 crores at **BWR AA/Stable** as per your mandate dated 10 Dec 2025. Instruments with this rating are considered to have a high degree of safety regarding the timely servicing of financial obligations and carry very low credit risk.

Please note that the rating of NCDs of Rs. 3022.04 crores, IPDIs of Rs. 500.00 Crs and Proposed PDIs of Rs 150 crs is valid until 23 Dec 2026, subject to the terms and conditions outlined in your mandate, BWR rating letter dated 21 Nov 2025 and Brickwork Rating's standard disclaimer appended below.

Non submission of No Default Statement (NDS) on a monthly basis will result in publishing your Company's/ entity's name on BWR website under the "NDS Not Submitted" Section.

Additionally, please note that failure to submit the NDS for three consecutive months, or if BWR is unable to verify timely debt servicing through any other source, will result in migrating your rating to Issuer Not Co-operating (INC) within seven days of the third consecutive month of non-submission. At its discretion, BWR may migrate your rating to the INC category before the end of the three-month period if the NDS is not received.

Brickwork Ratings looks forward to your continued cooperation in maintaining timely submissions for accurate surveillance.

Best Regards,

Hemant Sagare
Director - Ratings

Disclaimer: Brickwork Ratings India Pvt. Ltd. (BWR), a Securities and Exchange Board of India [SEBI] registered Credit Rating Agency and accredited by the Reserve Bank of India [RBI], offers credit ratings of Bank Loan facilities, Non-convertible / convertible / partially convertible debentures and other capital market instruments and bonds, Commercial Paper, perpetual bonds, asset-backed and mortgage-backed securities, partial guarantees and other structured / credit enhanced debt instruments, Security Receipts, Securitization Products, Municipal Bonds, etc. [hereafter referred to as "Instruments"]. BWR also rates NGOs, Educational Institutions, Hospitals, Real Estate Developers, Urban Local Bodies and Municipal Corporations.

BWR wishes to inform all persons who may come across Rating Rationales and Rating Reports provided by BWR that the ratings assigned by BWR are based on information obtained from the issuer of the instrument and other reliable sources, which in BWR's best judgment are considered reliable. The Rating Rationale / Rating Report & other rating communications are intended for the jurisdiction of India only. The reports should not be the sole or primary basis for any investment decision within the meaning of any law or regulation (including the laws and regulations applicable in Europe and also the USA).

BWR also wishes to inform that access or use of the said documents does not create a client relationship between the user and BWR. The ratings assigned by BWR are only an expression of BWR's opinion on the entity / instrument and should not in any manner be construed as being a recommendation to either purchase, hold or sell the instrument.

BWR also wishes to abundantly clarify that these ratings are not to be considered as an investment advice in any jurisdiction nor are they to be used as a basis for or as an alternative to independent financial advice and judgment obtained from the user's financial advisors. BWR shall not be liable to any losses incurred by the users of these Rating Rationales, Rating Reports or its contents. BWR reserves the right to vary, modify, suspend or withdraw the ratings at any time without assigning reasons for the same.

BWR's ratings reflect BWR's opinion on the day the ratings are published and are not reflective of factual circumstances that may have arisen on a later date. BWR is not obliged to update its opinion based on any public notification, in any form or format although BWR may disseminate its opinion and analysis when deemed fit.

Neither BWR nor its affiliates, third party providers, as well as the directors, officers, shareholders, employees or agents (collectively, "BWR Party") guarantee the accuracy, completeness or adequacy of the Ratings, and no BWR Party shall have any liability for any errors, omissions, or interruptions therein, regardless of the cause, or for the results obtained from the use of any part of the Rating Rationales or Rating Reports. Each BWR Party disclaims all express or implied warranties, including, but not limited to, any warranties of merchantability, suitability or fitness for a particular purpose or use. In no event shall any BWR Party be liable to any one for any direct, indirect, incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including, without limitation, lost income or lost profits and opportunity costs) in connection with any use of any part of the Rating Rationales and/or Rating Reports even if advised of the possibility of such damages. However, BWR or its associates may have other commercial transactions with the company/entity. BWR and its affiliates do not act as a fiduciary.

BWR keeps certain activities of its business units separate from each other in order to preserve the independence and objectivity of the respective activity. As a result, certain business units of BWR may have information that is not available to other BWR business units. BWR has established policies and procedures to maintain the confidentiality of certain non-public information received in connection with each analytical process.

BWR clarifies that it may have been paid a fee by the issuers or underwriters of the instruments, facilities, securities etc., or from obligors. BWR's public ratings and analysis are made available on its web site, www.brickworkratings.com. More detailed information may be provided for a fee. BWR's rating criteria are also generally made available without charge on BWR's website.

This disclaimer forms an integral part of the Ratings Rationales / Rating Reports or other press releases, advisories, communications issued by BWR and circulation of the ratings without this disclaimer is prohibited.

BWR is bound by the Code of Conduct for Credit Rating Agencies issued by the Securities and Exchange Board of India and is governed by the applicable regulations issued by the Securities and Exchange Board of India as amended from time to time.

RATING RATIONALE

24 Dec 2025

IIFL Finance Limited

Brickwork Ratings reaffirms the long term rating of NCDs amounting to Rs. 3022.04 crores, reaffirms the long term rating of the Perpetual Debt Instruments (PDIs) amounting to Rs. 500 crores and assigns the long term rating of the Proposed Perpetual Debt Instruments amounting to Rs. 150.00 crores of IIFL Finance Limited.

Particulars:

Instrument	Amount (Rs Crs)		Tenure	Rating	
	Previous	Present		Previous (21st Nov 2025)	Present
NCDs Public Issue **	975.82	**975.82**	Long Term	BWR AA+/Stable (Reaffirmed)	**BWR AA+/Stable (Reaffirmed)**
NCDs**	46.22	**46.22**	Long Term	BWR AA+/Stable (Reaffirmed)	**BWR AA+/Stable (Reaffirmed)**
NCDs (Proposed - Public issue)	2000.00	**2000.00**	Long Term	BWR AA+/Stable (Assignment)	**BWR AA+/Stable (Reaffirmed))**
Perpetual Debt Instrument (PDI)	500.00	**500.00**	Long Term	BWR AA/Stable (Reaffirmed)	**BWR AA/Stable (Reaffirmed)**
Proposed Perpetual Debt Instrument (PDI)	0.00	**150.00**	Long Term	-	**BWR AA/Stable (Assignment)**
Total	3,522.04	**3,672.04**	**Rupees Three Thousand Six Hundred and Seventy Two Crores and Four Lakhs Only**		

*Please refer to BWR website **www.brickworkratings.com/** for the definition of the ratings
#Details of rated instruments are provided in Annexures II
**NCDs outstanding as confirmed by the Debenture Trustee

RATING ACTION/OUTLOOK: REAFFIRMATION/ ASSIGNMENT/ STABLE

Brickwork Ratings assigns the long term rating for proposed PDIs of Rs. 150 Crores at BWR AA/Stable, reaffirms the long term rating for the non-convertible debentures (NCDs) amounting to Rs. 3022.04 Crores at BWR AA+/Stable and reaffirms the long term rating for the Perpetual Debt Instruments (PDIs) of Rs. 500 Crores at BWR AA/Stable, of IIFL Finance Ltd as tabulated above.

The assignment of rating to the proposed PDIs and reaffirmation of rating of existing NCDs and PDIs continues to factor in the business turn-around post the previous year's regulatory concerns with growth across the key performance indicators, continued support of the institutional investors to maintain healthy capitalisation levels with sufficient buffer, adequate liquidity with no negative cumulative mismatches as per ALM statement of the company as of 30 Sep 2025, experienced board and management team. Gold loans have rebounded strongly post-embargo, and MSME lending continues its steady expansion, albeit asset quality shall be monitorable.

KEY COVENANTS OF THE INSTRUMENT/FACILITY RATED :

For existing raised NCDs: The outstanding NCDs amounting to Rs. 1022.04 Crores raised by the Company are in the nature of unsecured/ secured rated listed redeemable non convertible debentures. It comprises two sets. One set of ISINs is for public issues while the other set of ISINs were privately placed. Other details of these rated instruments is as per Annexure II

For proposed NCDs: The proposed NCD issuance of Rs.2000 Crores will be a public issue. It will be listed secured rated redeemable non convertible debentures having a face value of Rs.1000. These will be raised in tranches. The other terms are tentatively to be in line with its existing NCDs public issue. The said issues are yet to be raised.

For the Perpetual Debt instruments (PDI): The PDI issue of Rs. 500 Crores has features similar to the PDIs raised by NBFCs, having a lock-in clause, requirement of permission from RBI in case the coupon servicing results in loss for the company. The redemption of these bonds can be made with the approval of the RBI, with the company having a call option at the end of 10 years from the date of allotment. Given the perpetual nature of such instruments and the lock-in-clause applicable to such instruments, BWR generally notches the rating of such instruments below the issuer's base case rating. BWR has considered one notch below the base case rating at BWR AA/stable for the Perpetual Debt Instruments. The Company has raised the said PDIs by the end of Sep 2025.

For proposed PDIs: The proposed PDI issuance of Rs. 150 Crores will be an unsecured, perpetual private issuance having face value of Rs.1 crore each. The other terms are tentatively to be in line with its existing PDIs issue. The PDI issue has features similar to the PDIs raised by NBFCs, having a lock-in clause, requirement of permission from RBI in case the coupon servicing results in loss for the company. The redemption of these bonds can be made with the approval of the RBI, with the company having a call option at the end of 10 years from the date of allotment. Given the perpetual nature of such instruments and the lock-in-clause applicable to such instruments, BWR generally notches the rating of such instruments below the issuer's base case rating. BWR has considered one notch below the base case rating at BWR AA/stable for the Perpetual Debt Instruments.

KEY RATING DRIVERS:

Credit Strengths -:

- **Strong Ownership and support of the key management:** The promoters of the group held ownership of (24.9%) of the shareholding. The majority of ownership as Sept 30th, 2025 was held by institutional investors (51.1%) including Fairfax (15.2%), Foreign Institutions (30***%),*** Domestic Institutions (4%), and Public & Others (24%). There has been equity infusion of Rs.1272 Crs over the last one year. The key management team of IIFL Finance Limited includes Mr. Nirmal Jain as the Promoter and Managing Director, Mr. R. Venkataraman as the Co-Promoter and Joint Managing Director, and other directors such as Mr. Ramakrishnan Subramanian, Mr. Tritala Subramanian Ramakrishnan, Mr. Nihar Niranjan Jambusaria, Mr. Bijou Kurien, Mr. Gopalakrishnan Soundarajan, Ms.Nirma Anil Bhandari, and Mr. Bhibhu Prasad Kanungo provides stronger support to the Company.

- **Diversified portfolio, expected to continue its growth from the core segments:** The group has a diversified portfolio spread across 27 states and 5 Union Territories of India consisting of different asset classes. As on Sept 30th, 2025 AUM consisted of Home loans (36%), Gold loans (38%), Microfinance (9%), MSME (15%), CRE & Others (1%) and Capital Markets (1%). The book composition has been mainly from the gold loans which is expected to grow at 25-30% and home loan book which is expected to grow at 15-18%, over the near term. The recalibration of the MSME loan book is expected to be inclined towards the secured book and lower delinquencies on a forward looking basis, the MFI book will be maintained at stagnant growth, with cautious disbursements depending on improvement in collections.

- **Adequate and improving profitability in the operations and profitability at consolidated level :** As of 30 Sept 2025, in Home Loans: AUM grew by 10% YoY and marginally in QoQ to ₹32,034 Cr, maintaining the leadership in affordable housing; In Gold Loans: AUM surged 220% YoY and 27% QoQ to ₹34,577 Cr, through continued recovery momentum post-RBI embargo; In MSME Loans: AUM rose 0% YoY to ₹13,474 Cr but was down 3% QoQ, owing to seasonal dip and strategic re-calibration towards low risk secured lending. In Microfinance: AUM stood at ₹8,362 Cr, down 26% YoY and 6% QoQ, impacted by macroeconomic pressures in unsecured lending. Profitability was better in the gold loans and home loans, as compared to the MSME and MFI segments, and shall continue to be so over the near to medium term

Credit Risks-:

- **Limitation on the diversified resource profile:** Consolidated resource profile consisted of term loans (40%), bonds (32%), refinancing (12%) and others (16%) as on 30th Sept 2025. There has been a rise in the cost of borrowings over the years to keep up with the growing AUM levels. Cost of borrowings has risen to 9.50% in H1FY26 from 9.10% in Q1FY25. The company's ability to diversify its resource profile while lowering the credit cost would remain a key rating monitorable.

- **Moderate Asset Quality, albeit remains monitorable:** GNPA ratio stood at 2.14% and NNPA ratio stood at 1.02% as at 30 Sept 2025. With implementation of Expected Credit Loss under Ind AS, provision coverage on NPAs stands at 52.77%. The consolidated AUM of the group grew from Rs. 83,889 Crs as on 30 June 2025 to Rs. 90,122 Crs as on 30 Sept 2025. The same stood at Rs. 78,341 Crs as on March 31st 2025. Recouping the AUM, achieving a growth in gold loan book as projected with a steady growth in the AUM of other segments of loan book shall be monitorable alongwith the overall asset quality of the company. An incremental decline in the collections from its key loan book segments, microfinance and home loans impacting the asset quality, shall remain monitorable.

ANALYTICAL APPROACH AND APPLICABLE RATING CRITERIA: CONSOLIDATED

To arrive at its ratings, BWR has taken a consolidated view of IIFL Finance Limited and its subsidiaries as detailed in Annexure III. BWR has applied its rating methodology as detailed in the Rating Criteria below (hyperlinks provided at the end of this rationale).

RATING SENSITIVITIES:

Positive:

- Improvement in the overall financial risk profile of the company, and maintaining the focus in the gold loan and home loan businesses.
- Maintaining the share of retail business along with sustained growth in all segments while managing its cost of borrowing at par with the industry levels.
- Steady and substantial growth in business from the current levels, in both its gold loan and non-gold loan business
- Maintaining strong liquidity for business operations and repayment of debt, and maintaining CRAR > 22% at a standalone level.
- Substantial Improvement in asset quality (GNPA <1.5% and NNPA <0.70%), and other financial parameters

Negative :

- Substantial decline in AUMs from the present levels (FY25)
- Significant deterioration in the asset quality with GNPA ratio >4.5% impacting the capital and earning profile of the company, shall be key rating negative for the company
- Debt to Equity ratio at >5.5x times
- CRAR level < 20% at a consolidated basis.
- Any adverse action by the regulators impacting the operations, liability franchise and liquidity and concerns regarding governance.
- Deterioration in the Financial flexibility and ability to raise resources at the reasonable cost of funding

LIQUIDITY POSITION: ADEQUATE

A liquidity buffer (Free cash + Undrawn lines) of ₹ 8170 Cr was maintained as on 30 Sep 2025 with LCR at 233.42% (Standalone). Cash and Bank balances as on 30 Sep 2025 stood at Rs. 5,594 crores as per the consolidated Balance Sheet As per the ALM statement of 30 Sept 2025, the Company has positive cumulative mismatches across the buckets upto 5 years. The Company has average monthly collections of ~Rs. 2500 Crs, adequate to meet its cash outflows of ~Rs. 12,500 Crs over the next one year. Any decline in the collections over the near to medium term shall remain monitorable.

For print and digital media The Rating Rationale is sent to you for the sole purpose of dissemination through your print, digital or electronic media. While it may be used by you acknowledging credit to BWR, please do not change the wordings in the rationale to avoid conveying a meaning different from what was intended by BWR. BWR alone has the sole right of sharing (both direct and indirect) its rationales for consideration or otherwise through any print or electronic or digital media.

About Brickwork Ratings

Brickwork Ratings (BWR), a Securities and Exchange Board of India [SEBI] registered Credit Rating Agency and accredited by Reserve Bank of India [RBI], offers credit ratings of Bank Loan, Non- convertible / convertible / partially convertible debentures and other capital market instruments and bonds, Commercial Paper, perpetual bonds, asset-backed and mortgage-backed securities, partial guarantees and other structured / credit enhanced debt instruments, Security Receipts, Securitisation Products, Municipal Bonds, etc. BWR has rated over 11,560 medium and large corporates and financial institutions' instruments. BWR has also rated NGOs, Educational Institutions, Hospitals, Real Estate Developers, Urban Local Bodies and Municipal Corporations. BWR has Canara Bank, a leading public sector bank, as one of the promoters and strategic partner.

DISCLAIMER :

Brickwork Ratings India Pvt. Ltd. (BWR), a Securities and Exchange Board of India [SEBI] registered Credit Rating Agency and accredited by the Reserve Bank of India [RBI], offers credit ratings of Bank Loan facilities, Non- convertible / convertible / partially convertible debentures and other capital market instruments and bonds, Commercial Paper, perpetual bonds, asset-backed and mortgage-backed securities, partial guarantees and other structured / credit enhanced debt instruments, Security Receipts, Securitisation Products, Municipal Bonds, etc. [hereafter referred to as "Instruments"]. BWR also rates NGOs, Educational Institutions, Hospitals, Real Estate Developers, Urban Local Bodies and Municipal Corporations. BWR wishes to inform all persons who may come across Rating Rationales and Rating Reports provided by BWR that the ratings assigned by BWR are based on information obtained from the issuer of the instrument and other reliable sources, which in BWR's best judgement are considered reliable. The Rating Rationale / Rating Report & other rating communications are intended for the jurisdiction of India only. The reports should not be the sole or primary basis for any investment decision within the meaning of any law or regulation (including the laws and regulations applicable in Europe and also the USA).

BWR also wishes to inform that access or use of the said documents does not create a client relationship between the user and BWR.

The ratings assigned by BWR are only an expression of BWR's opinion on the entity / instrument and should not in any manner be construed as being a recommendation to either purchase, hold or sell the instrument. BWR also wishes to abundantly clarify that these ratings are not to be considered as an investment advice in any jurisdiction nor are they to be used as a basis for or as an alternative to independent financial advice and judgement obtained from the user's financial advisors. BWR shall not be liable to any losses incurred by the users of these Rating Rationales, Rating Reports or its contents. BWR reserves the right to vary, modify, suspend or withdraw the ratings at any time without assigning reasons for the same.

BWR's ratings reflect BWR's opinion on the day the ratings are published and are not reflective of factual circumstances that may have arisen on a later date. BWR is not obliged to update its opinion based on any public notification, in any form or format although BWR may disseminate its opinion and analysis when deemed fit.

Neither BWR nor its affiliates, third party providers, as well as the directors, officers, shareholders, employees or agents (collectively, "BWR Party") guarantee the accuracy, completeness or adequacy of the Ratings, and no BWR Party shall have any liability for any errors, omissions, or interruptions therein, regardless of the cause, or for the results obtained from the use of any part of the Rating Rationales or Rating Reports. Each BWR Party disclaims all express or implied warranties, including, but not limited to, any warranties of merchantability, suitability or fitness for a particular purpose or use. In no event shall any BWR Party be liable to any one for any direct, indirect incidental, exemplary, compensatory, punitive, special or consequential damages, costs, expenses, legal fees, or losses (including, without limitation, lost income or lost profits and opportunity costs) in connection with any use of any part of the Rating Rationales and/or Rating Reports even if advised of the possibility of such damages. However, BWR or its associates may have other commercial transactions with the company/entity. BWR and its affiliates do not act as a fiduciary.

BWR keeps certain activities of its business units separate from each other in order to preserve the independence and objectivity of the respective activity. As a result, certain business units of BWR may have information that is not available to other BWR business units. BWR has established policies and procedures to maintain the confidentiality of certain non-public information received in connection with each analytical process.

BWR clarifies that it may have been paid a fee by the issuers or underwriters of the instruments, facilities, securities etc., or from obligors. BWR's public ratings and analysis are made available on its web site, **www.brickworkratings.com**. More detailed information may be provided for a fee. BWR's rating criteria are also generally made available without charge on BWR's website.

This disclaimer forms an integral part of the Ratings Rationales / Rating Reports or other press releases, advisories, communications issued by BWR and circulation of the ratings without this disclaimer is prohibited.

BWR is bound by the Code of Conduct for Credit Rating Agencies issued by the Securities and Exchange Board of India and is governed by the applicable regulations issued by the Securities and Exchange Board of India as amended from time to time.
